December 31, 1965

Dear 20th Century Christian Staff Member:

As the New Year approaches and we take more time to think of those whose lives have so enriched ours, I think of you and thank God. It is a privilege to work with you. Thank you for all you do to spread the Gospel through the printed page.

You will be glad to know that 20th Century Christian is growing. We are printing 50,000 or more each issue. Probably three times this number of people are reading each copy before it is destroyed or lost. We will certainly appreciate your assistance in getting more churches to use the family plan for 20th Century Christian and Power for Today. I am sending it to every member at Vermont Avenue. We are convinced that this is the most efficient way to reach the casual Christian and those non-members who have one Christian member in the family.

You probably have received your 1966 catalogue of the 20th Century Christian. You will notice a subscription form for the 20th Century Christian and Power for Today in the center and the announcement of the new 20th Century Christian Graded Bible School Series on pages 28 and 29. Jim Bill McInteer, Jay Smith and Gary Mitten deserve a lot of credit for their work on this series. We think it will make a real contribution. I would appreciate your looking over this new Bible School Material. If you are pleased with it your encouragement of its use will help greatly.

I am sure you are planning to attend one of the Christian College lectureships in 1966. Be sure to attend the dinner honoring staff writers and friends of the 20th Century Christian and Power for Today. Finer programs than ever are planned for these. Bring a number of friends with you to learn more about plans for the future.

May God bless you and all those dear to you as you serve Him.

Cordially in Christ,

M. Norvel Young,
Editor

P. S. If we do not have a recent picture of you please send us one. We want to run the 20th Century Christian staff soon.

Winston Moore tells us we have a few additional 6% bonds available. If you or any of your friends would like to purchase one write to Winston Moore, Controller, at 2814 Granny White Pike, Nashville, Tennessee.

Dear John Allen, With your permission we are taking your name from Power Staff and adding it to 20th Century Christian Staff. We feel this staff

makes the more significant contribution.
Thank you for your letter of December 28th
and your picture for 20th @ @ Staff.
