Dear John Allen:

I wonder whether or not you have read closely my chapter on King's doctrine of anarchy in my THE MARTIN LUTHER KING STORY. Also, the chapter that deals with his modernism. In case you do not have a copy of the book, I am sending it to you.

In the New York Times Magazine for March 31, I believe it was, 1968, King took the position that it was right to violate just laws in order to call attention to certain matters.

Cordially,

James D. Bales
