Dear brother Beavers:

I have just talked with Archie Crenshaw in Atlanta, Georgia about the possibility of your working with some dynamic congregation in that area. I hope, however, that things are looking better in the situation in Warrington and that you will be able to continue working with the congregation there. You have done so much with the young people there and have provided a kind of leadership that I know that congregation has never had before. Lean on Jesus Christ. Do not become too discouraged, but commit your life daily to Him, whom you know so well, for the strength and power only He can give.

It was so wonderful to get to visit with you in Dallas. Thank you for the kind remarks about my lesson. I pray that your ministry will be blessed with great success there in 1969.

If I can be of any help to you at any time in any way, please feel free to call on me.

Fraternally yours,

John Allen Chalk

Dear Bro. Chalk:

Sorry to be so slow in "SAYING SO" but I really do appreciate your fine lesson on "Let the Redeemed Say So" which you presented during the Dallas Seminar.

Thank you so much for taking time out of your busy schedule to share with us. It is because of dedicated people like you who are willing to give of themselves that the future of our Redeemer's cause looks brighter than ever before.

Truly I can join with the apostle Paul as he wrote to the church at Phillipi in chap. 1:3-6.

May God continue to bless and use you.

Sincerely in Christ,

Dexter D. Beavers
