HERALD OF TRUTH

Radio and Television Programs

Mr. Dick Cupp

Dear Dick:

Thank you so much for your "distinctive contribution" to our brotherhood's literature. I don't know when I have seen a more clever presentation of all those pictures than the one you did. Sue and I got a big laugh out of it. It helped us also to remember that you and Nila are very dear friends of ours, whose associations in the past we treasure so deeply.

It sounds like your work is going great! I know that wherever you are, things are going to be happening in a big way. Sue, Mary Beth, John and I send all of you our love and prayers for your continued, successful ministry.

Thanks so much for all you are doing to increase our listening audience to Herald of Truth. KNBR brings us a lot of response every week.

Your brother,

John Allen Chalk

Dear John,

I'm just now getting around to sending you the enclosed JAC illustrated story that I put together some time ago. Guess I had a guilty conscience. Anyhow, I hope you enjoy it.

In exchange for this distinctive contribution to our brotherhood's literature, may I feel free to both use and quote from your radio sermons? I can't seem to get many of my brethren up by 7:30 a.m. Sunday to hear you; maybe if I quote from you they'll become more interested. I'm especially anxious to draw from your series on racism.

I don't mean to say that no one here listens to you. Nila & I do! But so do a few others; one of our octogenarians repeats your sermons for me every Sunday morning. I wouldn't really have to tune into KNBR.

But I would like to see more of the brethren listening. They seem to have a vague idea that the sermons are intended for "the lost," and that the program is too early to interest those people, anyhow.

Happily, our elders are becoming more and more interested in and influenced by the program. Keep up the good work!

Our love to Sue & the family.

Yours,

Dick
