Dear John Allen:

Thanks Brother for the use of this Memory - O - Matic brochure - I can hardly wait for the arrival so that I can get my few "tid-bits" collected in some useable order. Forgive me for not having mailed it right back - I brought it to the office and you know how that goes - covered up nearly a foot deep.

John Allen, sincerely, Rudy and I appreciate more than you can know the tremendous influence you and your family are having in the lives of Walt and Shannen - not to mention Marilyn, Steve and the countless multitudes - but the former seem to be somewhat special to us. May the Lord bless you abundantly, and we want you to know that you are in our prayers.

The kids told us of your plans to come to Decatur. We are hoping and praying that Walt will be able to share in this work, as he seems to bubble with excitement and anticipation; nevertheless, may His will be done.

The work here at MP continues to be a challenge and slowly we are able to at least show some forward progress - we need your prayers.

The Lord bless you and yours.

In Him,
