Congratulations, Donna!

I was thrilled to hear about the scholarship -- the Officer's Wives Club has made a very wise selection, and I know they will be even more pleased in the future as they see the determination you have to use this opportunity with trust and confidence.

Thank you for sharing this news with me. I send you my assurance of faith in you and your ability to carry this task out with vim and vigor! May God bless you each day so that your purpose will not diminish, but grow stronger and more Christ-like.

Please give my regards to your family also.

Your brother,

Dear Brother Chalk, ^{May 3, 1969} ~~the~~ ^{we are thrilled}
MAY 7 1969

I am quite thrilled as I write this letter to you. This morning a letter arrived stating I had won the Officers' Wives Club Scholarship! I cannot express enough gratitude to you for helping make it possible. I shall always remember your kindness and hope I can live up to all the expectations of my parents and friends who have put so much trust and confidence in me.

I have been accepted at the Harbor College nursing program here in San Pedro. However, I am considering going to Long Beach State for four years of more extensive study. I would then like to attend a school of anesthesiology for a year, the final requirement for a nurse anesthetist. The \$500 will pay for the first two years of training, so it will indeed be helpful.

I appreciate very much the special scriptures you sent in your letter. I have made it a point to read them many times since then.

Thank you once again for your help and cooperation. And as always, my entire family send their "hellos". Sincerely yours,
Donna
