Dear Brother Chalk:

We are not going to enter our new building as soon as we had planned. The holidays held up our work, and the weather is not co-operating so we can put in our parking lot. This will change our plans for our open house.

We are sorry that you will not be able to come for a meeting beginning on a Sunday, and closing on a Wednesday. We had looked forward to such a meeting.

We understand your very busy schedule, and will release you from your agreement to hold our dedication service. If at all possible we would like for you to come for a week-end meeting as you suggested and will try to work out a date for such a meeting later on in the year.

We continue to hear of your good work with the Herald of Truth radio program and were very sorry to learn that you had terminated this work in June.

We will look forward to your being with us later on in the year.

Sincerely,

Ron McIndoo

Dear brother McIndoo:

It is great you were able to work everying out on the new building for Bellemeade church. I am sorry I could not be with you for a meeting but my schedule just would not allow it. I appreciate the understanding and help of the congregation in releasing me from the meeting planned.

We appreciate your interest in the work of Herald of Truth.

Sincerely,

John Allen Chalk
