Dear John Allen,

I am so grateful to you for taking time out of your busy schedule to send the encouraging letter. It is wonderful to have men of your stature leading in so many good works for the Lord.

I think you would like to know that I am quite aware of the recent attacks brought against Campus Evangelism by Guy N. Woods, H. A. Dixon, and Ira Y. Rice. I heard portions of two tapes from the Freed-Hardeman lectures, and want you to know that I am vehemently opposed to what in my opinion was the very un-Christlike spirit in which Mr. Woods treated Charles Shelton. There are several of us at Lipscomb like Tim Tucker, Don Finto, etc., who are solidly behind what Campus Evangelism is trying to do. We will be praying for the success of this work, and just want you to know that you have our full support.

If you are coming to Nashville in the next few months and have time to do so, it would be a pleasure to visit with you and/or Sue. I realize we do not know each other too well personally, although I feel quite close to Sue as a very fine former student and good friend.

Thank you again for the kind letter.

Sincerely,

John Willis
