Dear Mrs West

Received your Card and letter and was very happy to hear from you again. As always I am well and in very good spirits. I truly hope that you your husband and daughter are all enjoying good health for next to having the Grace of God have, good health is the most enjoyabable blessing we have.

Old Santa has already started to arrive and I sure am well stocked in fruit, nuts and food. I expect another box either today or tom.morrow and I hardly know where I shall put it. Of course being human I get great pleasure from receiving them but my greatest pleasure comes from my prayers to Christ or for. I wish I could sit down today and have a long talk with

my wife for <sup>3</sup> maybe you could help her better understand the true way of life and persuade her to forsake the sins of this world and sub the ever merciful love of our Heavenly Father. I firmly believe she is a good person deep in her heart but because of her child load of which would take a long time to explain, her views on life are very harsh and during the war she made the same mistakes so many other women made. Jealousness can cause any one to committ a great number of sins which they would not do otherwise.

Many thanks for the money which you sent for it shall indeed come in handy as we always need some little something here.

My Mother and explain the way  
I feel and why I feel that way  
in that way I'm sure she would  
be much happier for tho she  
is a good Christian woman  
I fear that she doesn't under-  
stand the true meaning behind  
my happiness.

yes I look forward very much  
and am praying that my son  
will be able to visit me, how-  
ever I don't expect them untill  
after the first of the year if  
they can come. Travel would  
be almost impassible untill  
then and my wife will probably  
spend Exmas with her people  
but I do have high hopes that  
they will be able to come.

If they come and can arrange  
to visit you I shall express  
your desire for her to come on  
a week end, I would like  
very much for you to meet

Well there is no news here at  
all so I will close for now  
and May God bless you through  
out the coming year.

Your friend
