FROM INTERIM DEAN STEINMAN

I thought you might be interested in learning about this year's incoming class:

The class numbers 345 students (out of 2,400 applicants), with 242 attending the Day Division and 103 attending the Evening Division. The class is made up of 190 men (55 percent of the class) and 155 women (45 percent of the class), and minority students constitute 15 percent of the class. Our entering students hold undergraduate degrees from 131 different colleges and universities (a list of those schools is printed at the back of this week's *Record*), and the entering class includes 43 students with graduate degrees.

Twenty-eight percent of the students in our entering class are from out-of-state. In addition to Illinois, the following home states are represented: Alaska, Arizona, California, Colorado, Connecticut, Florida, Indiana, Iowa, Kansas, Louisiana, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, New Jersey, New York, North Carolina, Ohio, Pennsylvania, Tennessee, Texas, Virginia and Wisconsin, as well as the District of Columbia and Puerto Rico. Five students, including two Fulbright Fellows, are seeking a Master of American Legal Studies degree. They come to us from Bulgaria, Indonesia, Japan, Liberia and Sweden.

To all of you, both new and returning students, I wish a fulfilling and successful year.

IMPORTANT NOTICES

FROM THE REGISTRAR

Student Directory/Privacy Form

The student directory listing names, local addresses and phone numbers will be published in September. If you do not wish to have this information published, you must fill out a privacy form, available in the Registrar's Office, Room 306, by Sept. 7.

Add-Drop

If you have a tuition balance from either the spring or summer semester, the new computer system will prevent you from making a program change. Your account must show a zero balance to allow you to make any program changes. Adds to open courses will be accepted in the Registrar's Office, Room 306, through Friday, Aug. 31. Drops will be accepted from courses other than required or clinical courses until the final exam or paper due date with a decreasing tuition refund.

Fall '90 Graduates

Students who expect to complete the requirements for the J.D. degree at the end of this fall semester must submit a graduation declaration no later than Friday, Sept. 7 in the Registrar's Office, Room 306. There is no commencement ceremony in January, but you may participate in the official ceremony in June.

Student Activities Fee

The student activities fee for the fall 1990 semester has been set at \$25 by the Student Activities Finance Board. This fee will be included in your tuition statement.

Loan Checks

Those students who are expecting to receive a loan check other than Perkins/NDSL should check the lists posted on the second floor bulletin board. When your name is listed your check is available in the Registrar's Office, Room 306. You will be expected to sign your loan check over to IIT in its entirety. If you expect to receive a refund, it will be available in the Registrar's Office within three to five days of signing over your loan check.

Student Insurance

All full-time day division students must have health insurance coverage. IIT offers very basic insurance coverage for \$149 per year, payable in two equal installments. You will be automatically billed for the student insurance if you want the plan, and no response is required. If you choose to decline the insurance, your declination must be received by the Bursar's Office no later than Friday, Sept. 28. Declination forms are available in the College Office, Room 301.

Evening students also may be covered by the plan if they desire. However, evening students are not automatically charged; you must sign up for the plan. Applications are available in the College Office. If you have been given permission to take more than 11 hours, you will be charged for the insurance automatically. If you do not want the insurance, you must fill out the declination form and return it by the deadline stated above.

Lockers Opened

Locks were cut off and the contents removed from lockers on Aug. 6. If you had not removed your lock and contents from the locker you used last year, see custodian Kelly Courtney to reclaim your belongings.

If you do not do so by Friday, Sept. 14, all materials recovered from lockers will be disposed of.

Lockers that do not have locks on them by Friday, Sept. 7 will be considered vacant. The Registrar's Office will reassign lockers considered vacant on Monday, Sept. 10 to any student who does not have a locker at present.

RESEARCH ASSISTANTS WANTED

Professor Marc Grinker is seeking a research assistant to work with him on an article examining the use, misuse and avoidance of medical knowledge by courts in HIV-testing cases. The working thesis is, in

part, that the standard HIV test, which has virtually no prognostic or diagnostic value, can no longer be considered constitutionally permissible if mandated in isolation from other tests (assuming that it ever should have been under any circumstances). This conclusion is based in part on the medical profession's development of new tests for certain advanced diagnostic markers. These advanced tests, which have both prognostic and diagnostic value, are not being required by courts in upholding mandatory HIV testing regimens (by certain government employers, for example). Thus, the law in this area has not kept pace with medical advances. Interested students should stop by Professor Grinker's office, Room 214, or call him at ext. 7546.

Professor Cheryl Harris is seeking a research assistant. Interested students should leave a message and resume in her mailbox. Students with an interest in constitutional and international law issues are encouraged to apply. You may contact Professor Harris at ext. 5035.

Professor Gary Laser is seeking two research assistants to work in the area of civil procedure and/or clinical education. A commitment of at least 10 hours per week is required. Pay or independent research credit is available. Interested students may contact Professor Laser in his office, Room 601, or call him at 567-5050.

Professor Richard McAdams is seeking a second- or third-year student to work as a research assistant. Someone with a strong social science background (economics, sociology and/or psychology) is preferred. Interested students should leave their resumes (and any other relevant materials) in his mailbox. For more information, stop by Professor McAdams' office, Room 316, call him at ext. 8898 or send an inquiry via e-mail.

Professor Kevin Smith is seeking a second- or third-year student as a research assistant. The research will concern Supreme Court decision making and the application of social science and statistics to a variety of legal issues. A background in statistics or an area of social science (particularly sociology or psychology) would be helpful, but it is not necessary. Interested students should please put their resume and any other relevant material in Professor Smith's mailbox. For more information, stop by Professor Smith's

office, Room 211, call him at ext. 8895 or send him a message via e-mail.

Professor Richard Warner is seeking a research assistant to help with a project on the nature of legal reasoning. A commitment of at least 10 hours per week is required. Interested students may contact Professor Warner in his office, Room 644, or by calling him at 567-6804.

Illinois Institute of Technology is an Affirmative Action/Equal Opportunity employer.

Students and staff members who have successfully completed a six-month probationary employment period are welcome to apply for staff positions open at the law school.

Also, in accordance with IIT policy, a \$100 referral fee may be paid to any student or staff member who refers a qualified applicant for a full-time position. To receive the referral fee, the student or staff member making the referral must first fill out a referral form, which can be obtained from the IIT Office of Human Resources through the Law School Office. If the person referred is hired and completes three months of satisfactory employment, the student or staff member will receive the referral fee.

LEXIS ID's FOR SECOND AND THIRD YEAR LAW STUDENTS

Lexis ID numbers will be made available to all second and third year students.

Students will be able to pick-up their ID's in the cafeteria on Wednesday, August 29th from 10:00 a.m. to 1:00 p.m.; or Thursday, August 30th from 11:00 a.m. to 2:00 p.m.

NOTICE TO ALL SECOND AND THIRD YEAR STUDENTS WHO ALREADY HAVE LEXIS ID's:

You must exchange your current ID for a new one which will be distributed to you at the above scheduled time.

If anyone has any questions or problems with their ID, please contact MNILES on the Kentnet EMail system.

WESTLAW PASSWORDS FOR ALL LAW STUDENTS

For those students who received WESTLAW passwords last week, you will be receiving software in the mail directly from West Publishing. If you have any questions or problems about your new WESTLAW account, you should call 1-800-WESTLAW (937-8529).

If you have not received a WESTLAW password yet, please be patient as we are working out the details for delivering your password to you.

APPLE MACINTOSH USERS GROUP FIRST MEETING

The first meeting of the Apple Macintosh Users of Chicago-Kent will be in room 643 on Tuesday, August 28, 1990 at 12:00 (noon). Bring your favorite public domain software. Officers will be elected and modest refreshments may be served.

CALI LESSONS: GREAT STUDY TOOLS

IIT-Chicago Kent College of Law has numerous Computer Assisted Legal Instruction lessons available on Kentnet. These lessons cover a broad range of legal topics, are very "user-friendly", and can even be fun.

Besides being available for use at the law school, CALI lessons are also available for home use. Take several home, give them a try, let us know how you like them.

COMPUTER LAB ETIQUETTE

These rules are mostly common sense, but they are necessary so that we can continue to deliver excellent computing services to all students.

Absolutely NO food or drink is allowed in the computer labs.

Always log completely out of Kentnet when you are finished using the computer.

The library computer lab (room 416) closes 15 minutes before the library.

You cannot reserve a computer by leaving your books. If you are going to do research in the library, logout. If you are going to take a meal break, logout.

Clean up your space! Do not leave paper or garbage in the computers labs.

These rules are simple, common courtesy. As students and professionals we expect your cooperation so that we may devote our time to improving services.

TOP TEN QUESTIONS OF THE WEEK

1 How do I login to Kentnet?

Login names are different from last year. Your login name is your first initial plus the first seven letters of your last name. In case of duplicates a '1' or a '2' will be added to the end of the login name. Your password has been reset to your social security number.

2 What's going on with printing?

We have recently upgraded the file server and the operating system that runs Kentnet. Kentnet is much faster than last year. We are still working out some problems with printing and hope to have them solved by next week. To print on the dot-matrix printers in the computer labs, you do not have to 'release' your print jobs at the printer servers like last year. This is a temporary situation. When it is fixed, you will send print jobs to the printer server and release them from the printer server to start printing.

3 Can I call Kentnet from home?

Not yet. That capability is on the

agenda for this semester.

4 When I access LEXIS from home, am I making a long-distance call?

No. The phone number built into the LEXIS software is in downtown Chicago.

5 Can I take home more than one CALI lesson on a single diskette?

No. Different CALI lessons use files with the same name. This means that you must keep each lesson on a separate diskette or put each lesson in its own subdirectory. We are working on a method where the lessons are copied to your diskette in compressed format. This will enable you to put several lessons on a single diskette.

6 Can I download with WESTLAW?

We have not yet received all the details about law student WESTLAW access. When we do, we will publish an information sheet that will be available on the literature table outside room 643.

7 Can I send electronic mail to the my law professors?

Yes. Their login names are formed the same way that student login names are formed.

8 If the labs are for students, why do you close them for classes?

The computer labs are unique classroom environments that we use to train students in LEXIS, WESTLAW and other sophisticated tools. We pay careful attention to lab scheduling and paper due dates to prevent conflicts.

9 The bookstore doesn't have Framework.

There was a glitch in the availability of Framework for early this semester. The bookstore should be receiving new copies of Framework soon.

10 I have a Macintosh, what should I do?

You should attend the Apple Macintosh Users at Chicago-Kent meeting on Tuesday, August 28 at 12:00 in room 643.
