FRESHMEN ORIENTATION, PART II

A Faculty Freshman Orientation Meeting is being held in room 102-3 on Tuesday, November 9, from 12:00-1:45 for day students, and from 5 p.m.-6 p.m. for evening students. The theme of the program will be "Studying for Final Exams and Taking Final Exams." The faculty believes that first-year students should receive information about testing from the "horses' mouths," rather than depending on the grapevine.

Professors Barnett, Brill, Deutsch, Levin, Rudstein, Singer and Staudt will attend the day session, and Professors Barnett and Brill will attend the evening session. Outlining, practice exams, study groups, and other topics will be discussed. Each teacher will specifically comment on what he looks for in an examination.

PREREQUISITE FOR COLLECTIVE BARGAINING SEMINAR

The following prerequisite was not listed in the SPRING 1983 CLASS SCHEDULE. Please note that the prerequisite for COLLECTIVE BARGAINING SEMINAR is LABOR LAW I.

JUDICIAL EXTERN PROGRAM - SPRING 1983 SEMESTER

The Judicial Extern Program is open to second and third year law school students. Judicial Externs do legal research and writing for course credit for federal and state circuit court judges for an established number of hours per week. Judges in the federal courts select their externs and all applicants are in competition. Students who apply for an externship at the Cook County Circuit Court are placed in one of the divisions by the judge who coordinates the program at the court.

Students are limited to a maximum of two semesters and 6 credit hours of a judicial externship, general externship, or a combination of the two. Students will not be allowed to register for the judicial extern course until they have a confirmed extern placement. Because these placement decisions are not usually made until December or January for the spring semester, students will not be able to pre-register for this course. Those who are interested in this course for the Spring 1983 semester should obtain a copy of the course description and application form in the Placement Office, room 321. Applications to the judges must be submitted to Mary Kralovec in the Placement Office by 5 p.m. Monday, November 15, 1982.

Judge Susan Getzendanner is to be added to the list of judges seeking an extern for the Spring 1983 term. Extern applicants may be second or third year students. Students are to submit a cover letter, resume, writing sample and transcript (helpful, but not required).

TO ALL JANUARY 1984 AND JUNE 1984 GRADUATES SEEKING A JUDICIAL CLERKSHIP PLACEMENT

The Faculty Judicial Clerkship committee is accepting applications now from January 1984 and June 1984 graduates who plan to apply for a federal or state judicial clerkship and who, in addition, seek the backing of this committee. Interested students should pick up a committee application form now in the Placement Office. In addition to completing this application form, students will need to provide (1) a resume, (2) a transcript, (3) law school faculty reference list, (4) a statement to the committee giving reasons you are seeking a clerkship and (5) a writing sample. THE APPLICATION DEADLINE IS MONDAY, NOVEMBER 15, 1982 AT 5 p.m. This deadline applies only to

JANUARY AND JUNE 1984 GRADUATES SEEKING JUDICIAL CLERKSHIP PLACEMENT (cont'd)

those students seeking the committee's recommendation and does not preclude students from applying on their own for a judicial clerkship. Student applicants will then be invited to an interview with the Judicial Clerkship Committee or a sub-committee thereof. Thereafter, the committee will determine which students to recommend to which courts.

Additional information on the advantages of a clerkship, duties of a law clerk, and appropriate application credentials should be obtained from the Placement Office prior to initiating this process. For further information on the application process of the Faculty Judicial Clerkship Committee, please contact the Committee Chairman, Professor Bruce Levin, or Dean Saunders in the Placement Office.

CLASS EVALUATIONS

Class evaluations will be conducted at the beginning of the first meeting of each course during the week of November 15 - 20. Professors will not see the evaluations until all grades for a particular course are submitted. The purpose of the evaluation is to inform the professor of the strong and weak areas of the course, so that the professor may capitalize on the stronger features and improve on the weak ones. The evaluations are also used by the tenure and promotion committee. If you are absent at the time of an evaluation, you may pick up an evaluation at the college office, complete and return it to room 334.
