## *Delta Theta Phi*

On Friday evening, October 19th, Webster Senate held a smoker at the Brevoort Hotel. Douglas Senate of John Marshall Law School, and McKenna Senate of Loyola University were well represented. Brother Joe Harrington of Webster Senate '15 was the speaker for the evening. His topic of "Criminal Procedure" was very interesting and instructive, and was enjoyed by all who attended. The other distinguished guest of the evening was Brother Owen Rall, Master of Rolls of the National Senate.

The social program for the coming month, in addition to our regular schedule of smokers, is a dance to be presented by McKenna Senate on November 3rd at the Palmer House, and a dance to be presented by Lincoln Senate of the University of Chicago on November 17th in celebration of the Maroon-Illini game. We expect several brothers from Davis Senate of the U. of I. to be present at this affair.

The following men are on Webster Senate's pledge list: Gross, Adams, Bishop, Zambrano, Anderson.

## *Phi Alpha Delta*

The members of P. A. D. are back in the harness and "hitting the ball" harder than ever before.

Four smokers have resulted in the pledging of ten men: Burke '31, Braklow '29, Carpenter '31, Combs '31, Fitzsimmons '30, Johnson '29, Kuske '31, Sapper '31 and Shroeder '29. The active chapter feels that they are justly proud of their present pledge group.

Through some oversight the names of Brothers Christenson and Van Alyea were omitted from the list of the active members published in the first issue of the Review. Will the brothers kindly excuse the offender whoever he may have been.

By the graduation of Brother McAloon the office of Vice Justice of the Chapter was left vacant. At the first meeting Brother Van Alyea was chosen unanimously to fill the vacancy. The Officers of the Chapter are Justice Edwards, Vice Justice Van Alyea, Clerk James, Treasurer Christenson, Marshall Spengler and House Trustee Upington.

Judge Pickett was a guest at one of the smokers and gave a very fine talk. The actives and guests, many of whom were meeting the Judge for the first time, were greatly impressed by his forceful personality and his enthusiasm for and knowledge of the legal profession.

Thursday evening, October 18th, a number of Alumni of Kent and of P. A. D. were welcomed back to renew old acquaintances and to make new ones.

## *Nu Beta Epsilon*

The fraters of Nu Beta Epsilon are swinging full steam ahead into the various activities of the new school year.

The social season was successfully opened with a grand smoker at the Bismarck Hotel. Among the prominent speakers of the evening was our good friend, Judge Harry Fisher, and Barnet Hodes, the founder of our organization. This Smoker will long be remembered in the annals of the Nu Beta Epsilon fraternity, as one of the most entertaining and interesting affairs ever given.

Plans are now promulgated for an informal dinner to be held in the near future for the new men whom we are considering as prospective pledges. This promises to be as elaborate as our previous affairs.

The annual Nu Beta Epsilon dinner dance will be held during the Christmas vacation. Arrangements now being made by the committees appointed for that

purpose indicate that this affair will far surpass all former ones.

Despite our numerous social activities the brothers are bending their efforts to regain the scholarship cup, which was held by Nu Beta Epsilon three times.

### *Phi Delta Phi*

On Friday evening, October 2nd Fuller's Inn gave another of its monthly smokers for its members and friends. There was a very large attendance and everybody seemed to have a good time. There were plenty of smokes, sandwiches, pastries, coffee and some very bitterly contested bridge games. It is planned to have these monthly parties throughout the school term because the boys all enjoy them and they go a long way in cultivating the true friendships that mean so much in life. As far as possible these social meetings will be held on the fourth Friday of each month.

We all enjoyed a most interesting speech by Judge Pickett towards the close of the evening. His subject was "Loyalty," in which he brought out several forceful points in support of loyalty to ourselves, to our College and to our Fraternity.

The regular monthly business meeting of the Inn was held on Friday evening, October 19, at which time several important matters were disposed of. It was planned to hold weekly luncheons for the active and alumni members of the Inn at the Chicago Bar Association every Wednesday. There was a discussion of means and manners for interesting the alumni of the Inn to attend the affairs of the active group, particularly those events of a general and social character. This will serve as the first notice to the alumni of Fuller's Inn that they are cordially invited, in fact urged, to attend our monthly social meetings on the fourth Friday of each month, and the weekly luncheons at the Chicago Bar Association on Wednesdays.

### *Alpha Sigma Iota*

On October 5th Alpha chapter was host to about 85 men who attended the semi-annual smoker at the Morrison Hotel. All four chapters were well represented and

the new men at the various schools were given an opportunity to meet the men who make up our fraternity. The speaker of the evening was the honorable Frederic A. Fischel. His message which he illustrated very vividly left an indelible impression.

On October 14th the alumni chapter ran a smoker at the Midland Club. An event occurred there which showed the true spirit which predominates our organization.

Our Vice-Chancellor, S. Sidney Malkus is in charge of our annual dance which will take place December 8th at the Surf Hotel. The zest with which he has undertaken his duties assures us that the affair will be a "corker."

Brother Pickus has been appointed coach and manager of our debating team and he is getting his men in trim for our debate with Beta chapter.

In order for the men to know each other more intimately, and there is no better way than breaking bread together, we are sponsoring weekly dinners every Wednesday at 5:20 at Kaplan's. These meetings have proven very successful and are a great aid to instilling a real fraternal spirit in the organization.

### *Sigma Delta Kappa*

The organization's "smokers" of the past two months have brought in our midst a number of pledges whom we heartily welcome into our ranks and hope that they will in the near future become full-fledged members of Omega Chapter. The diligence and intellectual qualities already displayed by these men at Chicago-Kent are an invaluable factor in our race for the scholarship cup of which we are unusually covetous this year.

It is a gratifying thought to the members of this fraternity and the student body of the school in general that Chicago-Kent is so well represented among the candidates for various offices to be filled in the election of November sixth. This is surely an eloquent compliment to the faculty and the instructors of this institution. The men who have been so honored by

their respective political parties are ample proof of the worthwhile nature of the efforts of our teachers, and we, the students, are reassured of the real worth of the work we are pursuing. Regardless of political persuasion or party affiliation we wish these candidates success in the coming election and are confident of their ability to creditably discharge the duties of the office to which they aspire.

The officers and committees of Omega Chapter are at the present time developing plans in conjunction with officers of other local chapters for several inter-chapter functions to be given before the Christmas holiday. We are also counting on having a few of our own "get-together" smokers before that time and each member will be duly and *forcibly* informed of the exact date and place of each event by our high-pressure secretary, Brother Rocznecki.

### Delta Chi

Last Monday night the entire chapter declared a holiday and joined with the Chicago Alumni Association and with the University of Chicago Chapter in our Annual Founders Day dinner, held this year in the Red Room of the Hotel La Salle.

We look forward to these dinners both as a means of honoring those men who founded our fraternity and of cementing our friendship with the alumni and the Chicago Chapter. It goes without saying that we thoroughly enjoyed not only the food, there never was a Delta Chi who was not a good feeder, but also the short talks. At a business meeting following the dinner, Howard Brintlinger of the Chicago-Kent Alumni, was elected President of the Alumni Association.

We also take pleasure in announcing the initiation of Horace A. "Buck" Brueckert on October 11, 1928.

### Kappa Beta Pi

Twenty members of Alpha Chapter met at the Stevens Hotel on Oct. 6 for the first social affair of the season, on which occa-

sion newly elected officers were installed. Four of the original ten members who founded Kappa Beta Pi Legal Sorority at Chicago-Kent twenty years ago, were present and assisted in the ceremonies at this meeting, namely, Phyllis M. Kelley, who was installed as Vice-Dean, Mary Sellars Connery, acting as Marshall, Claire Gleason, member of Board of Directors and Katherine Clark, who read the installation service. Two other very familiar faces put in an appearance at the tea tables, Martha Elvert and Ella Zoelzer Sullivan, who were among the first initiates after the sorority was organized. Mrs. Sullivan acted as organist, never having forgotten the old Kappa Beta Pi tunes. Officers for the coming year are: Bertha C. Carlson, Dean, Phyllis M. Kelley, Vice-Dean, Mary Arthur, Registrar, Grace Cooper Murray, Chancellor, Harriet Abel, Marshall, Sue Brown Hassell, Chairman of Board of Directors, with Nancy Pfeuger and Claire Gleason members.

Alpha Chapter extends congratulations to Barbara Matousek, Freda Weiman and Bertha C. Carlson who passed the July Bar and met together in Springfield for their licenses on Oct. 11.

Isabelle Adden has left Chicago until after election, campaigning for the Deneen forces in the Southern part of the state.

Freda Weinman will spend the next year at the home of her parents in Dixon, Ill. She requests mail from all Alphas, both in school and out. Address is 118 College St., Dixon.

Plans are progressing for Alpha Chapter's first annual bridge party to be held at Davis Hotel, on the afternoon of November 10. Our girls are working harder, if possible, for the success of this affair, than they do for exams. See Harriet Bissell or Harriet Abel for your tickets. A tip-top time, refreshments and prize for each table for the price of admission—\$1.00.
