QUINTA SEMANA DE LA CONVENCION CONSTITUCIONAL.

Es la quinta semana de la convención constitucional se conviniere en varios artículos, es la constitución, el más importante de los cuales fué el que se refiere al departamento ejecutivo. Ahora con los reportes de departamento ejecutivo y legislativo aprobados, solo queda un departamento de gobierno de ser aprobado que es el judicial. Este reporte está ante la convención y será aprobado á principios de la sexta semana. Entre los otros reportes que tomarán acción durante la sexta semana serán los reportes, sobre educación, las deudas del estado de condado, y de municipios, regalo y derechos de agua, franquicia electiva, aparceramiento, terrenos públicos, corporaciones, tasación y rentas, corporaciones de condado y municipios, cuando estos sean aprobados y revisados serán de nuevo ratificados por entero.

"AL NUEVO ESTADO"

"El Nuevo Estado" periódico hispano-americano publicado en Tierra Amarilla, N. M. en nuestro artículo titulado ¡Ah Justicia cuantos equívocos se cometen en tu nombre. Gracias Señor! Este artículo fué la causa de que fuésemos nosotros confundidos en el "Club Ananias" por La Voz del Pueblo. A Vd. si lo queremos señor el condado de San Miguel, desea el Nuevo Estado. ¿Pero señor Nuevo Estado ya Vd. á perder su nombre por causa de que se sentenció en sesión secreta en la convención constitucional aquella tunanta la iniciativa que se la querían prender á Vd. como medida, que su aliado el "Pueblo" deseaba y la cual murió en el suelo de la convención? Hay peligro de que resusite esa medida, licitamente que los Demócratas también se reunen en sesión secreta y en concilio pronuncien un decreto á su aliado el "Pueblo" de no votar por la constitución que se someterá á la aprobación ó desaprobación de los votantes, y si es desaprobad no habrá nada que Vd. perderá su nombre, lo cual nosotros no deseamos, y creemos que por el título que Vd. lleva será iniciado en este "Club Ananias" y por derecho le pertenece á Vd. la presidencia.

Pues no hay porque desanimarnos si ellos tienen razón para organizar un "Club de nombramiento" nosotros organizaremos otro y le pondremos "Jeremías." Porque según parece, ó no lo querían á Vd. ó le querían poner unas cláusulas que son muy perniciosas, y las cuales fueron desechadas, por la convención constitucional. Es verdad que su nombre propio será Nuevo México, pero será Nuevo. Y será Estado, también; si acaso es aprobada la constitución por el pueblo, por el Presidente y por el Congreso.

EL CORONEL TWITCHELL

El coronel R. E. Twitchell, de Las Vegas, ha sido invitado para hacer un discurso en la asamblea del congreso, de la Costa del Pacífico, que tendrá lugar en San Francisco, California. Noviembre, 17, 18 y 19. La invitación le fué mandada al coronel Twitchell, por la comisión sobre arreglos, á sugerencia del Gobernador Gillett, de California. El asunto sobre cual el ha sido invitado á hablar es sobre "Un Congreso Permanente, en la Costa del Pacífico. La reunión va á ser tenida bajo los auspicios de La Liga Marítima comercial, de California. Se considera ser una de las reuniones más importantes que se han tenido en la Costa del Pacífico. El coronel Twitchell, aceptará la invitación, si acaso puede arreglar sus negocios á manera que le permitan su viaje á la costa.

La amplia experiencia y su habilidad como un pensador, y hacedor de cosas grandes hacen que esté constantemente en demanda Optic.

DE LA LIGA DE GOBIERNO REPRESENTATIVO DEL ESTADO DE COLORADO.

Copiamos: La iniciativa y el referendun permitirá el ingreso de comités más ultrajante en la historia de la política. La mayoría de los periódicos del estado están con profundo silencio sobre este asunto. El acto provee que el texto de todas las medidas de ser sometidas, serán publicadas como lo son las enmiendas á la constitución. La constitución dice: "El secretario de Estado, causará que la última enmienda, ó enmiendas se publicaran por entero en un periódico de circulación general en cada condado, por cuatro semanas ó, siete días antes de la próxima elección general, para miembros de la asamblea general." El costo de anunciar cuatro actos como el de Garantías de Banco, Primarias Directas, Utinanzas Públicas, y medidas de registración serían \$281.475. bajo la iniciativa y referendun. Oregon, vota por 32 propuestas leyes este año. El costo de imprimir el texto entero de estas medidas bajo el acto de Colorado serían \$417.025.

El comisionado de Impresión, pública de Colorado, bajo su firma, dice que el costo de imprimir la iniciativa, y referendun es \$5.512.

En esta base, si los 32 actos de Oregon, tenían por término medio el mismo tamaño, el costo a Colorado sería \$176.384.

No hay límite al número de medidas que pudieran ser sometidas, y el costo de anunciarlas alcanzaría un número enorme. Agitadores irresponsables porfiristas al estado en bancarota, y a la vez ya no tendría el poder de pararlos porque solo ocho por ciento, de los votantes son necesarios para iniciar una medida, y solo cinco por ciento, se re-unen para referir un acto adoptado por la legislatura. Pero este es uno de los muchos argumentos. El término medio del número de votos dados en Colorado es aproximadamente 250.000. Ocho por ciento son 20.000. La población de Colorado es aproximadamente 800.000. Por lo tanto dos y medio por ciento, del pueblo del estado, sumaría á la mayoría en una guerra política lanática cada dos años con un costo tremendo. Y es innecesario de añadir que esta minoría sería generalmente una clase que no tiene intereses vitales en el estado, ni les importaría mucho de su acrecentamiento industrial. La ley de Oregon, requiere que las medidas sean impresas en forma de folleto. El costo de anunciar las 32 medidas de esta manera fué \$30.000. una extravagancia en sí misma. Oregon, esta causado de la iniciativa, y Referendun, como es manifiesto por un acto iniciado que provee por una convención constitucional, para redactar una nueva constitución. Si esta se gana, inmutablemente la iniciativa, y el referendun, serán enmendados.

Señor Optic? no pudiera Vd. darnos los nombres de algunos de los miembros de la organización nacional "Ananias," u otros pertenecientes á ese "Club" estamos recomendados por La Voz del Pueblo al "Club" y por no haber organización territorial le hacemos esa pregunta para iniciarnos en él. ¿Que no sería bueno si a Vd. le parece organizar nosotros un "Club Jeremías" ahora que se va á redactar la constitución, y que va á ser sometida al pueblo para su aprobación ó desaprobación?

Al "Nuevo Estado" de Tierra Amarilla, le querían incertar la iniciativa, y porque la mayoría de la convención constitucional no la adoptó; ¿que no vio que iba a ser? Amenazaban de tumbarlo y si no se aprueba la constitución no será "nuevo estado" aunque se llame "Nuevo México" no dejará de ser "Nuevo y Estado" también. Este señor será puesto en el "Club ananias" y por derecho le pertenece la presidencia, también á él ya le preguntamos si no está bueno organizar este "Club Jeremías."

LO QUE CONTENDRA LA CONSTITUCION.

El trabajo de la convención constitucional, ha progresado suficiente para poder decir lo que contendrá la constitución. En el artículo II que define los límites del estado se ve que hay 600,000 acres de tierra que pertenecen á Nuevo México, ahora en posesión del estado de Texas. El departamento legislativo será mejor que ahora tenemos. La legislatura contendrá 73 miembros, 24 senadores y 49 representantes. Se provee por una comisión de corporaciones, de ser compuesta de tres miembros, los cuales serán electos.

Esta comisión tendrá supervisión sobre todos los ferrocarriles, telegrafos, telefonos y otras corporaciones que tienen negocios dentro de los confines del estado. Se provee por un departamento ejecutivo, compuesto de todos los oficiales de estado. Los términos de los oficiales de estado serán por cuatro años y todos no serán reelectos excepto el superintendente de instrucción pública y el comisionado de terrenos públicos. El sistema judicial comprenderá una corte suprema de tres jueces, mientras que ocho jueces de distritos judiciales. Los términos de los jueces de distrito serán seis años, y los jueces de la corte suprema servirán ocho años. Los jueces de la corte suprema ganarán \$6,000. al año y los jueces de distrito \$4,500. al año. Habrá procuradores de distrito uno por cada distrito, y todo el sistema judicial será electo. La tasación, será uniformemente igual y basada sobre toda la propiedad según su valor. Una comisión para regular la tasación de estado compuesta de tres miembros los cuales serán electos con los demás oficiales también se provee. No se crearán condados nuevos en la ley orgánica, pero los condados que ahora existen son declarados de ser los condados del nuevo estado. Habrá una cláusula de referendun modificado, pero no habrá ninguna forma, de iniciativa. No habrá cláusula de prohibición, revocatoria, y primarias directas. Mientras que la constitución, contendrá alguna legislación, será reducida á un mínimo. Después que todo se diga y haga Nuevo México tendrá una constitución buena y que será adoptada por una gran mayoría cuando sea sometida á la votación del pueblo.

UN COMPROMISO.

El informe de la mayoría de la comisión sobre Departamento Legislativo es el resultado de una política de toma y daca trata de contener lo que es mejor en todas las sugerencias hechas, armonizado tanto como posible opiniones conflictantes. Al proveer por un referendun sobre los actos de la asamblea legislativa pone una valla contra la mala legislación y una iniciativa que no es inconstitucional porque no priva á la legislatura de sus poderes legislativos. Creese que esta proposición de referendun tendrá un efecto saltario y compelerá á la legislatura á mantener ojo avizor hacia el pueblo. Si algun acta es tan impopular que impele á 25 por ciento de los votantes á firmar una petición contra tal ley, la misma será suspendida hasta que pueda votarse sobre ella en la elección general subsecuente. Si ha pasado el periodo para suspender una ley, y se ballare que tal ley surte mal efecto ó despierta desconfianza, en tal caso se da á diez por ciento de los votantes el poder de que se pase sobre ella en la elección general subsecuente. La iniciativa para tal votación sobre cualquier ley será tomada por los votantes y no por la legislatura. Por tanto, el informe somete una proposición adecuada que contiene todo cuanto el elemento avanzado ha estado procurando y proponiendo. Al ser ratificada corresponderá al pueblo hacer uso de ella cada vez que una legislatura haya faltado á su deber.

CIEN MIL COPIAS DE LA CONSTITUCION.

La convención constitucional que ahora está en sesión en Santa Fé, formando una constitución para el estado de Nuevo México, ha determinado que para información directa y completa del pueblo en general, tan pronto como la convención concluya sus tareas y firme la constitución, inmediatamente se impriman 50 mil copias de la misma en español y 50 mil en inglés, para que sean distribuidas, gratis, á todo votante y cabeza de familia dentro del Territorio, para que cada uno vea el trabajo hecho y se informe de lo que provee la constitución bajo la cual tendremos que vivir como estado, si aprueban con su voto. La cartilla de la constitución estará tal vez para el día 15 de Diciembre y será mandada á todos los condados para distribución, y después de que el pueblo la tenga en sus manos, todavía la elección para adoptarla no se tendrá por cerca de un mes y medio, de manera que habrá suficiente tiempo para examinarla bien antes de la elección. De esta manera y con esta satisfacción al pueblo, á quien se le debe de parte de los delegados que mandaron y confiaron para que la escribieran, creemos que el pueblo de Nuevo México quedará satisfecho.

JUEVES 10 DE NOVIEMBRE DE 1910.

Según parece no va a haber mucha oposición a la constitución, por los intrepidos, pero no hay seguridad a lo menos de clarar su hostilidad a la aprobación de la constitución si ven alguna paja de donde prenderse para hacer capital político.

Ya comenzamos nosotros a publicar. La constitución del Estado de Nuevo México, según se van aprobando las cláusulas que contendrá se les dará publicidad, ya hay varias medidas aprobadas pero como se tienen que traducir e imprimir dilatan algo para llegar aquí, nosotros las damos para que las lean con cuidado.

Nosotros estamos en favor de que todos los oficiales de Estado sean electos por el pueblo no queremos parches, ni que nos hagan conculgar con cemitas, son algo indigestibles, y no queremos ocupar un medio, son poco caros los doctores, no son buenos los remedios, son parches mal pegados, pero de que se prenden usan una cola algo pegajosa, y son algo impertinentes.

Sr. Optic Vd. se queja que la lista de oficiales de estado será larga treinta y un nombres habra en el boleto del condado de San Miguel, que comparación es esta con el boleto de Oregon, South Dakota, Colorado. Con no tener "La Iniciativa," el rubro de los cuates. "El recall" "La clausula del Abuelo" y aque lla conglomeracion de bullicientas. "Las Primarias, quedamos conformes aunque el boleto contenga 32 nombres.

Para que nuestros lectores sepan algo más, tocante a la iniciativa, y Referendum según está en practica en Oregon, y según se va a votar por estas medidas en nuestro vecino estado de Colorado, el día 8 de Noviembre próximo y para que se informen nuestros lectores de las extravagancias y costo y la agitación que causarían entre nosotros si por desgracia se hubieran adoptado en nuestra constitución, estas medidas, traducimos de un manifiesto que acabamos de recibir de "La Liga de Gobierno Representativo de Colorado" y veran lo que dice tocante a ellas.

El reporte del sistema judicial por el Estado de Nuevo Mexico del cual el Juez Parker es el presidente fue presentado a la convencion constitucional el reporte de la mayoría contiene treinta y cuatro secciones en todo. Habra tres jueces de la corte suprema su salario serán \$6,000. al año la corte nombra su secretario reportador, bailif, y otros oficiales, habrá ocho distritos judiciales y de consiguiente ocho jueces de distrito, con un salario de \$4,500. al año, habrá ocho procuradores de distrito. Los condados son divididos en distritos como sigue. Primer Distrito—Santa Fé, Rio Arriba, San Juan, y Sandoval. Segundo Distrito—Bernalillo, y McKinley. Tercer Distrito—Doña Ana, Luna, y Grant. Cuarto Distrito—San Miguel, Mora, Quay, y Guadalupe. Quinto Distrito—Roosevelt, Chaves, Eddy, y Curry. Sexto Distrito—Torrance, Lincoln, y Otero. Septimo Distrito—Socorro, Valencia, y Sierra. Octavo Distrito—Cofax, Taos, y Union. Los Escribanos de Condado serán electos por cuatro años, deberán desempeñar los deberes de secretarios de la Corte de Distrito, y escribanos de la Corte de Pruebas, con una compensacion fijada por ley. Los Jueces de Pruebas servirán cuatro años serán parte del sistema judicial.

Mientras que todavia la constitución, no ha sido concluida las indicaciones son que los siguientes oficiales serán electivos: Un Gobernador, un teniente gobernador un Secretario de Estado, Tesorero de Estado, Auditor, Procurador General, Superintendente de Instrucción Publica, tres miembros de una comision de corporaciones, tres miembros de una comision, de tasacion, tres jueces de la corte Suprema, á estos se añaden tres comisionados de condado, cinco miembros a la legislatura, por este condado, un juez de distrito, un procurador de distrito, Alguacil, escribano de condado, juez de pruebas, de condado, y asesor de condado. La lista es larga pero siendo que sean electos Nosotros creemos que todos los oficiales de estado sean electos, y no nombrados.

Traducimos del New Mexican de Santa Fé del Sábado 29 de Octubre, lo siguiente:

EL PUEBLO GOBIERNA.

El delegado N. Segura, tocó la nota tónica, el principio fundamental, esta semana, durante el debate del 27 de Octubre, en el salon de la convención, constitucional, cuando él declaró que él reconocía solamente un amo, y ese amo era El Pueblo. Verdad es que el pueblo, es á menudo voluble, aun irrazonable y olvidadizo, un amo desagradecido; pero todos los poderes de gobierno son derivados del pueblo, y sus representantes deben acatar á la voluntad popular aun si esta no es lógica algunas veces, contradictoria y egóista. El pueblo de Nuevo México por cinco mil de mayoría rechazó el plan de Oregon, de la iniciativa, y referendum, y su mandato debe efectuarse; ellos confiaron á los republicanos la redacción de la ley Fundamental y los demócratas no tienen razón para quejarse; por una sana constitución; deben recibir á despecho de los bramidos de todos los agitadores y demagogos del sudoeste. A ese tiempo el pueblo estaba activo á sus verdaderos intereses y escogieron hombres que no se permitirán ladear en llevar adelante la voluntad popular. El pueblo habló en Setiembre 6, y su mandato es ley. hablaron sabiamente y deliberadamente y sus deseos serán aprobados en Washington. Cuánto más sabio sea el pueblo de Nuevo México, que el pueblo de otros Estados queda por verse, pero sabio ó no sabio. El Pueblo gobierna.

Por lo de arriba se verá que nuestros delegados están al tanto de sus obligaciones y que los delegados del condado de San Miguel, los señores Margarito Romero, N. Segura, quienes tomaron parte en el debate indicaron arriba han hecho sentir tanto á la convención, como al pueblo la fuerza de su lógica en la defensa del pueblo nativo, por lo cual merecen credito.

TRADUCIMOS DEL NEW MEXICAN

"El Grande Trabuno," de la minoría ha añadido otro laurel, ó más bien titulo, y debería de conocerse en adelante como "El Grande Admitidor."

El admitió durante las últimas cuatro semanas pasadas que no habia podido descubrir ninguna influencia corrupta en la convencion constitucional.

El admitió que el no acusaba aingunas influencias corruptas.

El admitió que habia sido retenido por corporaciones, que se le habia pagado una propina muy grande por una compañía ferrea y desearia recibir una propina semejante todas las semanas.

El admitió una conferencia con W. A. Hawkins y A. B. Tall en Albuquerque tocante á los terrenos de madera en el Sacramento mientras era Delegado electo al Congreso y miembro de la comision nacional.

El admitió que habia sido mal informado tocant al esfuerzo que el habia acusado de haber sido hecho, para hacer validos los bonos de la milicia. Pero todavia el New Mexican confiesa que quiere al "Grande Trabuno" apesar de sus faltas y equívocos. Solo ha demostrado, que hombres buenos y grandes cuando cobijados con preocupacion política pueden ser tan injustos y fanáticos, como cualesquiera ignorante sanador de barrio. Tal vez así sera porque en la antigüedad hubo un filosofo que sostenia que la nieve era negra, y otro le hicieron creer que la luna era queso pues, se zumbullo en una laguna.

SANTISIMA VIRGEN MARIA DE GUADALUPE en favor de la Nación Mexicana.

Santisima Virgen María de Guadalupe, (Madre de Dios, Reina y Señora Nuestral que desde tus bondadosas apariciones en la Colina del Tepeyac, siempre te has mostrado Madre amorosa y tierna de cuantos te invocan en sus necesidades; agradecidos á los incontables beneficios públicos y privados, que generosa, nos has concedido; hoy, en el primer centenario de la iniciación de nuestra Independencia, en presencia de la Santísima Trinidad, Dios Padre, Dios Hijo y Dios Espíritu Santo, de todos los ángeles y santos, con grande gozo y veneración nos prosternamos en tu acatamiento, loh soberana Madre! y renovamos solemnemente el Juramento del Patronato que te hicieros nuestros mayores y que felizmente confirmó el Sumo Pontífice Benedicto XIV. Al jurararte de nuevo nuestra Celestial Patrona, suplicámoste, Señora, alcances del Corazón Sacratísimo de Jesús, una especial protección al Sumo Pontífice Pio X, que, como sus gloriosos, predecesores, solicite enaltece tu culto; el bienestar y prosperidad á la Iglesia Mexicana; la felicidad y gloria á la Nación heroica, á quien debemos la luz del Evangelio, la civilización cristiana y el idioma en que te alabamos; consérvala siempre tan católica y tan grande como lo mereces. Reina y Señora nuestra, sé Tú la Torre de David que nos defienda de los ataques de la impiedad y de las sectas; no permitas, Inmaculada Madre de Dios, que en nuestra Patria se alteren la paz y la tranquilidad; conserva incólume su Independencia y soberanía; ruega instantemente al Rey de Reyes y Señor de los que dominan, que impere en ella el orden social cristiano y se vea libre de todos los peligros que la amenazan. Por estos y por los demás beneficios, que esperamos te dignes concedernos misericordiosamente; llenos de gratitud y de amor, te aclamamos la Gloria de Jerusalem, la Alegría de Israel, la Honra de nuestro pueblo,—Cop.

EL DOMINIO PUBLICO.

Casi la mitad, de la area de Nuevo México, todavia es del dominio público, es decir sujeto á ser entrado bajo las leyes federales. El día 1ro. de Julio para ser exactos, 36,45,692 acres estaban todavia libres en las seis oficinas federales de terrenos públicos en Nuevo México. Hace unos cuantos años, el dominio público tenia una area de 24,000,000 de acres de tierra, pero de esos 12,000,000 de acres han sido segregados para reservas de bosques, terrenos de carbon, ó sitios con poderes de regadío. Otros 5,000,000 de acres han sido escogidos por el Territorio, para instituciones de escuelas. Los otros 7,000,000 de acres han sido tomados para domicilios.

Del dominio público, 12,877,700 de acres todavia quedan para ser agrimensados, de manera que por lo presente 23,576,992

de acres son disponibles, de los cuales el estado nuevo pronto cojerá los mejores terrenos al extento de 8,000,000 de acres para las escuelas publicas, institucioes, y el pago de los bonos de ferrocarril de los condados de Santa Fé y Grant.

UN HURACAN AZOTA LA ISLA DE CUBA.

El ciclón que retornó ayer tarde continuó toda la noche y esta mañana con aumentada furia. El viento era más fuerte que en cualquier tiempo desde el juéves en la mañana. Hubo una gran perdida de vidas y mucha propiedad sufrió averia.

La casa de aduana y almacenes estan inundados y el techo del edificio principal ha sido derribado. El observatorio nacional anuncia que el huracan ahora empieza y que durará 24 horas. Está cortada la comunicacion telegráfica con el interior y se ignora la situacion afuera de la ciudad. La plaza de Batavia se dice que está inundada con muchos pies de agua. Se informa que muchas personas perecieron. Tambien se rumora que gran número de marineros se ahogaron en Regla. Probablemente las más de las fatalidades y perdidas ocurrieron en Pinar del Rio, donde la destruccion del Juéves y Viérnes ha sido aumentada por la de anoche. Creese que la siembra de caña de azucar ha sido muy perjudicada.—El Nuevo Mexicano
