THE HOTEL CHILD.

It is not the material aids to exneither initiative, self reliance, patriot-ism nor love of home. He is a social menace, a disease. The community is better off without this satellite of the manager, parasite of the bell boy and source of supply for the waiter. If there is one child in our communi-

ty who is superfluous it is the hotel child. As places for temporary occu-pation by homeless and childless adults hotels are to be tolerated, but as resi-

a Very Long Time. In a murder trial before a western court the prisoner was able to account for the whole of his time except five minutes on the evening when the crime was committed. His counsel argued that it was impossible for him to have killed the man under the circumstances

testimony being strongly against hi plied, he said: "How long a time really is five minutes? Let us see. Will his honor command absolute silence in the

couriroom for that space?"

The judge graciously complied. There was a clock on the wall. Every eye in the courtroom was fixed upon it as the pendulum ticked off the seconds. There was a breathless silence.

We all know how time which i waited for creeps and halts and at last does not seem to move at all. The keen witted counsel waited until the tired audience gave a sigh of relief at the close of the period, and ther asked quietly:

"Could be not have struck one fatal blow in all that time?" The prisoner was found guilty, and as it was proved afterward, justly.

THE DOG'S COAT.

Brush It, but Do Not Wash It, if You Want It Perfect.

In the Country Calendar Reginald F. Mahew writes: "Éven careful feeding will not give a dog's coat that glow which is such a sure sign of health i he is continually washed with soap and water. Owners who allow their dogs to live in the house are forever washing the wretched animal and forever complain that his coat is coming out The oftener the dog is washed and scrubbed the more will his coat leave its trail and the deader and duller will it look. The health and growth of a dog's coat depend entirely on a natural oil from the skin. As often as the dog is washed so often is the oil washed out and so much more is the destruction of the contraction of the brushed every day for five or ten min his cont would not only have a luster, but would cease to distribute itself a over the place except for a very short time once or twice a year. Besides this, brushing has a stimulating ef-fect on the whole system, helps the blood circulation; by this the digestion,

MacMahon's Epigrams. When Marshal MacMahon in th Crimean campaign took the Malakoff by storm and wrote his celebrated dispatch, "J'y suis, j'y resto" ("Here I am; here I stay"), these words made him famous all over the world. Yet his friends said that the worthy soldier had written them in the most matter of fact manner, with no thought of phrase making. The most surprised person over the success of this epi-gram was MacMahon himself.
