CHAMBER OF COMMERCE HOLDS OPEN MEETING

The open meeting held by the Chamber of Commerce in the High School auditorium was the biggest affair yet held by the Chamber since its organization. The interest taken in the work that has been done by this organization was responsible for the large attendance. The various business interests were well represented, but the greatest interest was manifested by the farmers who came in to attend the meeting. The program was made up of some splendid addresses, interspersed with vocal and instrumental music.

Immediately after calling the meeting together, M. C. Johnson, president, announced the election of four directors, Judge O. T. Toombs arose and nominated C. A. Rutledge, M. P. Harvey, A. E. Monteith and H. H. Errett, and they were elected by acclamation. A violin solo was then rendered by Mrs. Anderson, with Mrs. M. C. Johnson as accompanist. Mrs. Anderson is one of the few real violinists that have appeared here, and she brought forth the applause of the audience. She responded to an encore.

President Johnson gave the address of welcome, and C. E. Anderson responded. Mr. Anderson is one of the ablest speakers in Union county, and his speech was full of real logic, and he gave many suggestions that would be well worth considering, the practice of which would be profitable.

Then the Lewis Four male quartet, favored the audience with a selection which also brought forth an encore.

Mr. Tarlton, county agent, was the next speaker, and he gave an outline of the work done by his department and what had been accomplished thru cooperative work.

Ghas. Adams of Thomas, member of the executive committee of the Farm Bureau, gave an address on "The Remedy," and he suggested

many good practical things for remedying the present conditions, but stuck to his text that closer cooperation was the most needed thing to get the country to function more efficiently.

H. H. Errett responded to Mr. Adams and gave a splendid talk. A telegram was read from the Chamber of Commerce of Pueblo, soliciting the cooperation of the farmers who came in to attend the meeting. The program was made up of some splendid addresses, interspersed with vocal and instrumental music.

At the conclusion of the program refreshments were served, under the direction of Mrs. F. P. Kilburn, who had as waitresses several girls from her Sunday school class. Then smokes were the order for the men and chewing gum and mints for the ladies.

This meeting marked the close of the first year's work of the Chamber of Commerce, and everyone who spoke was loud in his praise of the work for the year. This was one of those real optimistic meetings which speak in spirit more than words express.

No better selection could have been made than the above-named men for directors. Everyone is public spirited and the Chamber of Commerce goes into the work for another year with the brightest of prospects.

ROTARIANS FAIL TO ROTATE ENOUGH

Of all unique ball games ever pulled off, we'll bet our last year's hat that Clayton gets the persimmon. This game was the one pulled off on the local diamond yesterday. The unique part of it is that a team composed of all left handed men was organized a few days ago and yesterday took on a team composed of members of the Rotary Club. And say, it was some game! The talk that had been going on around town and the fact that the proceeds were to go to the Pueblo flood sufferers drew a big attendance and everybody was keyed to the highest pitch, and the rooters yelled themselves hoarse for their favorites.

Before the game Ira Pennington and Morgan Harvey, representing the Rotary, and Alex Lucas, the Left-handers, dressed in clown suits and painted "to kill," rode thru the streets announcing the game, and at the fair grounds their antics were much in evidence. On Lucas's back was a sign: "We Put the Rot in Rot-ary," and he stood pat on the proposition to the last.

Henry Errett acted in the capacity of manager for the Rotarians, while George Granville ramrodded the Southpaws.

The game started off in regular professional style, and for three innings it looked as though there would be a real ball game. In the first inning the Rotary Club scored one run and in the second the Lefties retaliated and evened up the score. But in the third the big balloon went up; the rotifers began booting the ball, and when the mist had cleared away seven runs were chalked up for the Rotary. In the fourth the Rotary scored another run. The left handers did not do anything until the last inning; and when they came to bat the Rotary Club thought it was all over but the shouting. But mistakes will happen in the best regulated families. Jenkins, the first man up, got to Anderson and hit safely. Then the yelling began, and almost every man up hit for a safety. The Rotarians hopped into the big balloon, threw away their ballast and took a long trip straight up, and when they came down eleven southpaws had crossed the plate safely, making the score nine to twelve. The Rotarians started a rally in their half, but only got one run across the plate, and the game ended 12 to 10.

The features of the game were the pitching of John Hill, the catching of Dr. Hurley, the nice catch by Fowler at short for the Lefties, and a remarkable catch of a foul among the automobiles on the side lines by "Prep" Kaiser. Oh, yes, we must not forget the errors—they came so fast that it was almost impossible for the scorekeeper to chalk them up.

The batteries were: Rotary, Hill, Anderson and Hurley; Lefties, Lujan and Hyde.

The receipts were about \$420 and will net about \$100, which will be turned over to the Red Cross for the Pueblo refugees.

Before winding up this, we would say Hurley would look mighty fine in a Clayton uniform. For he showed up like a big leaguer behind the bat yesterday.

The Line-up

Rotary: Anderson, ss-p; Hill, ss-p; Hurley, c; Rixey, 1b; Herzstein, 2b; Reed, 3b; Wikoff, cf; Reck, lf; Tarlton, rf.

Lefties: Kaiser, 1b; Hyde, c; Boggs, cf; Corich, 3b; Byrne, lf; Jenkins, 2b; Fowler, ss; Lujan, p; Wetsel, lf.

Subs: Errett, Turpin and Olbeter, for Rotary; Lamm for Lefties.

CHAUTAQUA WILL BE
HERE ON JULY 12-14-15

Mr. C. P. Talbot this week received notice that the dates set for the Clayton Chautauqua would be July 12-14-15. The general subject for this season, which the Radoliff Chautauquas are handling is "American Ideals." The advance men will be thru here in a few days to advertise.

PUEBLO IS DIGGING OUT OF MUDDY WRECK

Pueblo, June 9.—With its police powers in the hands of the military as a result of a proclamation issued by Patrick J. Hamrock, Adjutant General of Colorado, Pueblo today continued to dig itself out of the mud and debris piled up by the floods of last week.

Dawn found cleanup squads in the streets armed with whatever implements they could obtain. Many merchants and householders also were out early cleaning their stores and residences.

At various relief stations workers continued their efforts to alleviate distress among the refugees.

Placing of the police powers entirely in the hands of the military followed a decision by Colonel Hamrock that best results could be obtained by centralizing the authority. The program, as announced by Colonel Hamrock, calls for the immediate withdrawal of the civilian guards on duty since the flood broke.

Flood wreckage of Pueblo will be cleaned up by members of the American Legion. An organization for that purpose was completed last night and Captain Van Law was placed in charge. The Legion men will have from two thousand to three thousand men at work this week, it was predicted. A military order just issued directs Major Albert H. Mueller of the United States army to take charge of all United States property in the city.

Military officials said today they believed the food crisis passed. The Nuckolls Packing company plant has been repaired and will be used to store fresh meats. Its ice plant is now in operation and the sick and poor at least will get ice, until everybody can be supplied.

An order prohibiting profiteering has been issued by Colonel Hamrock. Any firm or person charging more than the pre-flood prices for

goods will be punished by the military authorities, the order says.

The first unit of the huge refugee camp being organized here is now in operation under supervision of the Salvation Army, it was announced by the military authorities today. The refugee camp will have a capacity of 20,000. There are 1,000 persons in the Salvation Army unit, Homer T. Seale, adjutant of the refugee camp announced, and 1500 additions are expected today.

Pueblo, Colo., June 9.—Eighteen persons are known to have been killed in the flood in the La Junta district, according to Captain J. B. Mock of the Colorado National Guard, who arrived here today after a fifty hour battle with the elements. Captain Mock's report was the first official statement of the situation around La Junta.

In an interview with the Associated Press today Captain Mock, who assisted Mayor Fred Sabin in the work of rescue and in the hunt for bodies, estimated the property damage in the district at from \$800,000 to \$1,000,000. The list of dead as given by Captain Mock follows: Frank T. Lewis, city engineer of La Junta, and wife.

Mrs. E. White and daughter, Miss Elizabeth White.

—Hargis, young man.

—Hargis, young man.

John Agner, 11 years old.

—Darr, wife and four children; bodies not found, but relatives believe the entire family perished.

Five Mexican laborers, unidentified, whose bodies were found at Hadco, ten miles east of La Junta.

According to Captain Mock, the Hargis boys and John Agner were drowned yesterday while trying to get to North La Junta for supplies.

La Junta itself is not flooded, according to Captain Mock.

COL. F. W. GALBRAITH, HEAD OF LEGION, KILLED IN WRECK

Indianapolis, Ind., June 9.—The death of Col. F. W. Galbraith, Jr., of Cincinnati, National Commander of the American Legion, in a motor car accident here early today, threw into mourning the Legion posts throughout the nation.

Henry J. Ryan, of Indianapolis, National Director of the Legion's Americanism Commission and Milton J. Foreman of Chicago, National Committeeman of the Legion from Illinois, were injured, but not seriously, when an automobile in which the three men were riding went over an embankment. Mr. Foreman was found to have suffered a fracture of the skull and injuries to his back and shoulders. He is in a serious condition at the city hospital.

Hospital attaches said that since the accident Ryan has been hysterical.

Mr. Galbraith's body has been removed to Cincinnati, his home, for burial. He was elected national commander of the Legion at the national convention held last September at Cleveland. He was born in Watertown arsenal, Massachusetts.

An election probably will be held here early next week to name Mr. Galbraith's successor, it was announced at national headquarters. The new commander will be named by the Legion's national executive committee.

The national vice commanders, one of whom will probably be elected national commander, are: John G. Emery, Grand Rapids; Thomas Goldingay, Newark, N. J.; Claudius G. Pendill, Racine, Wis.; J. G. Scruggs, Carson City, Nev.; and E. Jackson Winelett, Birmingham, Ala.

Coroner Paul J. Robinson, who has made an investigation preliminary to a formal inquest, said it seemed probable that a broken or dislocated steering knuckle caused the accident.

Ryan, who was driving the machine, and who was said by hospital attaches to have been hysterical

since the accident, said he had been driving rapidly from the Indianapolis Country club north of the city in order to reach the Union station in time for Mr. Galbraith and Mr. Foreman to board a train for Chicago. He reduced his speed to about 20 miles an hour, he said, just before reaching the point where the accident occurred. Failing to make the turn, the car plunged over the embankment, turned somersault and landed upright. All of the occupants were thrown clear of the car.

CLAYTON TO HAVE REAL BALL TEAM

Clayton will organize a team for the playing of the national game, which will be known as the Clayton ball team. Not that the town has no ball teams, for in fact, two teams have been playing since early spring. The American Legion and Spanish-American teams organized, and thru their organizations have created a great deal of baseball enthusiasm. But the American Legion, realizing that many good ball players were kept from playing by holding the restrictions to a strictly Legion team, and that with such restrictions it would be impossible to give Clayton a real representative team, they decided at a meeting held last Monday night, to get behind and boost for a Clayton team. With this cooperative spirit on the part of the Legion, the opportunity is open for the organization of a ball team made up of ball players. Several of the Legion team will be seen in the lineup and will give the material around which to build a team. A meeting will be held next Monday night at the Pioneer Garage, and every fan and business man is requested to come and assist in organizing a Clayton ball team. The Legion of the Clayton is deserving of praise for their progressive spirit in boosting for civic enterprise. It is hoped that the Chamber of Commerce or the Rotary Club will also get behind this move and promote a town team, made up of town boys.

ROBERT DAVIS GOES TO ESTES PARK, COLORADO

H. C. Davis, who has been manager of the Western Union Telegraph company office here for the past year, has been transferred to Estes Park, Colo. Mrs. Davis will go there about the first of July.

Mr. Davis since his residence here has by his accommodating spirit, won many friends who wish him success in his new location.

RED CROSS WORKS FOR FLOOD VICTIMS

The local chapter of the American Red Cross held a meeting in the U. S. Land Office, on Tuesday afternoon to devise plans for the raising of funds for the benefit of the flood sufferers of Pueblo. The meeting was under the direction of Mrs. R. E. Wherritt, chairman. J. Allen Wikoff made a statement of the condition of Pueblo and read a telegram from the president of the Rotary club, giving a detailed account of the devastation suffered.

Mr. Simon Herzstein offered a suggestion that clothing, shoes, bedding and wearing apparel be solicited and the suggestion was adopted.

Mr. H. H. Errett and John Corich, representing two baseball teams offered to play a game of ball for the benefit, and their suggestion was also adopted.

After listening to various suggestions the following committees were appointed:

For soliciting funds from business men: T. H. Rixey, chairman; J. Allen Wikoff, M. C. Johnson, Mrs. J. L. Hill, Mrs. W. A. Wanser, Mrs. G. G. Granville. For soliciting clothing, etc.: Mrs. T. H. Rixey, chairman; Mrs. D. A. Paddock, Mrs. Joseph Gill, Mrs. Dale Charlton, Mrs. Robt. E. Wherritt, Mrs. Simon Herzstein, Mrs. Robt. Hambleton, Mrs. Paz Valverde.

It was decided to give a dance to raise funds and H. C. McFadden was appointed chairman to look after arrangements with Mrs. Val-

verde, Mrs. L. N. Taylor and Mrs. Hambleton as members of his committee.

Messrs. Errett and Corich were named as the committee to look after the arrangements for the ball game.

Mr. Simon Herzstein agreed to supervise the packing and shipping, and was appointed to look after the work with power to appoint assistants.

It was decided to ask the mayor to proclaim Friday afternoon as a holiday, and all the proceeds from the swimming pool, ball game and dance, held on that day, go to the relief fund. M. C. Johnson, T. H. Rixey, Mrs. R. E. Wherritt and Mrs. Lee Anderson were appointed as a committee to wait on the mayor and ask him to issue the proclamation. The meeting then adjourned.

TAKE YOUR OUTING AT KENTON CHAUTAUQUA

The hills over in the northwest corner of Cimarron county are large and beautiful, and fishing and hunting attract many tourists out of the beaten paths to this quiet retreat for a few days' feasting on sights as pretty as the Garden of the Gods, Colorado.

The little town of Kenton will have a good Chautauqua, beginning June 19th, and running for five days and nights. That would be a good time to plan an outing down there in the hills, and make a vacation that you would remember pleasantly for a long time to come.

HORSE BREAKS WINDOW IN HERZSTEIN'S STORE

A bucking horse on Main street last Saturday night must have decided that bucking in the street was not creating enough excitement, so he plunged up on the sidewalk in front of Simon Herzstein's store and pushed his head thru one of the plate glass windows. No injury resulted to either horse or rider. The damage, according to Mr. Herzstein, amounted to something like \$7500.

HOW EUROPE CAN ESCAPE COLLAPSE

Men, Women and Children Dying By Thousands Over Once Civilized Areas.

GRAVE MENACE TO U. S. A.

European Ruin Would Involve America—Starvation and Disease Rampant.

Des Moines, Iowa.—Speaking before the general conference of the Methodist Episcopal church, Henry P. Davison, chairman of the board of governors of the League of Red Cross Societies, said:

As chairman of the convention of Red Cross Societies, composed of representatives of twenty-seven nations that met recently in Geneva, I am custodian of authoritative reports recording appalling conditions among millions of people living in eastern Europe.

One of the most terrible tragedies in the history of the human race is being enacted within the broad belt of territory lying between the Baltic and the Black and Adriatic seas.

This area includes the new Baltic states—Poland, Czecho-Slovakia, the Ukraine, Austria, Hungary, Roumania, Montenegro, Albania and Serbia.

The reports which come to us make it clear that in these war-ravaged lands civilization has broken down. Disease, bereavement and suffering are present in practically every household, while food and clothing are insufficient to make life tolerable.

Men, women and children are dying by thousands and over vast once civilized areas there are to be found neither medicinal appliances nor medical skill sufficient to cope with the devastating plagues.

Wholesale starvation is threatened in Poland this summer unless she can procure food supplies in large quantities. There are now approximately 250,000 cases of typhus in Poland and in the area occupied by Polish troops.

Worst Typhus Epidemic in History.

There is already one of the worst typhus epidemics in the world's history. In Galicia whole towns are crippled and business suspended. In some districts there is but one doctor to each 150,000 people. In the Ukraine, we were told, typhus and influenza have affected most of the population.

A report from Vienna dated February 12th, said: "There are rats on the streets of Vienna and takes unhindered toll."

Budapest, according to our information, is one vast city of misery and suffering. The number of deaths is double that of births. Of the 100,000 children in the schools, 100,000 are dependent on public charity. There are 150,000 workers idle.

Typhus and smallpox have invaded the four countries composing Czecho-Slovakia and there is lack of medicines, soap and physicians.

In Serbia typhus has broken out and there are but 200 physicians in minister to the needs of that entire country.

In Montenegro, where food is running short, there are but five physicians for a population of 450,000.

Returning to the United States a few weeks ago with all these horrors ringing in my ears, I found myself once more in a land whose granaries were overflowing, where health and plenty abounded, and where life and activity and eager enterprise were in the full flood.

I asked myself: "What if this plague and famine were here in the great territory between the Atlantic seaboard and the Mississippi valley, which roughly parallels the extent of these ravaged countries, and that 65,000,000 of our own people condemned to idleness by lack of raw material and whose fields had been devastated by invasion and rapine, were racked by starvation and pestilence, and if we had lifted up our voices and invoked the attention of our brothers in happier Europe to our own deep miseries and our cries had fallen on deaf ears, would we not in our despair exclaim against their heartlessness?"

Only Three Ways to Help Europe.

There are only three ways by which these stricken lands can secure supplies from the outside world. One is by payment, one by credit, and the third is by exchange of commodities. If these peoples tried to buy materials and supplies in America at the present market value of their currencies, Austria would have to pay forty times the original cost, Germany thirteen

times, Greece just double, Czecho-Slovakia fourteen times and Poland fifty times. These figures are official and are a true index of the economic plight of these countries.

It is clear, therefore, that they cannot give us gold for the things they must have, nor have they either products or securities to offer in return for credit. If only they could obtain raw material, which these idle millions of theirs could convert into manufactured products, they would have something to tender the world in return for its raw material. Food and medicine. But if they have neither money

RATON GETS 80 ACRES FOR NEW PARK AND GOLF COURSE

Raton, June 2.—Mrs. Pearl Kellogg of this city has donated to the city and the Country club eighty acres of land near the city limits to be used as a city park and golf course. The land has been accepted by the club and will be given to the city after fifteen years as a park and a memorial to Mrs. Kellogg's family. During its tenancy the club will maintain the ground. A meeting of the club members will be held soon, when the plans for laying out the golf course will be taken up.

WOMAN BADLY BURNED BY GASOLINE FLAMES

State College, N. M., June 2.—Mrs. Carrie P. Phelps, dean of women at the state college, was badly burned by gasoline flames Saturday morning while washing clothes. Mrs. Phelps was washing some clothes in gasoline in a pail when the liquid caught fire and the flames flashed up in her face. The burns are serious, but she will recover.

SILVER CITY NORMAL PRESIDENT RESIGNS

Silver City, N. M., June 4.—W. O. Hall, president of the New Mexico State Normal here, has presented his resignation to the board of regents, who have accepted it at the urgent insistence of the educator, who has been offered and has accepted the management of a bank in Pinevale, Oregon.

The vacancy here has not been filled and probably will not be for several weeks. Mr. Hall had completed plans for the summer session of the Normal school, and will go to Oregon as soon as this summer school is ended.

Dr. Hall is one of the most popular of New Mexico educators and as the president of the Silver City Normal school, has demonstrated his efficiency as an administrator. Working with very limited funds, he has almost doubled the enrollment of the school and has greatly strengthened its teaching staff and course of study.

PLANS COMPLETED FOR USE OF \$1,500,000 IN ROAD FUNDS

Final estimates and plans have been finished by the state highway commission covering more than \$1,500,000 in federal aid projects to be built in New Mexico. These plans have been sent to the Albuquerque office of the bureau of federal roads. After the plans have been carefully checked and they will be signed by the secretary of agriculture and project agreements then drawn up and signed. This budget will exhaust the federal government's appropriation for road building in New Mexico for the fiscal year as follows:

No. 1-D, Colfax county between Colfax and Cimarron, 11,592 miles.

No. 13-B, Valencia county, between Laguna and McCartyrs, 16.3 miles.

No. 30, Lea county across the county from the Chaves county line to the Texas line—47.4 miles. One of the largest federal aid projects in the state.

No. 35, San Juan county, between Aztec and Farmington, 16 miles.

No. 38, Chaves county, between Roswell and Dexter, 15 miles.

No. 52, Socorro, thru Datil canon on the Ocean to Ocean highway, close to the continental divide, 11,277 miles.

No. 53, Torrance county, between Lucy and the Guadalupe county line, 35 miles.

No. 57, Chaves county, between Acme and Kenna, 17 miles.

No. 58, Union county, between Clayton and the Colfax county line, 57 miles. (This is the longest federal aid project in the state.)

No. 59, Union county, between Clayton and the Quay county line, 52 miles.

No. 61, Bernalillo county, between Albuquerque and Pajarito, on the Albuquerque-Isleta road. This will be nearly 7 miles of concrete boulevard.

No. 63, Curry county, between Clovis and Grady, through the wheat belt, 13 miles.

No. 66, Dona Ana county, between Anthony and Berino. This will be 9.8 miles of concrete boulevard, and, when completed, will connect El Paso and Las Cruces by a concrete boulevard.

No. 28, Grant county, between Silver City and Santa Rita. A part of this project is a concrete is a concrete boulevard. The city of Silver City is taking care of a part of the financing of this project by paying the state's proportion on the part lying within the city.

The State Banking Examiner is giving warning of a man named E. S. Grant who claims to represent the Mutual Health and Benefit association of Omaha, but who is an impostor. He is described as 55 to 60 years of age, clean shaven, weighing about 180 pounds, dark complexion, several front teeth out, the rest discolored.—Springer Times.

WALLACE KNOCKS OUT OPPONENT IN THE FIFTH

Trinidad—Beaten off his feet in the fifth round of a scheduled 12-round bout in an open air ring at Central Park Monday afternoon, Johnny Gagliardi took the count of ten from Referee E. A. Clary after Young Wallace, of Raton, had handed him two quick, hard punches to the jaw.

Johnny was out before many of the ringside fans realized that he had been hit. He went to the mat

NOTICE FOR PUBLICATION (Republication)

and did not recover himself for two minutes. He was decisively beaten in what, up to that crucial moment, was a rather tame affair. Young Raymond and Benny Silva furnished the only snappy card on the program. The lad from Forbes nixed it fast and formidably with Raymond, but Raymond laid him out with a low punch to the stomach, which some thought was foul. Raymond has a habit, however, of landing the stomach punch.

F. G. AKINS AND HOWARD MYERS GO TO OKLAHOMA

H. H. Everett made a trip to Texline on last Saturday, taking with him F. G. Akins and Howard Myers, where they took the train for Waynoka, Okla. They are closing a deal for a drug stock at that place. This deal was recently made thru the United Realty company, and involved besides the drug store, some bank stock, land and other property and is one of the largest deals made here for some time. Mr. Akins will return in about 10 days, but Mr. Myers will stay in Waynoka.

PROBLEMS OF THE FARMER

AN OPEN SECRET

President Wilson, without doubt, should have been a woman. He would have kept the Senate confidentially informed about the work of the Peace Conference while open opponents were being openly (7) arrived at.

I am not a woman, but my mother was, hence I conclude that I am about fifty per cent woman, so I may be pardoned if I proceed to reveal one of the secrets of the inner working of the Farm Bureau.

When the constitution of New Mexico was presented to the voters for their verdict I was pleased to note that the constitutional convention did not altogether ignore the interests of the small farmer. Article VIII, Section 6, contains this sentence: "The plowing of land shall not be considered as adding value thereto for the purpose of taxation." The officers who arranged the tax schedules ignored this plain provision of the constitution. In rendering my property for taxation I protested. I was told that that provision of the constitution was interpreted to refer to unpatented land! Brilliant interpretation! but they got by with it. In rendering my property for taxation I have always protested in some form or other, but what good did it do? I also induced some others to protest, among them a neighbor who raves when the signs are right. He always hits the nail on the head, although he does sometimes use a sledge hammer on a carpet tack. The assessor politely listened to his raving till he was finished, then said quietly, "We don't assess land that way; this is the way we do it." Then he proceeded with a practical demonstration on how to scrap the constitution of the state of New Mexico.

In order to make doubly sure that my position in the matter was correct I interviewed Mr. Field, who was a member of the constitutional convention. I asked him what meaning the constitutional convention intended to put into the sentence above referred to. He assured me that the convention intended it to mean exactly what it says, not what the tax gatherers had been pleased to interpret it to mean. Shortly after the last election the executive committee of the Farm Bureau invited the newly elected county officials to meet with it. Because I was not a member of the executive committee, neither was I a newly elected county official, and because of various hindering circumstances I was not present at that meeting.

When the proceedings of this county meeting were later reported to our local meeting at Thomas, I suggested that, before we sought any new legislation, this aforesaid atrophied section of the constitution ought to be revitalized. All approved my suggestion and the executive committee agreed to incorporate it into their resolutions.

Meanwhile I unofficially interviewed our most excellent District Attorney to ascertain the proper method of procedure in the case.

At the May meeting of the county executive committee I was present and inquired what had been done toward enforcing our good post-election resolutions. "Nothing," was the answer. It seemed to me that the psychological moment had at last arrived, so I handed out the best speech I had at hand and moved the appointment of a committee with instructions to get busy and see that the constitution was enforced in the making out of this year's tax rolls. Mr. England was appointed chairman of that committee. He got busy. He got Mr. Woodward busy. Mr. Woodward then got some other officials busy and in twenty-five days from the day Mr. England was appointed the thing was done.

I hope no one will be foolish enough to try to figure up how much of a saving this means to us farmers. It is not a matter of saving dollars. It is a matter of justice, a matter of law enforcing, a matter of lifting a little of the burden of taxation from the shoulders of the much desired, home making, small farmer.

The next logical step for us to take is to have the assessed value of improvements upon land reduced. A man should not be fined for cultivating his land nor for putting improvements upon it. The fine of high taxes should be assessed against the dog-in-the-manger type of man who owns land and doesn't use it.

I give this bit of history to illustrate some truths that ought to be self-evident to us, viz: 1. Laws written upon our statute books, even laws written into the constitution, will not enforce themselves. 2. Individual efforts on the part

of one or more accomplish next to nothing. 3. Resolutions passed by the most august bodies will not, of themselves, get results. 4. Organizations without individual initiative are useless. 5. But, individual initiative backed up by a sympathetic organization can work wonders.

If you are agitating and working for better conditions for the farming industry, join the Farm Bureau and get its backing. If you are interested in the success of movements for better conditions for the farming industry, back up your interest by joining the Farm Bureau. Yes, join the Farm Bureau!

C. E. ANDERSON.

SEDAN

Mr. Stanton of Oil City, Pa., is visiting at the home of L. B. Richey. Mr. W. W. Cochran and family left Sedan last week after their residence here during the school year, where Mr. and Mrs. Cochran were both employed as teachers.

Mrs. M. T. Grandall returned last week from Battle Creek, Mich., where she was called by the illness and death of a sister.

The Clayton Chamber of Commerce made a friendly call at Sedan, May 31. Owing to pressing work in the fields by the farmers, not a very large crowd was present.

On Sunday, May 29, the Union Co. Singing convention met for their fifth Sunday Sing at Sedan. A large crowd was present, numbering into the hundreds. As usual, people nobly responded to the basket dinner idea and a table 100 feet in length entirely damask covered and heavily laden with good things to eat was enjoyed by all at the noon hour. Then more singing, the special pieces being especially enjoyed. People were present from all over the county, including Clayton, Clapham, Thomas, Otto, Greenville, Trampagos, Amistad and Texline, Texas.

DIED—Mary E. Lewis, daughter of Mr. and Mrs. Geo. Lewis, at Clayton, N. M., on May 31, 1921, after an operation for appendicitis and an illness of only a few days. She was born on Nov. 6, 1900. Mary was a pupil of the Lone Star school, and well loved by all. Her death was a great shock to all friends, as well as her parents and brother, Raymond, who survive her.

Interment was made at the Barnhart Sedan cemetery, after an impressive service, conducted by Rev. D. J. Hammond on June 1st, 1921. The friends and neighbors extend sympathy and condolence to the bereaved family.

LIBERTY BONDS REACH NEW LOW LEVEL

New York, June 1.—Further selling today of Liberty 3½ per cent tax exempt Liberty bonds forced the price of that issue down to \$80.84, their lowest quotations. This represents a net loss over night of 66 points.

Other Liberty issues were heavy on increased offerings, but Victory notes held firm.

Selling of Liberty 3½s, according to reports in the financial district proceeded mainly from interior sources and was ascribed to the increasing financial needs of individuals and institutions.

FARMER CRUSHED TO DEATH UNDER A DISC HARROW

Mosquero, June 3.—C. N. Tinker, a farmer living near here, was instantly killed Wednesday morning, when the disc plow which he was operating was pulled over his body. The team which Mr. Tinker was driving became unmanageable and he was thrown under the plow, which passed over him, mangleing his body. He was one of the best known wheat growers in the state.

RAILROAD THRU WESTERN NEW MEXICO IS PROPOSED

Interest in the possibility of a railroad thru Columbus from Gallup and into Mexico was revived a few days ago when Mr. Estes of Denning, accompanied by C. W. McMorran of New York, passed thru town.

It is reported that Mr. McMorran represents a number of capitalists of New York who are interested in the possibility of a railroad thru the western part of New Mexico, tapping the coal fields and making a needed outlet into Mexico. The value of such a road to Columbus and New Mexico generally is too obvious to require discussion, and every assistance will be given that it may be built.

The fact that Mr. McMorran is going over the proposed route without an advertising campaign, but is seeking first hand information in a quiet way, indicates that if the project looks feasible to him action will probably follow his report to his principals.—Columbus Courier.

CONTROLLING DANDELIONS A TROUBLESOME LAWN WEED

Dandelions are among the most wide-spread lawn pests, but are particularly troublesome in the northern half of the country and sometimes become so bad that the best method of eradication is to plow or spade the lawn, and reseed it, but the United States Department of Agriculture advises against this method except in the most extreme cases. The general care of the lawn is important in controlling all lawn weeds, including the dandelion—mowing, rolling, fertilizing, and watering. In other words, everything which contributes to the growth of the desired grasses will tend to combat weeds.

In small lawns cutting the individual plants at least 3 inches below the ground twice a year is frequently the most satisfactory method of control. It does little good to cut them shallow. The best time to cut is in the spring when the dandelions are in early bloom, and late in the summer. On large, heavily infested areas where the stand of grass is vigorous, spraying with a solution of iron sulphate, 1½ pounds to a gallon of water is practical, especially on bluegrass lawns. It has not been found successful in Bermuda grass, red top, or bent grass.

Spray 5 times, the first time just as the blossoms unfold, and at intervals of a month thereafter. It kills the tips of the grass and kills white clover entirely, but it will eradicate the dandelions to such an extent that the surviving plants can easily be removed the following year. In small areas or as a follow-up means after spraying, a good method of killing them is to apply about a tablespoonful of kerosene or gasoline on the crown of individual plants. Dry salt may also be used effectively on cut surfaces.

The best way to handle pastures infested with dandelions is to improve the stand of grass by judicious fertilizing, seeding, and pasturing, so that the weed will be crowded out. Dandelions do not infest well-managed pastures containing a thick, luxuriant stand of grass.

HEALTH DEPARTMENT REPORT FOR MONTH OF MAY

TWO MEN REPORTED AS KILLED BY LIGHTNING

The News received a report that two men were killed by lightning near Logan one day last week. The men belonged to a road gang and while waiting for the rain to let up were playing cards in their tent. A bolt of lightning struck the tent, killing two and knocking the other members of the crew unconscious.

The said defendants, J. H. Williams, Ollie D. Jones, D. W. Priestly and the First National Bank of Clayton, are hereby notified that a suit to cancel mortgage deed has been commenced against them in the District Court for the County of Union, Eighth Judicial District of the State of New Mexico, by said Plaintiffs, Christopher C. Sheeley and M. L. Sheeley, to cancel mortgage deed on Northeast Quarter (NE¼) Section four (4) in Township Twenty-five (25) North, of Range Thirty-three (33) East, of the New Mexico Meridian, as more fully set forth in the bill of complaint filed in said action and that unless you enter or cause to be entered your appearance in said suit on or before the 29th day of July, A. D. 1921, decree PRO-CONFESSO and Judgment by Default therein will be rendered against you.

In Witness Whereof, I have hereunto set my hand and the seal of said Court at Clayton, New Mexico, this 8th day of June, A. D. 1921.

C. C. CALDWELL,
Clerk.

CO-OPERATION

We are giving below the address of M. C. Johnson, president of the Chamber of Commerce, given at the open meeting of the Chamber on Tuesday night. Mr. Johnson, we believe, hit the keynote in this address in his plea for a greater co-operation between the farmer and the business man. It is an undoubted fact that the town cannot live without the farmer, and the farmer needs the town. In the past, there has been more or less of an antagonism existing, which has been due more to a lack of understanding than to mere malicious hatred. The farmer has been hard hit, and knowing the deplorable situation in his line, and nothing about the business man's troubles, he entertains the belief that he is getting stung by the business men. On the other hand, the business man has been so absorbed in his own problems that he has failed to see the conditions surrounding his farmer neighbors. Through the Chamber of Commerce, this condition is being done away with. The farmer is being led into the light regarding the troubles confronting the business man, and the business man has learned that the path of the farmer has not been strewn with roses. With the realization that each has his knotty problems to solve, and that through cooperation the solving will be made easier, a mutual sympathy has been established and the spirit of cooperation is growing stronger. This spirit means much to Union county, and when the business men and farmers get together as they are now doing, it bespeaks better times for each. That Mr. Johnson, one of the leading business men of northeastern New Mexico, and president of the Clayton Chamber of Commerce, of Clayton, fully realizes the value of cooperation is set forth in his address of welcome, as follows:

Ladies and Gentlemen:

The most important hour on the face of your watch is now—the greatest moment in all our lives is the present moment—the highest peak that we have ever touched is where we stand. I think the most successful people on earth are the people who have a combination of being cheerful and serious—and such a combination, competition cannot put out of business. The era of individuality, the season of the self-made man, is nearly concluded. The epoch of cooperation and association is approaching. Man cannot live unto himself, neither can any business without the aid and support of those who are in kindred lives. The day of individuality has passed, and self must be placed in the background, being supplanted by a vision—a vision that carries with it a service that leads to cooperation.

There are many ways in which cooperation of business interest may be brought about, but we cannot afford to make a mistake in our choosing of this way—because we cannot afford to make a mistake; we must choose and we have chosen the only channel thru which we may move to a spirit of cooperation, and that channel is what we term a personal touch, which only comes by our being able to know each other thru our associations. This is the only way that we can hope to achieve success, the only way we can keep our business interest up to the standard, and progressing according to the demands that shall be made upon us.

We have these open meetings of the Clayton Chamber of Commerce so we can get together and so we may have a better understanding of each other and our problems, our needs. This is not a formal assemblage but the coming together of representative business men of Clayton and representative business men of the farms of Union county, and what we want to do is to try to solve problems that are mutual.

If you, my friends, who are business men of the farms in Union county, only knew the conditions under which the average business man of Clayton is operating at the present moment, I am sure that a great many doubts in your mind would be swept away. And if the business men of Clayton know the condition under which the farmer, or producer, is feeding the people of Union county, I am sure there would be a closer relationship—and so of-

ten, after all, it is only the need of closer cooperation that should exist between the farmer, the banker, and the other business men in this critical period of reconstruction.

So, we are going to ask you farmers, bankers, teachers, laborers, and merchants to bring your needs to your Chamber of Commerce, so we may be able to get together in a great movement of cooperation.

As president of your Chamber of Commerce, I extend to you a cordial welcome to this meeting, and I trust you are making it yours, in which you may feel free to speak and to offer suggestions that will be for our common good.

Ladies and Gentlemen, I bid you Welcome!

Meeting of the Board of County Commissioners, Union County, New Mexico

The Board met in special session this the 28th day of May, 1921, there being present Hon. E. M. Rutledge, chairman, Grant Denny, member, and C. C. Caldwell, clerk.

The meeting was called to consider matters pertaining to a re-classification of agricultural lands made necessary by recent ruling of Attorney General Bowman, concerning the practice of assessing agricultural lands. After discussing the board adjourned to meet on Tuesday, May 31st, in order that a full attendance of the board might be had.

The board does now convene on Tuesday, May 31st, all members being present. After discussion of the re-classification of agricultural land of the county on motion regularly moved and passed, it was decided to send to all taxpayers of the county a Classification of Land card to supplement the 1921 schedule now on file in the assessor's office.

On motion regularly moved and passed the certificates of indebtedness issued by the board of county commissioners in August, 1917, in the amount of \$11,000.00 are hereby ordered cancelled.

On motion Hon. J. H. Zurick was regularly appointed Indigent Officer and Hon. Grant Denny was appointed Purchasing Agent for the board of County Commissioners.

There being no further business, the board does now adjourn.

Board of County Commissioners,
By E. M. Rutledge,
Chairman.
Attest: C. C. Caldwell, Clerk.

Meeting of the Board of County Commissioners, Union County, New Mexico.

At a regular meeting of the Board of County Commissioners this 7th day of June 1921, there were present Hon. E. M. Rutledge, chairman; Grant Denny and Jack Zurick, members; and C. C. Caldwell, clerk.

Roads No. 114 and 115 were duly approved.

Mr. Morgan Harvey, having completed the work of closing up the audit begun by Mr. Cornell is hereby discharged.

Upon request of Dr. DeLoach of the County Health Dept., Mr. E. A. Swock was duly appointed Sanitary Inspector.

Resolved, by the Board of County Commissioners of the County of Union, State of New Mexico, that a special tax of two mills on each dollar of valuation of all property in said County subject to taxation for State and County purposes is hereby levied and imposed for the purpose of providing funds for the construction and improvement of public highways and to enable the State and Counties to meet the provision of the Federal Aid Road Act, being the tax authorized and directed to be made by said Board by the Act of the legislature of said State entitled "An Act Authorizing and Directing Boards of County Commissioners to Levy Taxes for Each of the Years 1921, 1922, and 1923, for the Construction and Improvement of Public Highways and to Meet Dollar for Dollar Allotments to the State of Federal Funds under Federal Aid Road Act, and for Other Purposes," approved March 12, 1921.

The County Assessor of said County, is hereby authorized and directed to extend said levy on the tax roll for said county for the year 1921; and the County Treasurer of said County is hereby authorized and directed to collect said tax and remit the same to the State Treasurer to be placed to the credit of the State Road Fund.

On motion duly passed, it was decided to combine the work of the County Health Department and that of the County Physician, placing all under the supervision and direction of the County Health Officer, thereby conforming to the custom as adopted by the State Dept. of Health. It has been determined by the State Department that a considerable amount of duplication can thus be obviated.

The following road bills were duly approved:

Otto-Johnson, road supplies, \$5.00.

Guy Wood, mileage as road Supt., \$27.00.

Big Jo Lumber Co., \$31.20.

A. L. Myers, road work, \$20.00.

O. B. Hughes, road work, \$6.00.

S. M. Kile, road work, \$32.00.

Big Jo Lumber Co., \$31.25.

Otto-Johnson Merc. Co., \$121.35.

H. A. Nachtrieb, road work, \$61.98.

Robert Duncan, work on road tools \$ 80.

The following bills were duly approved:

Baum Bros. soap, etc., for courthouse, \$20.00.

City Drug Store, supplies for Co. physician, \$84.00.

Miss Squires, assisting Co. physician, \$10.00.

Dr. Milligan, salary, as county physician, \$55.00.

Clerk's Office, expense, \$32.17.

Kilburn Furniture Co., burial Abeyta, \$50.00.

Lester C. Walker, steno. at inquest, \$6.25.

W. H. Scarlott, office expense, \$37.50.

Holly and Son, books, etc., \$84.00.

R. W. Isaacs, supplies, courthouse, \$20.15.

Co. Treas., expense, \$79.97.

Lester C. Walker, testimony at inquest, \$10.20.

Hill Bros. coal, \$115.86.

L. W. Holly & Son, stationery, \$60.00.

H. J. Nelson, repairing typewriter, \$12.50.

Co. Health Officer, expenses, \$199.71.

Harry Scarlott, expense, \$10.75.

G. G. Granville, coal, \$44.55.

Holly & Son, stationery, \$10.49.

Tex. Ark Mfg. Co., ribbons and carbon, \$66.00.

Otto-Johnson, courthouse account \$6.50.

L. W. Holly and Son, \$3.40.

Jay W. Fair, work on sheriff residence, \$92.50.

C. F. Gibbons, pts. at sheriff residence, \$157.02.

La Union del Pueblo, commissioners' minutes, \$6.32.

City Office, light and water, \$60.70.

Dr. Kisner, indigent work, \$14.00.

A. J. Crowley, \$17.90.

Clayton Citizen, stationery, \$43.96.

A. C. Loveless, surveying, \$16.00.

There being no further business, the board does now adjourn.

Board of Co. Commissioners.
By E. M. Rutledge,
Chairman.
Attest: C. C. Caldwell, Clerk.

OTTO BASEBALL TEAM WINS FROM PLAINVIEW

The Otto baseball team gave the Plainview boys a genuine drubbing on the Otto diamond last Monday to the tune of 11 to 0. The Plainview boys came out with a determination to take back the game and were so sure that they failed to bring the basket to carry back the "goose egg" which the Otto boys presented them. Plainview had an immense crowd of rooters. The version of the story was that not a single Plainview boy reached third base. We would suggest that Otto buy a bunch of crepe and adopt

resolutions of condolence. Hurrah for Plainview! Go to it, boys—we are betting on you next time.

INSTITUTE PEOPLE ENTERTAINED AT THE HUFF HOME

Mr. and Mrs. Raymond Huff entertained, at 6 o'clock dinner, Tuesday evening, State Supt. J. V. Conway, the Institute Faculty, comprising L. A. Hartley, Miss Elvie Fraser, and Miss Clementine Ivie. Mr. and Mrs. M. A. Fisher, Marie M. Myers and A. L. Myers. A delightful four-course dinner was served, and a most enjoyable evening was spent by all.

PERSONAL PARAGRAPHS

J. Pagan of Beverly, Kansas, in town this week, looking after some of Union county's ranch property, with the intention of buying.

Buy that Pearl Necklace now from C. W. Anderson, and save 25%.

E. A. Snook from Mt. Dora was in Clayton on business Monday. Mr. Snook reports that the freshly plowed land in that vicinity was pretty badly washed, but that wheat is looking fine.

Men's, Women's and Children's Sox and Hosiery, at the Dixie Store, E. L. Rencau, Prop.

Mrs. R. G. Davis of Plainview, was shopping in Clayton Tuesday.

Chicken and Trellis Wire, R. W. Isaacs Hardware Company.

Go to the Dixie Store for Dishes and Cooking Utensils of all kinds, E. L. Rencau, Prop.

C. H. Mundy and wife of Mountain View, were shopping with Clayton merchant Monday.

Water Filters at R. W. Isaacs Hardware Company.

J. C. Palmer of the Otto community, was a Clayton visitor Tuesday.

Jesse Crosby of Pasamonte was in Clayton Saturday getting tractor repairs and supplies, preparatory to his farming operations.

J. H. Kilburn and daughters of Mt. Dora, were transacting business and shopping in Clayton Wednesday.

Golf Goods, everything you need, at R. W. Isaacs Hardware Co.

T. W. Baker of Pennington, was transacting business in Clayton on Monday.

Ira Crisp of Thomas, was looking after business in Clayton Monday. Mr. Crisp was here to make final proof on his homestead.

Stanley Arnett, from over in the Guy neighborhood, was looking after business in the county seat, the first of the week.

Pearl Necklaces for June Brides—Get them from C. W. Anderson at 25% off. All next week.

E. S. Dotson of Coates was trading and attending to business in the city the forepart of the week.

T. R. Willis and wife of Clapham, were buying supplies for their ranch Tuesday.

Fishing Tackle—R. W. Isaacs Hardware Company.

Ora Patterson of Mt. Dora, was a visitor in the county seat, Tuesday.

Iceless Refrigerators, R. W. Isaacs Hardware Company.

W. M. Merlan, one of the prominent citizens of the Seneca neighborhood, was in Clayton Tuesday, looking after business.

T. J. Johnson of Pasamonte, was among the large number of out-of-town visitors in the county seat.

Bamboo Fishing Rods, R. W. Isaacs Hardware Company.

Rev. Whitefield and children of Otto, were in Clayton Saturday.

Judge O. T. Toombs and Robt. Turpin were over to Boise City the forepart of the week, attending to legal matters.

25% Off on Pearl Necklaces, at C. W. Anderson's Jewelry Store, from June 11th, to 18th.

E. L. Leighton of southwest of town, was in Clayton Wednesday, and informed us of his loss of 5 head of 2-year-old steers by lightning, last Saturday on his ranch near Clapham. He also stated that it was so muddy in his neighborhood that many of the farmers were unable to plant crops.

STRAYED—Two head of two-year-old steers, branded Lazy H Bar, on right hip. Notify J. Hilfiker, Clayton, N. M. Suitable reward.

W. E. Hathaway and A. S. Frounberger, two prominent farmers of the Sofia neighborhood, were Clayton visitors this week.

C. E. Anderson, one of the five wire farmers of the Stead community, and a Farm Bureau booster, was here the first of the week. Mr. Anderson was one of the speakers at the Chamber of Commerce meeting on Tuesday night.

Stats Rankin went to Dalhart on Monday to make arrangements for exchanging films. This was made necessary by the washouts which tied up traffic between here and Denver. He was accompanied by J. Allen Wikoff of the Pioneer Garage.

County Commissioner Grant Denay was among the business visitors in Clayton this week.

C. W. Anderson is selling Pearl Necklaces, June 11 to 18th, at a reduction of 25%. They are most appropriate as wedding gifts.

Mr. and Mrs. W. H. Anchor of Wichita Falls, Texas, were here this week looking after their business interests.

H. E. Smith of the Beenham community, was a Clayton visitor this week. Mr. Smith reports that there has been so much rain in his neighborhood that farm work has been much retarded.

J. H. Bender went to Texline Tuesday to investigate the proposition of installing the electric light system there.

Dr. C. E. Waller, director of the State Health Department, was in the city this week, working with Dr. Douthirt and looking over the health work in this county.

M. A. Scott, one of the progressive farmers of the northern part of the county, was in town the first of the week, looking after business matters. Mr. Scott is one of the real boosters in the Farmer-Stockman Bureau.

Chas. Adams and wife of the Thomas neighborhood, were in Clayton Tuesday. Mr. Adams came up to attend the meeting of the executive committee of the Farmer-Stockman Bureau, and also the open meeting of the Clayton Chamber of Commerce.

R. C. McClellan, one of the democratic wheel horses in the south end of the county, was in town the forepart of the week. R. C. paid The News man a social call, and of course gave us a little democratic talk. Of course it fell on us and right off again, but we like for R. C. to call on us when in town.

The Fred J. Tuttle Post, No. 27, American Legion, meets 1st and 3rd Monday nights of each month at the Pullman Cafe. Visiting Legionnaires welcome.

Mr. and Mrs. B. L. Brown were in from Seneca on Thursday. Mrs. Brown is vice chairman of the Union County Republican Central committee, and her work in last campaign proves her fitness for that position. While here she called at The News office and paid us a pleasant visit.

C. A. Doty, past grand master of the Odd Fellow lodge, is in Clayton this week. Mr. Doty is one of the directors of the work of rodent extermination, which is now going on over this and other counties of the state.

FOR SALE OR TRADE—Vulcanizing outfit, good as new. Will consider Ford Car. J. M. Stewart, at Commercial Hotel.

Oscar Becker, brother of H. M. Becker, of Kaufman, Tex., passed thru Clayton yesterday, enroute to Colorado points.

C. M. Sanchez, formerly county treasurer of Union county, but now on a big ranch near Belen, is in the city this week, visiting with old friends.

For Sale—5 Registered Hereford Bulls. These bulls have been at the head of our herd. Address Ben E. Owen, Folsom, N. M., or T. E. Owen, Clayton, N. M.

The office of the Union County Farmers' Mutual Rail association can be found at the office of the Four States Seed company, hereafter.

J. B. DICKSON, Secretary-Treas.

LEGION THANKS THOSE WHO HELPED

The Fred J. Tuttle Post of the American Legion wishes to avail itself of this opportunity to express its sincere thanks to those friends who made possible such a successful observance of Memorial Day, particularly R. W. Isaacs, Dan T. Roberts, Floyd A. Akins, C. E. Lewis and J. M. Winchester, who loaned rifles and ammunition; also Ora S. Johnson, who contributed much to the success of the program at the High School, and all those who gave their time and talent to the program.

AT THE EKLUND THIS WEEK

Moles, State College, N. M.

CREAMERY WILL OPEN HERE NEXT WEEK

We were reliably informed that C. H. McBratney of Guyton, Okla., has secured the Clayton Creamery and will open it up next week. Mr. McBratney comes here with high recommendations as a creamery man, and we are sure that he will make the creamery a paying proposition.

GEORGE WADE ON THE JOB AS AN ADVERTISER

Geo. H. Wade & Company surely believe in taking advantage of every opportunity when it comes to pushing their business. This week, when the floods had filled the famous "Clayton Lake," revived the ambition of the "Frog Orchestra," and people were gathered near the post office to look out over the broad expanse of water, some comedian stuck up a sign purported to be signed by our town marshal, John Spring, prohibiting fishing. Right behind the comedian Geo. Wade comes forth with a panacea for the disappointment, by suggesting a dip in the water, when he stuck up his sign, "Bathing Suits for Sale at Geo. Wade's." We were expecting a suit for trespassing to be filed by "Bob" Isaacs, who owns most of the lake, but we understand it was settled by the exchange of cigars and a good congenial smoke.

MELTON & WEICHMAN OPEN THEIR NEW GROCERY STORE

Another business firm was added to Clayton last Saturday, when Melton & Weichman opened their grocery store to the public. They occupy the old Barnhart store, recently vacated by the Davis & Sitze store. The Davis & Sitze stock was sold to another company, and Messrs. Melton and Weichman refilled their shelves with a brand new stock of goods. The store has been freshly painted and everything about the store is spot and span, making the appearance of the store very inviting. Their meat department has been replenished with the choicest of meat, and the meat display is appealing to the most critical. These gentlemen are experienced men, and with their acquaintance with the buying public we predict for them a successful business.

RED CROSS REPORTS 437 MISSING IN PUEBLO FLOOD

Pueblo, June 9.—The local chapter of the Red Cross which is in charge of relief work in the flood district in Pueblo, this afternoon issued a list of missing persons containing 437 names. Light P. James, formerly of Union county, but now of Cottonwood Springs, Kans., is in Clayton this week, attending to business matters and visiting friends.

CHICHESTERS PILLS DIAMOND BRAND. LADIES!... SOLD BY ALL DRUGGISTS EVERYWHERE TESTED

MISS KATHLEEN HILL ONE OF THE SEASON'S BRIDES

One of the prettiest home weddings held in Clayton for many a day was the one held at the home of Mr. and Mrs. John C. Hill, last Sunday, when their youngest daughter, Miss Mary Kathleen, was united in marriage to Mr. Fred O. Reed, Jr. of Raton. The ceremony took place at 6 o'clock with Rev. J. W. Sale of the Baptist Church, officiating. The home had been decorated in roses and evergreens with a big arch of roses between the dining room and parlor, under which the ceremony was performed which made the twain one.

At the appointed hour the wedding party took their places in the following order: Bridesmaids, Miss Margaret Lackey and Mrs. Mildred Hill; then the groom, accompanied by John L. Hill as best man, followed by the bride on the arm of her father and last little Patty and John Hill, carrying the ring. The beautiful ring ceremony was used.

Immediately following the ceremony the wedding party retired to the dining room, where an elaborate wedding dinner was awaiting. In the center of the table was a large wedding cake. The dining room was also decorated in roses.

The bride was attired in a beautiful gown of white organdie over pink. Mrs. Reed, or Kathleen, as she is known to her many friends, was born in Clayton. She lived here until about seven years of age, when her parents moved to Holly, Colo., where she was educated in the public schools of that place. She returned to Clayton when her parents came back to their old home several years ago. She has been employed in the office of Hill Brothers Oil company. In the society circles of Clayton, Kathleen has been a popular favorite. She is also fond of outdoor life and takes a great deal of pleasure in athletics.

Mr. Reed is district superintendent of the Continental Oil company, with offices located at Raton. He is the son of Mr. and Mrs. F. O. Reed of Denver. His father is superintendent of the American Railway Express company.

After a visit with the groom's parents in Denver, Mr. and Mrs. Reed will make their residence in Raton.

Those attending the wedding were Mr. and Mrs. H. C. Farber, Mr. and Mrs. J. L. Hill, Mrs. R. W. Lackey, Mr. and Mrs. John C. Hill, Mrs. Mildred Hill, Miss Margaret Lackey, and Patty and John Oscar Hill. Mr. and Mrs. Fred O. Reed were prevented from attending by the Pueblo flood.

The News joins in extending congratulations and best wishes to Mr. and Mrs. Reed.

SAUNDERS-LEACH

Tuesday afternoon at five o'clock, James J. Saunders and Miss Estell Leach of Gladstone, N. M., were united in marriage in the chapel of the Methodist Episcopal Church, the Rev. L. M. Rymph officiating. Those attending the wedding were: Mrs. Leach, the mother of the bride, Mr. and Mrs. C. P. Talbot, and Mrs. H. R. Mills. Mr. and Mrs. Saunders will reside on a farm near Gladstone.

STEFFENS-STEPHANS

Mr. John W. Steffens of Thomas, N. M., and Miss Anna Stephans of St. Louis, Mo., were united in marriage at the Methodist parsonage on Wednesday evening by the Rev. L. Merle Rymph. Those attending the wedding were Miss Ceddie C. Stephans, a sister of the bride, and Mrs. Martha E. Steffens, the mother of the groom.

CARTER-NEATHERLIN

Mr. J. D. Carter and Miss Mabel Neatherlin, both of Guy, were united in marriage at the Baptist Parsonage, on Tuesday, Rev. J. W. Sale officiating.

MANY TOURISTS ARE NOW PASSING THRU CLAYTON

Pack Keeper John Hanners reports that the tourists passing thru here are becoming numerous. His report so far for June shows that 94 tourists have camped at the city camp grounds.

A. B. STROUP NAMED BORDER PROHIBITION AGENT

Washington, June 4.—Andrew B. Stroup of Albuquerque, N. M., was appointed today supervising federal prohibition agent for the border department with headquarters at El Paso.

Dudley W. Snyder, of Clayton, N. M., was named federal prohibition director for the state of New Mexico.

The border department includes the states of Arizona and New Mexico, and most of the state of Texas. Mr. Stroup succeeds James Shevlin

who resigned April 11. Mr. Snyder succeeds Antonio Lucero with headquarters at Albuquerque. Both appointments are effective immediately.

Mr. Stroup said here this morning that he had received no official advice of his appointment, although he had been advised by Senator Bursum that it would be made.

He said that he did not know how soon he would take charge of the office or any other details and would await advices from Washington.

Mr. Stroup said that although his headquarters would be in El Paso he would continue to make Albuquerque his residence and would be here for a considerable part of the time.

The district of which he will have charge embraces the states of Arizona, New Mexico and Texas. There is a force of 50 to 75 prohibition agents in the district of which Mr. Stroup will be in charge. The district is considered one of the hardest in the country from a law enforcement standpoint on account of the whiskey smuggling traffic over the border. John Toomey is at present in charge of the district. He succeeded James who was transferred to the district from New York about the first of the year, but who resigned about two months ago.

Mr. Stroup has been active in prohibition work for many years and was state director of the anti-saloon league. He was one of the leaders in the fight to make New Mexico dry and always has been in hearty sympathy with the prohibition idea.

He said today that he would go into his new work with the sole idea of enforcing the law.

Dudley W. Snyder, who was named state prohibition director, formerly was sheriff of Union county. Of late years he has been a rancher and recently sold his ranch and moved to Clayton. He has the endorsement of the W. C. T. U. of Clayton and of the Methodist church there.

Mr. Snyder has received congratulations from Gov. Mechem, Senator Bursum, State Senator O. L. Phillips, and Ruth C. Miller, head of the Vocational Training department. The News joins with Mr. Snyder's friends in offering congratulations.

CLAYTON KNIGHTS WILL GO UP TO DES MOINES

The Clayton Knights of Pythias will go to Des Moines tonight, where a new lodge will be instituted. The team will handle the conferring of ranks. The new lodge is the result of the work of L. W. Gallos, deputy grand chancellor, who has been in Des Moines for several weeks, getting members for the new lodge.

FAREWELL LUNCHEON

On Wednesday of last week the members of the Executive Board of St. Joseph's Hospital association gave Mother Mary Agnes a farewell luncheon at the home of Mrs. Simon Herzstein, all being present except Mrs. G. W. Blakeley, who had been called to the bedside of her mother. Mrs. Carl Eklund, in behalf of the Board, presented Mother Agnes with the funds remaining on hand with the Treasurer, which was twenty-one dollars and fifty-four cents.

Mother Agnes requested that the work of the association be continued in behalf of the hospital, and the Sisters who are to succeed her be given the same help and cooperation which had been given her. Many eyes were dimmed with tears when it was realized that this was the last meeting of the ladies with one who had endeared herself to all, and who had done so much for Clayton in founding St. Joseph Hospital which stands today as a monument to the faithful, untiring efforts and Christian zeal of Mother Mary Agnes.

Have you tried the new 10c package? Dealers now carry both; 10 for 10c, 20 for 20c. It's toasted. LUCKY STRIKE CIGARETTE

MILLERS OF STATE TO MEET IN ALBUQUERQUE

The New Mexico Millers' association will hold its fourth annual session at Albuquerque this week. About twenty delegates to the meeting are expected, coming from Roswell, Hatch, Las Cruces, the Estancia valley, Las Vegas and other points north.

STOCKMEN AND FARMERS FILE KICK ON RAIL RATES

Denver, Colo., June 2.—In a formal application before L. E. Disque of the interstate commerce commission, representatives of six leading western stock growers and farmers' organizations yesterday presented a formal demand for lower freight rates on livestock declaring that the present freight rates were "unjust, unreasonable, excessive and unlawful."

REFORM SCHOOL AT SPRINGER HAS NEW SUPERINTENDENT

Springer, June 2.—W. A. Blake of Hutchinson, Kansas, was this week installed as the new superintendent of the New Mexico reform school, succeeding David Padilla, who was serving under a temporary appointment. The board of trustees chose Mr. Blake after a careful survey of the applications which had been received and believe that they selected the best man to be found. He has made boys his life study and for many years has been engaged in this kind of work in some of the finest schools of this kind in the country.

N. Y. BANKS PAY \$35,733,000 ON GERMAN REPARATIONS

New York, June 2.—A small portion, \$35,733,000 of Germany's first reparations installment to the allies was paid by four New York banks, with their checks against German government funds on deposit with them. The money was in the New York federal reserve bank today to the credit of the Bank of England and the Bank of France.

DEFINE TERMS OF FOREIGN MATERIAL FOUND IN WHEAT

There are two terms in the Federal wheat standards which apply to foreign material, explain specialists of the Bureau of Markets, U. S. Department of Agriculture—"dockage" and "foreign material other than dockage." The term dockage is applied to the foreign material which can be removed readily from the wheat by the use of appropriate sieves, cleaning devices, or other practical means suited to separate the foreign material present. Foreign material other than dockage is the foreign material that is not separated in the screening and remains in the dockage-free sample and is a factor in the grading, definite percentages being permitted within each numerical grade. Dockage does not affect the grade.

ACCIDENTALLY SHOTS SELF WITH REVOLVER

While cleaning a revolver, Gerald Priest, 133 North Fifth street, accidentally discharged the weapon, the bullet lodging in his leg. The bullet cut a clean hole into the bone and did not break it. The hole resembled that made by a drill. The accident occurred Monday night.—Raton Range.

CALDWELL HAS GOOD TRAINERS FOR JULY 4

Jack Rooney, a well known middleweight, arrived in Raton yesterday to train Walter Caldwell for his fight here July 4, with Eddie O'Hare. Rooney is known as a hard hitter, if an opponent can be found for him, he will fight the semi-windup. In the Caldwell training camp with Rooney there will be added several more boxers to mix it with him to

assure his being in good condition when he faces O'Hare. The Northern New Mexico Fair Association is going to make the July 4 card an all star event, according to Ernest D. Reynolds, secretary.

Progress is being made on the July 4 program and a few days more will see everything in readiness. The automobile parade in the morning likely will draw a large number of people with decorated cars. Prizes of \$50 and \$25 are being offered for the most patriotic appearing cars.

Reservations for the fight are plenty coming in. Those who desire choice seats should call Mr. Reynolds.

The ball game is being arranged by J. L. McDermitt.—Raton Range.

PUBLIC NOTICE Sale of Clayton, New Mexico, School District Bonding Bonds.

PUBLIC NOTICE IS HEREBY GIVEN That on Monday, the 27th day of June, A. D. 1921, at the hour of 8 o'clock P. M., of said day, at the High School Office in Clayton, New Mexico, the Board of Education of the town of Clayton, N. M., will sell the negotiable coupon building bonds of the School District subject to the jurisdiction of said Board in the amount of Eighty-Eight Thousand Dollars (\$88,000); to bear date the 1st day of June, A. D. 1921, and to bear interest at the rate of six per centum per annum, payable semi-annually; the said bonds to be due in not less than 20 years nor exceeding 30 years from their date, and redeemable at the pleasure of the Board of Education at any time after 10 years from their date.

The said bonds are issued by said Board of Education for the purpose of purchasing school sites and erecting and completing school houses within the territory under the jurisdiction of said Board. Unconditional bids for the purchase of said bonds will be received until the hour above named and should be sealed and addressed to H. H. Errett, the Clerk of the Board of Education, at Clayton, New Mexico.

An unconditional certified check on a responsible bank, in the sum of two per cent of the price bid, should accompany all bids, to be forfeited and considered as liquidated damages, in the event that the purchaser fails to comply with the terms of his bid.

The said Board of Education will ascertain the best terms upon, and the lowest rate of interest at which said bonds can be negotiated, but said bonds shall not be sold for less than ninety-five cents on the dollar. Said Board of Education hereby reserves the right to reject any and all bids and to sell the bonds at private sale, if it deems it for the best interest of said Board of Education.

By order of the Board of Education of the town of Clayton, New Mexico, dated this 31st day of May, A. D. 1921.

H. H. ERRETT, Clerk. First publication, June 4, 1921. Last publication, June 25, 1921.

BLACK CENTRE These walls will never crack. The interesting panel treatment and beautifully painted trim make this room decidedly above the ordinary. BLACK ROCK WALLBOARD BLACK CENTRE Make The Plain Room Attractive WHETHER building or remodeling, you will be better pleased with your rooms if stiff-as-lumber Black Rock Wallboard is used for the walls and ceilings. There is no muss or litter in applying Black Rock Wallboard. Once in place, it stays there permanently without cracking, warping or falling. It gives an added comfort and attractiveness to the rooms no matter what the character of the building—house, bungalow, office, store, restaurant, church or factory. Note the moisture-repellent black centre that identifies the genuine, rigid, 4-ply veneer Black Rock Wallboard. Black Rock Wallboard is protected against all kinds of weather and needs no priming coat in decorating because it receives a special surface sealing and sizing treatment. Give us a chance to explain the advantages of Black Rock Wallboard for your particular buildings. STAR LUMBER COMPANY Clayton, New Mexico Phone 153 A. E. MONTEITH, Manager

CONTINUES DRILLING
The Eureka Oil association is still going down and those having the drilling in charge have lost none of their enthusiasm over the result expected. They are now down over 800 feet and have gone through 3 or four pockets of gas.
Crowds flock to the site every day to keep up with the progress being made. Northern Golph county, it is expected, will become one of the largest oil fields in the southwest.—Helen Rife.

WILL ASK RATE CUTS TO POINTS IN NEW MEXICO
The corporation commission will probably protest against the exclusion of New Mexico from the 20 per cent rate reduction from eastern defined territories to the Pacific coast terminals, Hugh H. Williams, the chairman, stated today.
In announcing the proposed cut the railroads indicated the revision would not apply to intermediate points between the eastern defined territories and the ports.
Mr. Williams believed the intermediate points, including those in New Mexico, should be given a proportionate reduction although he doesn't think it likely the railroads would grant these voluntarily as the proposed cut to the Pacific ports is brought about by steamship competition through the Panama canal. He said other intermountain states probably would take the same action as the commission contemplated taking for New Mexico.

Although the railroads announced the reduction several days ago they have not filed the new rates with the interstate commerce commission at Washington. Senator Bursum wired the commission this. He added when they were filed shippers would be given an opportunity to make protests.

AUXILIARY TO MEET WITH MRS. BLUE
Mrs. E. O. Blue will be hostess at the next meeting of the Ladies' Auxiliary of the American Legion, which will be held at her home, Saturday, June 18th, at 2:30 p. m.
All ladies who are eligible to become members are cordially invited to be present.

EX-SERVICE MEN, ATTENTION
Those who have not received their Victory Medals may obtain same by filing application with the Post Adjutant, American Legion.
J. V. JANNEY,
First National Bank.

WITH THE CHURCHES

This column is open for the church notes. Please have all copy in not later than noon on Thursday.

THE CHURCH WITH A WELCOME
Methodist Episcopal Church
L. M. Rymph, Asst. Pastor.

Have you a church home? Every attempt is being made to make this a family church. Last Sunday forty-five children attended the morning service. Our goal for the children is seventy-five. Adults encourage the children in church attendance by attending the church service regularly yourself.

"The greatest need of the average man or woman is not a profounder grasp or greater appreciation of individual verses and texts, but a comprehensive grasp of the Book as a whole, a bird's-eye view of the historical sweep and meaning of the canon as a whole." The Sunday School of this church offers just such an opportunity for systematic study of the Bible and of Christian history by means of its graded courses of study.

Sunday School, 10:00 a. m., Jos. Gill, Supt.

Epworth League, 7:15 p. m., N. O. Brane, Pres.

Morning Worship, 11:00 a. m., "The Nature and Place of Reason."

Evening Worship, 8:00 p. m., "Stephen's Life and Vision."

Family Night, Wed. 8:00 p. m., Worship, Study, Recreation.

THE CHRISTIAN CHURCH

Mr. J. F. Lunsford being gone, we are not in a position to say whether there will be preaching services next Sunday or not. Sunday School at 10 a. m., Christian Endeavor at 7:00 p. m. On Monday night the monthly business meeting will be held. Announcement will be held on the Perico, the Endeavorers to leave the Christian church at 6:30 p. m., where cars will be ready to take the whole bunch. The men folks have undertaken the job of furnishing and serving the feed for the occasion. All Endeavorers be sure to be down to the church at 6:30.

The Ladies' Circle of the Christian Church, will hold a special meeting at the church on next Thursday. Every member is requested to attend.

THE SMILE THAT WON'T COME OFF

Is the smile that has its foundation beneath the surface, deep down in the heart.

No heart can be truly happy that is not right both with God and one's fellowmen.

Bringing people into a right relationship with God and their fellows is the constant task of the churches.

We crave an opportunity to help you solve your problems.

First Baptist Church, J. W. Sale, pastor, 107 Court St.

Sunday School 9:45, J. L. Brown, Superintendent.

Preaching at 11 a. m., and 8 p. m., Sunbeam Band at 2 p. m., Miss Jane Gray, leader.

Junior B. Y. P. U. at 3 p. m., Mrs. C. W. Anderson, leader.

Senior B. Y. P. U. at 7 p. m., Miss Leah Gray, leader.

Prayer meeting Wednesday at 8 p. m.

PRESBYTERIAN CHURCH

Sunday, June 12th, Palmer Hall
Guy Davis, Pastor

Sunday School begins at 9:45 a. m.

If we have no class adapted to your requirements now, we will make one to suit. Come and see.

There will be preaching service at 11:00 a. m., and at 8:00 p. m. The subject of the morning sermon is: "A Man's Quest for the Chief Good." Subject of the evening sermon will be: "Who is Jesus?" You are cordially invited to attend all of these services. If you are not a member of any church in town, we invite you to make this your Church Home.

CHRISTIAN LADIES' AID MEETS WITH MRS. MONROE

The Ladies' Circle of the Christian church held one of the most enthusiastic meetings that have been held for some time, on Thursday. The meeting was held at the home of Mrs. D. D. Monroe on Madison street with Mrs. J. B. Proctor assisting the hostess. The afternoon was delightfully spent in discussing church problems and outlining work for the circle. After the business session was over light refreshments were served. About 45 ladies were present. The Ladies' Circle is composed of women who are real live wires, and have done a great amount of work which has been a great assistance to the building committee of the new church.

John V. Conway, state superintendent of public instruction, was in Clayton this week, attending the institute, which closes today.

TEACHERS RECEIVE STATE OFFICIALS—GOOD MEETING

The Union County Teachers' Association, which has been meeting the past two weeks in the High School building, today closed a most successful session. Eighty-six were in attendance. All of them showed a splendid spirit of interest and earnestness in their work, and made the best of every opportunity for learning. The state examinations were given yesterday and today.

One of the most interesting features of the Institute was the assembly period every morning at 11 o'clock. The programs were instructive and entertaining, consisting of a brief address and several musical numbers. Monday, Mrs. M. C. Johnson rendered two piano selections and also played the accompaniment for Isabel Herzstein, who gave two pieces on the violin. Tuesday, Rev. Rymph, supply pastor of the First Methodist Church, addressed the teachers on their responsibilities in the school room. M. W. Smith, one of the teachers in attendance at the Institute, sang two songs. Mr. Smith, before coming here, directed a quartet in public entertainments for four years. On Wednesday, A. L. Tarlton, the County Agricultural Agent, delivered one of his inspiring addresses in his usual interesting style, and Mrs. Hurley, the County Demonstration agent, told the teachers of a number of things they could do to add to the happiness and comfort of those with whom they are associated. She strongly advocated hot lunches at school. Thursday, Mr. Larkin, one of the most popular school men in the state, was here from Las Vegas and addressed the teachers on the new plan of teaching English. He was followed by Dr. Mumey, of Greenville, who made an eloquent appeal to the teaching profession. The Lewis Quartet sang two numbers, which were greatly appreciated by everyone.

Two state officials visited the Institute the past week. State Superintendent John V. Conway spent Monday with the teachers. In an address Monday morning he made a strong plea for more earnestness in school work. "Give me teachers who love the work and will go out into our rural communities to accomplish genuine, worth-while results," he said. "Perhaps conditions will not be ideal, but my heart goes out to the teacher who is willing to put up with adverse circumstances until she can bring about a fine spirit of co-operation and a greater interest in the education of the community. We want teachers with plenty of pep, who will go out and do things and not just drag along. I believe that Union county has a good, live bunch of teachers, and I know that, under the leadership of your competent and enterprising superintendent, Miss Myers, you are going to accomplish real work in this part of the state." Supt. Conway held another conference with the teachers in the afternoon, and explained the proposed constitutional amendments to be voted on next September.

Dr. Waller, the State Health Officer, spoke to the teachers Tuesday morning on the importance of maintaining a Health Department in Union County. He showed that the people were compensated to the extent of a hundred times the amount they paid for keeping the Health Department.

At the business meeting held on Thursday morning, C. C. Sitze was elected president of the Union County Association for the coming year. Mrs. Jean Wrenn Conkin was elected secretary, and Miss Zoe Bonnett was elected treasurer.

The resolutions expressed appreciation to the Board of Education for the use of the High School building, and thanks were given to the Chamber of Commerce for its reception to the teachers on Tuesday night. Condolence was extended to J. F. Lunsford, Secretary of the Chamber of Commerce, in his bereavement caused by the death of his father. The resolutions put the Association against the proposed amendment whereby the tax levy for maintaining schools would be changed. This question is to be voted on in the fall, and the teachers have organized to fight against its passage.

TOM BUSHNELL, SEVERELY INJURED

Tom Bushnell, while attending to his duties inspecting the dipping of cattle, south of Rosebud, received an injury that was very serious and his escape from death was almost a miracle.

While pushing a bar across the chute to stop the cattle, a bull plunged against the bar, before he got it fastened on the opposite side, striking it with such force that one end swung around, hitting Mr. Bushnell under the chin. The lick he received was so great that it lifted him entirely off his feet, knocking

him unconscious. His teeth were jarred loose, and his face badly bruised. He was brought home and is getting along nicely, but it will be some time before he will be able to resume his work.

TEXLINE WILL VOTE ON ISSUE OF BONDS

We get the information from J. H. Bender, former Supt. of the light and water department here, that Texline is going to vote on a bond issue for the purpose of installing a municipal light and water plant. Mr. Bender will have charge of the electrical installation if the bonds are voted.

POSTOFFICE INSPECTOR HOOD HERE

Oscar M. Hood, postoffice inspector for this district, from Trinidad, is in Clayton this week. He is here viewing the town in regard to the city carrier service which was asked for thru the Chamber of Commerce. Mr. Hood is a very affable fellow and we believe that if there is any chance for us to have a city delivery service, he will recommend it.

BATTALION OF REGULARS CAMPED HERE LAST NIGHT

A battalion of the Ninth U. S. Infantry arrived here last night, and pitched camp in the Fair Grounds. The Battalion came here from Amarillo today. It consists of 274 men, including officers, and are on their way from Camp Travis, San Antonio, Texas, to Fort Logan.

The convoy, consisting of thirty-seven trucks, is under the command of Captain J. M. Anderson.

This convoy left San Antonio on May 29. They had expected to arrive at Fort Logan by early next week, but on account of storms in Colorado it is uncertain when they will get there.

The Ninth Infantry from which these men were picked was a part of the Second Division, which served two years in France. The Ninth was decorated by the French government with the Croix de Guerre and Company G, (the outfit which was here last night) was singled out and decorated with the same honor.

Company G has several men who have won the distinguished service cross and there is one man who not only received that honor but was also decorated with the Croix de Guerre with the double palm, and the Medaille Militaire of France.

DR. H. R. MILLS NOW ON A CHAUTAUQUA TOUR

Dr. H. R. Mills, pastor of the First M. E. church, is now fully occupied in his lecture work on the Redpath-Horner Chautauqua platform. Mr. Mills has a very extensive program laid out for him this summer, which will occupy fifteen weeks, and take him over the greater portion of Iowa, Minnesota, North Dakota, and Missouri. Dr. Mills is one of those impressive lecturers who has the ability to carry his audience with him from the beginning to the end of his lecture, and has been making a hit on the circuit for the past three seasons. Clayton can be proud of the ability of Dr. Mills, and the town can rest assured that he will boost Clayton and New Mexico wherever he goes.

During his absence his pulpit will be filled by Rev. L. Merle Rymph, of Harper, Kansas. Mr. Rymph is

a young man, full of zeal, and the Methodist pulpit will be ably filled during Dr. Mills' absence.

CLAYTON HAS HAD ITS FULL SHARE OF RAIN

While other parts of the country have been suffering from floods, the citizens of Clayton can realize that it is truly a privilege to be a resident of the metropolis of Union county. But even though removed from the liability of floods, Clayton has not been dry. According to statistics furnished by Dr. Charlton weather observer, for Union county, the rainfall here has been, so far in June, almost double that of May. According to the figures given us the rainfall for June has been 3.57 inches, while the rainfall for May was 1.95 inches.

The News give you the news as it happens. Read the newsy News.
