

ABSTRACT

The final project for the student of Diploma in Interior Design is a manifestation towards the student's knowledge about the whole aspect on interior design that had been learnt from basic to the final presentation on the proposed design. The project that had been chosen for the final project is to propose upgrading for the interior of Lamborghini Kuala Lumpur Showroom. This proposed upgrading showroom is actually to attract all people since this showroom open for highest people. Try the market with a new design for a Lamborghini Kuala Lumpur Showroom. The concept and image that had been chosen for the interior must meet the client requirement to reflect the client itself to their customers to gain their faith and good impression on the services.
