Letter from the COE Alumni Association

The College of Education Alumni Association provides COE students with professional events to help enhance their future careers. We offer a Content Area Roundtable during the fall that focuses on current topics trending in the educational arena lead by educational leaders in throughout Michigan. We also provide Resume and Cover Letter Roundtables each semester where administrators are invited to answer student questions about the hiring process. COE students also are given opportunities to have their resumes and cover letters reviewed by participating administrators while conducting unofficial interviews. These Roundtable events are popular with both students and administrators.

The alumni association also volunteers at Story Time in the Park, a GVSU College of Education event. Story Time

takes place once a week in the summer and provides free books and ice cream to families with children 15 years and under.

Getting involved as a COE alumnus is a great way to meet new people, collaborate with peers, network with other professionals, and give back to your community. We are Lakers for a Lifetime!

For more information on how to get involved or if you have an idea to share, please contact us at

Support COE Student Scholarship

Scholarships are a vital part of transforming great students into inspiring teachers. The College of Education annually awards more than \$35,000 to undergraduate and graduate students. Through the generous donations of faculty, staff, alumni, friends, and organizations we are able to help Grand Valley students realize their dreams.

To make sure this support is sustained and grows, we need you to use the attached envelope and donate to the COE

Scholarship fund. Your support ensures future teachers can receive the quality education they need to become excellent teachers.

Support our future Laker educators. Help them become Lakers for a Lifetime!
