Literary Broker's Writing Circle

- Supports and promotes academic publication practices that help move writing projects
- Provides opportunity to promote the Library and its resources to colleagues cross-campus

Multiple Library Instruction Sessions

- Arranged three instruction sessions for Natural Science classes
- Foster information literacy skills beyond the one-shot session

Committee on Professional Development

- Faculty Research Colloquium: opportunity to share research work
- *Faculty & Staff Notes* publication: cross-campus effort to publish research and scholarship

Successes (LaGuardia)

- Streamlined efforts to publish *Faculty & Staff Notes* by developing an improved system to format scholarship and research.
- Developed a collaborative effort with the Education and Language Acquisition department to teach library instruction beyond the one-shot session after working with the Natural Sciences department.
- Through participation in the Literary Broker's Writing Circle, I collaborated with several colleagues in research and scholarship.
