Dear Club President:-

Enclosed find printed copy of the Plan of Work adopted at the Columbus Convention. Have you been working on the lines laid down in this Plan? What progress have you made? If you are planning as I hope you are, to attend the State Conference in Cleveland, March 11 and 12, you need not reply by letter, but may make your report at the meeting. You will see by enclosed slip that we have been extremely fortunate in securing as speaker for our conference meetings, Mrs. Carrie Chapman Catt, president of the International Woman Suffrage Alliance. Mrs. Chapman Catt is conceded to be the "statesman" of the woman suffrage movement. She has but lately returned from a trip around the world. In all of the countries which she visited she made a special study of the social evil and she brings us a message on this subject of White Slavery which is described by one critic as "sublime". As she sails again for Europe, April 19, we may not have another opportunity to see and hear Mrs. Catt in a long time. Let us, as Ohio women and suffragists, show our appreciation of the honor of her visit, by making the Cleveland Conference the largest and most successful gathering of women ever held in the State!

The meetings will probably be held at Hotel Statler but a program giving detailed information will be sent you later.

The State Association invites your co-operation! Without it we shall fail. With it we shall succeed.

Yours faithfully,

Harriet Fay Lov Upton
