In this article, Sophie Lavault was mistakenly included in the author list in place of Isabelle Arnulf, who now appears above and in the online version of the paper. Dr. Arnulf's affiliation is as follows: Sleep Disorder Unit, Pitié-Salpêtrière Hospital, Assistance Publique – Hôpitaux de Paris, 75013 Paris, France. In addition, the following sentence has been added to the Acknowledgments: "Furthermore, the French DNA Collection (NARCOBANK) was sponsored by Assistance Publique – Hôpitaux de Paris and funded by a grant from Programme Hospitalier de Recherche Clinique 2007-138 (French Ministry of Health)." The authors regret these omissions.
