CONSENT DECREE

This Consent Decree addresses three lawsuits filed in the United States District Court for the Middle District of Florida, Jacksonville Division.

United States' Allegations

United States of America v. Consolidated City of Jacksonville ("City") and Jacksonville Association of Fire Fighters, Local 122, International Association of Fire Fighters ("Union"), Case No.: 3:12-cv-451-J-32MCR, was filed by the United States on April 23, 2012, alleging that the City, through its Fire and Rescue Department, engaged in a pattern or practice of unintentional discrimination by administering, between 2004-2011, ten (10) promotion examinations that had a disparate impact on African-American candidates. Specifically, the United States alleges that: (1) the City's rank-order use of final scores (written examination score with applicable points for seniority and veterans' preference) in two examinations¹; and (2) the City's pass/fail and rank-order use of examination scores in eight (8) other examinations² to make promotions to specific ranks resulted in a statistically significant disparate impact upon African Americans. The United States alleges that the City's pass/fail use of the above-referenced examinations and rank-order use of final scores are not job-related and consistent with business necessity for the positions in question and do not otherwise meet the requirements of Title VII of the Civil Rights Act of 1964, 42 U.S.C. § 2000e, *et seq.* as amended ("Title VII"). The United States further contends that absent the disparate impact resulting from the City's pass/fail and rank-order use of the examinations, at least an additional fifty-nine (59) African Americans would have been promoted amongst the four ranks at issue.

¹ District Chief (Suppression) examinations (2006 and 2009).

² Engineer (2005, 2008, and 2011), Lieutenant (Suppression) (2004, 2007, and 2011), and Captain (Suppression) (2004 and 2008).

The United States also named the Union as a defendant pursuant to Federal Rule of Civil Procedure 19(a) because it believed its joinder was necessary for complete relief. This Court has jurisdiction of this action under 42 U.S.C. § 2000e-6 and 28 U.S.C. §§ 1343(a)(3) and 1345.

Baker Intervenors' Allegations

On August 6, 2012, Intervenors National Association for the Advancement of Colored People, Jacksonville Branch (“NAACP”), Jacksonville Brotherhood of Fire Fighters (“JBOF”), and thirteen named individuals (“Baker Intervenors”) who represent an uncertified class defined as “all present or past African-American candidates for promotion to Engineer, Lieutenant (Suppression), Captain (Suppression), and/or District Chief (Suppression) from July 30, 2006 to the present” (“Intervenor Class”), moved to intervene in the United States’ pattern or practice lawsuit, alleging that the City’s pass/fail and rank-order uses of the same examinations cited in the United States’ Complaint resulted in a disparate impact and shortfall, as alleged by the United States, upon the Intervenor Class.

Smith Plaintiffs' Allegations

On April 12, 2011, Case No. 3:11-cv-345-J-32MCR was filed by a group of individual promotion candidates (“Smith Plaintiffs”), claiming that eight (8) specific JFRD promotion examinations administered by the City between 2006 and 2011 had a disparate impact against African Americans and also constituted disparate treatment against the Smith Plaintiffs, in violation of Title VII and the Florida Civil Rights Act. The Smith Plaintiffs allege claims of racial discrimination against the Union as being responsible for the promotion testing program used by the City. In addition, the Smith Plaintiffs allege interference with the right to contract and other civil rights, in violation of 42 U.S.C. § 1981, against the Union. The Court

consolidated the *Smith* case with the United States' case for the purposes of the overlapping claims.

The Smith Plaintiffs' claims have been split into two complaints. Complaint A addresses the disparate impact claims related to promotion examinations for Engineer (2008 and 2011), Lieutenant (Suppression) (2007 and 2011), Captain (Suppression) (2008), District Chief (Suppression) (2006), and is filed in Case No: 3:12-cv-451-J-32MCR. Complaint B addresses the disparate impact claims in Complaint A against the Union, disparate impact and disparate treatment claims against the City and the Union related to the Captain (Rescue) (2008) and District Chief (Rescue) (2008) examinations, and other disparate treatment claims against the City and the Union, and is filed as 3:11-cv-345-J-32MCR. The Smith Plaintiffs contend that test scores of African-American and racial minority candidates on all challenged promotion examinations were disproportionately ranked near the bottom of the results. The Court stayed Complaint B, and the City and the Union have not been required to answer it. This Consent Decree resolves all claims asserted in Complaints A and B.

The Smith Plaintiffs contend that both the City and the Union have committed to complying with the Uniform Guidelines on Employee Selection, 29 C.F.R. §1607 *et seq.*, and contend that the validity of the promotion process is not consistent with the Uniform Guidelines. The Smith Plaintiffs' allegations parallel in most respects the allegations in the case brought by the United States. The Court has not addressed the Smith Plaintiffs' Rescue claims in the June 9, 2015 order (ECF No. 202) and no further pre-trial proceedings will occur if this Consent Decree is approved.

EEOC's Allegations

On April 30, 2012, Case No. 3:12-cv-491-J-32MCR was filed by the Equal Employment Opportunity Commission (“EEOC”), claiming that with respect to the ten (10) examinations cited in the United States’ Complaint, the Union negotiated and advocated for a discriminatory promotion process that resulted in a disparate impact against African Americans. Accordingly, the EEOC alleges that the Union intentionally pursued policies and practices that discriminate against African Americans and that deprive or tend to deprive African Americans of employment opportunities because of their race, in violation of Title VII. The Court stayed the EEOC’s lawsuit pending resolution of the United States’ claims against the City.

The United States, NAACP, JBOF, Baker Intervenors, and the Smith Plaintiffs are hereinafter referred to as “Plaintiffs.”

The Plaintiffs contend that the City’s use of promotion examinations measuring job knowledge on a pass/fail basis and in descending rank order have not been demonstrated, using professionally accepted validation standards, to be valid and are, therefore, neither job-related nor consistent with business necessity and, even if they were job-related and consistent with business necessity, there are alternative candidate assessment procedures capable of producing equal or more valid predictions of future on-the-job performance for the positions at issue while producing less adverse impact upon African-American candidates.

The City’s and Union’s Position

The City and the Union dispute the Plaintiffs’ claims and allegations, and deny that they have violated Title VII. The Defendants rely in part on this court’s findings in *Nash v. City of Jacksonville* (M.D. Fla. 1995), *aff’d*, 85 F.3d 643 (11th Cir. 1996), and contend that the promotion process and tests in use at JFRD: (a) did not have disparate impact against African

Americans; (b) were content valid, job-related, consistent with the City's business necessity, or otherwise consistent with the requirements of Title VII; and (c) were previously approved by a federal district court and the 11th Circuit Court of Appeals. The Defendants also contend that Plaintiffs' proposed alternatives would not meet the City's business needs equally well and lessen adverse impact.

Factual Background

Subject to the Court's approval of this Consent Decree, the Parties waive hearings and findings of fact and conclusions of law on the merits of this case. For purposes of this Consent Decree only, and without any admission of liability by the Defendants, the Parties set forth the following background facts, arguments, and proposed evidence.

The Jacksonville Fire and Rescue Department ("JFRD") consists of five major divisions: Rescue, Suppression (a/k/a Operations), Fire Prevention, Emergency Preparedness, and Training. The Suppression Division is the largest division, employing approximately 75% of JFRD's uniformed workforce. JFRD's command structure consists of the following ranks in ascending order: Fire Fighter, Engineer, Lieutenant, Captain, District Chief, Battalion Chief, Division Chief, and Department Chief. Promotion to the ranks of Engineer, Lieutenant, Captain, and District Chief is accomplished through a written promotion examination, combined with seniority points and veterans' preference points, as applicable. Above the rank of Engineer, the written promotion examinations are both rank and division specific.

Between 2004 and 2011, JFRD screened and selected candidates for promotion to Engineer, Lieutenant (Suppression), Captain (Suppression), and District Chief (Suppression) by administering and scoring a 100-question multiple choice examination to those applicants who met all other eligibility requirements at the time they signed up to take the examination (i.e., at

least 12 months in current rank, no discipline in the last 12 months, all required training and certifications or licenses, and, starting in 2007, various Professional Growth and Development requirements). Questions on the examinations were developed from written materials to which examination takers had access prior to the examinations' administration. The written materials from which questions were constructed were publicized to examination candidates in the form of a reading list.

In order to pass the written examination and be eligible for promotion consideration, a candidate must have answered 70% of the written questions correctly (after challenges to questions were taken into account). Candidates who scored less than 70% on the written examination were considered to have failed the examination and were not eligible for further promotion consideration. The JFRD awarded applicable seniority points and veterans' preference points to candidates who passed the examination to arrive at a candidate's final score. Candidates who achieved a passing score on the examination were placed on eligibility lists in descending rank order based on final scores.

On June 9, 2015, the Court granted partial summary judgment for the United States, the NAACP, JBOF, Baker Intervenors, and Smith Plaintiffs (as to their allegations in Complaint A only) in phase one of the United States' lawsuit, finding that, "plaintiffs have made the necessary prima facie showing of disparate impact to warrant continuance of the case" with respect to 9 of the 10 examinations challenged in the United States' complaint. (ECF No. 202 at 3).

Consent Decree

The Parties desire that this action be settled by an appropriate Consent Decree in order to avoid the burden of further protracted litigation, and agree to the jurisdiction of this Court over the Parties and subject matter of this action. The Parties further agree to the entry of this

Consent Decree as final and binding between themselves as to the issues raised in the complaints filed in these actions as well as the issues and actions referenced in Paragraph 17.

This settlement, as reflected in this Consent Decree and appendices, is fair, reasonable, adequate, and consistent with federal law. The settlement promotions given to Claimants under this Consent Decree do not exceed Plaintiffs' estimate of the promotion opportunities allegedly lost by African-American candidates on the examinations at issue as a result of the City's pass/fail use of the written examinations and rank-order use of final scores, represent a compromise by the Parties, and are remedial relief for identified individuals whom Plaintiffs contend are victims of the employment practices challenged by the Plaintiffs as unlawful. The Defendants contend that the method used by Plaintiffs for estimating the alleged lost promotion opportunities is not the only professionally acceptable method for estimating promotion opportunities, but, for purposes of this settlement, Defendants do not challenge Plaintiffs' estimate. Further, the relief provided by this Consent Decree does not exceed make-whole relief to the class of Claimants who Plaintiffs contend were alleged victims of the practices challenged by the Plaintiffs.

I. DEFINITIONS

1. The "Parties" to this Consent Decree are: (i) the United States; (ii) the Consolidated City of Jacksonville ("City"); (iii) the Jacksonville Association of Fire Fighters, Local 122, International Association of Fire Fighters ("Union"); (iv) Intervenor National Association for the Advancement of Colored People, Jacksonville Branch ("NAACP"); (v) Intervenor Jacksonville Brotherhood of Fire Fighters ("JBOF"); (vi) the Baker Intervenors; (vii) the Smith Plaintiffs named in the most recent version of Complaints A and B ("named Smith Plaintiffs"); and (viii) the Equal Employment Opportunity Commission ("EEOC").

promoted based on the Relevant Promotion Examination taken by the Claimant in the absence of the discrimination alleged by the Plaintiffs. If the Claimant took a Relevant Promotion Examination for more than one rank, it is the higher rank to which an eligible Claimant would have been promoted. The position of Captain (Rescue) will be replaced with Lieutenant (Rescue) solely for the purpose of creating a Settlement Promotion, recognizing that Lieutenant (Rescue) is neither a Relevant Promotion Examination nor a Relevant Promotion Position.

If, in the process of reviewing any specific examination, a Plaintiff establishes to the Court’s satisfaction that there is an irreconcilable and material disagreement between the United States and other Plaintiffs as to the application of the terms of the Consent Decree to the review of the development of a specific New Promotion Examination, the Reviewing Party(ies) for that examination shall become:

- a. For any Engineer and Suppression examination: experts and counsel for the City, the Union, the NAACP, and JBOF. Counsel and the expert for the Smith Plaintiffs shall serve as a Reviewing Party for any of these examinations only in the event that no other Plaintiff agrees to serve as a Reviewing Party; and
- b. For any Captain (Rescue) or District Chief (Rescue) examination: experts and counsel for the City, the Union, and the Smith Plaintiffs.

12. “Pension Adjustment Group” (“PAG”) are those Claimants who will use a portion of their Monetary Relief to adjust their pension benefit pursuant to a formula agreed to by the parties.

13. “Pension Non-Adjustment Group” (“PNAG”) are those Claimants who will not use a portion of their Monetary Relief to adjust their pension benefit.

14. “Monetary Relief” under this Consent Decree is the amount paid to each qualified Claimant in the PAG or PNAG.

23. The Interest-in-Relief Form will specify the types of relief available to Claimants, including the availability of Monetary Relief (with or without pension adjustment) and Settlement Promotions.

C. Notice of Settlement and Fairness Hearing to Other Interested Parties and General Public

24. No later than seventy-five (75) days prior to the Fairness Hearing on the Terms of the Consent Decree, the City shall publish the United States' Notice Documents described in Paragraph 22 in the format set forth in Appendix 2, to each sworn employee of the JFRD, through the City's Target Solutions system.

25. No later than seventy-five (75) days prior to the Fairness Hearing on the Terms of the Consent Decree, the City shall publish on its website and on the JFRD's website a publicly-accessible link from which the Notice Documents in the format set forth in Appendix 2 and the Consent Decree can be accessed. This publicly-accessible link and notice shall be published and remain on the websites until the date of the Fairness Hearing on Individual Relief.

D. Objections to Entry of the Consent Decree

26. A person who wishes to object to the terms of the Consent Decree may file a written objection in accordance with the requirements set forth in the Notice Documents; specifically, in the Instructions for Filing an Objection Prior to the Fairness Hearing and Objection to the Entry of the Consent Decree Form.

Objections submitted via e-mail must be transmitted electronically no later than forty (40) days before the Fairness Hearing on the Terms of the Consent Decree. Any person who fails to submit a timely objection shall be deemed to have waived any right to object to the terms of the Consent Decree, unless there is good cause, as determined by the Court, for the failure. Within four (4) days of receipt of each timely or untimely objection, the United States will forward a copy of such objection to all Parties.

29. No later than seven (7) business days prior to the Fairness Hearing on the Terms of the Consent Decree, Plaintiffs' counsel shall file with the Court copies of all objections received, and the Parties shall file their responses, if any, to timely objections. Any personally identifiable information other than name (i.e., objector's address and telephone number) shall be redacted.

E. Return of Interest in Relief Forms

30. In order to be eligible for Individual Relief, a Claimant must submit an interest-in-relief form by first class U.S. mail or by email no later than forty (40) days before the Fairness Hearing on the Terms of the Consent Decree. Any person who fails to submit a timely interest-in-relief form shall be deemed to have waived any claim to relief under the Consent Decree, unless there is good cause, as determined by the United States, for the failure.

F. Final Entry of the Consent Decree

31. If the Court determines that the terms of this Consent Decree are fair, adequate, reasonable, and consistent with federal law, the Court shall enter the Consent Decree without material modification at or after the Fairness Hearing on the Terms of the Consent Decree.

V. SETTLEMENT FUND

32. No later than fifteen (15) days after Final Entry of the Consent Decree, the City shall transfer Two Million, One Hundred Fifty Thousand Dollars (\$2,150,000) of the \$4,900,000 Settlement Fund to the Qualified Settlement Fund, of which \$1,400,000 shall be allocated for attorney's fees. The remaining \$750,000 shall be allocated in the manner designated solely by Plaintiffs as set out in Plaintiffs' Unopposed Motion for Distribution.

33. The remainder of the Settlement Fund (\$2,750,000.00) shall be held by the City pending assignment of Claimants to PAG and PNAG, to be dispersed no later than the first quarter of Fiscal Year 2019 pursuant to Paragraphs 60-75.

VI. INDIVIDUAL MONETARY RELIEF, PENSION ADJUSTMENT, PROMOTION RELIEF, AND FAIRNESS HEARING AS TO ALL

A. Eligibility for Monetary Relief, Pension Adjustment, and Promotion Relief

34. A Claimant may be eligible for Settlement Promotion and/or Monetary Relief (from the \$2,750,000) with or without pension adjustment. The United States shall determine each Claimant's eligibility and share of the \$2,750,000. In addition, named Smith Plaintiffs and Baker Intervenors may be eligible for additional specific settlement relief (from the remaining \$750,000 of the Settlement Fund) as set forth in Plaintiffs' Unopposed Motion for Distribution.

35. The \$2,750,000 referenced in Paragraph 34 will be distributed in a reasonable and equitable manner among all eligible Claimants who submitted an Interest-in-Relief Form. The United States will take into account the date of the Relevant Promotion Examination which the Claimant took, the rank held at the time by the Claimant, and subsequent personnel action with respect to the Claimant (i.e., promotion, retirement, separation from service). A Claimant may be eligible for a share of the \$2,750,000 even if not eligible for a Settlement Promotion.

36. A Claimant is eligible for pension adjustment only if the Claimant is African American and, by Final Entry of the Consent Decree, has entered the Deferred Retired Option Program ("DROP") or retired (thereby establishing the Claimant's bi-weekly pension benefit) while holding the same rank the Claimant had when the Claimant last took a challenged examination.

37. A Claimant will be eligible for a Settlement Promotion to Engineer, Lieutenant (Suppression), Captain (Suppression) or District Chief (Suppression) only if he or she is African American and: (a) between 2004 and 2011 the Claimant took an examination for the relevant position; (b) scored at least a 70 on that examination or on an examination for the same rank given after 2011 (provided that an eligibility list for that examination was certified by the City's Human Resources Department prior to the date when the Court enters this Consent Decree as final); and (c) at the time the promotion is offered, the Claimant is not disqualified from being promoted because of a disciplinary issue as set forth in the City's Civil Service Rules. A

Claimant will be eligible for promotion to Lieutenant (Rescue) only if he or she is an African-American Smith Plaintiff and: (a) between 2004 and 2011 the Claimant took an examination for Lieutenant (Rescue); (b) scored at least a 70 on that examination or on an examination for the same rank given after 2011 (provided that an eligibility list for that examination was certified by the City's Human Resources Department prior to the date when the Court enters this Consent Decree as final); and (c) at the time the promotion is offered, the Claimant is not disqualified from being promoted because of a disciplinary issue as set forth in the City's Civil Service Rules. Being eligible for a Settlement Promotion does not mean the Claimant will be offered a Settlement Promotion.

B. Eligibility Determinations Filed with the Court and Provided to the Parties

38. No later than fifteen (15) days after Final Entry of the Consent Decree, the United States will file with the Court and serve upon the Parties the following Proposed Individual Relief

Lists:

- a. Proposed Monetary Relief List identifying who has been deemed eligible for Monetary Relief without pension adjustment, including each Claimant's share of the \$2,750,000;
- b. Proposed Monetary Relief List identifying who has been deemed eligible for Monetary Relief with pension adjustment, including each Claimant's share of the \$2,750,000; and
- c. Proposed Settlement Promotion List identifying who has been deemed eligible for a Settlement Promotion.

39. Upon the filing of the Proposed Individual Relief Lists, the United States shall move the Court to hold a Fairness Hearing on Individual Relief to allow the Court to determine whether the Proposed Individual Relief Lists should be approved or amended. The Court will provide the

Parties at least seventy-five (75) days' notice of the date and time set for the Fairness Hearing on Individual Relief.

C. Notice of Relief Determinations to Claimants

40. No later than sixty (60) days before the date set for the Fairness Hearing on Individual Relief, the United States will send, to the last known mailing address by first class U.S. Mail and last known email address, a Notice of Individual Relief Fairness Hearing Documents to each person who submitted an interest in relief form. The notice will include:

- a. 49. The Court will find that an objection to the Proposed Individual Relief Lists, including an objection to the amount of Monetary Relief to be given to a Claimant, is well-founded only if the Court finds that the determination reflected in such List was not fair, adequate, reasonable, and consistent with federal law and the provisions of this Consent Decree.

75. In the event that the obligations to make pension adjustments are not made within 120 days of the United States providing the Amended Final Individual Relief List to the City, the City will promptly confer with the United States and propose a remedy. If the City and the United States cannot agree on a remedy, or the City does not execute the remedy within the time agreed with the United States, the United States may move the Court to impose a remedy on the City.

VIII. NEW PROMOTION EXAMINATIONS

A. Introduction

76. The City will develop and use New Promotion Examinations for all Promotion Positions.

77. Following the Court's Final Entry of the Consent Decree, the City will administer the first New Promotion Examination for each Promotion Position only upon agreement with the Reviewing Party(ies). Such agreement from the Parties will not be unreasonably withheld. If an agreement cannot be reached, the Parties will seek resolution from the Court. Where applicable, the Court will use Title VII disparate impact standards to resolve disputes regarding the New Promotion Examinations.

B. Interim Selection Process

78. The Parties recognize that the proper development of New Promotion Examinations for the Promotion Positions will take time, and that the City has immediate operational needs that require the selection of candidates into the Promotion Positions prior to the implementation of New Promotion Examinations in accordance with Paragraphs 81-107 of this Consent Decree.

79. If the City requires candidates be placed in Promotion Positions while the Parties are still developing New Promotion Examinations and there is no existing eligibility list for the position or the conditions set forth in Paragraph 95 exist, the City must administer the examination using the format used on the prior examination for that position.

80. Approval from the Reviewing Party(ies) is not required for the administration of the current promotion process during the Interim Selection Process in accordance with the terms of this Consent Decree. The Parties to this Consent Decree will not challenge an examination given pursuant to the Interim Selection Process provisions.

C. Development of New Promotion Examinations

81. For purposes of developing New Promotion Examinations, the City will provide all relevant examination-development documents described in this section as follows:

- a. For Engineer and Suppression examinations, to the United States and counsel for the NAACP, JBOF, Baker Plaintiffs, and Smith Plaintiffs;
- b. For Rescue examinations, to the United States and counsel for the Smith Plaintiffs; and
- c. For Prevention examinations, to the United States.

82. The City will select an outside test developer pursuant to the City's procurement process in accordance with the Jacksonville Ordinance Code, to develop and administer New Promotion Examinations.

83. The City will reference this Consent Decree as it pertains to New Promotion Examination development in any Request for Proposals ("RFP") for the retention of the test developer.

84. At the time it issues any RFP for the outside test developer, the City will provide a copy of the RFP to counsel for all parties.

85. The City's selected test developer will consult with the Reviewing Party's(ies') expert regarding his/her planned job analysis for each of the Promotion Positions.

86. The City will provide the final planned job analysis to the Reviewing Party(ies) and other Parties' counsel in accordance with Paragraph 81.

87. Within ten (10) business days of receipt of the planned job analysis, the Reviewing Party(ies) will provide input to the City (including objections), if any, as to the planned job analysis, and the Reviewing Party(ies) will promptly confer with the City telephonically or in person about same.

88. If the Parties are unable to resolve the objections, such objections must be submitted to the Court within ten (10) business days of the conference.

89. After objections (if any) to the planned job analysis are resolved, the City's test developer will conduct a new job analysis for each Promotion Position and provide a written report for each such Position to the City. The City will provide the written report to the Reviewing Party(ies) and other Parties' counsel in accordance with Paragraph 81.

90. Within ten (10) business days of receipt of the written report(s) referenced in Paragraph 89 from the City's test developer, the Reviewing Party(ies) will provide input to the City (including objections), if any, as to the job analysis(es), and the Reviewing Party(ies) will promptly confer with the City telephonically or in person regarding same.

91. If the Parties are unable to resolve the objections, such objections must be submitted to the Court within ten (10) business days of the conference.

92. One hundred fifty (150) days prior to the test administration of any New Promotion Examination, the City shall provide the Reviewing Party(ies) and other Parties' counsel, in accordance with Paragraph 81, with its proposal for the New Promotion Examination and the underlying documents supporting its proposal, including the types of selection components the

City plans to use, what knowledges, skills, abilities and other characteristics will be tested, linkages, the proposed weights, and the proposed use (e.g.; pass/fail, rank order) of the components.

93. Within thirty (30) days of receiving the information outlined in Paragraph 92 the Reviewing Party(ies) shall provide input to the City on the proposal. The Reviewing Party(ies) will provide notices of objection, if any, to the City regarding the City's proposal for a New Promotion Examination.

94. The Reviewing Party(ies) will confer with the City regarding objections to the City's proposal for a New Promotion Examination. If the Parties are unable to resolve the objections, such objections must be submitted to the Court within ten (10) business days of the conference.

95. If any objections submitted to the Court for resolution pursuant to Paragraph 94 are not resolved by the Court at least sixty-one (61) days before a promotion examination must be administered by the City, the City must administer the examination using the format used on the prior examination for that position.

96. After completion of the process for consultation and objection in Paragraph 94, including Court resolution, if necessary, the City may administer the New Promotion Examination and the Reviewing Party(ies) will not challenge validity.

97. The content of each New Promotion Examination will depend on the results of the relevant job analysis. The New Promotion Examination may include components such as: (a) job knowledge tests; (b) situational judgment tests; (c) video simulations; (d) in-basket exercises; and (e) tactical exercises that are given on paper or a computer but require a specific answer. The New Promotion Examination will not consist solely of a test that measures or purports to measure only job knowledge.

98. Subject Matter Experts (“SMEs”) employed, previously employed, having a known affiliation with a person employed or previously employed by the JFRD, residing in Florida, or having resided in Florida within the last three (3) years prior to the test development process for which they are being consulted will not be involved in the development of test questions and/or scenarios. JFRD employees shall serve as SMEs only to assist in the development and update of each job analysis during the course of this Consent Decree.

99. The components and weights of the New Promotion Examinations, for pass-fail and rank-order use, will be based on the results of the relevant job analysis.

100. The New Promotion Examinations, in accordance with the Collective Bargaining Agreement in existence at the entry of the Consent Decree, will require objective (predetermined) answers and will not involve live assessors.

101. For New Promotion Examinations, in accordance with the Collective Bargaining Agreement in existence at the entry of the Consent Decree: (a) examination questions may be asked on paper or a computer, but the examination will require examination takers to select an answer that will be recorded either on paper or by computer or comparable electronic device; (b) answers will not be recorded by audio or video means; and (c) examinations will be scored on-site and candidates will receive their raw scores the day of the test, at the test site.

102. After the protest process concludes, in accordance with the Civil Service Rules and the relevant Collective Bargaining Agreement in existence at the time the examination is given, veterans’ preference points and seniority points will be added to the raw scores of passing Candidates to arrive at a “final examination score.” Candidates will be placed on an eligibility list in rank order based on final examination score and will be offered promotion in that order.

103. Within 30 days after the certification of the eligibility list following the first and the second regular administrations (e.g., not make-up examinations) of the New Promotion

Examination for any Promotion Position, the City will provide to the Reviewing Party(ies) and other Parties' counsel in accordance with Paragraph 81 the following information for each candidate: employee identification number, race, gender, ethnicity, overall score, score on any sub-part of the examination, answer selected for each question on the test, and whether that answer was correct. This information will be provided in machine-readable format.

104. If, after the administration of the first or second New Promotion Examination for any Promotion Position, the Reviewing Party(ies) choose to recommend alternatives, they must satisfy the third prong of Title VII's disparate impact provision, and the proposed alternative must be in compliance with the New Promotion Examination requirements set forth in this Consent Decree. Any such recommended alternatives must be submitted to the City with a copy to the Union within one hundred eighty (180) days of the City providing the information required in Paragraph 103, and must include the justification for the recommended alternative(s), as well the data upon which the Reviewing Party(ies) rely in making the recommendation. The City will evaluate whether the alternative promotion examination recommended by the Reviewing Party(ies) will be adopted and inform the Reviewing Party(ies), the Union, and other Parties' counsel in accordance with Paragraph 81 of its decision within ninety (90) days of receiving the Reviewing Party's(ies') recommendation, justification and data upon which the Reviewing Party(ies) rely in making the recommendation. The Union may object to the City's notification on the grounds that the proposed alternative would not comply with the Collective Bargaining Agreement, the law or the terms of this Consent Decree. Objections by the Reviewing Party(ies) or the Union must be made within twenty (20) days of the City's notification and must be submitted to the Court for resolution.

105. The process described in this Consent Decree will be used for the administration of any New Promotion Examination during the pendency of the Consent Decree. The City will consult

with the Reviewing Party(ies), and provide information and documents to the Reviewing Party's(ies) and other Parties' counsel in accordance with Paragraph 81 only for the development and administration of the first two New Promotion Examinations for each Promotion Position.

106. Any additional test development materials created by the City and its experts and consultants related to the New Promotion Examinations will be made available to the Reviewing Party(ies) upon request.

107. All attorneys and experts in receipt of examination development materials pursuant to the provisions of this Consent Decree, recognize the highly sensitive nature of examination development materials, and will maintain their confidentiality and will not disclose the examination development materials to any other entity or person, including their respective clients. Should litigation ensue warranting the Court's review of the examination development materials, the Parties will file such materials under seal.

IX. SETTLEMENT PROMOTIONS

108. Within fifteen (15) days of receiving the Amended Final Settlement Promotion List from the United States, the City shall create up to forty (40) roving positions (26 Engineers, 7 Suppression Lieutenants, 4 Suppression Captains, 2 Suppression District Chiefs, 1 Rescue Lieutenant) which shall be labeled "Settlement Promotion Positions" and will be offered to the individuals listed in the Amended Final Settlement Promotion List created by the United States pursuant to Paragraph 55. Within twenty (20) days of receiving the Amended Final Settlement Promotion List from the United States, the City will contact the Claimants on the Amended Final Settlement Promotions List in the normal manner (i.e., by telephone) to extend the offer of promotion, and each Claimant will be expected to accept or decline the offer during the telephone conversation. The City will explain that the offer is for a Settlement Promotion pursuant to this Consent Decree. The City will also send a confirmatory written offer, by e-mail

to the Claimant's work e-mail address (@coj.net), prominently indicating: (i) that the offer is an offer of Settlement Promotion being made pursuant to the Consent Decree entered by the Court and (ii) that the Claimant must accept or reject the offer by replying to the e-mail containing the offer. During the telephone conversation, the City will ask the Claimant to confirm the acceptance/rejection of the offer by replying to the e-mailed offer. On the date that such an offer of Settlement Promotion is sent to a Claimant, the City shall also notify the United States and counsel for the Claimant, if the Claimant is represented. Claimants who accept Settlement Promotion offers will move into those positions the Saturday following acceptance of the offer. If, after the Fairness Hearing on Individual Relief, Claimants eligible for Settlement Promotions become ineligible prior to being offered a Settlement Promotion, they will be removed from the Amended Final Settlement Promotion List, and the positions that they would have occupied will be offered to other eligible Claimants on the Settlement Promotion Position List.

109. Offers of Settlement Promotion will be extended by the City to the Claimants on the Amended Final Settlement Promotion List in the order in which the names appear on the list compiled by the United States until either all roving assignments have been filled for each position, or the City exhausts the Amended Final Settlement Promotion List for each position. If any roving position created pursuant to Paragraph 108 remains unfilled after the City exhausts the Amended Final Settlement Promotion List for the applicable position, the roving position will be eliminated, and the number of Settlement Promotion Positions required under this Consent Decree will be reduced accordingly.

110. Nothing in this Consent Decree shall preclude any Claimant from applying for a promotion or being promoted under the City's regular process (i.e. the promotion process used prior to the Court's final entry of this Consent Decree), Interim Selection Process, or New Promotion Examination. However, promotion of a Claimant under the City's regular process,

Interim Selection Process or New Promotion Examination shall not count toward the fulfillment of the City's Settlement Promotion obligations under this Consent Decree. The City also may not refuse to select a Claimant under its regular process, Interim Selection Process or New Promotion Examination on the basis that the Claimant is eligible for a Settlement Promotion or Monetary Relief under this Consent Decree.

111. A Claimant who holds a Settlement Promotion Position will be treated the same as other individuals in the same position or rank for all employment purposes.

112. Nothing in this Consent Decree shall be construed to mean that any Claimant who receives a Settlement Promotion is to receive or is entitled to retroactive seniority.

113. The Union agrees that none of its members has an expectation of receiving a Settlement Promotion position as these are newly created positions for this Consent Decree. Claimants who are Union members have a right to indicate interest in Settlement Promotion relief but are not guaranteed a Settlement Promotion Position.

114. In accordance with the JFRD regular policies and procedures, after serving for one (1) year in a Settlement Promotion Position, a Claimant who qualifies in all other respects to take the next rank promotion examination may sit for such examination and, if selected, will be promoted as any other candidate would be promoted.

115. If a Claimant in a roving assignment bids to transfer to a non-roving assignment, the Claimant's bid will be treated as would a bid from a non-Claimant in that position.

116. To be awarded a Settlement Promotion under this Consent Decree, the Claimant must have met the qualifications set forth in the Professional Growth and Development Plan ("PGDP"), as they existed at the time the Claimant took the earliest promotion examination on which he/she relies for Settlement Promotion eligibility, assuming that any PGDP requirements

were in effect at the time of that examination, and must have scored at least a 70 on that examination.

117. Settlement Promotion Positions will be new promotion positions created for purposes of complying with this Consent Decree. Once a Claimant who received a Settlement Promotion Position separates from JFRD, the Settlement Promotion Position created pursuant to this Consent Decree will revert to its original designation.

X. DURATION OF THE CONSENT DECREE

118. Absent pending motions, this Consent Decree shall expire after the occurrence of the latter of the following:

- a. The distribution of the Settlement Fund;
- b. Fulfillment of the Parties' obligation to create and attempt to fill the 40 Settlement Promotion positions addressed in Paragraph 108; and
- c. Completion of the second regular test administration of the New Promotion Examination for each Promotion Position, the City's response to the Reviewing Party's (ies') alternative promotion process recommendations as set forth in Paragraph 104-105, and any Court resolution, if necessary, if related to the second administration or alternative process recommendation thereto.

XI. LEGAL PROVISIONS

119. The Court shall retain jurisdiction over this Consent Decree for the purpose of resolving any disputes or entering any orders that may be appropriate to implement the Consent Decree.

120. If there is any conflict between this Consent Decree and the requirements of any local law or regulation, the terms of this Consent Decree shall control.

121. This Consent Decree constitutes the entire agreement of the Parties, and supersedes all prior representations, negotiations, and undertakings not set forth or incorporated herein.

122. Nothing in this Consent Decree is intended to contradict or alter, nor does it contradict or alter, the terms or conditions of the Collective Bargaining Agreement, Article 13 “Promotions,” applicable to Firefighter, Engineer, Lieutenant and Captain, or the Collective Bargaining Agreement, Article 13 “Promotions,” applicable to District Chief, both of which are attached hereto as Appendix 5 and incorporated herein by reference.

123. The Plaintiffs and the City agree that they will defend the provisions of this Consent Decree if it or its implementation is challenged.

124. If the Court reallocates the distribution of monies under this Consent Decree, all redistributed monies will be distributed among eligible Claimants.

125. Any interest earned from the Qualified Settlement Fund established pursuant to this Consent Decree will be allocated by the United States among eligible PNAG claimants pursuant to Paragraph 34.

126. The City agrees that it will not retaliate, as defined by existing law at the time of any alleged act of retaliation, against any individual because he or she received a benefit under this Consent Decree. Should there be an allegation of such retaliation, the City will investigate and seek to resolve the matter pursuant to its already existing policies. During the life of the Consent Decree, the United States or private counsel may bring to the City’s attention in writing any allegation or claim of retaliation. The Parties agree that they shall work collaboratively to amicably resolve any such allegation or claim. Nothing in this Paragraph shall be construed to create an entitlement to attorney’s fees under this Consent Decree, for work done to address such claims of retaliation, or for non-economic damages.

127. In the event of a failure by a party to perform in a timely manner any act required by this Consent Decree or otherwise to act in conformance with any provisions thereof, the opposing

party may move this Court to impose any remedy authorized by law or equity, except as limited in Paragraph 126.

128. Except as provided elsewhere in this Consent Decree (i.e., Paragraph 136-141) or ordered by the Court, the City is not obligated to pay any amounts on behalf or on account of this settlement to the Plaintiffs or Claimants in excess of the Settlement Fund provided for purposes of this Consent Decree. If the relief provided under this Consent Decree requires contributions to the Police and Fire Pension Fund, all contributions on behalf of the City and individual PAG Claimants will come out of the Settlement Fund and will be derived from the agreed-to formula. Similarly, all Medicare payments, on behalf of the City and individual Claimants, will come out of the Settlement Fund.

XII. RECORD KEEPING

129. While this Consent Decree remains in effect the City and Plaintiffs shall maintain all of the following records:

- a. All documents relating to the screening, evaluation, or selection of candidates to the Promotion Positions including all documents relating to the development and/or validation of New Promotion Procedures pursuant to Paragraphs 81-107 of this Consent Decree;
- b. All documents relating to written or verbal complaints made by any person or entity regarding discrimination on the basis of race in the selection of candidates to the Promotion Positions; and
- c. All other documents relating to the Parties' compliance with the requirements of this Consent Decree.

130. In addition to the items above, during the duration of the Consent Decree, the City shall maintain all documents relating to the promotion of Claimants who accept offers of Settlement Promotions under this Consent Decree.

131. Except as otherwise provided in this Consent Decree, any Party shall make available to a requesting Party, no later than thirty (30) days after the requests is presented in writing, any records maintained in accordance with this Consent Decree.

132. Any documents provided to another Party pursuant to the record-keeping provisions of this Consent Decree shall be redacted to protect personally identifiable information such as birthdate, social security number, and home address.

XIII. MAILINGS AND NOTIFICATIONS

133. Unless otherwise stated, for all mailings by the Parties pursuant to this Consent Decree, the Parties shall keep records of all documents that are returned as undeliverable. If any documents are returned as undeliverable, the mailing Party shall promptly notify the other Parties and attempt to identify an updated email or mailing address as soon as practicable. If any Party identifies an alternate email or mailing address, that address shall be shared with all Parties. Within five (5) days of receipt of an alternate address, the mailing Party shall re-mail the document.

134. In the event that a Claimant is deceased, all notifications and applicable relief will be provided to the individual so designated by the Jacksonville Ordinance Code (PAG Claimants), or the individual required by law (PNAG Claimants).

XIV. ATTORNEY'S FEES AND COSTS (INCLUDING EXPERT COSTS) FOR TEST DEVELOPMENT REVIEW AND MONITORING

136. The United States and the City will not seek recovery of attorney's fees or costs (including expert costs) from each other or any other party for any work incurred as part of test development review and monitoring.

137. In the event the United States is not a Reviewing Party but counsel for the NAACP, JBOF, or Smith plaintiffs become Reviewing Party(ies) for any examination(s) pursuant to Paragraph 11, the remaining plaintiff Reviewing Party(ies) will use a single expert to review the examinations at issue. The City agrees to pay such expert at the rate set forth below:

- a. For review and consultation for the first New Promotion Examination for each rank pursuant to this Consent Decree, not more than \$15,000 per examination with a maximum of 6 examinations (Engineer, Lieutenant Suppression, Captain Suppression, District Chief Suppression, Captain Rescue, and District Chief Rescue).
- b. For review and consultation for the second New Promotion Examination for each rank, and for recommendations relating to the future development and administration of a third examination, for each rank, not more than \$7,500 per examination with a maximum of 6 examinations (Engineer, Lieutenant Suppression, Captain Suppression, District Chief Suppression, Captain Rescue, and District Chief Rescue).

138. If counsel for the NAACP, JBOF, or Smith plaintiffs become Reviewing Party(ies) for any examination(s) pursuant to Paragraph 11 of this Consent Decree, they shall be entitled to recover attorney's fees and attorney's costs for test development review and/or monitoring of the Consent Decree up to a collective monetary cap of \$20,000 for the remaining duration of the Consent Decree.

XV. ATTORNEY'S FEES FOR POST-CONSENT DECREE MOTIONS

139. The Parties shall endeavor in good faith to resolve informally any differences concerning compliance with this Consent Decree, test development, review, and/or monitoring, prior to bringing such matters to the Court for resolution.

140. If motion practice relating to any issue occurs after Final Entry of the Consent Decree, any party who prevails on a motion may petition the Court for an award of attorney's fees and costs pursuant to applicable law. Parties are only entitled to attorney's fees should they prevail as to the motion brought before the Court or by agreement.

141. No monetary cap shall apply to claims for attorney's fees or costs stemming from motion practice following Final Entry of the Consent Decree, with the following exceptions:

a. Attorney's fees shall not exceed \$325 per hour per attorney, with a cap of twenty (20) hours per motion, and forty (40) total attorney hours per year; and

b. An award of costs shall not include travel time, travel expenses, meals, mileage, or lodging.

142. Other than this paragraph, neither this Consent Decree, nor any part thereof, becomes binding or enforceable in any manner against any party to the Consent Decree until the Final Entry of this Consent Decree. The NAACP, JBOF, Baker Intervenors, and Smith Plaintiffs agree that no other claims that fall within the scope of their respective releases set out in Paragraph 17 will be filed before the Court has ruled on the Final Entry of the Decree. If the NAACP, JBOF,

a Baker Intervenor, and/or a Smith Plaintiff has a claim that falls within their respective Paragraph 17 release for which the statute of limitations would run if not filed prior to the Court's ruling on the Decree, it will be reported to their respective counsel, who will provide the Defendant against whom the claim would be asserted with notice of the claim and that the claim is not being filed solely because of this paragraph of the Consent Decree. The parties agree that time for filing that claim shall be tolled until the Court decides whether it will enter the Consent Decree as final. If, after a hearing on the terms of the Consent Decree, the Court decides not to enter the Consent Decree and the NAACP, JBOF, any Baker Intervenor, or any Smith Plaintiff subsequently files the claim that falls within the scope of their respective releases listed in Paragraph 17 and which was identified to a Defendant as not being filed solely because of this paragraph of the Consent Decree, the Defendant against whom the claim was filed will not object to that claim on the grounds that it was not timely submitted. If the NAACP, JBOF, any Baker Intervenor, and/or any Smith Plaintiff files a claim within the scope of their respective release in Paragraph 17 against a Defendant before the Court has ruled on Final Entry of the Decree, the Defendant against which the claim was filed may send written notice to all the other parties requesting a conference be promptly held regarding the claim. If, following the conference, the Defendant against whom the claim was filed requests that the claim be withdrawn, and the claim is not successfully withdrawn (i.e., either the complaining party or the relevant agency continues to pursue the claim in any manner), the Defendant may withdraw from this Consent Decree prior to its final entry.

APPENDIX 1 (PART 2)

NOTICE OF SETTLEMENT AND FAIRNESS HEARING

On _____, 2018, the Parties (United States of America; the National Association for the Advancement of Colored People, Jacksonville Branch (“NAACP”), the Jacksonville Brotherhood of Firefighters (“JBOF”); the Equal Employment Opportunity Commission (“EEOC”), two groups of private individuals (Smith Plaintiffs and Baker Intervenors), the Consolidated City of Jacksonville (“City”), and the Jacksonville Association of Fire Fighters, Local 122, IAFF (“Union”) settled civil lawsuits.

What are these lawsuits about?

The United States, the NAACP, the JBOF, the Smith Plaintiffs and Baker Intervenors brought lawsuits claiming that the City discriminated against African-American firefighters in promotions in the fire department because certain promotion tests that the City used violated the law (Title VII of the Civil Rights Act).

In their lawsuit, the United States, Baker Intervenors, the NAACP, and the JBOF allege that the City used promotional exams that had a disparate impact on African-American candidates, and that the exams were not sufficiently job related nor consistent with business necessity. The United States, Baker Intervenors, the NAACP, and the JBOF do not, however, allege that the City has intentionally discriminated against any person or group of persons.

The Smith Plaintiffs brought a separate lawsuit against the City and the Union claiming that the City used promotional exams that had a disparate impact on African-American and Native-American candidates, and that the exams were not sufficiently job related nor consistent with business necessity. The Smith Plaintiffs also alleged disparate treatment claims.

The Equal Employment Opportunity Commission (“EEOC”) brought a lawsuit against the Union claiming that the Union negotiated and advocated for a discriminatory promotional process that resulted in disparate impact against African Americans.

The City and the Union dispute the Plaintiffs’ claims and allegations, and deny that they have violated Title VII. The Defendants contend that the promotional process and tests in use at JFRD did not have disparate impact against African Americans, and were content valid, job-related, and consistent with the City’s business necessity, or otherwise consistent with the requirements of Title VII. However, in the interest of resolving these matters, the Parties have voluntarily entered into a Consent Decree settling the lawsuits.

Why did I get this notice?

You received this notice because you may be affected by the terms in the Consent Decree. This notice summarizes the terms of the Consent Decree. It also explains how you may object to it, if you wish. The Court will consider objections before approving the Consent Decree.

What are the terms of the Consent Decree?

If the Court approves the Consent Decree, the City has agreed to:

1. Develop new promotional examinations for the positions of Engineer, Lieutenant, Captain, and District Chief in all divisions.
2. Expend a total sum of \$4,900,000.00 as set forth in this Decree to cover Monetary Relief to eligible individuals, other specific settlement relief to named plaintiffs, and attorneys' fees.
3. Create up to 40 new Settlement Promotion positions. These newly-created positions will be roving assignments, and will result in an overall increase of up to 40 additional JFRD positions.

What will the new promotional examinations look like?

Under the terms of the Decree, the content of the new promotion examinations for each position will depend on the results of a job analysis for that position. New promotion examinations will measure more than job knowledge. All new examinations must comply with requirements of the collective bargaining agreements currently in place for the positions of Engineer, Lieutenant, Captain, and District Chief.

Which individuals are eligible to receive Monetary Relief and/or Settlement Promotion Positions under the Consent Decree?

Claimants are eligible for relief. Claimants are African Americans and private plaintiffs who took any of the Engineer, Lieutenant (Suppression), Captain (Suppression), and/or District Chief (Suppression) examinations between 2004 and 2011, and Smith plaintiffs who took the 2008 Captain (Rescue) and/or the 2008 District Chief (Rescue) examinations. Claimants must return the necessary forms within specific time periods to be eligible for relief. Claimants seeking Settlement Promotions must meet other requirements as well.

How will the \$4.9 million Settlement Fund be distributed?

The money in the Settlement Fund shall be distributed as follows:

- a. Two Million Seven Hundred Fifty Thousand Dollars (\$2,750,000) to be allocated among eligible Claimants seeking Monetary Relief;
- b. Five Hundred Twenty Thousand Dollars (\$520,000) to be distributed equally among the Smith Plaintiffs as specific settlement relief;
- c. One Hundred Thirty Thousand Dollars (\$130,000) to be distributed equally among the Baker Intervenors as specific settlement relief;
- d. Sixty Thousand Dollars (\$60,000) to the JBOF organization as specific settlement relief;
- e. Forty Thousand Dollars (\$40,000) to the NAACP organization as specific settlement relief; and
- f. One Million Four Hundred Thousand Dollars (\$1,400,000) to resolve attorneys' fees and costs claimed by the NAACP, JBOF, Baker Intervenors, and Smith Plaintiffs.

How will the \$2,750,000 in Monetary Relief be allocated among the Claimants eligible to receive Monetary Relief?

The United States will initially determine each Claimant's share of the amount available for Monetary Relief. Under the Decree, the United States will take into account the date of the promotion examination which the Claimant took and subsequent personnel action with respect to

the Claimant (i.e., promotion, retirement, separation from service). The Court will make the final decision on each Claimant's share of the \$2,750,000 available for Monetary Relief.

What are the new Settlement Promotion positions?

The City will create up to 26 Engineer positions, 7 Lieutenant (Suppression) positions, 4 Captain (Suppression) positions, 2 District Chief (Suppression) positions, and 1 Lieutenant (Rescue) position. All newly-created positions will be roving assignments. Once a Claimant vacates the roving assignment, that position will remain budgeted for regular promotions until the Claimant who initially filled the position separates from JFRD.

Who is eligible for the Settlement Promotions?

African Americans who scored a 70 or above on an examination for a promotional position and were not promoted to that position, or to an equal (or higher) ranking position in another division, are eligible for a Settlement Promotion. Eligibility for Settlement Promotion depends on several other factors, including whether the Claimant is still employed at JFRD, the Claimant's current rank, the Claimant's disciplinary history, and whether the Claimant met the qualifications set forth in the Professional Growth and Development Plan at the time the Claimant took the examination.

Will the Settlement Promotions created by the Consent Decree mean fewer promotions for other people?

No. The Settlement Promotions are newly-created positions that do not take positions away from individuals on the eligibility lists developed from promotion examinations.

Will the people who get Settlement Promotions have more seniority than people already in the rank?

No. The Settlement Promotions do not come with retroactive seniority. The relief in the Decree does not affect the competitive seniority benefits of any JFRD employee. Seniority will accrue only for time actually spent in rank.

Is there any other type of relief provided?

Yes. Claimants who receive Monetary Relief may also be eligible to have their pension benefits adjusted. Pension adjustment is available only to those Claimants who: (1) have entered the Deferred Retired Option Program ("DROP") or retired (thereby establishing the Claimant's bi-weekly pension benefit) by Final Entry of the Decree; (2) were not promoted after last taking a challenged exam; and (3) do not elect a lump-sum distribution. All employer-side and employee-side contributions to adjust pension benefits will come from the Claimant's share of the \$2,750,000 available for Monetary Relief and shall be based on a formula agreed to by the parties.

What happens next?

The Court will hold a "Fairness Hearing" to determine whether the terms of the Consent Decree are fair, reasonable, adequate, and otherwise consistent with federal law. The hearing will be on [date]. If the Court approves the Decree, the parties will take the actions in the Decree and execute the relief.

What if I object to the terms of the Consent Decree?

You may submit an objection to any of the terms of the Decree. Any objections must be submitted in writing. Instructions for filing an objection are enclosed with this notice. **Making an objection is voluntary, but if you do not object by [DATE] you may be prohibited from taking any action challenging this Decree in the future.**

What if I agree with the terms of the Consent Decree?

If you wish to receive relief, you must complete an interest in relief form.

How do I file an objection?

Follow the instructions in the enclosed objection forms.

If I file an objection, will it affect my ability to receive relief under the Consent Decree if the Court approves the Decree?

No.

Can I attend the Fairness Hearing?

Yes. The Fairness Hearing will be held on _____ at ___ a.m., at the Bryan Simpson United States Courthouse, 300 North Hogan Street, Jacksonville, Florida 32202.

Can I speak at the Fairness Hearing?

The judge may allow individuals to speak at the hearing. If you are interested in doing so, please indicate that on your objection form.

Do I need a lawyer to object to the Consent Decree?

No, you do not need a lawyer, but you may consult one or retain one at your own cost if you wish to do so.

Can I obtain a copy of the Consent Decree settling the lawsuit?

Yes. A publicly-accessible link to a pdf version of the Consent Decree has been posted on the City's website. You may also contact the Department of Justice at 1-833-341-4673 for a copy.

APPENDIX 1 (PART 4)

Interest in Relief Notification and Form

On [insert date] , the Court will hold a Fairness Hearing regarding the Consent Decree resolving lawsuits brought by Plaintiffs United States of America, National Association for the Advancement of Colored People (“NAACP”), Jacksonville Branch, Jacksonville Brotherhood of Firefighters (“JBOF”), the Equal Employment Opportunity Commission (“EEOC”), and two groups of private individuals (Smith Plaintiffs and Baker Intervenors) against Defendants Consolidated City of Jacksonville (“City”) and Jacksonville Association of Fire Fighters, Local 122, IAFF (“Union”).

If the Court approves the Consent Decree, you may be eligible for relief.

Which individuals are eligible to receive Monetary Relief and Settlement Promotion Positions under the Consent Decree?

Claimants are eligible for relief. Claimants are African Americans and private plaintiffs who took any of the Engineer, Lieutenant (Suppression), Captain (Suppression), and/or District Chief (Suppression) examinations between 2004 and 2011, and private plaintiffs who took the Captain (Rescue) and District Chief (Rescue) examinations between 2007 and 2011. Claimants must return the necessary forms within specific time periods to be eligible for relief. Claimants seeking Settlement Promotions must meet other requirements as well.

What types of relief does the Consent Decree provide?

The Consent Decree provides for:

1. \$4.9 million dollars to cover Monetary Relief to Claimants, other specific settlement relief to named plaintiffs, and attorneys’ fees. The money will be distributed as follows:
 - a. Two Million Seven Hundred Fifty Thousand Dollars (\$2,750,000) to be allocated among eligible Claimants seeking Monetary Relief;
 - b. Five Hundred Twenty Thousand Dollars (\$520,000) to be distributed equally among the Smith Plaintiffs as specific settlement relief;
 - c. One Hundred Thirty Thousand Dollars (\$130,000) to be distributed equally among the Baker Intervenors as a specific settlement relief;
 - d. Sixty Thousand Dollars (\$60,000) to the JBOF organization as specific settlement relief;
 - e. Forty Thousand Dollars (\$40,000) to the NAACP organization as specific settlement relief; and
 - f. One Million Four Hundred Thousand Dollars (\$1,400,000) to resolve attorneys’ fees and costs claimed by the NAACP, JBOF, the Baker Intervenors, and the Smith Plaintiffs.
2. The City will create up to 26 Engineer positions, 7 Lieutenant (Suppression) positions, 4 Captain (Suppression) positions, 2 District Chief (Suppression) positions, and 1 Lieutenant (Rescue) position. All newly-created positions will be roving

assignments. Once a Claimant vacates the roving assignment, that position will remain budgeted for regular promotions until the Claimant who initially filled the position separates from JFRD.

3. The ability, in some instances, for a Claimant's pension benefits to be adjusted.

What type of relief am I eligible for?

That depends on several factors, including whether you are a named plaintiff, whether you are currently employed by JFRD, whether you have retired, whether you are in the DROP program, and whether you were eventually promoted. The United States will make preliminary eligibility determinations. The Court will make the final decision on Claimant eligibility.

If the Consent Decree is approved, how much Monetary Relief will I get?

The United States will initially determine each Claimant's share of the amount available for Monetary Relief from the \$2,750,000 million dollars for this purpose. Under the Decree, the United States will take into account the date of the promotion examination which the Claimant took and subsequent personnel action with respect to the Claimant (i.e., promotion, retirement, separation from service). The Court will make the final decision on each Claimant's share of the \$2,750,000 available for Monetary Relief.

If the Consent Decree is approved, will I get a Settlement Promotion?

Eligibility for promotion relief depends on several factors. African Americans who scored a 70 or above on an examination for a promotional position and were not promoted to that position, or to an equal (or higher) ranking position in another division, are eligible for a Settlement Promotion. Eligibility for Settlement Promotion depends on several other factors, including whether the Claimant is still employed at JFRD, the Claimant's current rank, the Claimant's disciplinary history, and whether the Claimant met the qualifications set forth in the Professional Growth and Development Plan at the time the Claimant took the examination.

Does the Consent Decree provide for retroactive seniority for Claimants who receive a Settlement Promotion?

No.

If the Consent Decree is approved, will I get the opportunity to adjust my pension benefit?

Claimants who receive Monetary Relief may also be eligible to have their pension benefits adjusted. Pension adjustment is available only to those Claimants who: (1) have entered the Deferred Retired Option Program ("DROP") or retired (thereby establishing the Claimant's bi-weekly pension benefit) by Final Entry of the Decree; (2) were not promoted after last taking a challenged exam; and (3) do not elect a lump-sum distribution. All employer-side and employee-side contributions to adjust pension benefits will come from the Claimant's share of the \$2,750,000 available for Monetary Relief and shall be based on a formula agreed to by the parties.

How will I know what type(s) of relief I am eligible for, including how much Monetary Relief I may receive and what my pension adjustment will be?

If the Court approves the Consent Decree and you submit an Interest-in-Relief form, you will receive a notification from the United States specifying the amount and type(s) of relief for which you are eligible.

Do I need a lawyer to get relief under the Consent Decree?

No. You do not need a lawyer to ask for or obtain relief under the Consent Decree, but you may consult one or retain one at your own cost if you wish to do so.

If I am interested in relief, what is the next step?

APPENDIX 2 (PART 2)

NOTICE OF SETTLEMENT AND FAIRNESS HEARING

On _____, 2018, the Parties (United States of America; the National Association for the Advancement of Colored People, Jacksonville Branch (“NAACP”), the Jacksonville Brotherhood of Firefighters (“JBOF”); the Equal Employment Opportunity Commission (“EEOC”), two groups of private individuals (Smith Plaintiffs and Baker Intervenors), the Consolidated City of Jacksonville (“City”), and the Jacksonville Association of Fire Fighters, Local 122, JAFF (“Union”)) settled civil lawsuits.

What are these lawsuits about?

The United States, the NAACP, the JBOF, the Smith Plaintiffs and Baker Intervenors brought lawsuits claiming that the City discriminated against African-American firefighters in promotions in the fire department because certain promotion tests that the City used violated the law (Title VII of the Civil Rights Act).

In their lawsuit, the United States, Baker Intervenors, the NAACP, and the JBOF allege that the City used promotional exams that had a disparate impact on African-American candidates, and that the exams were not sufficiently job related nor consistent with business necessity. The United States, Baker Intervenors, the NAACP, and the JBOF do not, however, allege that the City has intentionally discriminated against any person or group of persons.

The Smith Plaintiffs brought a separate lawsuit against the City and the Union claiming that the City used promotional exams that had a disparate impact on African-American and Native-American candidates, and that the exams were not sufficiently job related nor consistent with business necessity. The Smith Plaintiffs also alleged disparate treatment claims.

The Equal Employment Opportunity Commission (“EEOC”) brought a lawsuit against the Union claiming that the Union negotiated and advocated for a discriminatory promotional process that resulted in disparate impact against African Americans.

The City and the Union dispute the Plaintiffs’ claims and allegations, and deny that they have violated Title VII. The Defendants contend that the promotional process and tests in use at JFRD did not have disparate impact against African Americans, and were content valid, job-related, and consistent with the City’s business necessity, or otherwise consistent with the requirements of Title VII. However, in the interest of resolving these matters, the Parties have voluntarily entered into a Consent Decree settling the lawsuits.

Why did I get this notice?

You received this notice because you may be affected by the terms in the Consent Decree. This notice summarizes the terms of the Consent Decree. It also explains how you may object to it, if you wish. The Court will consider objections before approving the Consent Decree.

What are the terms of the Consent Decree?

If the Court approves the Consent Decree, the City has agreed to:

1. Develop new promotional examinations for the positions of Engineer, Lieutenant, Captain, and District Chief in all divisions.
2. Expend a total sum of \$4,900,000.00 as set forth in this Decree to cover Monetary Relief to eligible individuals, other specific settlement relief to named plaintiffs, and attorneys' fees.
3. Create up to 40 new Settlement Promotion positions. These newly-created positions will be roving assignments, and will result in an overall increase of up to 40 additional JFRD positions.

What will the new promotional examinations look like?

Under the terms of the Decree, the content of the new promotion examinations for each position will depend on the results of a job analysis for that position. New promotion examinations will measure more than job knowledge. All new examinations must comply with requirements of the collective bargaining agreements currently in place for the positions of Engineer, Lieutenant, Captain, and District Chief.

Which individuals are eligible to receive Monetary Relief and/or Settlement Promotion Positions under the Consent Decree?

Claimants are eligible for relief. Claimants are African Americans and private plaintiffs who took any of the Engineer, Lieutenant (Suppression), Captain (Suppression), and/or District Chief (Suppression) examinations between 2004 and 2011, and Smith plaintiffs who took the 2008 Captain (Rescue) and/or the 2008 District Chief (Rescue) examinations. Claimants must return the necessary forms within specific time periods to be eligible for relief. Claimants seeking Settlement Promotions must meet other requirements as well.

How will the \$4.9 million Settlement Fund be distributed?

The money in the Settlement Fund shall be distributed as follows:

- a. Two Million Seven Hundred Fifty Thousand Dollars (\$2,750,000) to be allocated among eligible Claimants seeking Monetary Relief;
- b. Five Hundred Twenty Thousand Dollars (\$520,000) to be distributed equally among the Smith Plaintiffs as specific settlement relief;
- c. One Hundred Thirty Thousand Dollars (\$130,000) to be distributed equally among the Baker Intervenors as specific settlement relief;
- d. Sixty Thousand Dollars (\$60,000) to the JBOF organization as specific settlement relief;
- e. Forty Thousand Dollars (\$40,000) to the NAACP organization as specific settlement relief; and
- f. One Million Four Hundred Thousand Dollars (\$1,400,000) to resolve attorneys' fees and costs claimed by the NAACP, JBOF, Baker Intervenors, and Smith Plaintiffs.

How will the \$2,750,000 in Monetary Relief be allocated among the Claimants eligible to receive Monetary Relief?

The United States will initially determine each Claimant's share of the amount available for Monetary Relief. Under the Decree, the United States will take into account the date of the promotion examination which the Claimant took and subsequent personnel action with respect to

the Claimant (i.e., promotion, retirement, separation from service). The Court will make the final decision on each Claimant's share of the \$2,750,000 available for Monetary Relief.

What are the new Settlement Promotion positions?

The City will create up to 26 Engineer positions, 7 Lieutenant (Suppression) positions, 4 Captain (Suppression) positions, 2 District Chief (Suppression) positions, and 1 Lieutenant (Rescue) position. All newly-created positions will be roving assignments. Once a Claimant vacates the roving assignment, that position will remain budgeted for regular promotions until the Claimant who initially filled the position separates from JFRD.

Who is eligible for the Settlement Promotions?

African Americans who scored a 70 or above on an examination for a promotional position and were not promoted to that position, or to an equal (or higher) ranking position in another division, are eligible for a Settlement Promotion. Eligibility for Settlement Promotion depends on several other factors, including whether the Claimant is still employed at JFRD, the Claimant's current rank, the Claimant's disciplinary history, and whether the Claimant met the qualifications set forth in the Professional Growth and Development Plan at the time the Claimant took the examination.

Will the Settlement Promotions created by the Consent Decree mean fewer promotions for other people?

No. The Settlement Promotions are newly-created positions that do not take positions away from individuals on the eligibility lists developed from promotion examinations.

Will the people who get Settlement Promotions have more seniority than people already in the rank?

No. The Settlement Promotions do not come with retroactive seniority. The relief in the Decree does not affect the competitive seniority benefits of any JFRD employee. Seniority will accrue only for time actually spent in rank.

Is there any other type of relief provided?

Yes. Claimants who receive Monetary Relief may also be eligible to have their pension benefits adjusted. Pension adjustment is available only to those Claimants who: (1) have entered the Deferred Retired Option Program ("DROP") or retired (thereby establishing the Claimant's bi-weekly pension benefit) by Final Entry of the Decree; (2) were not promoted after last taking a challenged exam; and (3) do not elect a lump-sum distribution. All employer-side and employee-side contributions to adjust pension benefits will come from the Claimant's share of the \$2,750,000 available for Monetary Relief and shall be based on a formula agreed to by the parties.

What happens next?

The Court will hold a "Fairness Hearing" to determine whether the terms of the Consent Decree are fair, reasonable, adequate, and otherwise consistent with federal law. The hearing will be on [date]. If the Court approves the Decree, the parties will take the actions in the Decree and execute the relief.

What if I object to the terms of the Consent Decree?

You may submit an objection to any of the terms of the Decree. Any objections must be submitted in writing. Instructions for filing an objection are enclosed with this notice. **Making an objection is voluntary, but if you do not object by [DATE] you may be prohibited from taking any action challenging this Decree in the future.**

Can I attend the Fairness Hearing?

Yes. The Fairness Hearing will be held on _____ at ___ a.m., at the Bryan Simpson United States Courthouse, 300 North Hogan Street, Jacksonville, Florida 32202.

No, you do not need a lawyer, but you may consult one or retain one at your own cost if you wish to do so.

Can I obtain a copy of the Consent Decree settling the lawsuit?

Yes. A publicly-accessible link to a pdf version of the Consent Decree has been posted on the City's website. You may also contact the Department of Justice at 1-833-341-4673 for a copy.

Re: United States et al. v. Consolidated City of Jacksonville et al.,
Civil Action 3:12-cv-451-J-32MCR (M.D. Fla.), Smith et al. v. Consolidated City of
Jacksonville et al., Civil Action 3:11-cv-345-J-32MCR (M.D. Fla.), and EEOC v.
Jacksonville Association of Fire Fighters Local 122, IAFF, Civil Action 3:12-cv-491-J-
32MCR (M.D. Fla.).

Dear Mr. or Ms. XXXXX:

You are receiving this notice because you submitted an Interest-in-Relief Form indicating your interest in relief in the above-referenced case. **PLEASE READ THIS DOCUMENT VERY CAREFULLY.**

On [DATE XX], after holding a Fairness Hearing on the Terms of the Consent Decree, the Court approved the Consent Decree in United States et al. v. Consolidated City of Jacksonville et al., Civil Action 3:12-cv-451-J-32MCR (M.D. Fla.), Smith et al. v. Consolidated City of Jacksonville et al., Civil Action 3:11-cv-345-J-32MCR (M.D. Fla.), and EEOC v. Jacksonville Association of Fire Fighters Local 122, IAFF, Civil Action 3:12-cv-491-J-32MCR (M.D. Fla.). Pursuant to the terms of the Consent Decree, the United States has reviewed the Interest-in-Relief Form you submitted, and made certain determinations concerning your eligibility for relief under the terms of the Consent Decree. This document:

1. Describes the type(s) of relief and amount of relief for which the United States has determined you are eligible, or explains the reason(s) why the United States determined you are ineligible for the relief you seek.
2. Explains what to do if you object to the United States' Relief Determination.
3. Explains your options regarding using any Monetary Relief to adjust your pension benefit.

The United States' relief determinations are subject to the Court's review and approval. On [DATE], the Court will hold a Fairness Hearing on Individual Relief to determine whether the United States' individual relief determinations should be approved or amended. Prior to the hearing, you may submit a written objection to the United States' individual relief determination for the Court to consider. **Submitting a written objection is voluntary. However, if you do not submit an objection by [DATE], you may be prohibited from objecting in the future.**

The United States has made the following determinations:

1. **ELIGIBILITY FOR MONETARY RELIEF.** The United States has made a preliminary determination that you [] are [] are not eligible to share in the amount of

the settlement being distributed to Claimants seeking Monetary Relief under the Consent Decree.

[FOR NAMED PLAINTIFFS, ADD THE FOLLOWING SENTENCE]

Monetary Relief is separate and distinct from the Specific Settlement Relief the Court has already approved for you. You must still execute an Acceptance of Relief and Release of Claims to receive any relief approved by the Court.

2. **SHARE OF MONETARY RELIEF.** At this time, your estimated share of the Monetary Relief is \$XX.XX. Your share of the Monetary Relief will ultimately be determined by the Court, following a Fairness Hearing on Individual Relief. All Monetary Relief will be subject to appropriate withholding for taxes.

[DO NOT INCLUDE NO. 2 IF CLAIMANT IS NOT ELIGIBLE FOR A SHARE]

3. **PENSION ADJUSTMENT.** If, by the time the Court approves and enters the Consent Decree, you have retired or entered the Deferred Retirement Option Program (“DROP”) while still holding the rank directly below the rank you were seeking when you last took a challenged exam, your share of Monetary Relief **WILL BE USED** to adjust your pension benefit as described below **UNLESS** you request that your share of the Monetary Relief be distributed directly to you in a lump sum (which will be subject to appropriate withholding for taxes).

ADJUSTED PENSION BENEFIT ESTIMATE

The accompanying document explains how your share of the Monetary Relief will be used to adjust your annual pension, including what amounts from your share will be applied to the costs associated with adjusting your pension benefit, and the effect on your bi-weekly pension benefit. The document also states what amount, if any, of your share of the Monetary Relief will be left over for distribution directly to you by the City. Any amount left over for direct distribution to you is subject to appropriate withholding for taxes. All costs associated with adjusting your pension benefit, including those costs paid by the City, will be deducted from your share of the Monetary Relief.

OPTIONAL LUMP SUM DISBURSEMENT

You may request that the Monetary Relief be distributed directly to you in a lump sum (minus appropriate withholding for taxes), rather than being used to adjust your pension benefit. To have your Monetary Relief share distributed directly to you, sign the accompanying **OPTIONAL REQUEST FOR DIRECT DISTRIBUTION OF MONETARY RELIEF** form, and return the executed form no later than **[DATE]** to the following address:

U.S. Department of Justice
Consolidated City of Jacksonville Litigation Team

Civil Rights Division/ELS
P.O. Box 14400
Washington, D.C. 20044-4400

or by EMAIL at:

Jacksonville.Settlement@usdoj.gov

IMPORTANT NOTICE REGARDING PENSION ADJUSTMENT

If you do not file the form requesting the lump sum payment, your Monetary Relief will be used to adjust your pension benefit.

Requests that Monetary Relief be distributed directly in a lump sum (minus appropriate withholding for taxes), rather than being used to adjust pension benefits are **FINAL**, and cannot be changed.

[DO NOT INCLUDE NO. 3 IF CLAIMANT IS NOT ELIGIBLE FOR A SHARE OF MONETARY RELIEF]

- 4. **If, by the time the Court approves and enters the Consent Decree, you have NOT retired or NOT entered the Deferred Retirement Option Program (“DROP”)** while still holding the rank directly below the rank you were seeking when you last took a challenged exam, your share of the Monetary Relief cannot be used to adjust your pension benefits. Your share will be distributed directly to you, minus appropriate withholdings.

[DO NOT INCLUDE NO. 4 IF CLAIMANT IS NOT ELIGIBLE FOR A SHARE OF MONETARY RELIEF]

- 5. **SETTLEMENT PROMOTION.** The United States has made a preliminary determination that you [] are [] are not eligible for a settlement promotion to the position of _____. If the United States has determined preliminarily that you are eligible for a promotion, this does not ensure that you will be promoted.
- 6. To the extent that the United States has determined that you are not eligible for Monetary Relief or has determined that you are not eligible for a settlement promotion, the reason(s) for this determination are:

[INCLUDE NO. 6 ONLY IN INSTANCES IN WHICH A CLAIMANT IS DENIED RELIEF FOR WHICH HE/SHE APPLIED.]

Next Steps:

The Court will hold a **Fairness Hearing on Individual Relief** which will be held on **[insert date]**, at the Bryan Simpson United States Courthouse, 300 North Hogan Street, Jacksonville, Florida 32202. **You have the right to attend this Fairness Hearing.**

What will happen at the hearing?

The United States will ask the Court to approve all of the United States' determinations regarding individual relief. The Court may approve them or may adjust them with respect to you and/or other Claimants under the procedures set forth in the Consent Decree.

What should I do if I object to the relief determination made by the United States?

If you wish to object to the United States' preliminary relief determinations in any respect, you must take action, as explained in the enclosed "**INSTRUCTIONS FOR FILING AN OBJECTION TO INDIVIDUAL RELIEF**" by no later than [DATE]. **Submitting a written objection is voluntary. However, if you do not submit an objection by [DATE], you may be prohibited from objecting in the future.** You may request an opportunity to be heard at the Fairness Hearing, but you do not need to appear at the Fairness Hearing for the Court to consider your objections.

What should I do if I agree with the determination made by the United States?

You do not need to take any action at this time. You will be notified once the Court has made its determination.

What do I do if I do not want my share of the Monetary Relief to be used to adjust my pension benefit?

You must sign and return the **OPTIONAL REQUEST FOR DIRECT DISTRIBUTION OF MONETARY RELIEF** form below no later than [DATE].

What should I do if I have questions?

You can call the Employment Litigation Section of the Civil Rights Division of the Department of Justice at 1-833-341-4673. If you do call this number, please leave your name, address, and telephone number and a time when you can be reached. Your call will be returned as soon as possible. The Department of Justice can provide information on the settlement, however, it is not authorized to provide legal advice to individuals.

ESTIMATED ADJUSTED PENSION BENEFIT

Dear Mr. or Ms. XXXXX:

You have been found eligible to share in the amount of the settlement being distributed to Claimants seeking Monetary Relief under the Consent Decree. Because you have retired or entered the Deferred Retirement Option Program (“DROP”) while holding the same rank you had when you last took a challenged exam, your share will **automatically** be used to adjust your pension benefit. This document describes how your share will be used to affect your pension benefit. If you do not want your Monetary Relief to be used to affect your pension benefit, you **must return the OPTIONAL REQUEST FOR DIRECT DISTRIBUTION OF MONETARY RELIEF by [DATE].**

Under the Consent Decree, ***all costs*** associated with adjusting your pension benefit, ***including those paid by City***, will be deducted from your share of the Monetary Relief. The amount to be deducted from your share and the resulting pension benefit adjustment have been computed using a formula agreed to by the parties in this case.

In addition to the pension adjustment, you will receive a net cash payment. This amount is subject to appropriate withholding for taxes. Pursuant to the Consent Decree, both employer-side and employee-side withholding for taxes will be deducted from your share of the Monetary Relief.

PLEASE NOTE: THE NUMBERS INCLUDED IN THIS DOCUMENT ARE ESTIMATES. THEY MAY CHANGE.

Your estimated adjusted pension benefit amount will be:

Your estimated net payment (amount that you will receive as paycheck from the City) will be:

Your estimated adjusted pension benefit and net payment amount are based on an agreed-to formula using the following factors:

Pension Hire Date:
Date entered DROP/Retirement Date:
Current Pension benefit:
Settlement/Benefit Calculation Effective Date:
Total Monetary Relief Amount:

The agreed-to formula also takes into account the required pension contribution rates depending on the years at issue, interest, and estimated withholding for tax and medicare.

Based on the agreed-to formula, \$ _____ out of your total Monetary Relief will be considered Pensionable Earnings.

Based on the agreed-to formula, the following amounts would be deducted from your total Monetary Relief Amount \$ _____:

Estimated City Contributions (with interest):
Estimated Employer Medicare Payroll Tax:
Estimated Employee Contributions (with interest):
Estimated Federal Income Tax (Estimated at 25% of Pensionable Earnings):
Estimated Employee Medicare tax withholding:

OPTIONAL REQUEST FOR DIRECT DISTRIBUTION OF MONETARY RELIEF

Instead of having your Monetary Relief used to affect your pension benefit, you may request that your entire share of the Monetary Relief be distributed directly to you (minus appropriate withholding of taxes). To do so, sign and return this form. If you do so, your pension benefit amount will remain unchanged.

IMPORTANT NOTICE REGARDING REQUESTS FOR LUMP SUM DISTRIBUTION.

Requests that Monetary Relief be distributed directly in a lump sum (minus appropriate withholding for taxes), rather than being used to adjust pension benefits are **FINAL**, and cannot be changed.

I, _____, do not want my share of the Monetary Relief to be applied to adjusting my pension benefits. I request that my entire share of Monetary Relief be directly distributed to me. I understand that the distribution of my share directly to me is subject to appropriate withholding for taxes, and that the Consent Decree in this case specifies that both employee-side and employer-side deductions will be taken from the amount distributed to me. I understand that my pension benefit will not change. I understand that my decision is final and cannot be changed.

ARTICLE 13: PROMOTIONS

- 13.1** All promotional examinations shall be assembled, written, and solely administered by an outside testing service.
- 13.2** The passing grade for all promotional examinations shall be seventy percent (70%), except that when the Director of Employee Services certifies that the seventy percent (70%) passing score results in an adverse impact (as defined by the Federal Uniform Guidelines on Employee Selection Procedures) on any federally protected class, a new validated pass score shall be established using psychometrically sound procedures that are in accordance with the Federal Guidelines on Employee Selection Procedures.
- 13.3** The following seniority credit shall be added to all passing scores for rank of District Chief:
- A.** One-half (1/2) point shall be added for each year of continuous service in the Fire and Rescue Department, up to a maximum of five (5) points.
 - B.** An additional one-half (1/2) point shall be added for each continuous year in the class or position immediately below the class for which the promotional exam is given, up to a maximum of five (5) points.
 - (1)** Provided, however, no such credit will be given when a promotional examination is held for any class of employment which is directly above the entrance level.
 - (2)** The entrance level shall be construed as the lowest entrance level at which the employees or any portion thereof participating in such promotional examination entered the service of the Fire and Rescue Department.
- 13.4** All persons with a passing score shall be ranked by resulting numerical score, with the person attaining the highest score ranked first. The top name of the list shall be certified first.
- 13.5** The life of a promotional list shall be two (2) years.
- 13.6** Any person may be removed from the promotional list after three (3) offers of a probationary appointment have been declined.
- 13.7** In the absence of a certified promotional list, there shall be no more than six (6) months between the date of the first opening and the next examination for these positions.

- 13.8** Line of Promotion is as follows: From Captain to District Chief.
- 13.9** Standard external reading lists for promotional examinations shall be established for all promotional classifications within the Jacksonville Fire and Rescue Department. JFRD will furnish all station/work location libraries with copies of reading list books and materials. These materials will be maintained by the station/work location head who will be responsible for establishing a check-out system to account for materials and provide for equal access to them. The Director/Fire Chief can amend the reading lists as necessary, with the understanding that such amendments will be announced at least ninety (90) days prior to any affected promotional examination. The ninety (90) day limitation will not apply to fine-tuning the contents of the list, e.g., updating edition numbers.
- 13.10** The City and the exam consultant will score standardized exam sheets at the exam administration site, and provide raw scores to examinees subject to the following:
- A.** Raw scores do not include points added for seniority or for military service where applicable and therefore may not accurately reflect an examinees' ranking on the final list.
 - B.** Raw scores do not include the result of exam protest committee determinations, if any, and therefore may not accurately reflect an examinee's ranking on the final list.
 - C.** Technology used to score standardized exam sheets is affected by the quality of markings made on the exam papers. Erasures, ambiguous markings, and extraneous marking on exam sheets may adversely affect the ability to provide immediate scores. In such cases, hand scoring may be required which can delay delivery of results to examinees.
 - D.** The ability to score exam sheets at the exam site is dependent upon the availability of operational equipment. Delays in providing scores to examinees can result from equipment malfunctions or breakdowns.
- 13.11** The following shall apply for demotion or reversion in rank caused by a reduction-in-work-force or a shortage of funds:
- A.** The last candidate promoted from an internal eligibility list shall be the first to receive a demotion/reversion in rank. If there is more than one member that must be demoted/reversed in rank, the order shall continue from the last candidate promoted to the first candidate promoted.

- B.** When a vacancy occurs in a position/rank from which members have been demoted/reversed in rank, promotion to said vacant position/rank shall be made from the list of members demoted/reversed in rank with the last member demoted/reversed in rank promoted first, regardless of the expiration date of the internal eligibility list from which said members were originally promoted.
