A corrigendum on

Cell division in Corynebacterineae

by Donovan, C., and Bramkamp, M. (2014). Front. Microbiol. 5:132. doi: 10.3389/fmicb.2014.00132

We noticed that a wrong gene code was given for the *Corynebacterium glutamicum ftsZ* gene in Table 1 (page 3, first gene). The correct gene code for *C. glutamicum ftsZ* is cg2366.
