Homecoming weekend finally arrives - 3,000 alumni and friends expected

Tiger team promises two exciting nights of roundball

What would Homecoming be without an exciting, competitive athletic event?

The Olivet Nazarene College Athletic Department, the Homecoming Commission, and the varsity basketball team has done much to assure Tiger spectators—students, visitors, and alumni alike—an impressive two nights of roundball.

Trying to spoil the weekend for Tiger constituents will be the Eagles from Oklahoma Christian College, Oklahoma City. Under Coach Bill Villines the 1972-73 Eagle squad compiled a 13-15 record. OCC has one victory under their belt already this season. They squeaked past the School of the Ozarks last week, 75-71, for their own Homecoming victory.

Last year in the BNC invitational tournament, our Tigers nipped the OCC Eagles in the championship game. ONC finished its season with a 22-8 overall record.

A public relations brochure published by the OCC Athletic Department included this statement concerning their estimation of ONC as a basketball foe, "With dedication, spirit, and hard work they should be a worthy opponent."

Coach C.W. (Butch) Ward is optimistic but he is shying away from an idealistic point of view. Ward realizes his team's potential and is looking for a successful season, despite the tough schedule. "At the present the Tiger mentor is concentrating on these two games and then looking on toward the rest of the season. He chooses to make no predictions; rather he will let his roundballers' performance speak for itself.

Starting Line-ups:

OCC Eagles	
14 Jerry Myers	G 6'2
21 Don Whitehead	G 6'4
42 Rick Dearinger	C 6'8

25 Michael Dunn	F 6'5
30 Buddy Capps	F 6'6½

ONC Tigers

10 Ted Allen	G 5'11
20 Ralph Hodge	G 6'1
44 Wendell Towns	C 6'5
40 Barry Stephenson	F 6'6
12 Jim Shoff	F 6'2

Miss Denise Kendall of Fowlerville, Michigan, was crowned the 1973 ONC Homecoming Queen by the 1972 Queen, Miss Roberta Daiber of Bucyrus, Ohio, in last night's Homecoming Coronation. Miss Kendall is a Junior at Olivet and plans to go into some type of full-time Christian service.

Denise Kendall crowned 1973 Homecoming Queen

Members of the 1973 court are: Miss Sharon Lunn, a Senior from Farmington, Michigan; Miss Vickie Trissell, a Senior from Dayton, Ohio; Miss Connie Remole, a Senior from Potomac, Illinois; and Miss Bev Snowden, a Senior from Huntington, Indiana.

With the theme "Loveliest of all the sunlight here beneath..." the coronation and reception took place amidst a Greek and Roman ruins setting.

The Womens' Residence Association sponsored the coronation and the reception immediately

following it. Karen Meadows and Cheryl Collins were co-chairwomen of the coronation and Bethany Banks was in charge of the reception.

Mr. Rodger DeVore was Master of Ceremonies for the coronation and Mr. Steve Self arranged music for and conducted a small orchestra.

Providing the vocal selections in the program were Mr. Rick Eastman, Mr. Steve Williamson, Mr. Mike Hancock, Mr. Roger Jones, and Mr. Dave Skelton.

"All Systems Are GO!"

Alumni Executive Secretary welcomes weekend visitors

August 23rd was our 1973 Homecoming Commission organizational meeting. At that time Homecoming weekend appeared to be a long time off. However, time has quickly passed by and the long awaited weekend has now arrived. This annual festivity has come about since the first "O" Club Tipoff in 1943. In 1943 there were approximately 150 alumni and friends who journeyed back to their alma mater to enjoy the weekend. November, 30 years later, 3000 alumni and friends return to the campus. This speaks well of the loyalty of our alumni and the aggressiveness of our college.

A great deal of interest was created for our Homecoming when Olivet initiated her intercollegiate sports program in 1966.

Many months of planning go into assuring our alumni of an outstanding weekend.

The Homecoming Commission consists of 27 members; 13 students and 13 faculty members with myself serving as chairman of the Commission. The Commission is broken down into 10 committees to assure the greatest amount of input by all members in the planning of each of the events. The Commission has the responsibility for planning every activity for this weekend, from who will handle concessions to who will clear up the debris.

We endeavor to have a variety of activities in order that we might have something of interest for everyone. It is our hope that we can have a new attraction each year. This year we have the play "You're A Good Man, Charlie Brown," sponsored by the Speech Department, as one of our main attractions. Also, our intercollegiate wrestling match with Illinois Trinity College is planned.

Although the alumni have expressed varying opinions concerning the many Homecoming activities, some have been especially displeased that there is no longer a Saturday afternoon concert. However, there is no choice. Olivet does not have a gymnasium large enough to take care of the Saturday night crowd. Therefore, an outstanding concert has been planned to run simultaneously with the Saturday night game. This was necessary in order to alleviate the crowded conditions at Abraham Lincoln Gymnasium. An alternative to this solution might involve the entire Alumni Association uniting and building a new gymnasium with a seating capacity of 6500. Then we could again offer a Saturday afternoon concert.

The 1973 Homecoming Commission has worked hard this year. We appreciate your coming to help make this weekend a success. This weekend was planned especially for you. All of the campus facilities are open for your inspection. Our student-body has worked hard for you, too. I am proud of them. As you visit the campus I am sure you will be proud of your alma mater for the outstanding accomplishments she is making during very difficult times.

I just received a phone call from Coach "Butch" Ward. He informed me that the team we planned to play during next year's Homecoming cannot come. Oh well, what's another committee meeting?!

Have a nice time this weekend. We are delighted that you are here.

Check the inside of this issue for our special "Homecoming insert."

Queen and court photos are by GLIMMERGLASS photographer, Jerry Croucher. They were staged and shot in the home of ONC's President and First Lady, Dr. & Mrs. Harold W. Reed.

GUEST EDITORIAL

Advisor editorializes on tragedy

Tragedy befalls a nation when its leaders fail as persons of integrity, of responsibility, and of deep spiritual faith in God. King Solomon seemed to have everything going for him. God had passed on to him the covenant made with his father King David. Solomon's government was the only strong center of power in the Near East at that time. It was a time of peace, and he soon gained fame for his wisdom and wealth. But he failed to hold true to God spiritually and neglected to order his affairs on a sound moral basis. His failure was a personal tragedy, but it was also a national calamity for Israel as he was soon to lose an international position which it was never able to regain.

If Solomon had continued to the end of his reign as he began, he doubtlessly would have gone down in history as one of the greatest men. But, in spite of his wisdom, he was not all-wise. Solomon was not wise enough to consider seriously God's evaluation of his actions, and as a result he suffered the penalty of knowing that his powerful empire must fall apart.

An hour of crisis has come to our nation. Some of our national leaders have failed. 'Tis true their reasons for failure may not be the same as Solomon's, but, nonetheless, they have failed, and the nation is suffering in much the same way as did ancient Israel.

As a result of human failure, there is a rumbling in this great land of ours. The people of the nation are disillusioned, angry, and fearful. Day by day, week by week, the consequences of the failures of these men have been spread before the American public through the newspapers, radio, and television. We have read and listened to the angry, unkind, and hasty words of people from every walk of life.

It is not for any of us to sit in judgement on any of these people. But it is well for us to remember in our duties as citizens that first of all we must be Christians. Christians in attitude even if we feel that individuals are guilty. This does not mean that we condone wrong doing, but rather we should remember as Christians we should pray for a man if he be overtaken in a fault. We should not be a part of the screaming mob. There is no place for lynch-mob Christians regardless of the failure on the part of any man. We should speak out against the evils of the government, but Christians should be able to govern the unruly tongue while doing so.

Whether the leader of our nation has been betrayed by his associates or if, indeed, he is responsible for this sordid affair the appalling consequences are the same: Failure of such magnitude is a personal tragedy, the destinies of untold numbers of people have been affected, the moral fiber of this country has been weakened, and the international position of this country may never be regained.

The Persian poet, Nizami, said:

In the hour of adversity be not without hope

For crystal rain falls from black clouds.

Solomon once prayed, "God give thy servant an understanding heart to judge thy people that I may discern between good and evil." Perhaps in this dark night of adversity our leader could pray such a prayer and in time restore faith and confidence in our government. And, perhaps, go down in history as one of our greatest men. He has monstrous obstacles to overcome and he must have help from the American people. This crisis is not a "first" in the history of this great country, nor will it be the last. The country may have been weakened, but under God we will survive.

Homecoming growth parallels college growth

Homecoming (Tipoff) 1943 drew 150 returning alumni and friends; Homecoming 1973 is expected to draw 3,000. How indicative these figures are of the growth and strength of the dynamic college we commonly call our own. The growth and development of the Homecoming festivities have definitely paralleled the growth and development of Olivet.

And even while it would be a relatively simple process to retreat into the past, our college is consistently looking forward to the future. Our 1973 Homecoming theme, "All Systems Are Go," certainly typifies the Olivet attitude. As a direct result, our college has grown beyond our founders' wildest expectations.

The GLIMMERGLASS has also grown, developed and evolved over these past few years. However, just like the great college we serve, our basic goals and objectives have remained the same. The only differences we have noted in either case are the techniques utilized in achieving those goals.

Our basic mission is to accurately reflect Olivet and "The

"OH, DADDY! AREN'T YOU PROUD OF 'KING TIMAHOE?' HE FOUND THEM!"

WOULD SOMEBODY PLEASE EXPLAIN WHAT'S GOING ON?

Miss Edwards in recital

December 1

Miss Alice E. Edwards will give a piano recital on December 1, in Reed Auditorium at 8:00 p.m.

Miss Edwards, who is a graduate of the Universities of Michigan and Oklahoma, is in her third year as a faculty member at Olivet.

She will perform 19th and 20th Century works by Stravinsky, Ravel and Chopin. Stravinsky's "Serenade en la" was composed in 1925 during his first American tour, and is written "in imitation of the *Machtmusik* of the 18th Century. Ravel's "Le Tombeau de Couperin" (the Tomle of Couperin) is a tribute to French music of the 18th Century of which Couperin was a representative. As well as these works, Miss Edwards' program will include Eight Preludes and Scherzo in b minor by Chopin.

THE PRESIDENT'S LAWYER GOES HOME

With Ron Hendren

A YOUNG VIEW OF WASHINGTON

WASHINGTON — It was not until the morning that White House announced that two of the Watergate tapes did not exist that anyone bothered to tell the President's lawyer, Charles Alan Wright.

Wright had already put his substantial prestige squarely on the line by announcing several days earlier that the President would comply "in all respects" with the court order to turn over the nine tapes together with certain documents to Judge John J. Sirica.

Needless to say, Wright did not go to court for the President that day, and now there is some doubt whether he will ever again appear in Mr. Nixon's behalf. The tall Texan has packed his bags and gone back to teaching at the University of Texas law school in Austin.

If he is disgusted, he is kind enough not to say so. The most he has said publicly so far was to a *New York Times* reporter, to whom he allowed that he "would have been happier if I had known." The facts are, however, that Wright's reputation in academic and legal circles came very close to being shattered by the president's failure to tell him

that two key tapes could not be found. It is painting a mild picture indeed to say that the Texas professor is not happy about the turn of events.

He still maintains publicly that he remains at the President's call and that he believes Mr. Nixon, but adds that if it becomes known that the two tapes once existed and were destroyed, he will withdraw from the case completely.

Wright's secretary called him at home to report the missing tapes story. "You won't believe this, but two of the tapes don't exist," she said. "You should hear it from us before hearing it on the radio."

It wasn't long after that startling news that Wright made his plane reservations back to Texas. Wright's unhappy experience is unlikely to go unnoticed by his fellow Texan and new Watergate prosecutor Leon Jaworski. Jaworski's reputation for honesty and his so-far unblemished integrity are at least as well known as Wright's when the professor first came to the President's aid. Jaworski, who is known for his ability to learn quickly and well, will be certain to protect himself against suffering his fellow Texan's fate.

Campus Ministries sponsors all-school Communion

Each year the Campus Ministries sub-committee of Associated Student Government sponsors and all-school communion service. Monday, November 19, in College Church, four communion services will be held on the half-hour from 7:30-9:30. The services will be semi-structured to allow persons to take communion individually and in prayer cells or in couples. It is the hope of the sub-committee that these services will prove to be meaningful and a blessing. Eight area elders will preside, two at each service. There will be a brief devotional thought and communion followed by silent prayer and meditation after which the partakers of communion are free to leave.

Bill Pearce presented in Homecoming Concert tonight

Mr. Bill Pearce will be presented by Olivet Nazarene College in the first of two Homecoming concerts slated for this weekend. The Pearce concert is scheduled for tonight at 7:30 pm in Chalfant Hall.

Bill Pearce is a versatile performer who has proven himself successful in several distinctive areas. He is a top radio personality whose popular late-night program feature of music and low-key commentary, *Nightwatch*, is syndicated nationally on more than 100 stations in the U.S. and overseas. He is also regularly heard on more than fifteen programs each week on stations of the Moody Bible Institute.

Pearce is a respected trombonist whose range of musicianship is thoroughly evident. He is a former member of Bob Crosby's Marine Corps Band and capably plays music of any style—from the bright, contemporary youthful forms of today, the more traditional gospel songs and hymns, to the beautiful, inspiring classical works of Bach and others. As evidence, his award-winning instrumental record albums are best sellers, particularly his latest, "This is Bill Pearce," on the FourMost label.

He is a sensitive, outstanding vocal soloist and a featured singer on radio, records, and in personal appearances. His fine bass-baritone voice also lends balance to the popular Melody Four Quartet. He is also a member of the Sixteen Singing Men. In these capacities he has traveled through Canada, the British Isles, and has logged more than a million miles crisscrossing America.

Pearce has also performed on numerous nationally syndicated

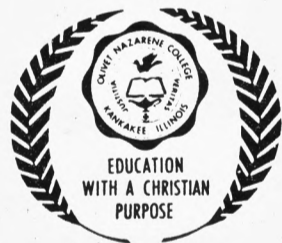

and local TV programs and has appeared as a lead actor in several films. He is a member of the FourMost Talent Guild, a nationwide association of musicians with headquarters in Wheaton, Illinois, where he makes it his home.

As a tribute to his versatility, Pearce is equally at home with and appreciated by his audiences at both ends of the age spectrum. He is flexible and adapts his style to suit the musical tastes of any audience. In spite of his impressive

credits, Bill Pearce is not a showman. In fact, the same "person-related" attitude—so much in evidence on *Nightwatch*—is a part of his platform manner. His interest in people is genuine and personal. When he performs for audiences, there is a quiet seriousness which reflects his strong personal faith. Uniquely a man of many talents, Pearce communicates a Christianity thoroughly fresh and meaningful for people of our time.

"SORRY, MR. SAXBE, WE CAN'T OFFER ANYTHING PERMANENT—HOWEVER, WE DO HAVE AN OPENING FOR AN ATTORNEY GENERAL...."

MY HOMECOMING PRAYER

Hey, God,
It's me again!
I haven't got much time,
But I thought you' like to know
How I was getting along.
Well,
A fly attacked my ice cream at lunch,
Someone took my umbrella,
My room is dirty
And I don't have time to clean it before Homecoming.
My roommate got to sleep in this morning
And my R.A. yelled at me for having my stereo turned up too loud.
The pop machine kept my only quarter, again,
And when I kicked it,
I hurt my toe.
I went to work on the float
And my fingers got chapped—
It was that cold—
But no one can tell what we're building anyway.
My mailbox was full of letters this morning,
You answered that much of my prayer,
But they were all for my box partner.
I have two tests tomorrow
And did you know we have to go to school on Good Friday?
My winter coat has two buttons missing
And a hole in the pocket
And I don't have any thread,
Besides another girl has one just like it.

Alumni Association celebrates Fiftieth Anniversary

—Kathie Brown

September 1973 marks the Golden Anniversary of the Olivet Alumni Association. Fifty years ago in September of 1923 the Association was organized.

A committee representing the departments of the college, then located at "Old" Olivet in Olivet, Illinois, was set up at Commencement time in 1923. This committee consisted of Carl McClain, representing the college; Albert Young, the Bible School department; Miss Ruth White, Fine Arts department; and James Floyd, the High School.

Under the chairmanship of Carl McClain, the committee drew up a tentative constitution and called for an alumni meeting in conjunction with the fall meeting of the Chicago Central District Assembly which convened at the college.

At this fall meeting the constitution was adopted and Rev. Ed Gallup, pastor of the Springfield, Illinois Church of the Nazarene was elected the first President.

The next fall, Prof. Carl McClain was elected president and served in this capacity until 1940. McClain, who as chairman of the organizing committee and as president during the formative years of the association, had a large part in establishing the association as a strong organization.

In 1941 Dr. S.D. Kelley was elected president followed by R.A. Carter (1942), Remiss Rehfeldt (1943), W.S. Purinton (1944), Harvey Galloway (1945), and Fred Hawk (1946).

In 1947 S.T. Ludwig was elected president and served in this position until 1951 when T.W. Willingham was elected to the presidency.

The Alumni Association minutes record Fred Reedy (1955) as the next president followed by Fred Chalfant (1956) who led the association as president until 1961 when the present president, Selden Dee Kelley, was elected.

The purpose of the Alumni Association as stated in the constitution is "to promote the interests of Olivet Nazarene College and to cultivate the spirit of fellowship among its alumni." This purpose is clearly reflected in the early project of the association, that of raising and granting student scholarships. The first scholarship was one of \$50. Other scholarships of \$50 and \$100 were granted in later years with members of the Board of Trustees and faculty, as well as alumni, making contributions.

Another project was the T.S. Greer Greenhouse which serves the Science Department and is located west of the Health Clinic near Brodien Power Plant. This was built in honor of an early alumnus and popular teacher at Olivet for many years.

In 1956 the association approved the "O" Awards which the association began presenting in 1957. The purpose of the award is "to recognize those alumni who have achieved success in their chosen fields of endeavor and reflect the ideals of the institution." Each year one award is given to an alumnus who is a minister and one is given to an alumnus of non-ministerial classification.

Recipients of the Ministerial "O" Award have been H.C. Benner, T.W. Willingham, B.M. Carmony, R.C. Bishop, R.W. Birchard, S.T. Ludwig, D.J. Gibson, C.D. Bailey, H.W. Taylor, J.K. Grider, H.S. Galloway, C.S. Clendenen, C.D. Ide, F.J. Hawk, A.L. Parrott, and N. Bloom.

Award winners in the non-ministerial classification are C.S. McClain, D.J. Strickler, M.L. Scott, N.R. Larsen, R.H. Moore, R.W. Gardner, R.E. Gilley, D.D. Starr, W.T. Hodges, S.D. Kelley, E.F. Chalfant, B. Dulman, J. Hanson, G. Moore, N. (Powers) Kelley, and J. Bohi.

The Alumni Association has greatly helped to develop the annual Homecoming and Tip-off celebration. The association also supports and participates loyally and liberally in the many development drives for the college.

In 1970, Rev. Ted R. Lee was elected to serve as the first full-time Executive Secretary of the Alumni Association. Rev. Lee continues to work diligently in executing the duties of his office.

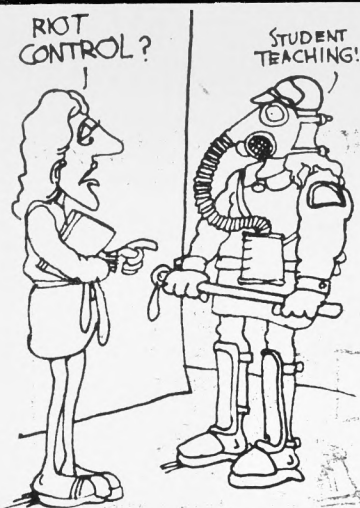

The Olivet Nazarene College Alumni Association is strong and still growing after 50 years. The association continues to support and maintain the college, her purpose and her ideals.

Happy Anniversary to each member of the association, but especially to those founders who had the foresight to establish the association and the countless individuals who have worked to continue the purpose of the Alumni Association.

WORSHIP TOGETHER WITH US AT COLLEGE CHURCH

SUNDAY, NOVEMBER 18

CONTINUED FROM PAGE 3

I haven't done my laundry in three weeks
Because I don't have any change
Because of that stupid pop machine
And my parents won't send me any money
Until I write them.
But how can I even buy a stamp?
My favorite record sticks,
I don't have a date for Homecoming,
So I think I'll wear jeans to the coronation
And buy my own Homecoming mum,
It won' be the first time.
I have four meetings to go to tonight,
And sure, I like getting involved and keeping busy,
But it seems like the busier I am,
The more lonely I fell.
"Hang on," something inside says,
But . . .
Are you leading me, Lord,
Or am I just pulling you along behind?

ONC Wrestlers Open Season Here Saturday

Little known to most ONC students and nearly all of the Homecoming visitors is the fact that the Olivet wrestling team opens its season tomorrow afternoon in Birchard Gymnasium hosting Trinity College.

Due to scheduling conflicts and some unfortunate publicity deadlines, the 3:00 match has not been listed in the Homecoming announcements.

Coach Larry Watson, in his first year as wrestling mentor, is impressed with the talent shown in recent weeks. Several freshmen will round out the team to make this a good year.

Back from last year's squad are seniors Rick Blodgett, a two-year letterman who wrestles at 126 lbs., and Steve Baker a 167

lb. grappler. Sophomore matmen are Ed Heck in the heavyweight division, John Savini at 158 lbs., and Chuck Kelley, a 150-pounder.

Dave Veanes (118 lbs.), Dave Harris (134 lbs.), Tom Allen (142 lbs.), and Bob Taylor (190 lbs.) are freshmen looking to their first year in college wrestling. Also on the team are Mel Cable, a sophomore letterman who wrestles at 118; Gary Gunn, a 142-lb. freshman; and Glen Gardner, a freshman who wrestles heavy-weight.

Last year the Tiger grapplers wound up 9-2 on the year. Watson has one problem in that he still needs a man to wrestle at 177 lbs. If this position is not filled, it means a forfeit of six points.

However, Watson is happy with the outlook and predicts an exciting season for both the wrestlers and the spectators.

Delta Holds First Football Banquet, Gives Awards

Tuesday night the members of Delta's 1973 Football team met for an awards banquet.

Under the leadership of President and Coach Chet Decker and Athletic Director Jeff Nixon, the Delta men finished in second place with a successful 6-2 record. Both losses came at the hands of undefeated, first-place Beta by scores of 13-6 and 33-7.

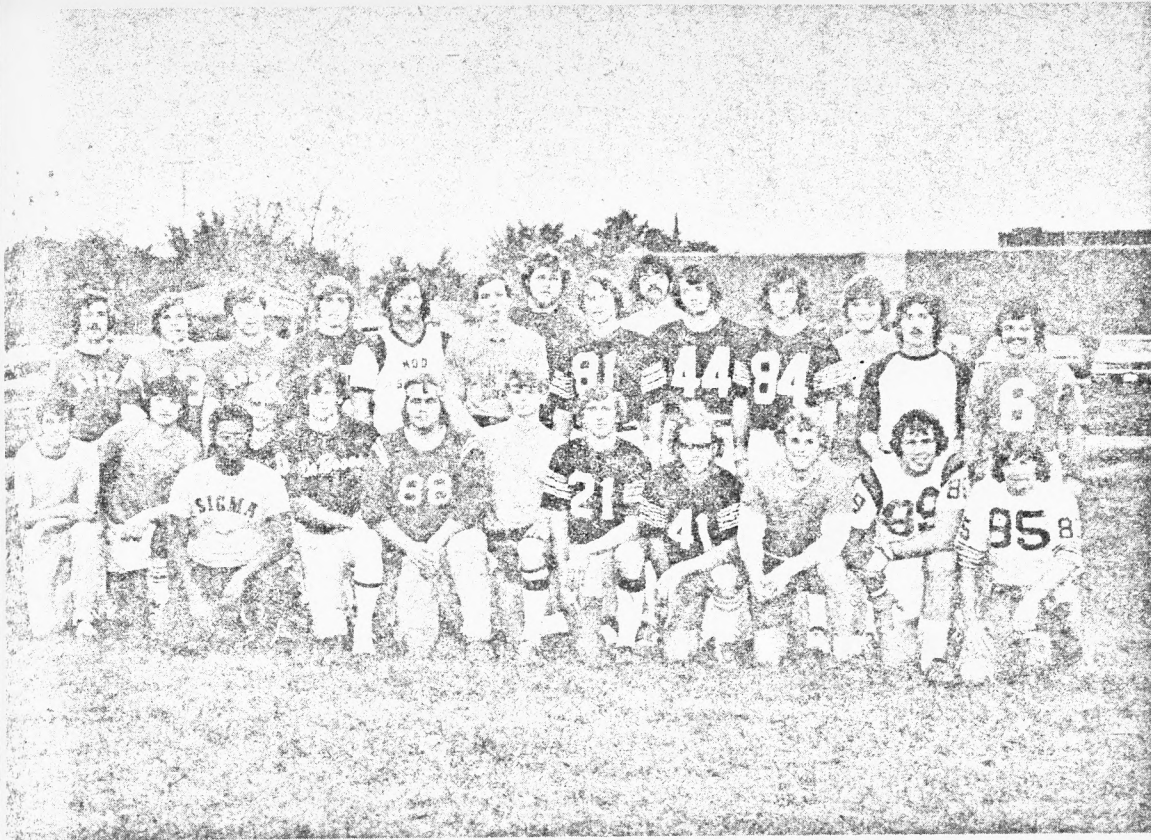

Ron Keiser was chairman of the banquet planning committee. Joe Biscoe and other Delta rookies, Tim Hodges, Dave Dewar, Steve Alvis and Bill Carroll presented a skit satirizing a Delta offensive huddle.

GLIMMERGLASS Sports Editor Michael M. Hancock was the featured speaker. Hancock spoke about the correlation between athletics and the Christian life. To be successful in either, he stated, one must train properly, one must set a goal, and have the will to make it happen.

1973 Flag Football All-Stars Named By Teammates

Each society voted for their own All-Stars. The six teams are

teams were allotted a certain number of All-Stars according to how they finished in the pairings. For example, Beta had the best record among the first group. Therefore, Beta was allowed six All-Stars. Sigma had the second best record in that group, and so was allotted five All-Stars. Gamma, among the three, had the worst record and was allowed only three members on the All-Star squad.

This is the 1973 All-Star team:

Beta--Bruce Banks, Bruce Brim, Bill Burke, Rick Colling, Dave Fightmaster, and Denny Wadsworth

Delta--Steve Alvis, Dave Dewar, Chet Decker, Ron Keiser, Jeff Nixon, and Steve Pusey
Kappa--John Brim, Harold Graves, Mike Hancock, Gary Ingle, and Jim Johnson

Sigma--Doug Bourland, Jeff Hayes, Jon Nelson, Bob

Taylor, and Sonny Wood
Gamma--Randy Hartman, Steve Reed, and Jerry Smith
Zeta--Rick Eastman, Ken Fredrickson, and Jack Shoff

paired against each other for Friday's All-Star game. Beta, Sigma, and Gamma are sided against Delta, Kappa, and Zeta. The

Beta Remains Undefeated

IM Flag Football Season Comes to a Close

The 1973 Intramural Flag Football season came to a close last week. Two post season games were scheduled for this week: Beta vs. All-Stars on Wednesday and the Beta-Sigma-Gamma All-Stars vs. the Delta-Kappa-Zeta All-Stars today.

Beta swept through her eight regular season games untouched. This society powerhouse has won 16 consecutive games since last losing in the 1972 season. Beta scored an average of 26 points per game, while only giving up eight points per game.

At the end of the season, this is how each team finished:

Team	W	L	Pct.	GB
Beta	8	0	1.000	-
Delta	6	2	.750	2
Kappa	5	3	.625	3
Zeta	4	4	.500	4
Sigma	1	7	.125	7
Gamma	0	8	.000	8

On Thursday, Nov. 1, Sigma met Delta in the final game of Round 7. Delta was victorious by a 19-6 score. Jeff Nixon scored two touchdowns, both on passes from quarterback Gary Newsome. Doug Bourland had Sigma's lone score in the second half.

Sigma	0	6	-6

D--Nixon pass from Newsome (PAT failed)
 D--Biscoe run (Keiser run)
 S--Bourland pass from Nelson (PAT

Friday of that same week Zeta and Gamma played a Round 6 make-up game. Gamma played probably their finest game of the year, but Zeta squeezed past the underdogs by a score of 18-13. Gamma led 13-12 until less than a minute to play, when Zeta's Jack Shoff hit Steve Fowler with a pass for the go-ahead score.

Zeta	12	6	-18
Gamma	0	13	-13

Z--Fowler pass from Shoff (PAT failed)
 Z--Fowler pass from Shoff (PAT failed)
 G--Pressley run (Reed run)
 G--Smith pass from Carr (PAT failed)

Round 8 began last Tuesday as Kappa and Zeta clashed in a decision for third place. The first half was scoreless as the ball traded hands several times. Both defenses were stable, and the offenses seemed as cold as the weather. In the second half Bubba Graves ran in a keeper from the three-yard line, and Zeta quarterback Shoff responded with a 25-yard run of his own to tie the score. With 25 seconds remaining it looked as if the game would end in a 7-7 tie, which would have also resulted in a tie for third place. Kappa marched slowly forward as the seconds ticked off. With only two seconds left, Graves found halfback Mike Hancock in the endzone for the winning touchdown.

Delta and Gamma banged heads in their final game of the year last Wednesday. Halfback Ron Keiser racked up three touchdowns and Nixon scored two for Delta as they ripped Gamma by a score of 37-6.

Joe Biscoe also scored a TD for the winners, and Jerry Smith was responsible for Gamma's six-pointer.

Delta	13	24	-37
Gamma	0	6	-6

 G--Smith 43 pass from Carr (PAT failed)

In the final game of the year Beta rolled over Sigma by a 26-14 score. The men from Sigma were really up for this game with the IM champs. Sigma drew blood

first early in the game when Jon Nelson, quarterback, kept on the option and scampered in for the score. During Beta's first series of downs, Nelson responded with an interception, but Sigma failed to control the ball for any length of time. Beta halfback Dave Fightmaster scored twice on runs of 20 and 15 yards, and the score at halftime was 13-7.

The league's leading scorer, Bruce Brim, added another six points to his personal total when he scored on a pass from Denny Wadsworth. Sigma's Doug Bourland scored on a 10-yard run, and Fightmaster tallied his third TD of the day to round out the scoring.

The excitement really grew as the game drew near its close. With the score 19-13 in Beta's favor, Sigma had a good chance to score and go ahead, but an incomplete pass spoiled that bid with only 1:30 left to play. With their momentum gone, the Sigma defense allowed Beta to score again to seal the victory.

Beta	13	13	-26
Sigma	7	7	-14

S--Nelson 30 run (Hayes pass from Nelson)
 B--Fightmaster 20 run (Colling pass from Wads)
 B--Fightmaster 15 run (PAT failed)
 B--Brim pass from Wads (PAT failed)
 S--Bourland 10 run (Alexander run)
 B--Fightmaster 1 run (Johnson pass from Wads)

Forty-one men scored at least one point during the course of the season. The top twenty are listed below:

Name	Soc.	TD	EP	TP
B. Brim	Beta	13	1	79
J. Nixon	Delta	10	2	62
D. Fightmaster	Beta	8	1	49
