Subject: Copyright Permissions Requested

Message Body:

I am working with Dr. Amy Wong, of Dominican University of California, to deposit electronic versions of their papers, for educational and research purposes, in Dominican Scholar, Dominican University of California's institutional repository <<http://scholar.dominican.edu>>.

I am writing to request permission to deposit an electronic version of the following article from the journal titled Avidly:

"Teaching Dystopia," Avidly Magazine (LA Review of Books), 6 July 2017

This request is for non-exclusive, non-commercial, one-time, single-use permission for this purpose ("educational and research") only. Copyright notice, citation of original publication data, DOI number, and a hotlink to your site (if desired) will be given.

Our repository is the institutional archive, maintained at the Archbishop Alemany Library, for research and scholarship emanating from the Dominican University of California. A single electronic version will be archived and become available for viewing by visitors to the Library's Dominican Scholar site. For more information about the repository or its policies, please contact me at the [michael.pujals@dominican.edu](mailto:michael.pujals@dominican.edu) or 415-485-3254.

I truly appreciate your help.
