Yortozu Auto Parts Manufacturer Building Plant In Aguascalientes State

by Carlos Navarro

Category/Department: General

Published: Wednesday, October 14, 1992

Miguel Angel Barberena, governor of Aguascalientes state, recently told reporters that the Japanese auto parts company Yortozu is building a US\$60 million plant near the new Nissan pickup truck manufacturing facility. Yortozu plans to hire 150 people in November to build automotive suspension systems. (Source: El Financiero International, 10/12/92)
