My Dear Mrs. Dodd:

Please accept my heartfelt thanks for your kindness shown upon the death of my mother Daisy Campbell.

In going through the things that she left; I ran across this clipping that you will notice dated November 13, 1917. I thought that you might like to see the clipping again to show those around you what a great lady you are.

Please accept this as a memento for your great work and I am very proud to have known such a gracious lady for a long time and who was a great friend of my gandparents and also to my mother. I also feel elated to have played with your son Jack.

Thank you so much for being such a good friend of my family and also of mine.

Sincerely:

Buck P. Campbell
