A.i.d.s. In Peru

by Erika Harding

Category/Department: General

Published: Wednesday, December 11, 1991

At a Nov. 9 press conference, Health Ministry official Juana Antigoni said about 480 cases of Acquired Immune Deficiency Syndrome (AIDS) have been confirmed. Approximately 10,000 Peruvians are HIV-positive. Antigoni is director of the ministry's Special AIDS Control and Prevention Program. (Source: Agence France- Presse, 11/09/91)
