## **Lynn University Conservatory of Music**

This musical presentation will feature students from Lynn University's Conservatory of Music, one of the leading American conservatories within a university environment. A highly select group of gifted music students from the United States and abroad is admitted annually to pursue rigorous performance training in solo, chamber and orchestral music.

Lynn's Conservatory students and alumni have earned the highest honors at national and international competitions. More than 98% of alumni remain active in music, including many with leading orchestras and graduate music programs, and pursuing solo and chamber music careers.

Lynn Conservatory Alumni can be found in the Boston Symphony Orchestra, the Cleveland Orchestra, the Dallas Symphony, the Bangkok Philharmonic (Thailand), the Calgary Philharmonic (Canada), the Montreal Symphony, and many other major orchestra around the world. Others are pursuing their advanced musical studies at The Juilliard School, Manhattan School of Music, Yale School of Music, Indiana University-Bloomington, Cleveland Institute of Music, Eastman School of Music and many other prestigious schools.

In addition, they have appeared as soloists of the Baltimore Symphony, the Florida Philharmonic, Israel Chamber Orchestra, Jerusalem Symphony, Juilliard Orchestra, National Symphony Orchestra (Washington DC), Victoria Symphony (Canada) and many others.
