From the Dean

Welcome to another exciting season of great music at Lynn University. Thanks to your support and the support of the community at large, Lynn's Conservatory of Music continues to expand its offerings of superb musicianship live on stage. Celebrating our fourth season as a member of the Lynn University community, the Conservatory of Music continues to grow and to produce some of the finest musicians in the United States and around the world.

We are extremely proud of our students and the exceptional training we afford them. Extensive performing opportunities are central to the training process.

Our full and varied performance schedule allows students to perform frequently and to observe their instructors and guest artists in recitals and concerts. Our concerts also give you, the audience, a unique opportunity to connect with the artists.

Yet, *ticket sales contribute only about 10% to the Conservatory's budget.* It takes your active support and participation to maintain the generous scholarship assistance that we proudly offer our students. It is our liberal scholarship program that makes it possible for the Conservatory to recruit and retain the highest level of talented music students.

As a music lover, we hope you will take center stage and join our family of dedicated supporters. **Your generous contribution directly benefits the gifted students who bring the joy of classical musical to our community** and help sustain the high artistic standards that have characterized the Conservatory for more than a decade.

Your gift will make a difference!

Sincerely,

Claudio Jaffé

THE ARTS ALLOW US TO DISCOVER WHO WE CAN BE

I imagine the world without music and dance, or literature and art. Life is incomplete without ways to express ourselves, and to discover who we are and what we can be. That's why Northern Trust proudly supports the Conservatory of Music at Lynn University.
