Rectification referring to the authorship of the article ‘Application of Genetic Algorithms in Design of Public Transport Network’

The Office of the scientific journal ‘Logistics & Transport’ informs that due to reasons beyond its control in the issue 26, No 2 (2015) in the article:

Application of Genetic Algorithms in Design of Public Transport Network
the surname of the second author who is Piotr Bojarczak, was miswritten as Bojarczyk

The correct bibliographic description of the said article should have the following form:

Piotr Lesiak, Piotr Bojarczak,
Application of Genetic Algorithms in Design of Public Transport Network, p. 75 - 82,
Logistics and Transport, vol. 26, No2 (2015).
