Recommended Websites

www.dougy.org

Founded in 1982, *The Dougy Center for Grieving Children*, a non-profit organization that is totally privately supported and does not charge a fee for services, was the first center in the United States to provide peer support groups for grieving children.

<http://americanhospice.org/grieving-children/>

The *American Hospice Foundation (AHF)* supports programs that serve the needs of terminally ill and grieving individuals of all ages.

www.griefspeaks.com/index.html

Maintained by a counselor/grief recovery specialist, the *Grief Speaks* website contains a compendium of loss- and grief-related information.

www.rainbows.org

Rainbows is the largest international children's charity dedicated solely to helping youth successfully navigate the very difficult grief process.

www.familiesnearandfar.org/resources/grief/

The information and resources on the *Sesame Street "Families Near and Far"* webpages were created specifically to help parents and caregivers face the challenges of military-related deployments, homecomings, changes, and grief.

www.grievingstudents.org and <http://grievingstudents.scholastic.com/>

The *Coalition to Support Grieving Students* was convened by the New York Life Foundation and the National Center for School Crisis and Bereavement, which is led by David J. Schonfeld, M.D. Working with Scholastic, Inc., the *Coalition* has developed a practitioner-oriented website – www.grievingstudents.org – to provide educators with information, perspectives, and pragmatic advice that they need to understand and address the needs of grieving youths in our nation's classrooms more efficaciously.
