What is the definition of “load”?

Submitted by: Clifton Price and Tina Whittle

1/28/2004

Question:

Rationale:

There doesn't appear to be one, at least not University-wide. In the past few months, we have heard various administrators and faculty use terms such as “teaching load,” “standard teaching load,” “class load,” “course load,” “full-time load,” “temporary load,” and “workload,” terms whose definitions seem to change based on their context.
