A precious one from us is gone
A voice we loved is still
A place is vacant in my home
Which can never be filled
And after a lonely heartache
And many silent tears
But always a beautiful memory
Of one we loved so dear.

We miss you now, our hearts are sore,
Your loving smile, your gentle face,
No one can fill your vacant place.

God saw the road was getting rough,
The hill was hard to climb,
He gently closed your loving eyes,
And whispered, "Peace be thine".

The Family

"God's Garden"

You are not forgotten, nor will you ever be.
As long as life and memory last,
we will always remember thee.

A million times we will miss you and a million
times we'll cry, but if love alone would have
saved you, you never would have died.

In life we all loved you dearly,
in death we love you still.

In our hearts you hold a place
no other one can fill.

The golden gates stood open,
God saw you needed rest.

God's garden must be beautiful.
He always picks the best.
