# **Recommendations of the Ad Hoc Committee on Faculty Governance**

Submitted by Richard Flynn

1/24/2011

## **Motion:**

---

The Ad Hoc Committee has agreed on four recommendations to bring before the Faculty Senate. The committee sees these recommendations as interdependent, but in the interest of clarity we have prepared a separate file for each recommendation. They are attached as .pdf documents. We move that the Senate adopt these recommendations.

## **Rationale:**

---

The committee was charged with "gathering and evaluating data on shared governance and with making recommendations to ensure that faculty in all colleges and departments have the structure and mechanisms that allow them to play a meaningful role in the development and implementation of the policies delineated in section 110.01" of the Faculty Handbook. The attached recommendations are the result of its work.

## **SEC Response:**

---

2/2/2011: The SEC approved this request. In the future, all requests for a motion from the Chair of an Ad Hoc Committee of the Faculty Senate or a Task Force of the Faculty Senate will be posted immediately.
