PHY. ED. GROUP ATTENDS MEET

PRESIDENT PITTMAN, COACHES LANE AND SMITH, AND STUDENTS ATTEND MEET.

President M. S. Pittman, Miss Caro Lane, of the physical education department; Coach B. L. Smith, Gwendolyn Dekle, Louise Rozier and Jewelle Greene, of the Woman's Athletic Association, represented South Georgia Teachers College at the Southern Physical Educational Association meeting which was held in Atlanta last week from Wednesday through Saturday.

The association meets every year to talk over problems in the field of physical education and to exchange ideas along different lines.

Miss Lane and Coach Smith attended sessions that were concerned primarily with the direction of physical education, and the W. A. A. members represented the local unit.

Dr. Pittman and Miss Lane were speakers on the program Thursday and Friday and Dr. Pittman gave a talk Friday night at the association banquet.

Then there is the story about the freshman, who on his first visit to the bank, was asked to endorse his check, and wrote, "I heartily endorse this check."

Have you heard about the freshman who thought the Boxing Commission was an undertakers organization?

He named his child Montgomery Ward because he was of male order.

Coach is someone who is willing to give up your life for his school.

COLLEGE TO HONOR DR. CHARLES HERTY

Dr. Charles H. Herty, eminent Georgia scientist whose experiments with the pine tree have attracted world significance and whose efforts give promise of a new and great industry in the Southland, will be a visitor on Teachers College campus April 15th. At that time Dr. Herty will address the student body and visitors on a subject relative to his work in the realm of science.

Following the address there will be an appropriate ceremony near the campus where the first Herty pine cup was hung and the naming of Herty Pines, likely to be designated by a metal plate.

The Statesboro Chamber of Commerce, joint host to Dr. Herty, will give a luncheon in his honor during his one-day visit.

TO PRESIDE OVER COURT ASSEMBLY

MARGARET OWENS WILL BE MAID OF HONOR; GROUP OF TEN TO COMPRISE COURT.

As a result of Friday's ballots, Louise Quantock, senior, will reign as queen over the May Day festivities of South Georgia Teachers College, May 3rd. Margaret Owens, also a senior, was chosen maid of honor. Both Miss Quantock and Miss Owens were members of the court last year.

Ten girls were chosen from the Junior and Senior classes for places in the court. These are: Kathryn Yeomans, Jewelle Greene, Mabel Rocker, Cecile Brannen, Lilly Ellis, Eloise Graham, Evelyn Cherry, Mayo Cody, Victoria Cone and Helen Olliff.

The May Day festival, which will be held in the afternoon of May 3rd, will take the nature of an open air pageant, with Oriental and interpretive dances by different groups. The center of the pageant will be the May Pole dance.

Freshmen and Sophomores, Physical Education classes will give two numbers, the first, an "Ox" dance, and the second, a Russian dance. These will be directed by Miss Caro Lane, of the physical education department.

The Training School group, under the direction of Mrs. W. L. Downs and Miss Lane, will render a Norwegian mountain dance. Mrs. Bill Bowen's fourth grade will also give a skit.

Costumes for the pageant are being designed by Miss Mary A. Small, of the art department. Special music for the occasion will be directed by William Deal.

NEW STUDENTS

We see with pride, the increase in our number.

It is refreshing to see the new faces and we are glad to have many of the old students back.

With your arrival now comes the sensation that things are buzzing with life, and that people are busy pursuing something and that they are working with a definite goal in view.

It is encouraging to see the new people at work. Instead of a look of resignation and fatigue, their eyes burn with hope and energy.

They are a great help to us. Most of them have been teaching and we are profiting from their experiences. If we were inclined to wonder if we aren't just wasting our time, they have helped us to wake up.

Ambition sometimes seems a vague and empty term after little trials and disillusion; but we see it as a real, live thing in the new students.

It is true that they have brought some competition which will be a tonic. It is time we were realizing that it is the survival of the fittest in a world that is not lacking in a number of zealous, wide-awake rivals.

Finally, we are favorably impressed with the new students. We hope their stay will be an enjoyable well-rounded experience.

THE SPRING TERM

As the shadows of broken resolutions, vain hopes for success, and idle day dreams of the past two terms disappear beyond the horizon of winter term examinations, we can turn our faces toward this the spring term with a more firm resolve to achieve the highest things possible.

If we were determined in September to make this school year count for the most, and have allowed ourselves to drift with the tide, we have only one more trial. In this quarter we are to prove our true worth, whether it be a place on the Dean's List, a certain number of quality points, or some required courses for a degree. These remaining nine weeks will determine a great deal for many of us.

The spring term is short and is crowded to its greatest capacity with activities. There will be a number of debates, both inter-collegiate and inter-society; various social functions, dances and banquets; May Day and Guest Night; a heavy baseball schedule with games in Statesboro and on the road; track meets, and club activities. All these rightly deserve a portion of our time and we must invest the minutes thoughtfully and conservatively, if we would receive the greatest benefit from all.

Then, too, there will be some things which will demand our most conscientious thought and our wisest action. In this term we will elect to the campus major offices those students who will guide the student government, publications, literary societies and other major activities during the next year. How im-

portant it is that we think now! Don't cast your vote for your best friend only because he is your friend, nor for a person because of his political prestige. Too often such officers draw our severest criticism once they are in.

Let us weigh our decision carefully and elect those people who will contribute in a large measure to the welfare of everything and everyone concerned. There will be no excuse for our regret later, if we chose the right person now.

This term will go a long way toward terminating our future success. Let's make the most of it.

LETTER TO MR. AND MRS. WREN

Collegeboro, Ga.,
April 6, 1935.

Dear Mr. and Mrs. Carolina Wren:

I know you are surprised to get a letter from this old friend of yours, aren't you? I have been wanting to write to you for a long time, but I didn't know your address. I've seen you many times jumping from Low Limb Street to Twig Street, but you are always appearing and disappearing so rapidly until I never found the exact place until yesterday.

I really am interested in you and your songs, and I'm taking this opportunity to say, "thank you." I appreciate you helping Mr. Farmer Neighbor keep down the boll weevil, bugs of many kinds, grasshoppers and caterpillars that destroy so much of our plants. Without you and you and your friends we couldn't do much with them.

Was the market well supplied with weeds and grass when you bought to build your nest? I hope so, for I imagine it takes hour after hour for a bird of your size to build a nest large enough to hold the five white-reddish-brown-speckled eggs. Does it?

Now it won't be long before you'll have that "new" family to feed and care for, but since the insects are so numerous, most too numerous for the farmers, it won't be very hard. I know you will have a happy home with Mr. Wren helping you. If I can help you at any time please let me. There is nothing I enjoy more than helping care for the "babies" of such a cheerful family as the birds. All of you are so helpful in fighting our insect enemies until we just can't do without you.

When your "babies" put on their first dresses and suits will they have rusty brown backs with a little lighter front in them as you and Mr. Wren wear? Don't forget to put the white under the throat and to put that white line just above the eye on their heads, because most everyone believes this makes the "costume," so to speak.

I hope your "children" soon grow to the five and one-half inches in length and that they will always be as cheerful and scatter as much sunshine as you do.

Mr. Wren, I think you have been singing unusually well while Mrs. Wren kept house. I knew you lived in this county all twelve months, but never have I heard you sing so well and as much as you have this spring. Your three-syllable whistle is among the first I hear every morning. I enjoy your cherry songs very much and they help me begin the day with a good attitude, but won't you please sing a special tomorrow morning for some of the boys and girls here who need to make your acquaintance. Your cheerful disposition and songs would help make them better individuals, I'm sure.

I must stop writing now and visit Mr. and Mrs. Orchard Oriole, who moved on our back campus yesterday.

Please remember, I enjoy your songs and I won't be a helpful friend always.

Sincerely,

WHO'S WHO

In the annual Who's Who contest sponsored last Friday by the George-Anne, thirteen superlatives from all the four classes were named. The voting was heavy in every instance.

Louise Quantock, a member of the Senior Class and from West Palm Beach, Fla., was elected the most beautiful girl. This is Miss Quantock's third consecutive year to win the title. She is also May Queen-elect for 1935. Helen Olliff, Statesboro, and Margaret Owens, Midville, both Seniors, came second and third, respectively.

George Cliett, Bainbridge, Freshman Class, was named the most handsome boy. Cliett is a varsity football and baseball player. Ned Warren, Pulaski, and Mercer Collins, Metter, were close contestants.

"Most Popular Girl" was the title conferred upon Newelle DeLoach, Savannah. Miss DeLoach is a Junior and a Dux Domina. Laura Hickey, Cusseta, and Helen Olliff, Statesboro, were second and third. "Coonie" Riggs, Statesboro, was elected the most popular boy.

The Seniors again carried off honors in the selection of Hassie Maude McElveen, Brooklet, and Leonard Kent, Summit, as "Most Intellectual." Miss McElveen has been president of the Y. W. C. A. during the present year, and Kent is editor of this year's Reflector. Jeanette Willette, Vidalia; Eloise Graham, Savannah; Bill Stewart, Dixie, and Bob Espy, Montezuma, came very close also.

Victoria Cone, Stilson, and Jim Wrinkle, Dalton, were declared "Best All Around." Both Miss Cone and Wrinkle will receive their degrees in June.

Grace Cromley, Brooklet, and Delmas Wheeler, Soperton, were named as the "Most Talented." Miss Cromley and Wheeler are members of the Glee Club, Deputation Team and are known throughout this section for their vocal and instrumental ability.

The Junior Class has the wit and humor if evidenced by the fact that two of its members, Gwendolyn Dekle, Claxton, and Alton Ellis, Griffin, were named "Wittiest."

Fielding D. Russell, English department, was voted the "Most Popular Professor" by an overwhelming majority.

SPORTS

Among the Athletes

"We'll have the best club T. C. has ever placed in competition," says Coach Hanner of the boys' tennis team.

The team will be a well balanced team, having three of four players, more or less of the same caliber.

The competition will be the stiffest that a Teachers' team has faced. The first match will be with the strong Mercer University team. Then will follow matches with Parris Island Marines, the colleges at Douglas, Cochran, Brewton-Parker and the City of Savannah's tennis team, each of these to be played twice. Then comes the peak to which each member is building towards, the Southeastern College Tournament, to be held on the Tech courts in Atlanta in May. This meet will be well attended by the leading colleges of the South, namely, Tulane, U. of Ga., U. of Ala., Duke, Auburn and others of the Southeastern area.

The team is practicing daily and will be selected according to their respective rankings. Those out for the team are Hodges, Settles, Munch, Stapleton, Wrinkle, Espy, Stewart, Wilkes and Wilkins Smith. Teachers College champion for the past three years.

The Teachers baseball team is rapidly getting into shape. The veteran and new players are getting ready for the first college competition, which begins with South Georgia State College of Douglas next week. Douglas is reported to have an unusually strong team this year and this contest will prove somewhat exciting. Coach Smith has said that he has had the best baseball material at T. C. this year than in previous seasons.

Ratley, Hayman, Abelson and Lee are battling it out for berths as first string pitchers. Ratley and Hayman seem to be out-dusting the others. Ratley has the lead now by calling on his past experience on the mound.

Woods and Arnold are holding down first with Woods getting the call now.

Martin and Dubose are struggling for second base place. Martin started against the Braves. Dependable Jake Hines handled the short position in a very creditable manner. Flash Golden and Dody Lambright are fighting for the third base place at present.

"Rabbit" Davis, Hoder Watson, Baird and Joe Stein are holding down the outer garden with Davis, Baird and Stein getting the first call.

Cliett and Robertson handle the ball well behind the bat. Cliett showed up well against the Boston Braves in Savannah.

The track team is getting into shape on the new track field just back of West Hall. The team is fortunate in having a number of former "Cinder" stars of previous years and some excellent material for a complete roster.

Meets have been scheduled with Brewton-Parker Institute here, Georgia Freshmen here, Richmond Academy in Augusta and Georgia Military College here.

Coach Westcott plans to hold an inter-class meet in the near future and pick his team from the winners in this competition. There are about thirty-five boys out for the team.

Don't forget the Track Meet! B.-P. I. vs. Teachers on Saturday, April 20th.

BOSTON BRAVES BEAT TEACHERS

The Blue Tide baseball team in the first game of the season Thursday in Savannah, was smothered under by the great Babe Ruth and the Boston Braves of the National League, 15-1. The game was played at the Municipal Stadium.

Babe Ruth slapped a home run in the third inning that cleared the fence in right field by many feet.

John Lucas started for the Teachers in the box, and was followed by Ratley, Hayman, Abelson and Lee. Only 19 hits were gathered from the five pitchers.

Teachers received six safeties off the pitching staff of the Braves.

Baird, of the Teachers, was by far the most outstanding player of the afternoon. He repeatedly drew a big hand from the stands by his playing. Stein's hit in the sixth inning was responsible for the only run of the afternoon for the Teachers. Baird made the score.

The first two innings were scoreless. In the third the Braves started off and scored four runs and the game ended 15 to 1 with the Braves on the top side.

Women's Athletics

(By NANCY YOUNG)

Play Ball! Strike One! . . . Ball Two! . . . O-U-T! The baseball game is on!

The warm weather has really given everyone the baseball fever. With the boys playing the Boston Braves and holding Babe Ruth to only one hit, the girls come out true to their old athletic form so prevalent in basketball and begin building a baseball team.

Freshmen and Sophomore girls are having baseball in their physical education classes and the juniors and Seniors are organizing a practice hour in the afternoon. Everyone is striving hard to learn that old catch, hit and pitch ability, for the tournament is just around the corner. Gymn Dekle, council member for baseball, is making plans for the fray which will be held during the latter part of May. Who will wear the B's?

The hot sun does not discourage the devotees of the net and racquet. The courts are filled to capacity every afternoon. Then, too, the tennis tournament is not so far off and there are some T's to be won!

Now, for the best news of all! The pool is to be opened very soon! All who can't swim, grab a life preserver and come on in! The Dolphin Club is sponsoring a swimming meet in May, and everyone who makes the grade can enter. The life-saving class will be started in a few days and everyone has a chance to win a life-saving badge and membership in the Dolphin Club.

The Women's Athletic Association has planned a full calendar for the spring season.

DEBATE CLUB TO ENGAGE NEW FOES

With their trip through North Georgia practically assured the inter-collegiate debating team today launched upon a two weeks' period of strenuous preparation for their contest with Mercer University here on April 20. With the addition of George Carter, Margaret Moore, Kathryn Yeomans and Clifford Groover to the club for the spring the team now looks forward to a successful series of debates during the coming weeks.

The outline of their tour as it now stands is such that the team will leave on Monday, May 6, and will probably engage Mercer or Wesleyan on that evening. Tuesday and Wednesday will be spent in Atlanta, where they will meet Emory and Agnes Scott. Leaving Atlanta Thursday morning, the Teachers will meet the University of Georgia freshmen in Athens Thursday evening.

Abraham Baldwin Junior College comes here April 24 to meet the affirmative team of the Teachers club, while on the same date the negative of the local team will go to Tifton to contest their affirmative.

Dramatic Club Elects Officers for 1935-36

The Dramatic Club of South Georgia Teachers College held the spring term election of officers at a called meeting on Tuesday, April 2nd.

Edna Bennett was chosen president; Eloise Graham, vice-president; Grace Cromley, secretary, and Frances Cone, treasurer.

The following committee chairmen were also elected: Delmas Wheeler, program; Mayo Cody, publicity, and Will Fields, stage and property.

These officers will serve during the spring term this year and the fall term in 1935-36.

"The doctor will see you inside," said the nurse to the patient as she helped him on the operating table.

U. of GA. GLEE CLUB PRESENTS SHOW

The University of Georgia Glee Club, under the direction of Hugh Hodgson with a University of Georgia orchestra, were presented in concert here Friday evening, April 5th.

Highlights of the show were Miss Nina Hecker, a brilliant coloratura soprano and guest artist, and Miss Edith Logue, who gave several dances in costume. Miss Millie Wilensky, of Savannah, who has won renown as a blues singer, was especially outstanding.

The Boys' Ballet Chorus, trained by Mrs. Vernon Smith, was modeled after Eddie Dowling's latest success, "Thumbs Up," and proved a howling success.

The orchestra, assisted by a burlesque chorus featured the latest song hits, including "Stay As Sweet As You Are," "The Continental," "You're the Top," and a medieval folk song, "Green Grow the Roses, Ho!"

The club this year is on its twenty-fifth tour and has been invited to take part in a national broadcast of picked college glee clubs.
