Georgia Association for Positive Behavior Support Presentation Proposal

Using the PBIS framework in secure (DJJ) settings: using Tier II to deal effectively with the most behaviorally challenged youth

This presentation will provide insight into the use of PBIS in a secure juvenile facilities and how to utilize Tier II interventions to deal effectively with those youth in such facilities, who present as the most behaviorally challenged. Presenters will share experiences from multiple perspectives within DJJ facilities with different missions, age groups, and barriers.

Objectives:

Identify strategies for engaging youth and staff in a secure setting

Learn different approaches to overcome barriers when dealing with difficult youth behavior in a secure setting.

Identify Tier II strategies & reinforcers to engage difficult youth in secure settings

Learn how to maintain PBIS fidelity in secure juvenile facilities
