# SPORTS

The School of Mines and Metallurgy of the University of Missouri 1907-1908 Baseball Team.

This section reflects the RollaMO yearbooks between 1905 to 1935. The yearbooks were mainly in black and white but there were some splashes of color here and there. In the 1920's there were some co-ed interaction and that's where the women's sport teams came in. Since there were no women's sports during that time all but one of the women's sports teams' spreads are in black and white. You may also find some art work from those time periods in this section as well.

The men of Pi Kappa Alpha class of 1945-1946 Missouri School of Mines and Metallurgy.

During the time period of 1946-1955 the Greeks section was called Fraternities or Social Fraternites because there were no Sororities at that time. In order to mimic those years the Sororities are placed at the end of this section. The Fraternites at that time would have a group photo and a few social pictures on their pages along with their cresent or pindent.

# STUDENT LIFE

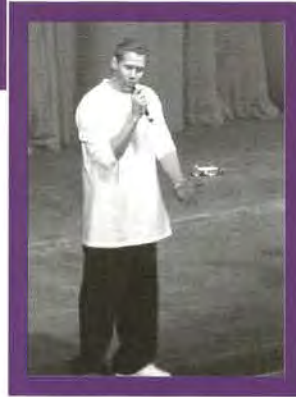

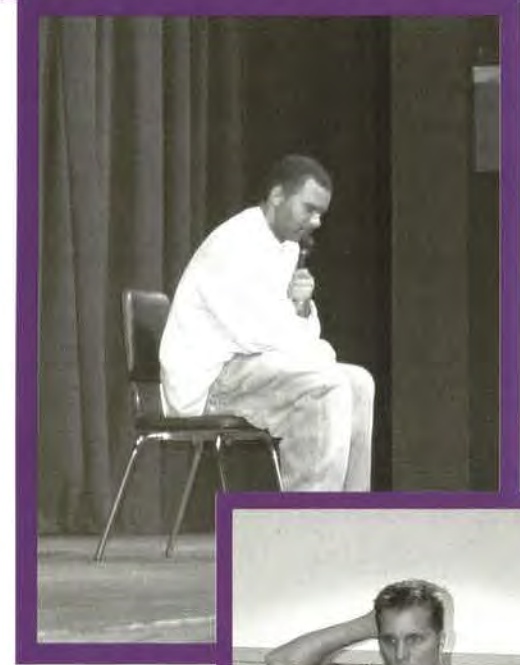

Photo from the 1977-1978 RollaMO Living Units section.

The Student Life section has had various titles throughout the years. During the time between 1976-1985 some of the section names were Activites, People, Campus Life, etc. And in some books the Student Life section showcased the Greeks instead of everyday life as a college student. So this section really has no boundaries it represents bits and pieces of each style of the 'Student Life' sections in this time period.

# SUB Com

# Comedy Series

Robert Henry III Director of Comedy as well as a member of Kappa Alpha Psi has brought to the UMR campus many funny headlines from the comedic world. With the help of the SUB Board Rob managed to have four comedy shows for the veiwing enjoyment of UMR students. Nothing of this caliber has been done by anyone in UMR's history. We asked Rob Henry what inspired him to bring so many comedians to the Rolla campus and his response was, "Though it was a very stressful job, I was enthusiastic about the opportunity I had to give students an outlet from stress through laughter. I was ecstatic to see the way the campus embraced the comedy events. That was truly my reward for the very hard, extremely long, long, LONG hours of work put into each event." In Rob's last show of the year he had four comedians in one night. On behalf of the UMR campus we would like to thank Robert Henry III for taking the time out to help make us all enjoy a little more laughter!

# When Gas Prices Get TOO High!

Student Life 1976-1985

This past year gas prices have been sky high! And with gas prices so high students have been using many alternate ways of getting around Rolla. You may see some students on bicycles, scutters, motorized bikes, even a unacycle, wow! Where gas prices really that bad? Well that's the question that we asked a couple of the students that use these alternate ways of transportation. Many stated that 'it makes no sense to pay all that money just to drive to class.', others said 'I rather save my gas for my trip home!' and our most popular response was, 'It's much easier to find a spot to chain up my bike than it is to find a parking spot!'

# *Gospel Medley*

The Gospel Medley Concert was an opportunity to unite the Christian body on campus and in the community. It was a celebration of diversity in Christianity and promoted Godly life choices to the attendees. After the event Daronn Williams, the master mind behind this event, stated “I was so excited to see a rainbow of people-White, Black, Asian, Middle Eastern, young, old, etc. That’s how Heaven is going to be. It’s time to practice unity and true love. It’s time to look past someone’s race, ethnicity, or even age. God has blessed us all with unique characteristics and cultures. Instead of fighting to showcase momentary strength, let’s show eternal love.”

# UMR's Female

Face it UMR has always been a predominantly male university. When the first yearbook came out there was only one female on campus and that was the libraian! However, the female to male ratio has come a long way from 1950 when there were just six female students!

# ACADEMICS

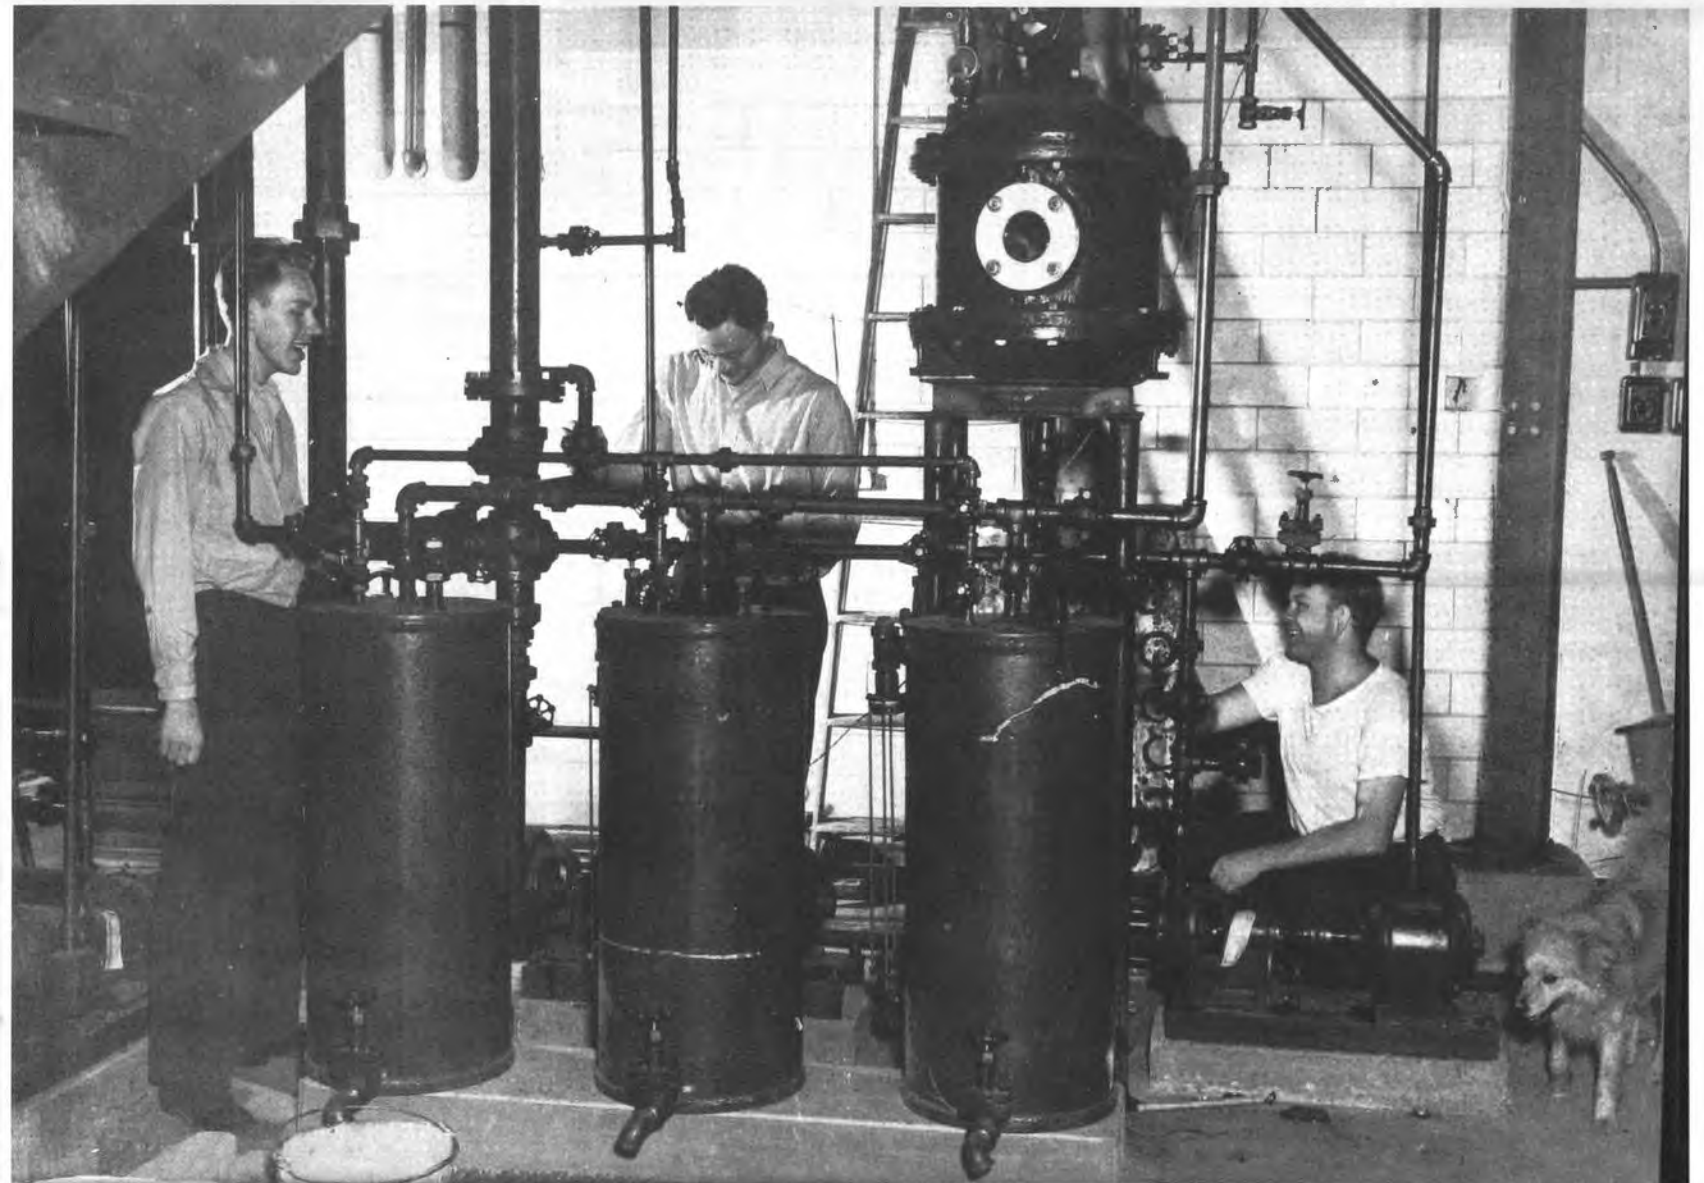

Photo from Missouri School of Mines and Metallurgy 1944-1945 Chemical Engineering College section.

Between 1936-1945 UMR was called the Missouri School of Mines and Metallurgy. There weren't as many students enrolled as there are today. Since there weren't many students there weren't many teachers so they were able to have individual photos of each faculty member. Instead of individual photos each professor has their position or their educational status to show their individuality.

This section represents the present day and time of the RollaMO! There are no particular schemes or patterns that we followed. There was just one mission "Try to get as many people, from different backgrounds in this book!"

Name: Brandie Amsden  
 Major: Biological Sciences  
 Hometown: Ellington, MO

Name: Kris Atkins  
 Major: Aerospace Engineering  
 Hometown: St. Peters

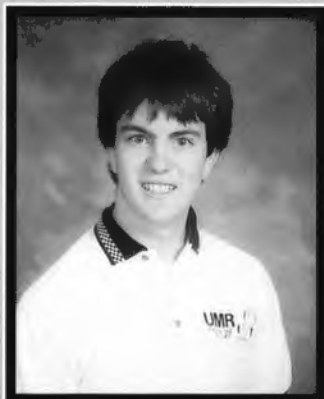

*Matthew Bayne*  
 What will be your fondest memory of UMR in ten years?  
 Meeting my future wife in Mechanics of Materials.

*Kerri Blight*  
 Senior Will: My calculator for the FE exam, I'm sure someone can use it.

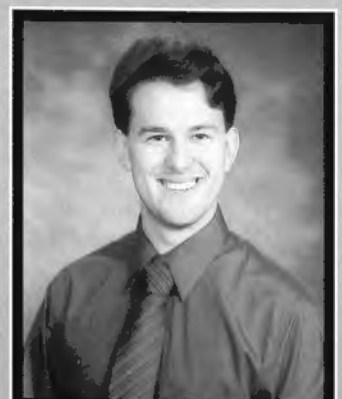

Name: Nathan Averett  
 Major: Electrical Engineering  
 Hometown: Nixa, MO

Activities and Achievements: Formula SAE, Group leader, Eta Kappa Nu Treasurer, Skydiving Club

Name: Christopher Bales  
 Major: Engineering Management  
 Hometown: Mercer, MO

Activities and Achievements: Student Union Board, Fencing Club, Ballroom Club, RollaMO

Name: Kerrie Barnes

Name: Matthew Bayne  
Major: Mechanical Engineering  
Hometown: Cookeville, TN

*Kris Atkins*

*Where was your favorite place on campus to study?  
Why study?*

*Brandie Amsden*

*What advice do you have for underclassmen? Take a break sometimes!*

Seniors Present

Name: Kristin Beckmeyer

Major: Engineering Management – Industrial Engineering

Hometown: Aiken, South Carolina

Activities and Achievements: Zeta Tau Alpha; Engineering Management National Honor Society

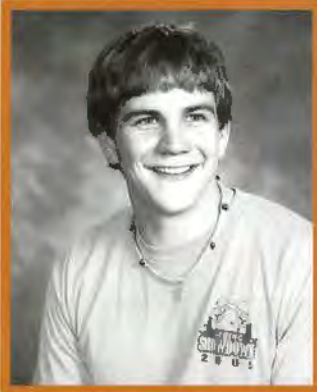

Name: Stephanie Bell

Major: Business & Management Systems

Hometown: Cherryville, MO

Name: Hugh Benhasdr  
 Major: Mechanical Engineering  
 Hometown: O'Fallon, MO  
 Activities and Achievements: QHA, RHA, NRHH, Catholic Newman Center, Tau Beta Pi, Omicron Delta Kappa, Pi Tau Sigma, FCA, CCF, Ultimate Club, Volleyball Club, CLA

Name: Kerri Blight  
 Major: Mechanical Engineering  
 Hometown: Champaign, IL

Name: Kira Bluebaum  
 Major: Civil Engineering  
 Hometown: Houston, MO

Activities and Achievements: Chi Epsilon (secretary), ASCE, Circle K, Blue Key (1st VP), Zeta Tau Alpha (secretary), Order of Omega

Name: Meghan Bohnert  
 Major: Information Science & Technology  
 Hometown: Festus, MO

Activities and Achievements: Alpha Iota Delta, Symphonic Band, Dean's List

Name: Mike Bradley  
 Major: Mechanical Engineering  
 Hometown: Fenton, MO  
 Activities and Achievements: Catholic Newman Center, Pi Tau Sigma, Tau Beta Pi, Omicron Delta Kappa, Intramural Manager's Association, Phi Eta Sigma, Voyager

Name: Julie Breckenridge

Seniors Present

Name: Jeremy Bryant  
 Major: Mechanical Engineering  
 Hometown: Springfield, MO

Activities and Achievements: Trumpeter '04  
 Sr. Pats Board(?), UMR Mini-Baja Engine &  
 Drive Train(?) Chair

Name: Tavis Bryant  
 Major: Electrical Engineering  
 Hometown: St. Louis, MO

Activities and Achievements: Beta Sigma Psi

*Kira Bluebaum*

*What was your hardest class at UMR and why?*

*Physics was the hardest because of good ole Bieniek.*

Name: Jermaine Burks  
 Major: Business Management & Information System Technology  
 Hometown: Louisville, KY  
 Activities and Achievements: UMR Men's Basketball team MVP, Alpha Phi Alpha Fraternity Inc. (treasurer), Association of Black Student, National Society of Black Engineers

Name: Nathan Carlson  
 Major: Engineering Management  
 Hometown: Lee's Summit  
 Activities and Achievements: Christian Campus Fellowship, Chancellor's Leadership Academy, Epsilon Mu Eta, American Society for Engineering Management

Name: Nielson Chapman  
 Major: Electrical Engineering  
 Hometown: Brooklyn, IL  
 Activities and Achievements: Kappa Alpha Psi

*Nielson Chapman*  
 Where was your favorite place on campus to study?  
 Home

Name: Berton Cobb  
 Major: Computer Science  
 Hometown: Little Rock  
 Activities and Achievements: IEEEESB President

*Jermaine Burks*  
 Where was your favorite after hours place to hang out?  
 "The House of Alpha"

*Nathan Carlson*  
 What will be your fondest memory of UMR in ten years? Staples. 4 in my forehead, 5 staples in Matt Baye's head and 8 staples in David Bledsoe's stomach...in short The People!

Name: Jesse Collins

Major: Mechanical Engineering

# Editors Notes

WOW...are we finished yet! Well if you haven't figured it out by now my name is Trinea Turner, the Editor In Chief of the 2005-2006 RollaMO. It's been a long struggle, challenge, party, etc. to get this book out and published. Myself and my wonderful team of staff members worked so hard to make this yearbook the best ever. I would like to personal thank all of the RollaMO staff members that stuck it out to the end and didn't give up without you all this book couldn't and wouldn't be possible. So thank-you from the bottom of my heart! When I took the job as Editor In Chief I was excited, a big step for me. But as time went on I thought to myself "What did I get myself into?!" But like I stated before it was both a challenge and a honor to lead the 100th Edition of the RollaMO and I wouldn't give back my experiences for anything. I tried to include as many cultures and backgrounds as I could in this book but, of course, I couldn't get everyone but trust me I did try. As in any yearbook there may be some mistakes and as EIC I apologize for any. I would also like to thank Janson and Kathy McHaney for all of there help. Mrs. McHaney created the front and back cover of the year book and she did a fantastic job! I hope everyone will enjoy this edition of the RollaMO and may it bring back wonderful memories and lots of happiness!!
