Stepping out on  
the road that is the  
future, we at GSC  
have joined  
forces on a multi-  
laned highway —

The vanity of human life is like a river, constantly passing away, and yet constantly coming on.

— Pope

**Questioning our  
actions, seeking  
assurances, doubting  
the outcome, trying to  
find our niche.**

*Everyday is a little life, and our whole life is but a day repeated.*

*— Thackeray*

For a short time we travel together  
supported by the past and each other

*The goal of yesterday will  
be the starting point of  
tomorrow.*

embracing the world  
and all it offers.**

gone forever; but there is a  
future which is still our own.*

# 1001 Lines Begin Each Quarter . . .

## Squawks Aid New Students

More than 6500 students stood in the 1001 lines at registration each quarter: classes, auditors, meal ticket, scholarship:

New students had extra help in the strange procedure in the form of SQUAWKS. (Students Questions Understood and Answered With Knowledge.). An outgrowth of the Orientation Committee, these volunteers aid newcomers and their parents, giving directions and answering questions. During registration the "Squawkers" are available to assist the new students.

# Students Unwind at

Fall quarter had been in session for less than a month, but when the Ogeechee State Fair came to Statesboro, many of the GSC students seized the opportunity to unwind.

For the students who had a little money leftover after registration, the fair provided the occasion to go out with new found friends and take in the rides and sideshows.

# Mother's Finest And White Face Ignite Fall Quarter

Mother's Finest and White Face treated GSC students to their first rock 'n roll show of the 1978-79 school year. More than 3,400 people were on hand October 26 in the Hanner Fieldhouse for the progressive rock performance.

White Face opened the event and set the tempo for a dynamic light and special effects show presented by MF. The one-hour performance consisted of hits including "Mickey's

Monkey." However, much of the audience left disappointed because their most recent hit, "A Piece of The Rock," was not played.

The concert proved to be the first main attraction of the year, with over two-thirds of the audience consisting of GSC students. Not only was the fall show a participation success, the Student Union Board termed the project "a definite financial success."

# "World of Illusion" In Hanner Fieldhouse

## André Kole Performs Two Hours of Magic

Billed as "the greatest magician and illusionist of our time," André Kole appeared live in the Hanner Fieldhouse on February 8. The two-hour production was presented by the Campus Crusade for Christ International.

Kole's "World of Illusion" dealt with varied subject matters, ranging from levitation to the mysteries of the Bermuda Triangle. Other acts

included "Psychic Surgery," "Pyramid Power," "Return of the Dead," and "Dematerialization."

The show was designed to link fantasy and reality while dealing with many spiritual questions. The show, coupled with elaborate lighting, was "a magical and spiritual entertainment spectacular."

The show has been seen by over 70 million people in 68 countries on 5 continents.

# Pure Prairie League, Dixie Dregs Kick-off Homecoming

Pure Prairie League and Dixie Dregs performed in Hanner Fieldhouse, January 25, kicking off Homecoming weekend. A less-than-capacity crowd attended the SUB-sponsored event.

The Dregs opened with a cut from their *What If* album, "Take It Off The Top," featuring guitarist Steve Morse. "Moedown," "Ice Cakes," and "Cruise Control" followed. As an encore, the Dregs danced around the stage to "Disco Dregs."

"Kansas City Southern" was the opening song for Pure Prairie League. They followed with "I'll Fix Your Flat Tire, Merle," "Pickin' to Beat the Devil," and the title cut from *Two Lane Highway*. After long guitar solos, the band finally played perhaps its biggest hit, "Ami."

# Homecoming 1979 — A New Beginning

## Pat Fetter First Male Queen

"A New Beginning" thematized the 1979 Homecoming activities that began with the Pure Prairie League/Dixie Dregs concert on Thursday evening, January 25. Originally from Georgia, the Dregs warmed-up the audience for the PPL, who is probably best known for its hits "Ami" and "Two Lane Highway."

On Friday afternoon Renarda Baker led the Lady Eagles to a 72-60 win over the University of Georgia Bulldogs in the weekend's first sports event. The same afternoon saw GSC defeated by one second in a swim meet against Georgia State. The time was lost in the 400-yard-freestyle, resulting in a final score of 59-54.

The world-famous Budweiser Clydesdales, in a rare college parade appearance, joined floats, clowns, cars, bands, and marchers on Saturday morning as the rain-soaked parade traveled down Fair Road and South Main Street.

More than 4,000 fans watched GSC fall

to the Augusta Jaguars, 88-86, in Saturday's basketball game. During halftime Pat Fetter became GSC's first male homecoming queen as he was crowned by Debbie Harper, 1978 queen. Fetter, sponsored by WVGS, was joined in the court by five other finalists: Angie Bellamy (Kappa Sigma), Kimberly Byrd (Sigma Nu), Brenda Lee Jordan (Alpha Kappa Alpha), Beth Mathis (Johnson Hall), and Lee Rohner (GSC Student Recreation and Park Society).

Alumni reunions were held on Friday and Saturday, with an Alumni luncheon preceding Saturday's ballgame. Former Georgia Governor Carl Sanders, keynote speaker at the luncheon, was honored by a monument dedication for his work as chairman of the Stay and See America in Georgia America Bicentennial Program. Dr. Woodrow Powell, GSC professor of English, was named GSC Alumnus of the year by Kathy Martin, director of alumni affairs.

# Field of 50 Participants In First Annual Dale Lick Run

## Kina, Faris, and Carpenter Take Top Honors

The first annual Dale Lick Run was held October 31, sponsored by the intramural department. A field of 50 hopefuls turned out for the event to run the 5,000 meter course.

In the men's division, Paul Kina took top honors with a 15 minute two second timing. Debbie Faris out-paced her opponents to capture the women's crown. Her time was 19 minutes two seconds. Harry Carpenter won the faculty division posting a 17 minute three second timing.

# Alison Delany Miss GSC 1979

Alison Delany was crowned Miss GSC 1979 on Saturday evening, March 10, out of a field of 18 contestants. Angie Joyner was runner-up and also the winner of the swimsuit competition. Marti Brazill won the talent competition.

A sophomore from Atlanta, Alison sang a medley of Linda Ronstadt songs which she plans to sing in the Miss Georgia pageant in June. She represented GSC in the Miss Savannah pageant on March 27.

## CLEC Presents Six Programs in 1978-79 Series

The Campus Life Enrichment Committee (CLEC) sponsored six events, including a play, jazz concerts, and ballet, during its 1978-79 series.

"Antigone," a John Housman production, was performed by The Acting Company on October 12 in McCroan Auditorium. Labeled as "the finest repertory company in New York" by the New York Times, The Acting Company consists of 15 professional actors under the direction of Alan Schneider. Their presentation of "Antigone" is a modern dress version of the Greek classic by Sophocles. The play emphasizes the tragic view of life that requires a price for everything received in this world. It focuses on the conflict

between man's law and moral law, political expediency and human dignity.

The Jamz Dutton Percussion Arts Orchestra appeared in concert November 30 in Foy Auditorium. Eight musicians blended the contemporary idiom with the classical discipline, using 100 instruments with 1000 sounds to produce American, Latin, and African styles. Each member of the group plays almost every instrument the group uses. The primary instrument is the marimba. Other unusual ones include the African Kalimba, Go-Go Bells, Cabaza, Temple Blocks, Antique Cymbals, and Lujon Drums. Dutton, leader of the group, described their sound as "exotic, wild, and free."

CLEC's third program was a Nina Beilina violin concert on January 16 in Foy Auditorium. Acclaimed as Russia's foremost woman violinist, Miss Beilina has won three major international competitions — Enesco, Jacques Thibaud-Marguerite Long, and Tchaikovsky. She has toured in every major USSR city as well as Eastern Europe and South America. Her repertoire includes complete Bach and Beethoven cycles. Her GSC appearance was part of a USA tour which included her New York debut.

The Rod Rodgers Dance Company held a workshop on February 27 and performed in McCroan, Feb. 28 and March 1. The company has been in existence for 15 years. Although it is a predominantly black group, it has demonstrated its ability to appeal to audiences of all age and ethnic origins.

The scope of the Company ranges from sensual abstraction to more literal drama. It features innovative jazz ballets and unique percussion plays.

It also maintains a year-round studio-school in New York.

The Newport Jazz Festival All-Stars are veterans of the Newport Jazz Festival, which has been called the "great granddaddy of jazz festivals." The seven member group performed in McCroan Auditorium on March 13.

Last summer they celebrated their 25th anniversary on the South Lawn of the White House with President and Mrs. Carter.

The seven members are: Buddy Tate, saxophone; Johnny Mince, clarinet; George Masso, trombone; Jimmy Maxwell, trumpet; Ray Bryant, piano; Major Holley, bass; David "Panama" Francis, drums.

The Brazilian guitarists, Los Indios Tabajaras, performed in Foy Recital Hall May 3.

Rising from a primitive Tabajaras Indian tribe, the duo is now acclaimed as virtuosos on four continents, having appeared in theatres and concert halls of both Americas, Europe, and Asia.

They design their own instruments and perform their interpretations of popular and classic works.

# Chic Performs In Disco Concert

Chic and the ADC Band appeared in GSC's first disco concert on Wednesday, April 11. Performing in front of only 1,296 people, the ADC Band led off with "Reggae Dance," "Baby Love," and "Long Stroke." Chic performed their hit single "Le Freak," as well as "At Last I Am Free," "Chic," and "Savoir Faire."

The SUB-sponsored event proved to be fatal to their budget. Out of an average of 6,500 students only 500 attended the concert, creating a loss of \$12,000.

# Games Students Play

# GSC Groups Sponsor Career Awareness Day

The first campus-wide Career Awareness Day was sponsored on April 18 by the GSC Placement Office, Delta Sigma Pi, and Pi Sigma Epsilon.

Representatives from about 50 firms were housed under tents adjacent to the Rosenwald Building. The purpose of the program is to provide students with an opportunity to discuss careers, hiring trends, and educational requirements with a variety of agency, business, and organization representatives.

Businesses included Bulloch Memorial, IBM Corporation, Georgia Power, Union Camp Corporation, Goodyear Tire and Rubber, Eastern Airlines, and Franklin Insurance Company.

# GSC Helps County Sponsor Alcohol Awareness Festival

The Bulloch County Alcohol and Drug Abuse Council along with Student Affairs and the Housing Department at GSC sponsored an Alcohol Awareness Festival, May 8, at GSC.

The festival, which highlighted Alcohol Awareness Week (May 7-11), was held at Landrum Center.

"The festival covered both the pros and cons of alcohol," said Linda Serf, house director at Warwick Hall.

Facts were given on the choices and responsibilities of alcohol abuse. "All philosophies were presented," she said.

Thirty to 40 exhibitions were open to students, staff, administration, and the community.

Campus dorms participated in a bulletin board contest and in a window painting contest at Landrum.

# Students Honored, Bice Named Professor of the Year

Dr. Herbert Bice, GSC math professor, was named Professor of the Year at the annual Honors Day Convocation on May 14. Bice was chosen by student vote conducted by Gamma Beta Phi.

The keynote address was given by Dr. Sam Riley, 1978 Professor of the Year.

Among the awards received, Cecil Baxter Bray III was named recipient of the 1979 Alumni Association Scholarship Award. The award is given annually to the graduating senior who has compiled the highest academic average for four years of study at GSC.

# SUB Sponsors Milwaukee Ballet Company

The Milwaukee Ballet Company appeared in McCroan Auditorium on February 1, sponsored by the SUB.

The company, under the direction of Jean Paul Comelin, performs a full array of classical favorites and contemporary masterpieces. It is gaining a reputation as one of America's finest and most versatile dance troupes.

Stressing the unique excitement of

seeing works performed by artists they were created for, the Milwaukee Ballet's repertoire includes many original works, representing a wide variety of styles. They range from the simple and moving "Song for Jose," a tribute to Jose Limon, to a new, full-length production of Tchaikovsky's "Nutcracker," especially designed for touring.

Other relay records were dropped by Jones, Donna Hendrick, Osmer, and Lynn Robinson in the 200 yard

relay with a time of 1:45.4 and the 400 yard free relay of Catherine Miller, Toni Lyon, Osmer, and Robinson broke the record with a time of 4:03.1.

Individual records were broken by Jones in the 200 yard individual medley. Farris set a new 50 yard backstroke record and Jennifer George broke the 100 yard breaststroke record.

# GSC Enters Southern League

The GSC Water Polo team entered the Southern Water Polo League this season in an attempt to upgrade its schedule. The Eagles played teams such as Lynchburg, James Madison, Florida State and Duke.

Two GSC players made the 1978 Southern Water Polo League All-Conference Team. Freshman goalie George Evans was named to the first team while Senior defensive player Larry Peake was an honorable mention selection.

The Eagles completed their season with a 5-4 record in league play and a 9-4 overall record.

# Eagles' Season 9-18; 13-Game Losing Streak

The GSC Eagles began their regular season with an 86-68 win over the Georgia State Panthers. Matt Simpkins led the scoring with 35 points and Kevin Anderson added 22. Wins over Armstrong State, Austin Peay, and South Alabama boosted the record to 4-0 before GSC suffered an overtime loss to UT-Chattanooga, 87-86.

A John Fowler tip-in with three seconds remaining in the game gave GSC their first-win-ever over UNC at Charlotte, 82-81.

However, the Eagles record dropped to 6-4 after losses in the Poinsettia Classic and in the Kiwanis-Old Dominion Classic.

Homecoming 1979 saw GSC defeated by the Augusta Jaguars, 88-86. The Eagles made only 30.4% of their goal attempts in the first half

and 40% of free-throw attempts. Five minutes had passed in the second half before the Eagles scored. The Jaguars built up a 21-point lead with 11:37 remaining. The Eagles finally pulled within two with 37 seconds left, but were unable to pull off a victory.

The Eagles' losing streak continued with losses to South Carolina, Mercer, Wake Forest, Virginia Tech, and Northwest Louisiana. At the end of the season, the losing streak was a record-setting 13 games, bringing the season to a 9-18 close.

The season, while not memorable, did have its bright spots. Kevin Anderson finished his career as GSC's third leading scorer with 1,843 points. Senior Matt Simpkins was named to the all-tournament teams at the Poinsettia and Kiwanis-Old Dominion Classics.

# Women Place Second in GAIAW's Southern Division

The women's basketball team finished its season, 11-13, finishing second in the GAIAW's Southern Division.

The season began with a three-game losing streak which was snapped by a 96-73 win over Savannah State.

An 84-81 victory over Fort Valley State was the team's first comeback win. Debra Linebarger and Terrie Houston led the scoring with 19 and 18 points, respectively, as the team rebounded from a 51-41 deficit.

With 14 points, Lisa Feix led the Lady Eagles to their second straight comeback win, beating Albany State 64-62. Feix made four clutch free

throws in the last 1:30 of the game and Debra Linebarger made a last second steal to clinch the win.

Although Terrie Houston scored 18 points against Mercer of Macon, the Eagles winning streak snapped, losing 84-68.

Later in the season, another victory over Fort Valley State, 77-76, upped the record to 10-8. GSC's ladies shot 52% from the floor. Houston scored 28 points with teammate Kay Martin adding 15.

The girls closed out their regular season play with an 87-81 loss to Valdosta State, a team GSC Coach Crowder called "the best in the state." Crowder described the game as "our best effort of the year."

Front Row: Mary Lou Garrett; Kay Martin; Renarda Baker; Sue Hoover; Jan McCord; Lisa Feix; Pam McDonald. Top Row: Donna Moss, Assistant Coach; Micah Ward, Assistant; Debra Linebarger; Terrie Houston; Susan Fuller; Joanie Wel Mitzi Timmons; Ann Clarke, Manager; Linda Crowder, Head Coach.

# Gymnasts Post 4-4 Record

The gymnastics team posted a 4-4 record this season against such competition as Memphis State and The Citadel. The men also competed in the NCAA Regional Qualifying Meet with third year gymnast, Bob Stanley, finishing 12th.

After ranking second in the Eastern Division, Stanley competed in the pommel horse competition at the national AAU championships, placing third.

# Ladies Win Second Straight GAIAW State Championship

GSC's Lady Eagles stormed their way to their second straight win of the GAIAW State Championship, a berth in the Regional Tournament, and a season record of 23-11.

The season opened in a doubleheader against Georgia Southwestern, GSC winning 3-2 and 4-3.

After losing to Armstrong State, the ladies split with Jacksonville and Auburn. The win over Auburn led to a six-game winning streak, which was ended by Georgia Tech.

Another six-game winning streak was ended by West Georgia at the end of the season, shortly before the state championship hosted by Georgia Southern. In the finals, GSC faced West Georgia for the state title.

In the Women's Regional Softball Tournament in Tallahassee, Fla., GSC was seeded fourth. After drawing a first round bye, the

Eagles lost to Auburn, 4-3. In their second game, the ladies rallied from a 6-3 deficit in the bottom of the seventh inning, scoring four runs on five hits, to defeat Armstrong State. The winning run came on the strength of Lisha Turley's double, which sent senior Ann Bryant across the plate to seal the victory.

The Eagles were eliminated in a game against Delta State, losing 4-3. Tied 3-3, going into the seventh inning, GSC came up with a two-out, bases loaded situation, but failed to connect. In their half of the inning, Delta State loaded the bases because of a couple of GSC errors, and pushed across the winning run, nailing down the 4-3 victory.

In the Regional, Janet Reddick went 8 for 12 at bat and produced the only GSC homerun in the three games.

# GSC Hosts Tourney; Eagles Win State Title

The Lady Eagles captured the Georgia State Championship title for the second straight year, earning the right to participate in the region tourney in Tallahassee, Fla.

GSC defeated Georgia Southwestern, 10-5; West Georgia, 5-4; and Armstrong State, 2-1. The Eagles played West Georgia for the title, losing the first game, 5-4. In the deciding game, GSC's ladies defeated West Georgia, 8-2, to win the title.

# GSC Finishes Second In Schenkel Invitational

GSC hosted the ninth annual Chris Schenkel Invitational Golf Tournament April 27-29 with 21 teams participating.

Florida's Gators were awarded the top seed for the tournament on the basis of their six tournament championships at the time. North Carolina, Wake Forest, GSC, and Auburn rounded out the top five seeds.

The Eagles' eight-over-par initial score left them nine strokes behind the Florida State Seminoles and 11 back of the leading Wake Forest Deacons. GSC rallied in the second round, with five-under-par score, to take third position, one shot behind the Gators.

Final round action ended with GSC a stroke up on the Gators but 16 shy of the Seminoles. The Florida Gators, who had won two Schenkel titles, finished third. They had previously won in 1973 and 1975. In 1978, the Florida team finished fourth.

Defending champion Wake Forest, who has won four Schenkel titles, finished fourth, with Ohio State, N.C. State, LSU, South Florida, North Carolina, and Eastern Kentucky rounding out the top ten.

In individual scoring, GSC's Jodie Mudd finished fourth with a score of 213. Wake Forest's Gary Hallberg finished first with 205.

# Golfers Receive Eighth Straight Bid to NCAA Tourney

GSC's eleventh ranked golf team received its eighth consecutive bid to the NCAA Championship since 1971.

Although the Eagles did not win any of the seven spring tournaments, they never finished lower than fourth in any of them. The team took second place in four of them, including the Duke Invitational and the Gator Invitational.

In the Palmetto Intercollegiate, the Eagles, tied for the lead after the first round, fell 15 strokes off the pace in the second. A strong finish in the third and final day of play saw GSC pull within three (1109) of North Carolina's winning 1106 to finish second. Freshman Jodie Mudd tied for fourth with junior Tom Carlton with one-over-par scores of 217.

GSC finished fourth in a field of 20 at the Furman Intercollegiate. Florida won with 572, GSC had 589. Eagle Pat Lynn tied for eighth with a one-over-par 145.

In the Southern Junior-Senior Golf Championship, GSC finished third with 294. Mudd finished with an even par total of 216.

# Eagles Set 14 Records in 45-13 Season

After a 38-15 record in 1978, Coach Jack Stallings and his Eagle dugout faced a promising 1979, enhanced by newcomers and returning players. The club pommelled into a 45-13 season, setting 13 school records and one NCAA record, and landed a berth in the NCAA Regionals.

As a team, the Eagles have scored more runs (483), slapped more hits (630), banded more doubles (219) and homeruns (55), and gained more total bases (972) than any other GSC team.

Mark Strucher blasted 26 homeruns in the 58 Eagle games, breaking the national record of 25 set by Bob Horner, former Arizona State star now an Atlanta Brave. Horner took 88 games to set the record — 30 more than Strucher took to break it. He set three school records: 85 RBI's, 187 total

bases, and an .858 slugging average.

Junior shortstop Scott Fletcher broke the records for runs scored (74), hits (96), and stolen bases (29). His .417 batting average was only one point from tying the GSC record.

Senior outfielder Chip Gray set a record of eight triples.

The team batting average of .326 is the second best ever. The pitching staff set a record too: fewest hits allowed in one season, 384.

GSC was seeded third in the NCAA playoffs and finished third by losing twice to Clemson, 8-4 and 2-0, while beating unranked Citadel, 5-3.

Catcher Carmelo Aguayo and shortstop Scott Fletcher were named to the All-Tournament team of the South Atlantic Regional. They were also named All-American.

# GSC Finishes Third in NCAA Regional

GSC finished third in the NCAA playoffs, eliminated by two losses to fifth-ranked Clemson. The Eagles did beat unranked Citadel.

Eagle bats were quiet during the playoff; only nine runs were scored in three games, compiling a slight .210 batting average.

# Women's Tennis Places Second in State

Top seeded Susan Hunter and second seed Kim Moseley led the women's tennis team to a second place finish in the state with a 15-7 record.

The season opened with a big 8-1 win over Jacksonville. Moseley, Kirby, Gray, Handwerk, and Bachman led the way with singles victories.

James Madison handed the Eagles the first loss of the season, 5-4, at the first home match.

Later in the season against Lehigh, GSC's top three seeds were defeated in singles competition. However, the Lady Eagles held on to win, 5-4.

Stetson and College of Charleston handed GSC back-to-back defeats, 0-9. But the Eagles won over Armstrong State, 8-1; their only loss was a Hunter fall, 6-4, 6-2.

When GSC played Columbus, the Eagles battled rain from a tornado to win 6-3. Other wins that day included 8-1 victory over Berry and 7-2 over Shorter.

GSC's first conference loss was a 9-0 defeat by Georgia. Shriver's team only lost two more conference games during the season, to finish with a 10-3 conference record.

Regular season play ended with 7-2 victories over Emory, Armstrong, and Flagler.

# Men's Tennis Posts 21-4 Record

The men's tennis team completed its best season ever with a 21-4 record. Its main conquests included wins over Kentucky, Georgia Tech, and Division II power Flagler.

The GSC team completely dominated the Rome Invitational, coming away with six out of nine championships. The men placed fourth in the men's Fall Intercollegiate Tennis

Championships.

The GSC team finished second behind nationally ranked Georgia at the Georgia Intercollegiates held in Athens. David Ewing highlighted play for the Eagles as he upset two Georgia players to reach the quarterfinals, where teammate Steve Morris defeated him. Morris lost to a Georgia player in the semifinals.

# League Sponsors Student Shows

This year the Student Art League initiated a program that in the future will require all graduating seniors to have an exit show in the SUB Gallery.

Other activities of the league included: two art shows; the Third Annual Juried Student Show; and displaying works in several locations on campus.

The club also co-sponsored a series of "Films About Art" as well as several speakers including Robert Pincus-Witten.

## American Society of Interior Design

The American Society of Interior Design is the professional organization for designers. The student chapter here at Southern has contact with professional members of ASID. This is beneficial to students, because they get a taste of what is really happening in the world of design. During the winter of 1979, ASID took two trips of great significance. The trip to Miami for the Southeastern Regional Conference was enlightening as to what designers are accomplishing today. The trip to Charleston consisted of a candlelight tour of the historic houses and other related activities.

## Southern Rugby Club

# Emphasis Is on Team Effort, Spirit

The Southern Rugby Club, formed last spring by Pat Thornton and Skip Hansen, is growing by leaps, bounds, and crutches.

Rugby originated in Great Britain in the early 1800's at the rugby school. Games are called matches, the playing field is called a pitch, and a goal is called a try.

There are no time outs during a 90-minute match other than the five minute half. No substitutions are allowed, and, if a player is injured and carried off the field, the team plays without replacement.

Considering the cutthroat nature of rugby, the spirit of camaraderie shared by the players is astonishing. And, even though rugby isn't a delicate game, serious injuries are rare. The spirit of the game is what really counts.

The public and "ruger huggers," or cheerleaders, are invited to all games.

WVGS

## Radio for You

WVGS, the "Voice of Georgia Southern," was instituted in the fall of 1974 to provide the students of Georgia Southern College with a musical alternative to the pop-hype heard on most stations. During the four years that WVGS has been in operation, it has widened in scope and now offers such diverse programs as "The Great Atlantic Radio Conspiracy," "The Chicago Symphony Orchestra," and "The Comic Interlude."

The radio station has gone through four managers; three different logos: "a progressive alternative," "the radio station," and the current "radio for you"; and many, many disc jockeys. Begun by a group of dedicated individuals, WVGS was unique in that it was album-oriented, free form radio, and it sponsored Georgia Southern's first male Homecoming queen in 1979.

WVGS is open to all students and organizations on campus and welcomes student input. So the next time you turn on your radio, let your radio turn you on, to WVGS, RADIO FOR YOU.

## Staff Concern Is Deadlines

The major concern for staffers is usually that of meeting deadlines. However, achieving this depends on a wide range of persons not on the staff, and most often their cooperation is not forthcoming.

Cooperation stems from communication, which is the problem the staff hopes to lessen each year until the right formula is derived to permit ideal working conditions.

Staffers who remained at the end of the year were: Bill Bricker, Organizations; Mike Ingram, Administration/Faculty, Organizations; Cindy Sanders, Sports; Tom Deal, Photographer; Pat Leaphart, Photographer; Tom Patton, Photographer; Tim White, Photographer; Dr. Keith Hickman, Darkroom Technician, Adviser. Terri Webb, Editor; Melinda Flanigan, Associate Editor; Butch Freeman, Business Manager.

# Alpha Kappa Alpha Group's Goal Is Service to Mankind

An organization is an entity composed of members, who through communication, have a willingness to serve, joined for the achievement of a common goal. With this in mind, 20 coeds, in 1908 at Howard University in Washington, D.C., established the Alpha Kappa Alpha Sorority, Inc.; their goal — service to mankind. The now 71-year-old dedication was chartered at GSC on May 7, 1977, marking the initial existence of a black sorority on this campus. Thus AKA is not only the world's first black sorority, but GSC's as well. While membership in AKA is predominantly black, it is not restricted to blacks.

In keeping with the goals of AKA, the Lambda Kappa chapter seeks to provide an incentive for scholarship, cultural awareness, and social participation. AKA takes on the challenge of being women and reaps the rewards of personal growth and social awareness.

# Alpha Tau Omega Goal Is High Level of Achievement

## Dr. Lick Inaugurated at Spring Graduation

Dr. Dale Lick assumed the Office of President on July 1, 1978. Dr. Lick served almost a year before being inaugurated as the ninth president of Georgia Southern College. Instead of having a separate ceremony for the inauguration, Dr. Lick wanted to combine it with Spring Graduation, saving the college about \$15,000.

President Lick said he liked GSC "very much" and considers it to be an "outstanding" institution. He "likes the friendly atmosphere on campus."

When asked about his plans for GSC, Dr. Lick replied that there is "much more to do than can be done, even if we rush." He wants GSC to continue growing on the basics, such

as the worth of all people and serving the needs of the people.

Dr. Lick believes GSC can serve the needs of the people of south Georgia through instruction, research, and public services. Some of these needs will be met by the planned nursing program for GSC and expansion of the continuing education program.

Dr. Lick wants to further strengthen ties between the college and community. He also wants to improve relations between faculty, staff, and students.

President Lick's first year was active. He worked to improve connections between GSC and other colleges across the state and for the approval of a nursing program at GSC.

## Dr. Austin Commends GSC on Atmosphere for Learning

After being at GSC for one year, Dr. Charles Austin, Vice President of Academic Affairs, said GSC had a "good atmosphere for learning" and he likes working with the student body and faculty here.

Dr. Austin places primary emphasis on "continuing a high quality of education" at GSC. A good general edu-

cation and a comprehensive set of programs should also be offered.

Dr. Austin holds a B.S. in Mathematics from Xavier University, a M.S. in Health Administration from the University of Colorado, and a PhD. in Social Science from the University of Cincinnati.

## Cook Becomes First Business Vice-President

Mr. Bill Cook became GSC's first Vice President for Business and Finance as a result of a decision by the Board of Regents in February. Already serving GSC under the title of Director of Administration and Fiscal Affairs, Cook had been functioning as a Vice President without the title or promotion. The responsibilities of the job did not change or lessen, but made his job more definable.

# Campus Security — More Than Night Watchmen

Campus Security, as it is today, was started March 1, 1965. Before this time GSC only had night watchmen. In 1969 Security moved into their present office from their previous location in the old gym. Campus Security is composed of 12 patrolmen, three radio dispatchers, one assistant chief, one chief, one secretary, and one criminal investigator.

FIRST ROW: Henry Anderson, Sidney Deal, Ricky Lovett, Debbie Graham, Sidney Smith, SECOND ROW: Ed Taylor, Alphonso Parrish, Doy Newton, Jimmy Smith, Wendell Smith, Pat Ivey, Randy Blackburn, Joyce Youngblood, Marvin Riggs. THIRD ROW: John Dormire, Lewis Sandlin, Fred Lanier.

# Former Racer Now Professor at Southern

For eight years, Dr. Hugh Joiner was involved in some form of sports car racing. Now a history professor at GSC, Joiner is still a sports car enthusiast.

He raced his Austin-Healey Sprite mainly in the Chicago area, driving in rally races. In addition, Joiner has officiated at sports car races, including flag marshal at Savannah races, and written articles for a racing magazine.

In addition to teaching, Joiner also writes, attends theatre, and plays tennis.

# Riley's Writing Funds His Travel Fever

Dr. Sam Riley has been a journalism professor here at GSC for five years. However, his "writing-sponsored" travelling is his hobby.

Dr. Riley has traveled to Germany, Italy, and around the South. He tries to finance his travels by writing. Most of the articles he writes are about the South. These articles are mainly aimed at Northerners who will be traveling in the South.

Dr. Riley has a humor column in

*The Southern Beacon* called "Southern Whimsey." He is a contributing editor for *Coastal Magazine* and is currently writing for a new magazine called *The Southern World* which is being published on Hilton Head Island. He has written articles for several well known newspapers including *The Los Angeles Times*, *The New York Times*, and *The Washington Post*.

# Fall Faculty-Staff Family Frolics

The first annual Fall Faculty-Staff Family Frolics was held at GSC on October 29. Twelve divisions competed for the "President's Cup" in softball, volleyball, and other games.

President Lick and his wife felt that some event should be held to bring the college people together. A faculty picnic was planned with the aid of Linda Hook, a recreation instructor who headed the project.

Over 1,000 faculty and staff members and their families participated. Children could win points for their parents' division in any of 19 picnic games involving everything from egg and marshmallow races to relays.

Personnel Office, Computer Services, and Security won the "President's Cup." Auxiliary Services placed second and Student Affairs placed third.

Hotdogs, ice cream, cookies, and popcorn were donated by the community for the event.

footsteps falter and  
some hesitate,  
uncertain of purpose  
and lacking

pain, unhappiness.**

*Our happiness in this world depends on the affections we are enabled to inspire.*

— Duchesse de Praslin

Each is eager to experience all of life, not accepting it vicariously.

*Widely as we stretch our  
reverent conceptions, there  
is ever something beyond.*

— A. Maclaren, D.D.

**As we gain confidence,  
individual paths begin to branch  
off. And, supported by our time  
together, each one steps out in  
his chosen direction to follow  
his arrow.**

*The intent and not the deed  
Is in our power; and,  
therefore, who dares  
greatly, Does greatly.*

— Brown
