The future is lying ahead  
of us  
But we can't really see

The path that is planned for us -  
What is yet to be.

We are free to pick  
and choose the path -  
The way that we  
must go.

We are free to find  
the time and place  
Where our dreams  
may grow.

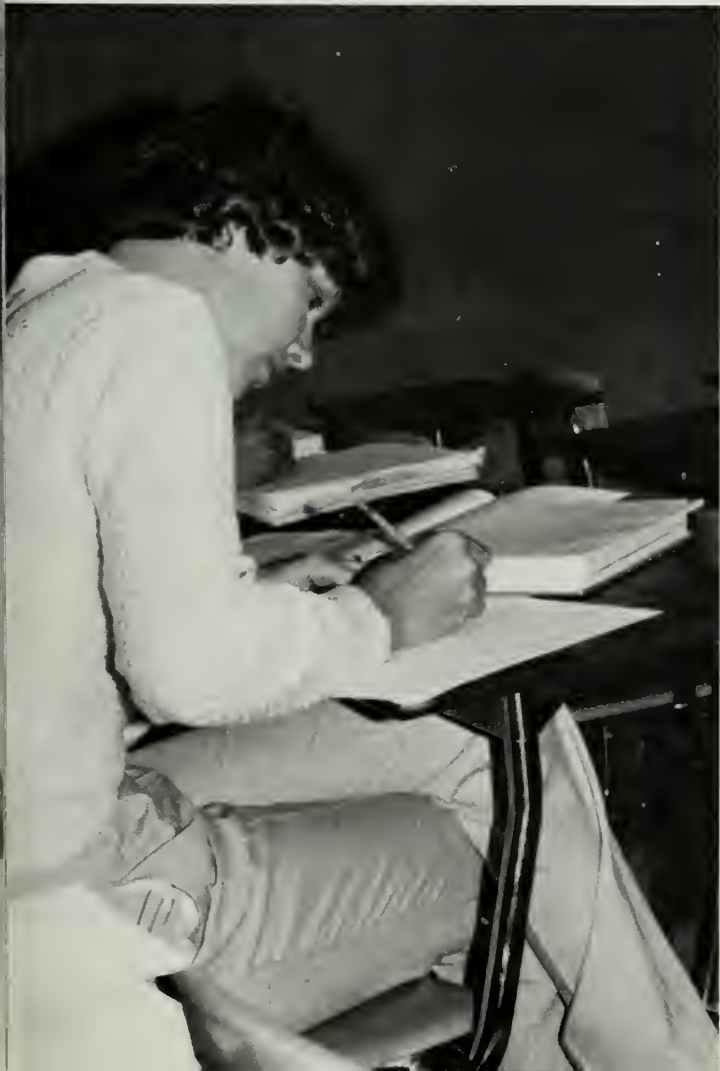

We are free to sit back  
and relax,

Live our life  
from day to day.

We are free to go to  
parties and to socialize

And dream  
our life away.

We are free to accomplish  
Together or alone.  
Accomplishments may be big  
or small,  
Yet ours to call our own.

Appreciate this freedom  
And all that it can mean.

We're free to express,  
to speak, to live,  
A life along our dream.

# Beth Mathis Crowned 1981 Homecoming Queen

January 30 and 31 was Homecoming weekend at GSC. There were a flurry of activities for students, alumni, and the Statesboro community. The festivities included a parade, basketball games, alumni lectures and reunions, and other events.

Lt. Gov. Zell Miller was the Grand Marshall of the traditional Homecoming parade. The parade included other state and local dignitaries, clowns, floats, and crazy cars.

Saturday afternoon was the Lady Eagles vs. Georgia Tech basketball game with the men's game with Armstrong

State afterward. The crowning of the GSC Homecoming Queen was held during halftime of the men's game. Miss Beth Mathis was crowned the 1981 Homecoming Queen.

An art exhibit was sponsored by the Student Art League on Homecoming Saturday. Congressman Ronald "Bo" Ginn was the featured speaker at the annual Alumni Awards Luncheon. An added attraction to this year's events was Fieldign Russell, a retired GSC professor of English, delivered an alumni lecture on Friday afternoon.

# Dewey, Thompson Receive High Honors

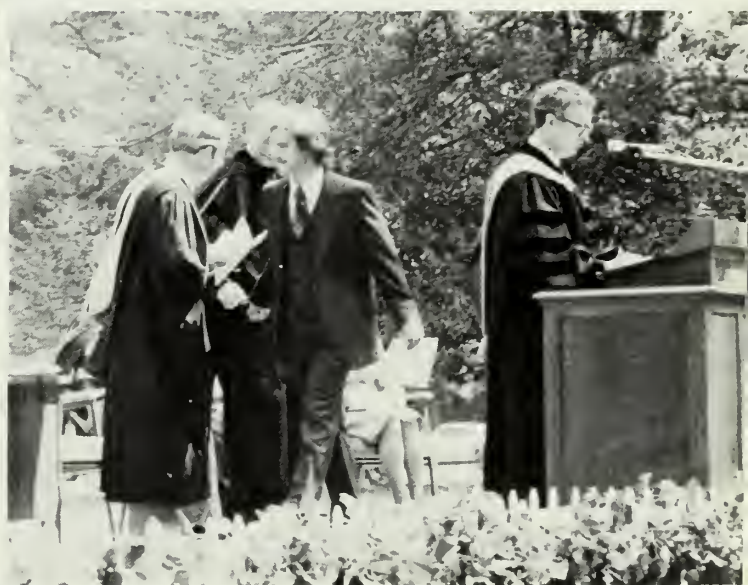

Georgia Southern's annual Honors Day ceremony was held Friday, May 15. Russell Dewey, assistant professor of Psychology, and Jesse Thompson, a GSC senior, received the high honors of the day.

The Professor of the Year Award was received by Dewey from Gamma Beta Phi. The Alumni Association Scholarship Award, given to a GSC senior with the highest GPA, was awarded to Thompson.

Excellent Scholarship Awards, presented to seniors with at least a 3.8 GPA, were presented to 26 seniors. Who's Who Among Students in American Universities and Colleges were awarded to 16 students and 29 students received Constructive Leadership and Unselfish Service Awards.

Delma Presley, professor of English and 1980 Professor of the Year, gave the Honors Day address. "If a professor loves learning and those who learn, he will not burn out; he will pass on the flickering candles which without society cannot find its way," said Presley.

# BETA ALPHA PSI

Beta Alpha Psi is an honorary and professional accounting fraternity with about 143 chapters nationwide. It is designed to give accounting students the opportunity to learn more about the accounting profession and to work with students of accounting from other schools.

The Zeta Delta Chapter was granted a charter on November 15, 1980, making GSC the only college in the state to have such a fraternity.

The major project for this year was the sponsorship of a Volunteer Income Tax Assistance program held during winter quarter. Through the program, the students assisted the elderly in the community in filling out their tax forms. The fraternity also co-sponsored a Meet-the-Accountant Night each quarter. These evenings were sponsored to promote interaction between GSC accounting students and professional accountants in the local community.

The chapter also enjoyed the opportunity to tour DeLoit, Haskens, and Sells in Jacksonville, Fla. This CPA firm is one of the eight largest in the nation.

## BIO-SCIENCE CLUB

From canoeing the silent murky waters of the Ebenezer Creek to removing the unsightly bloom of algae chocking the GSC ponds, the Bio-Science Club has been on the move both to enjoy and improve the environment. Interesting speakers from all facets of biology presented programs to the club, including a "Forensic Pathology" presentation by Dr. J. Robert Teabeaut II, M.D. from the Medical College of Georgia; "Tips on Birdwatching" by Pat Young, Department of Game and Fish; "Trace Minerals" by Dr. Kishwar Maur, GSC Biology Dept.; and "Slides from Antarctica" by Thomas Love.

Service projects of the BioScience Club include sponsoring an International Coffee Hour, Aluminum Recycling, Purchase of Subscription to Science '81 for the Library, and purchase and planting of two Tulip Poplars in honor of Earth Day 1981. The club has undertaken the long-range project of creating a Mini-Park behind the Biology Building, as well.

And, there was time for recreation - numerous trips to the Canoochee and Ebenezer Creek, a homemade ice-cream supper, and a Fall - quarter cook-out given by the Biology Faculty.

# BLACK STUDENT ALLIANCE

The Black Student Alliance was formed mainly to promote cohesiveness between black students and the black student organizations. The BSA is composed of the black student organizations recognized by GSC, namely, the Afro-American Club, Alpha Kappa Alpha Sorority, Alpha Phi Alpha Fraternity, Delta Sigma Theta Sorority, and Kappa Alpha Psi Fraternity. The BSA representatives body is comprised of members from each organization.

In addition to promoting cohesiveness between black students and the black student organizations, the BSA also serves in assisting GSC in the recruitment of black students and faculty as well as securing funding for black cultural programming.

Activities sponsored by the Black Student Alliance have included the Black Lecture Series and a Gospel Concert, in which all proceeds went to Georgia Grace Memorial Home.

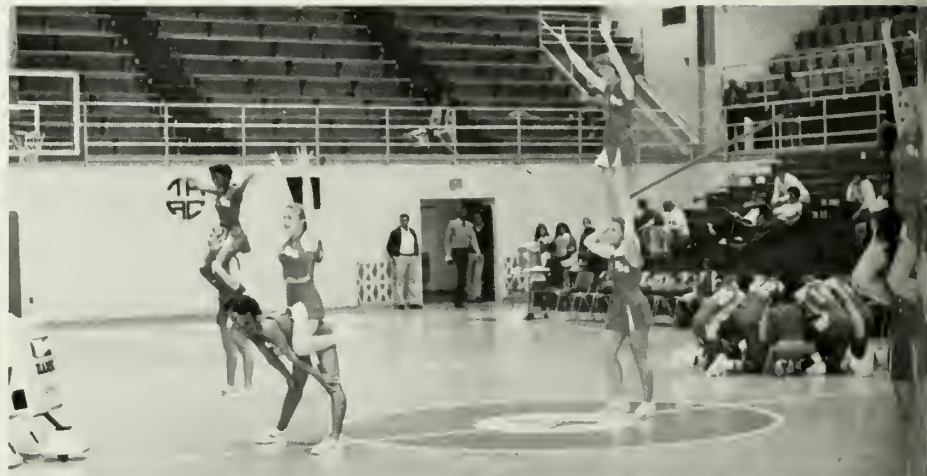

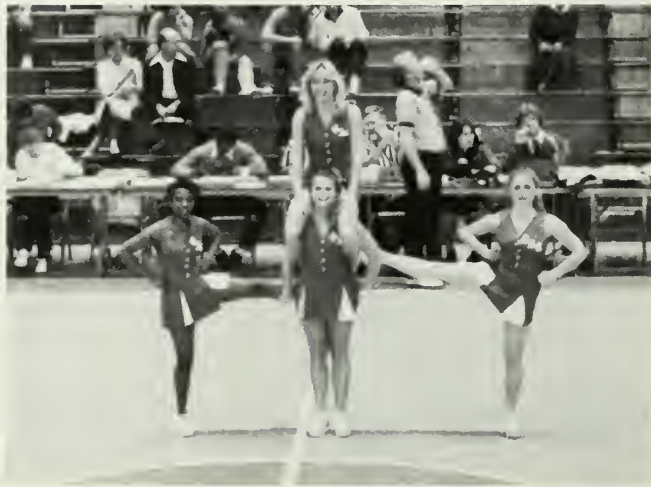

The members of the group include from left-right: Larry O'Neal, Jerome Huff, Karen Anderson, Rhonda Austell, Wayman Aldridge, Reggie Miller, Carol Lindsey, Billy Hightower, Anthony Keel, Angela Dawson, Cassandra Adams, Elaine Daniely, Kevin Graham.

# CAMPUS CRUSADE FOR CHRIST

Campus Crusade for Christ is an organization open to all interested students. Its main goal is to fulfill the Great Commission - this is, reaching the world for Jesus Christ. This year the Crusade sponsored several evangelistic activities, such as a three night series by traveling speaker, Dick Purnell, in addition to their regular weekly dorm Bible Studies. Through other means such as weekly Leadership Training Classes and bi-weekly times of fun and fellowship called King's Fellowship, Campus Crusade makes available to students practical training in how to keep their walk with God a consistent, exciting experience.

# CHEERLEADERS

## CHESS CLUB

The GSC chess club had their annual election in early October, 1980. The election resulted as follows: President - Walter L. Jones; Vice President - Chris Walker; Secretary/Treasurer - Allan Mulford; and Faculty Advisor - Robert F. Brand.

They also had a tournament to decide on a champion. The club champion is Walter L. Jones, 2nd place went to Chris Walker. Meetings of the chess club are held every Friday night at 8:00 in Williams Center.

# CHI OMEGA

Chi Omega pioneered in recognizing what the group can do in the development of the individual. Chi-O, through its purposes, policies, and achievements, provides a favorable environment for the further development of its members - intellectually, emotionally, and socially. Chi-O had an action-packed year that started by winning Sigma Chi Derby Week. Later they had their annual Christmas Formal, Parent's Weekend, and Valentine Dance. Beth Mathis, their Homecoming Representative was chosen as GSC's Homecoming Queen. The sorority participated in the Alpha Delta Pi Dance Marathon for the Kidney Foundation and won the spirit award. Also, Pam Bone won Miss Congeniality in the Miss GSC Pageant. The highlight of Spring Quarter was their Founder's Weekend.

In intramurals, they won 1st in volleyball, 1st in Freethrow Competition, 1st in bowling and runner-up in basketball.

## CONCERT BAND

This year the Concert Band was very busy performing their many concerts. They performed three major concerts, one each quarter. They played at Honors Day as well as taping for a band album to be released next fall, which they are very proud of. Also, to wind up the year the band played at the David Amram Concert which is a part of the Contemporary Music Festival. The director of the Concert Band is Dr. Harry Arling.

# DELTA CHI

Delta Chi enjoyed a successful year in 1980-81. Their brotherhood flourished as they participated in many public service projects and enjoyed many social and athletic events together. This year saw them make a name for themselves on campus. Collecting money for the High Hope School, ushering Eagle basketball games, and participating in the Miller Pick-em-up were only a few of the beneficial things that they did for GSC and Statesboro.

They continued to grow closed in brotherhood as they enjoyed excellent socials, successful athletic seasons, and good times in general. With all of the success and setbacks, however, their brothers continued to grow closer in the bond of Delta Chi.

1st row l-r: Steve Dolphyn, Greg Harper, Alan Bacon, Jose Ramirez, Larry Stevens, Jeff Mitchell, Don Harty, Mark Trammell, 2nd row: Scott Sherwin, Tim Sudderth, Jeff Thomas, Robber Coker, Brad Vision, Mark Wigton, Bill Daprano, Jeff McDuffie, Tim Kraszewski, John Pocock, Pat Smith, Curtis Jones, Paul Miles, Howard Alter, Scott Belk, Scott Mills, John Hall, Steve Rary, Dave Buschell, and Greg Bender.

# DELTA PHI ALPHA

Delta Phi Alpha is a national honor society for German students. The society gives the students another opportunity to learn and understand Germany's culture and history and to better learn how to use the language.

The chapter was started in 1969 and is advised by Dr. Jerry Weatherford. To qualify to be in the society, one must have completed at least three quarters in German and have a good to excellent record.

Activities of Delta Phi Alpha include

regular German Dinners, guest speakers, and a trip to Helen Georgia's Oktoberfest.

The members in the group include: sitting l-r: Mark Andrews, Dr. Lowell Booma, Bill Schuessler, Tom Worth, Cil Walrath, Belinda Owens, Thurnell Brinson, rear: Julie Heather, Beth Weatherford, Dr. Jerry Weatherford, Monica Lynch, Harst Inde, Erika Fischer, Tommy Pinkerton, Tom Rabb, Margnethe Huitfeldt and Peter Nieininen.

# DELTA SIGMA PI

Delta Sigma Pi, the Professional Business Fraternity, had a very active year. The fraternity toured several businesses in Statesboro, Savannah, and Jacksonville. The Annual Rose Dance was held at Jekyll Island.

The Epsilon Chi Chapter also co-sponsored the First Annual Business Leader Award with the Statesboro-Bulloch County Chamber of Commerce. Many other activities kept the chapter busy including Career Day, forming a local Alumni Club, professional business speakers, the Air Display and carwashes.

# DELTA ZETA

The 1980-81 school year was a winning time for the Iota Nu Chapter of Delta Zeta. President, Kearney Stafford, served on the DZ National Nominating Committee and accompanied Chapter Advisor Bernice Kellogg to New Orleans for the 1981 National Convention.

Delta Zeta was extremely active in Service Projects. They participated in the Heart Fund, Blood Mobile, and Special Olympics. Their high spirit and enthusiasm brought home the 1st place trophy in Alpha Delta Pi's Kidney Dance Marathon and Pi Kappa Phi's and ATO's P.U.S.H. program for the handicapped.

Delta Zeta was also active in

campus wide events. They participated in Sigma Chi's Derby Week and welcomed GSC Alumni by placing 2nd in the Homecoming Float Competition with Sigma Nu. Cheers for Delta Zeta could be heard as the sisters participated in Intramural Sports bringing home the 1st place trophy in football. DZ participated in all Greek Week activities, placing 1st in greek swim. Teresa Edge ran back to DZ with the first place trophy for the Dale Lick Run. Leslie Stevens was awarded the first Greek Scholarship from the Southern Greek Housing Corporation.

Delta Zeta's social events included their Initiation Banquets, Fall Pledge Dance, and Parents Weekend.

# FELLOWSHIP OF CHRISTIAN ATHLETES

The FCA endeavors to know more about Jesus Christ and His way of life, to be active in his church, to strive to be Christians in their personal lives, and to share their convictions with others.

To accomplish these things on the campus of GSC, they participated in various projects including sponsoring a concert by Mike and Von Rogers, served as marshals in the Smokeout Road Race, visited an area nursing home, and raised money through a bike-a-thon to send one of its members overseas with Sports Ambassadors.

Student involvement on Tuesday nights, included Bible Study, praise, and fellowship. Group activities were highlighted by a weekend retreat, involvement in all intramural sports, and the Spring Cookout.

1st row l-r: Perry Ziegler, Terry Lewis, Joel Hughes, Billy Malphurs, 2nd row: Beth Chambers, Elizabeth Highsmith, Rebekah Robbins, Kathy Baker, Kim Mosley, Carol Harmon, Caroline Shealey, Jan Bowen, Alicia Rainey, Leigh Hawkins, Diane Wellman, 3rd row: Tommy Fulton, Tony McEven, Sherri Tate, Jerry Hughes, Debra Owens, Bonnie Hall, Sue Adamo, Nichelle Moerbe, Randy Barlow, Kehn Dickerson, Chris Johnson, 4th row: Kenny Tarver, Jeff Hughes, David Blackard.

# FENCING CLUB

The Fencing Club was founded in 1972 by Geogg Elder, a graduate student. Members competed in tournaments from October through May and traveled to Atlanta, Athens, Augusta, Columbia, and Charleston. The club held its 9th annual tournament in February and was host for the Georgia Divisional Championships in April. In addition to weekly practice and workouts, the fencers enjoy social events such as Halloween costume parties and pot-luck-dinners.

Members of the group are: front - l to r - Susie Herndon; Nancy Whitfield, Historian; Connie Turner, Reporter; Charlene Lamke, Vice President; Kathy Flieman, President; back - Walter Branch; Allan Mulford, Armourer; Steve Poloney; Dr. Frank French, Advisor; Mark Fiquett, Treasurer

# GAMMA BETA PHI

The Gamma Beta Phi Society was instituted for the promotion of the ideals of scholarship, service, and character among college students in the United States.

It is a non-secret, non-profit, scholastic honor, educational-service organization for the students in colleges and universities. The society's primary purpose is to encourage scholastic effort and reward academic merit, to stand for and promote worthy character and high ideals, as to foster, disseminate, and improve education through appropriate service projects.

GSC's chapter is active throughout the year in campus and community projects. Each year the society sponsors a faculty appreciation day and professor of the year, helps with the blood pressure check-up drive, and often serves as guides for prospective students and as ushers for the Masquer's productions. The officers for this year are: president - Susan Funderburke, vice-president - Don Johnson, Corresponding secretary - Julie Bland, recording secretary - Martha McBride, treasurer - Fred Beverly, activities chairperson - Lynn Rahn.

## GOOD NEWS BIBLE STUDY

Southern's Good News Bible Study is a non-denominational organization open to anyone interested in learning more about God through the studying of his word. The Bible Study has been a recognized organization on campus since Spring 1980. It was originally founded by two dedicated Christians, Patricia Richards and Ezekiel Toby, former students at GSC.

The Bible study has since grown and now has approximately fourteen regularly attending members. They would like to encourage students to come and visit them - you do not have to be a member.

Activities of the Bible Study include visiting a nursing home several times per quarter. At the nursing home they sing songs, read scriptures, talk, and pray with the residents.

Each quarter the Bible Study has a dinner for its members. At the Christmas dinner gifts are exchanged.

The officers of the club include: President, Hayward Cordy; Vice President, Diane Brack; Treasurer, Knarvie Thomas; Secretary, Jackie Herrington; Publicity Chairman, Shirley Boone; Assistant Secretary, Mary Grimes; Special Events, Rosalind Brown; Coordinator of Lectures, Mark Jones.

# PRINTING ASSOCIATION

The GSC Chapter of the Printing Association of Georgia consists mainly of Printing Management majors, but is open to students majoring in public relations, communications, broadcasting, journalism, or any business major.

It is an honor for them to be a member of the Printing Association of Georgia and in turn, to be affiliated with the Printing Industries of America. They benefit from information they receive from the state headquarters in Atlanta throughout the year concerning job opportunities, advances in printing technology, internships, and even general news briefs.

Throughout the year they have had monthly meetings, guest speakers from various printing firms and paper companies, fieldtrips, and socials. Besides the information and speakers, they are exposed to an annual conference for graduating seniors to meet different prospective employers. The GSC chapter is growing fast because of its determined members and interested as well as interesting students.

# PUBLIC RELATIONS SOCIETY

The Public Relations Student Society of America (PRSSA) is an organization which allows students to have personal contact and interaction with public relations practitioners. No classroom experience can compare with the knowledge gained through conversation with a professional. By joining PRSSA, members have a "foot in the door" with over 9000 members nationwide of their parent society, PRSA.

Students develop personal contact and interaction with PR practitioners at the annual National PRSSA conference, and through the PRO-AM program which allows students to work in an office for several days with PR practitioners.

# PUPPETRY GUILD

The puppetry guild is an exciting part of education and learning experiences. Puppetry has many types of experiences. Puppetry is an art form, it is an educational medium, communication medium, and has recreational use. Puppet shows are performed approximately 20 different times a year for people of all ages.

The puppetry guild is open to students, faculty, staff, and the community. The puppetry guild does a lot of community work to meet other people and to show them what puppetry is all about.

Puppets range from simple hand puppets to the more sophisticated marionettes. Participants are taught how to use the marionettes and given their origin.

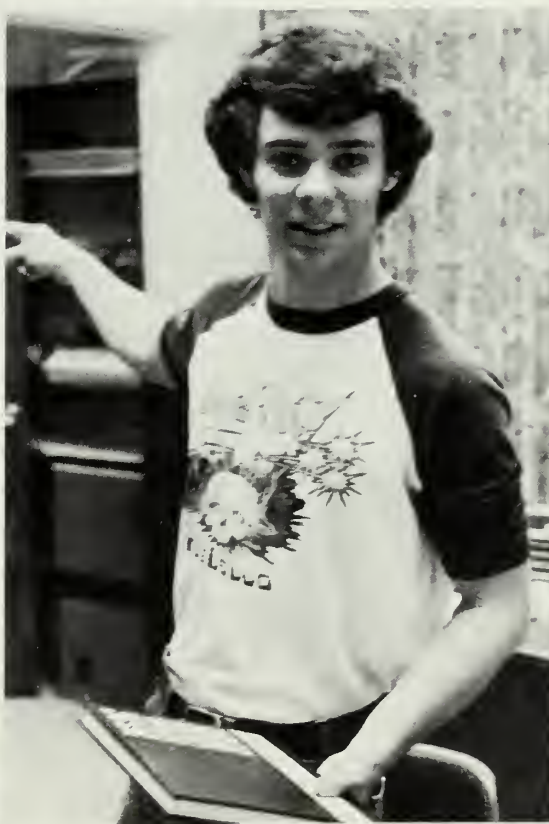

# REFLECTOR

Each year the REFLECTOR staff endeavors to compose a yearbook which will be an overview of all the activities, organizations, and students of GSC. The job, although not easy, is important because the REFLECTOR symbolizes all that we did and learned during our college years. It is all that remains after the years have passed and fond memories fade. The REFLECTOR brings into focus all of those memories. Under the leadership of Mike Ingram, the staff has composed this account with the help of hard-working staff members, cooperative teachers, and students, and, of course, our advisor, Dr. Keith Hickman.

Staff pictures include from top-bottom,l-r: Mike Ingram, Editor; Cathy Tillman, Faculty; Lori Tirey, Associate Editor; Pam Smith, Photographer; Joni Walker, Organizations; Scott Fincher, Student Life; Lisa Hart, Sports.

Sigma Alpha Iota is an academic fraternity in the field of music. As a part of National Sigma Alpha Iota, this organization sponsors and supports young musicians and composers in the Americas and Pan-Americas by holding competition and providing financial and other support.

Also, SAI is responsible for miscellaneous projects which fall under the "International Music Fund" for the furthering of music and musicians everywhere.

The "Bold-Note" project, for example, provides for a special type of printing of music for the visually handicapped. GSC's chapter is actively involved in all of this as well as furthering the aims of music and musicians in this college and community.

# SIGMA DELTA PI

The Hispanic Society, Sigma Delta Pi, was established under the name "Sociedad del Prado" in 1919 at the University of California (Berkeley). From that date to the present, it has continued to grow and to attract a national and international following. Its purpose is to establish strong and lasting

chapters at English speaking colleges and universities where advanced studies in Hispanic studies are taught.

Those who are invited into this Society are students who have demonstrated an outstanding interest in, devotion to, and academic excellence in Hispanic studies.

1st row l-r: Teresa Guerard, Dr. Judith Schomber, Ailyn Carrion, Milagros Baker, 2nd row: Wanda Menger, Eric John, Johanna Hickerson, Ms. Nancy Barrett (advisor), Mr. Edward Cornbleet.

# SIGMA NU

The Theta Kappa Chapter of Sigma Nu Fraternity has enjoyed a rich heritage at GSC since they received their charter in 1970.

This past year their strove for a high degree of community involvement. They have excelled in leadership in campus activities including the Inter-Fraternity Council and WVGS. They have worked hard toward purchasing their new chapter house in the Greek Village.

Presently, they are a small chapter that is growing in many ways and they invite any interested men to stop by and see what Sigma Nu is all about.

# SOCIETY OF MANUFACTURING ENGINEERS

The Society of Manufacturing Engineers (SME) is a professional society and a world-wide organization with members in 35 countries. The student chapter at GSC was awarded its charter on May 25, 1972.

The purpose of SME is to advance the scientific knowledge in tool and manufacturing engineering and to provide means and methods of applying such knowledge. To achieve this purpose, the society meets once a month

with speakers participating from local and statewide manufacturing concerns.

The SME at GSC has approximately 40 student members with P. Douglas Fowler as faculty advisor. Student officers this year include: chairman, Jimmy Bennett; 1st vice-chairman, Danny Pennington; 2nd vice-chairman, Keith Newberry; secretary, Judd Bailey; treasurer, Wayne Murphy; activities co-chairmen, Bob Jones and Andy Smith.

l-r: Jimmy Bennett, Linda Cole, Judd Bailey, Beth Walls, Martin Hornberger, Keith Newberry, Danny Pennington, Mike Dillon, Jimmy Wynn, Harry Brannen, Wayne Mills, Wayne Murphy, Greg Biggers, advisor, Doug Fowler.

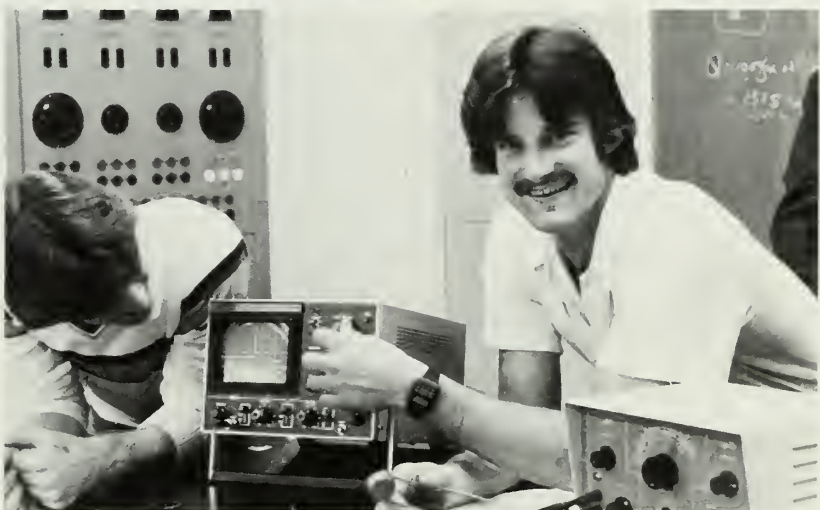

# SOCIETY OF PHYSICS STUDENTS

The Society of Physics Students had several activities this year. One activity was a trip to see the Space Shuttle launched April 12, 1981. Since they had only one car pass everyone piled into one truck. They arrived at the Space Center about 2:00 am and slept on the ground until morning. Finally, at 6:50 am the shuttle was launched.

On May 22, 1981, a chapter of Sigma Pi Sigma, national physics honor society, was established on the GSC campus. Sigma Pi Sigma exists within the Society of Physics Students; however, in order to be a member of Sigma Pi Sigma, one must be in the upper one-third of his or her class and must have completed at least five courses which may be credited toward a physics major. Jack Dean Sparks and Sahbrennah L. Walters were inducted into Sigma Pi Sigma this year.

1st row l-r: Hal Merk, Mark Ray, Margaret Bynum, Clint Danbury, Sahbrennah Walters, 2nd row: Dr. T. P. Bishop, Dr. Arthur Woodrum, Walter Jones, Dr. John T. Rogers, Dr. Vassilior Hassapis

# STUDENT DIETETIC ASSOCIATION

The Student Dietetic Association (SDA) provides a framework for meaningful student involvement. The organization stimulates interest in the profession of dietetics. Membership is open to all GSC students interested in professional growth in the areas of foods, nutrition, and dietetics.

This past year's activities include several fund raisers including the famous sausage biscuit sale. The members also prepared for National Nutrition Month which includes several activities during the month of March. At the end of the year, members were rewarded by attending the annual fish fry.

This organization helps bring people together to work toward the common professional goal of making healthy people healthier.

# STUDENT HOME ECONOMICS ASSOCIATION

Students in every area of home economics are encouraged to become a part of the Student Home Economics Association. SHEA is the student member section of the Georgia Home Economics Association and the American Home Economics Association. This professional organization has as its emblem the Betty Lamp which represents joy, knowledge, fellowship, cooperation, service, and achievement. The GSC SHEA accomplishes these through professional resource persons, community service activities, participation in campus functions, working closely with the other home economics organizations, and working closely within SHEA.

# STUDENT UNION BOARD

# STUDENT GOVERNMENT ASSOCIATION

GSC's Student Government Association, a tool for the use of the student body to make their desires known to the administration of our college; also an instrument by which students can have tremendous leadership opportunities. During the past 80-81 year, the Student Government was involved in an attempt to give students a greater voice in the Statesboro Community, by registering over 600 college students to vote. Your Student Government in conjunction with the Political Science Club, brought in speakers dealing with U. S. Nuclear Strategy. (arms) The Student Government also was used by the students to relay their opinions to the president on the initiation of football here at GSC. These are just a few of the events the SGA was involved in. Why don't you get involved?

# TAU KAPPA EPSILON

Throughout the 1980-81 year, the chapter was involved in various campus and local activities, some which included Greek Week, The ADPi dance marathon, and their 10th annual Spring Fest held at Georgia Tech. Spring quarter brought about their first successful bike-athon from Statesboro to Atlanta. A softball tournament held late in the quarter brought the year to a close, with the proceeds from both of these activities going to St. Jude Children's Hospital.

# WVGS

This has been a year of change for WVGS. Most of the change can be readily seen. They have a new 120 foot tower which doubled their broadcast area, a new frequency at 107.7, and the addition of more campus news plus the ABC entertainment news network.

WVGS has continued to meet the students needs by presenting programs on topics of student interest. In the next few years, WVGS has a goal of increasing the output power to better serve the students of GSC and the residents of Bulloch county. WVGS will continue to improve its operations with the help of the students and faculty of GSC.

# ZETA TAU ALPHA

Zeta started off a booming year by filling quota with 34 pledges. Next, they jumped into Sigma Chi Derby Week and came off with 1st place in spirit. Becky Pilgram won 2nd in Miss Daring Debut and Carol Caronis placed 1st runner-up in Miss Derby Day. When Homecoming rolled around, Diane Mann represented Zeta on the court. The year was filled with activities including Christmas Pledge Dance, Founder's Day Banquet, fund raising projects, big brother

parties, and socials.

During Greek Week Diane Mann placed 1st runner-up in Greek Goddess. Also, Zeta won 2nd in tennis, swimming, and raquetball. They proudly nominated Linda Luckie to represent them in Miss GSC pageant, who earned the title of Miss GSC 1981.

ATO and KE held a softball marathon for High Hope and ZTA stole the show by taking 1st in Spirit.

# SPORTS

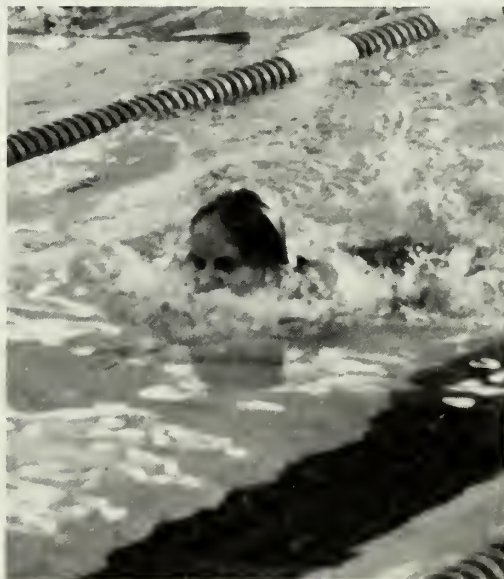

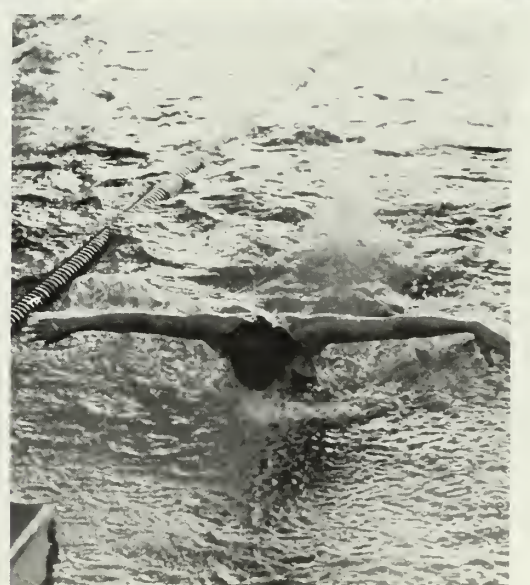

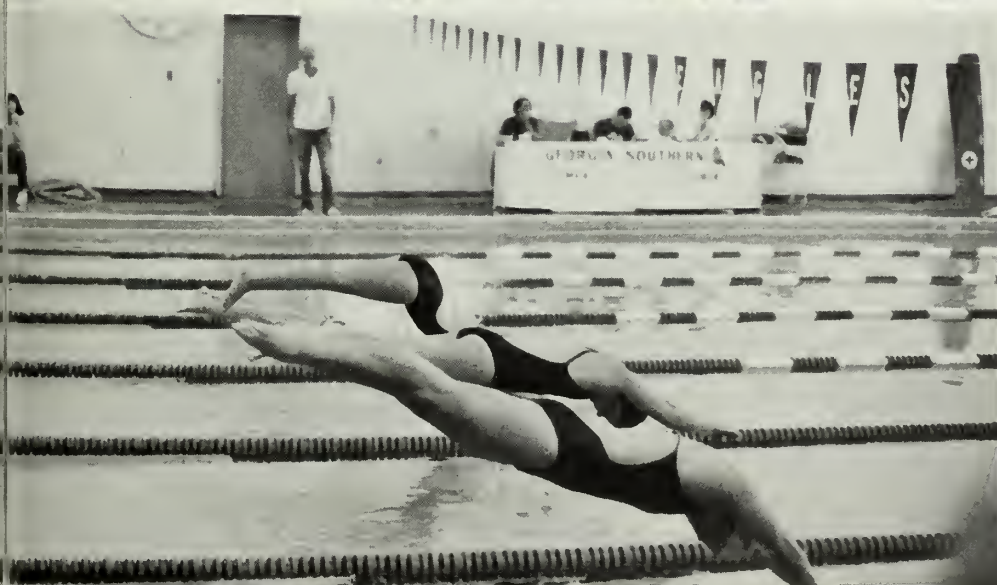

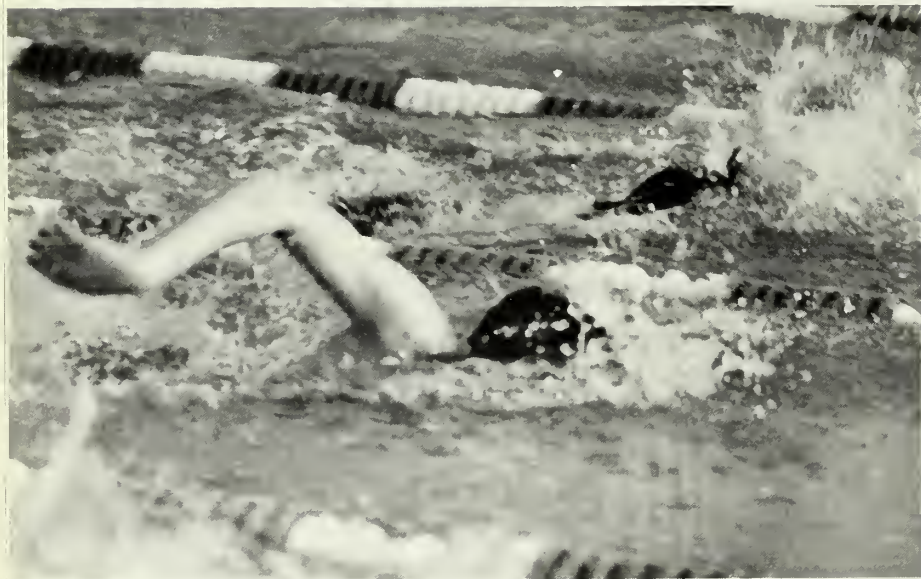

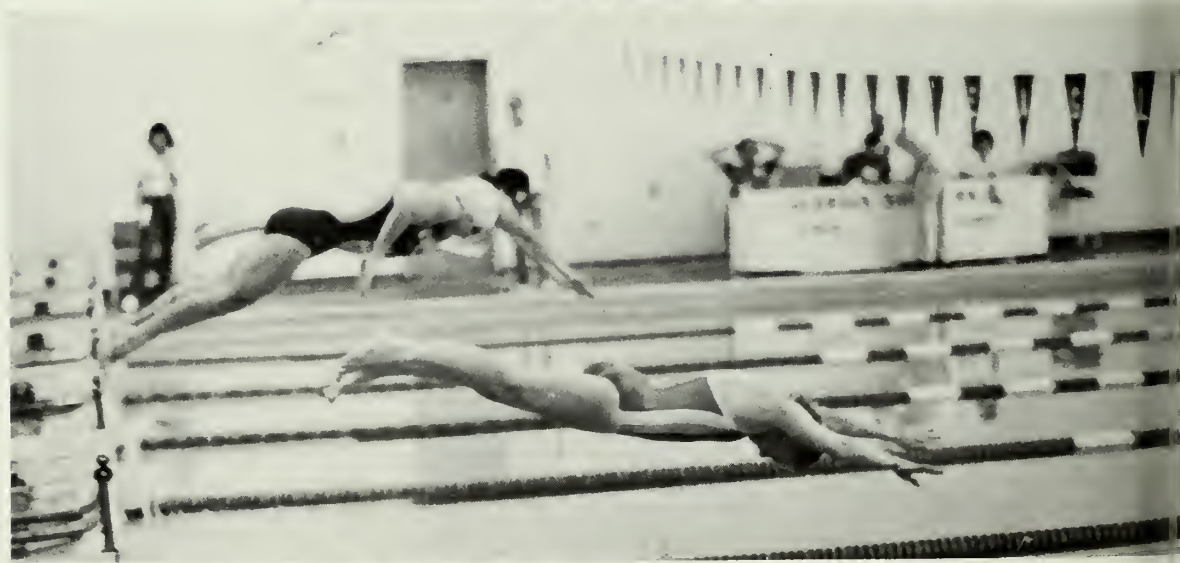

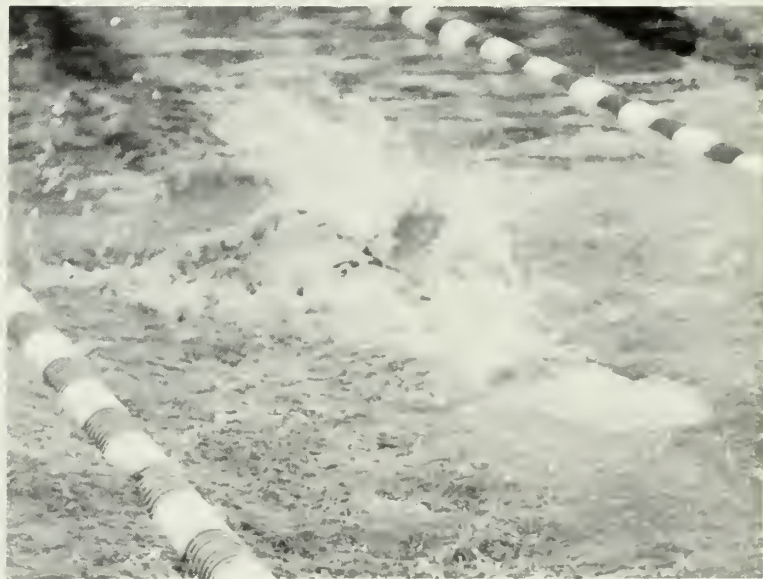

# Lynn Ryan All-American

Lynn Ryan became Georgia Southern's first women's All-American in any sport. The freshman performer earned the rating in both the 50-yd. and 100-yd. freestyle events. The Lady Eagles managed to win just one meet in seven tried, but a good recruiting year promises an improved outlook for next season.

# Soccer Off To A Fast Start

The newest entry on the GSC sports line-up got off to a fast start, as the Eagles finished the year with a 10-8-1 mark, including a 2-1 record in the TAAC Tournament, good for a second place finish. Three Eagles, Uli Wilms, Christian Schuller and Jack Evans earned All-Conference honors.

## Eagles Suffer 5-22 Season

The Eagles suffered their second straight 5-22 season. It was Georgia Southern's first year in the Trans America Athletic Conference. The Eagles managed to win just two of 12 conference games and dropped their opener in the TAAC post season Tournament. Junior Guard Reggie Cofer from Augusta had a fine year inspite of the overall season and he was recognized as a Second Team All-TAAC performer.

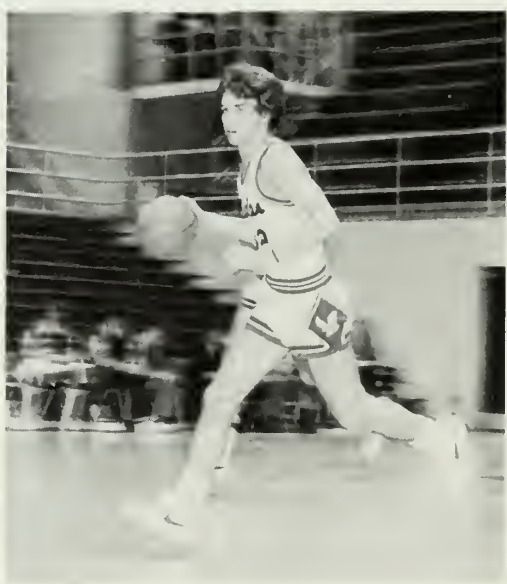

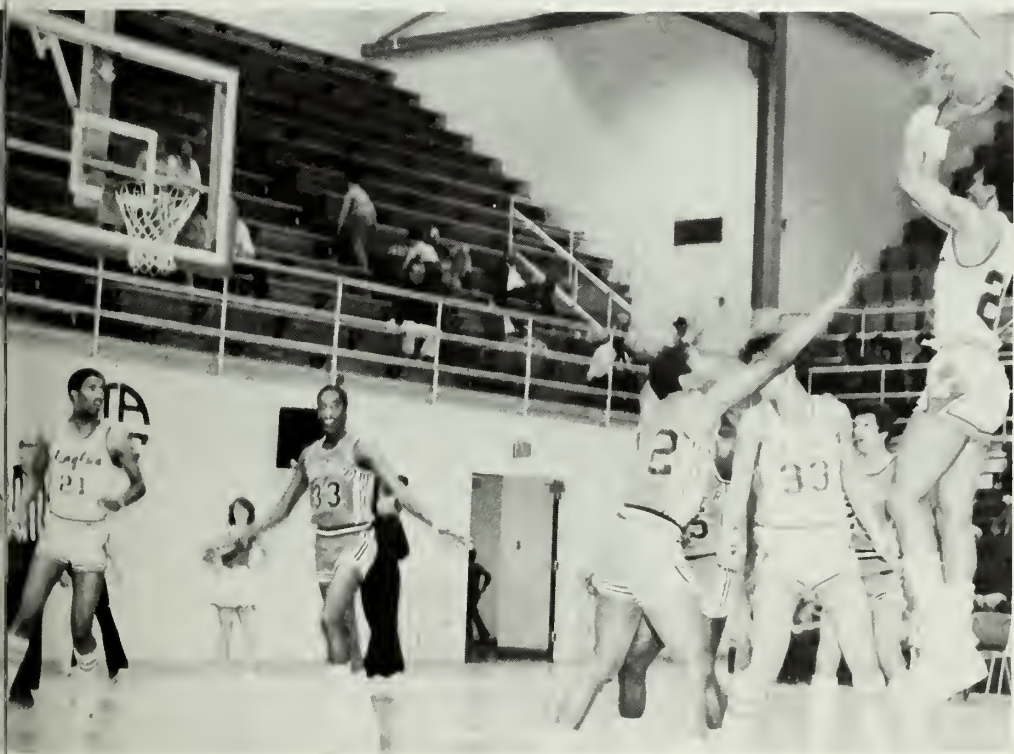

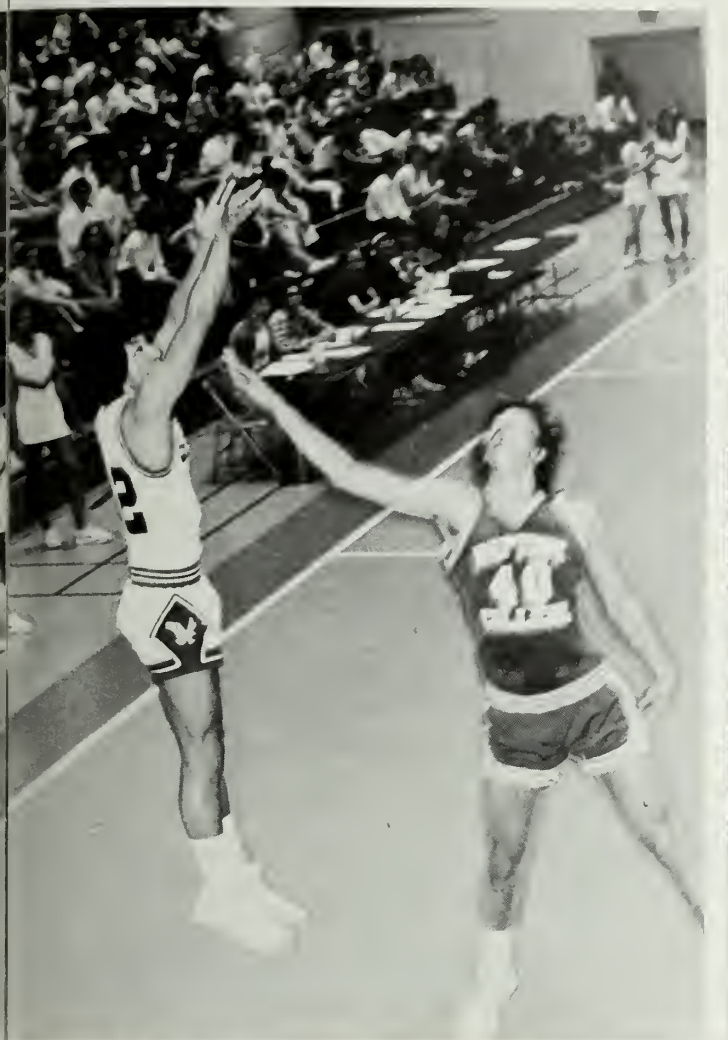

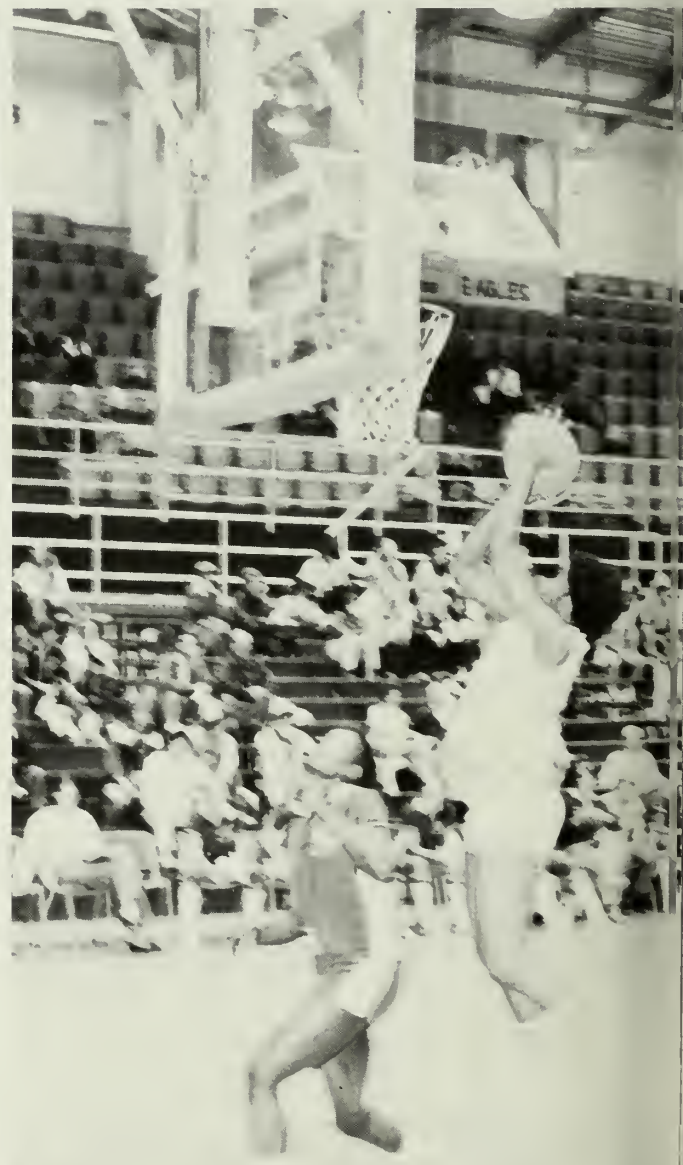

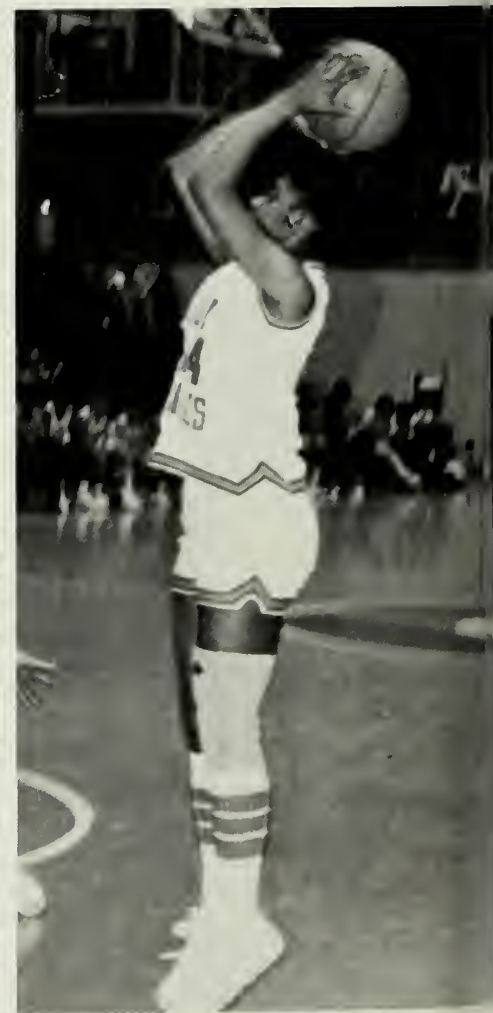

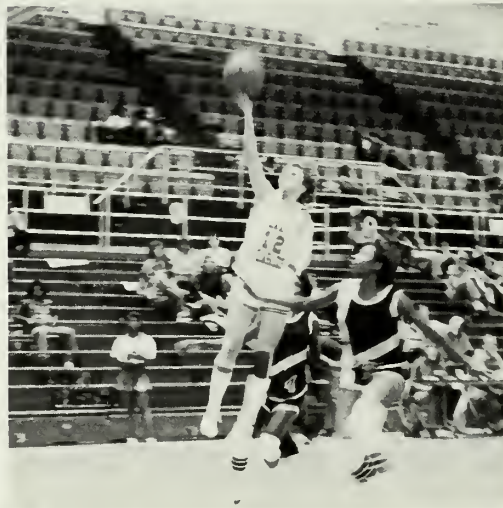

# Lady Eagles Have 25-11 Mark

The Lady Eagles had their second straight outstanding year. The Lady Eagles finished with a 25-11 mark, including two wins by forfeit. Southern surprised nearly everyone in the State Tournament as they battled their way to a second place finish. That earned them a spot in the Region III Tournament where the season came to a close with a loss at Delta State. Diane Fuller earned All-State and All-Region honors.

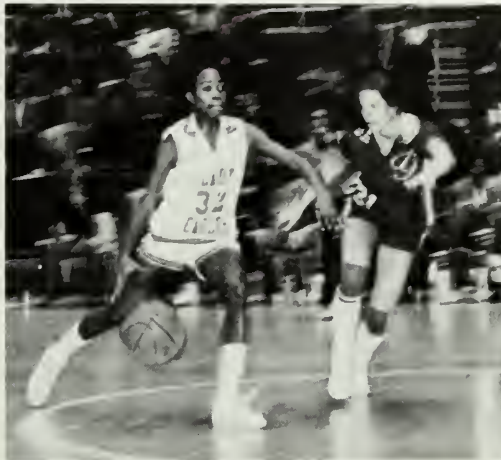

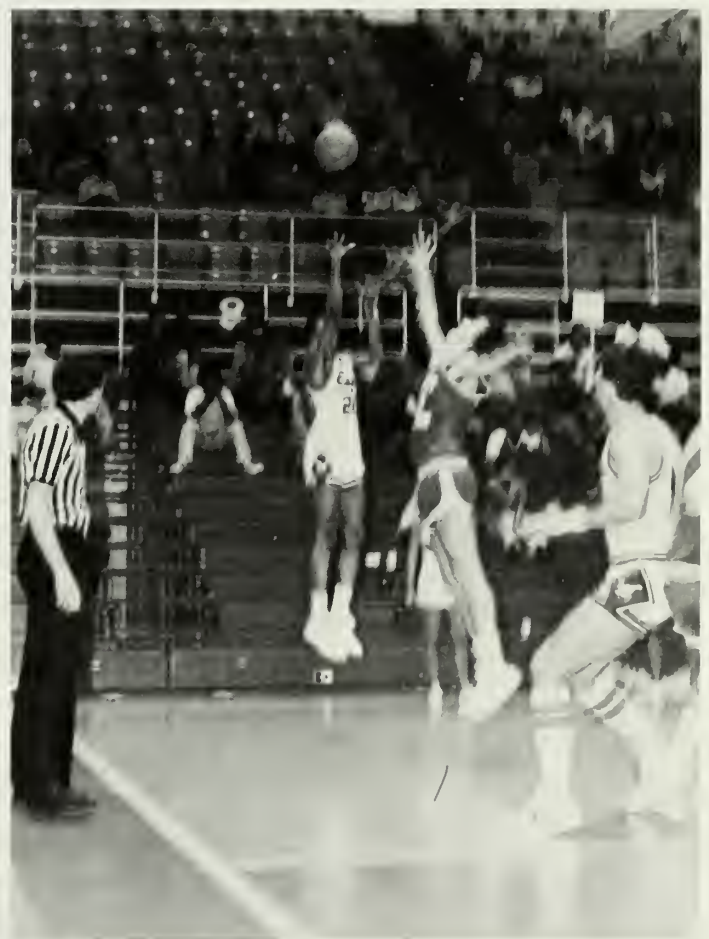

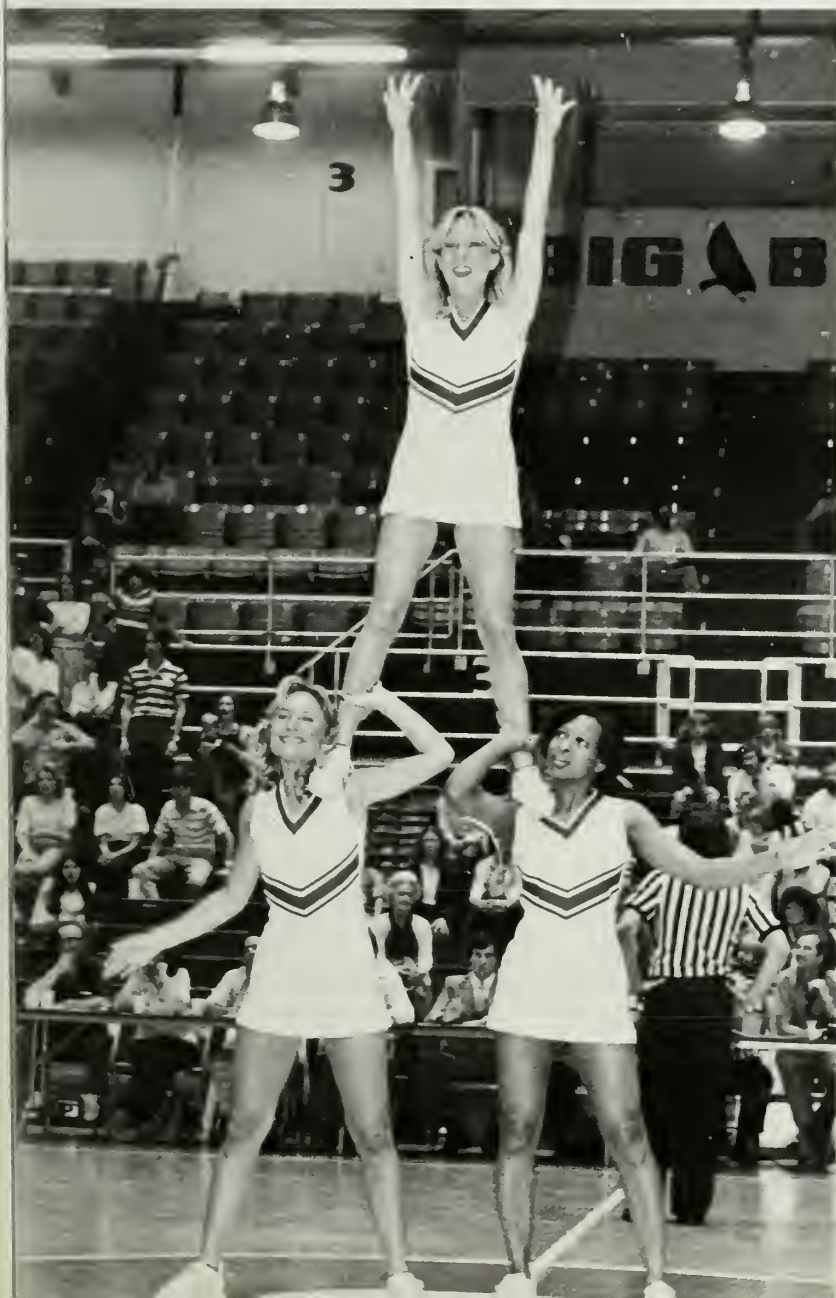

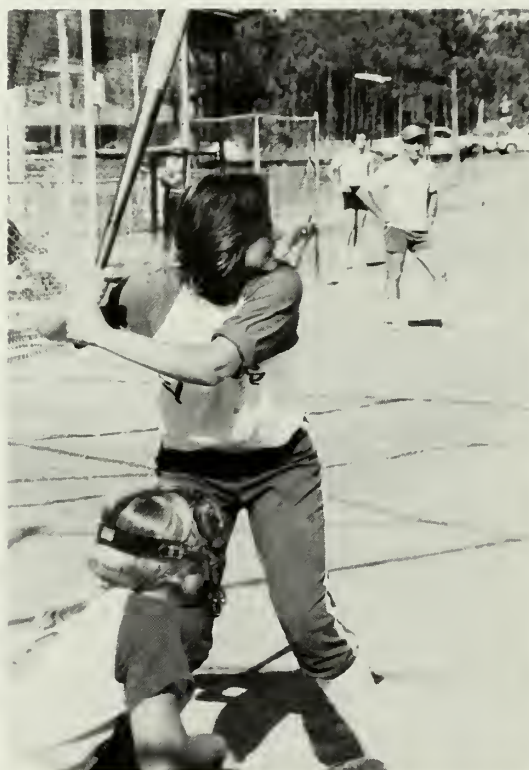

# Lady Eagle Softball Wins Third State Title

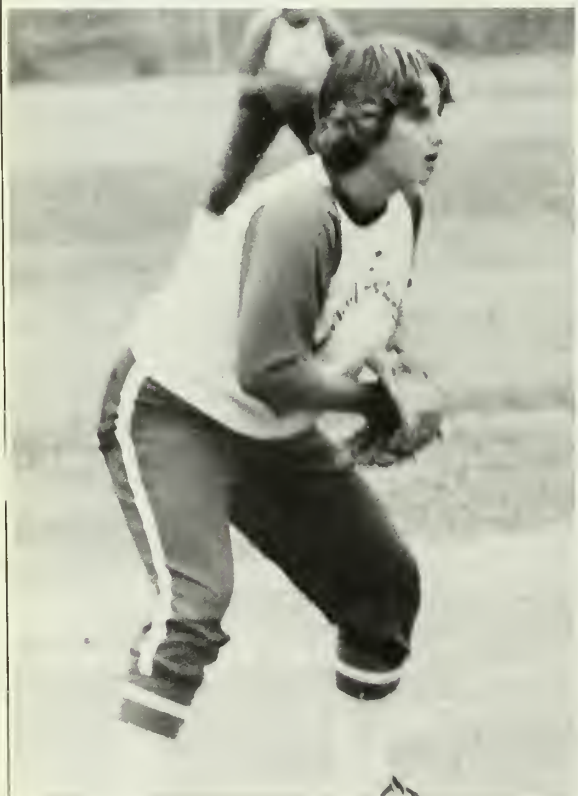

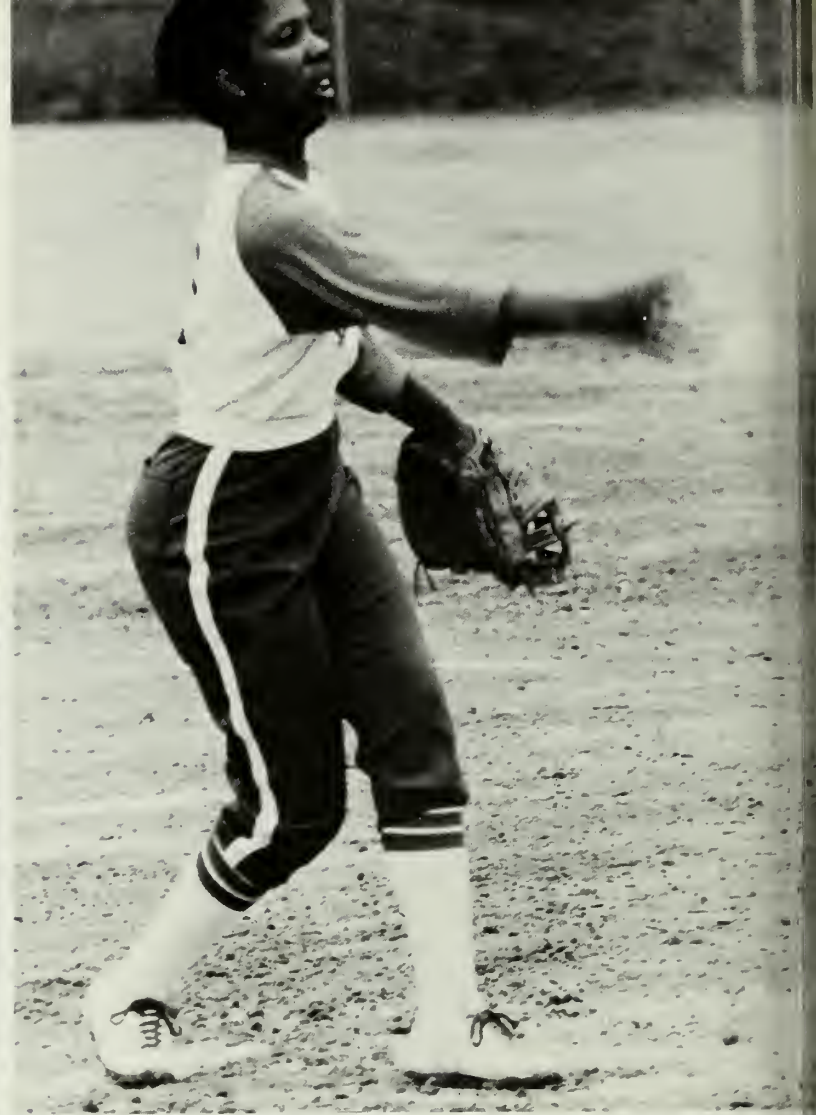

The Lady Eagle Softball Team won the state title for the third time in four years and went on to place fourth in the region and in the top ten in AIAW National Championships. The final record was 30-12 as the team set a new record for wins. Janet Reddick and Kathy Meeks were named to the GAIWA All-Conference first team and Karen Melancon was a second team choice.

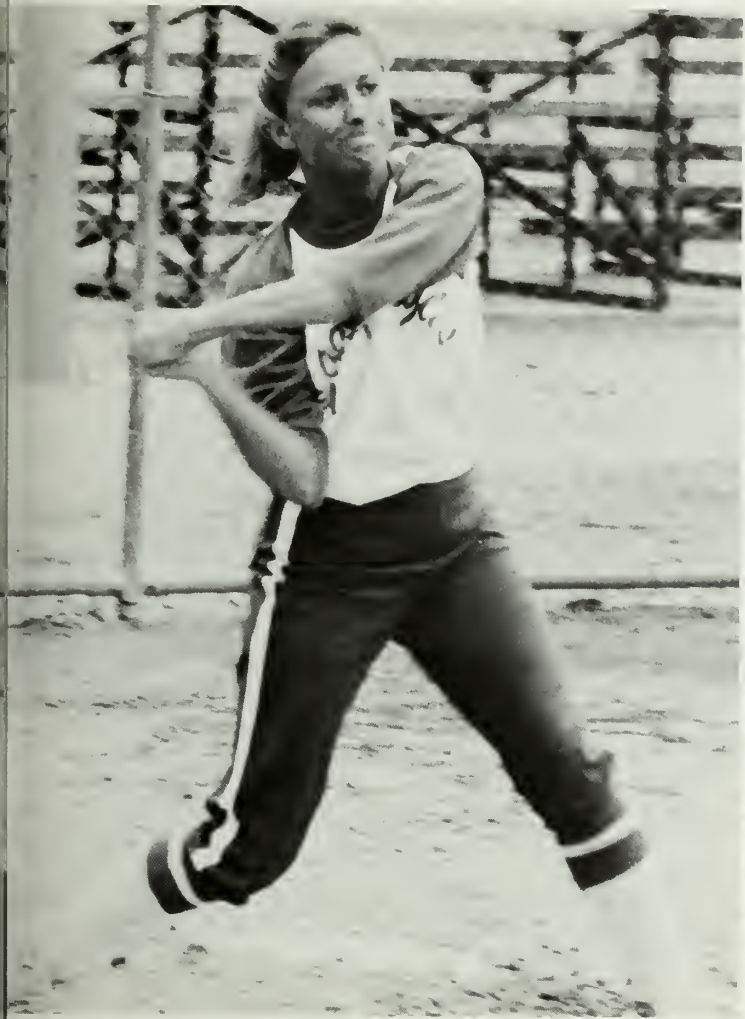

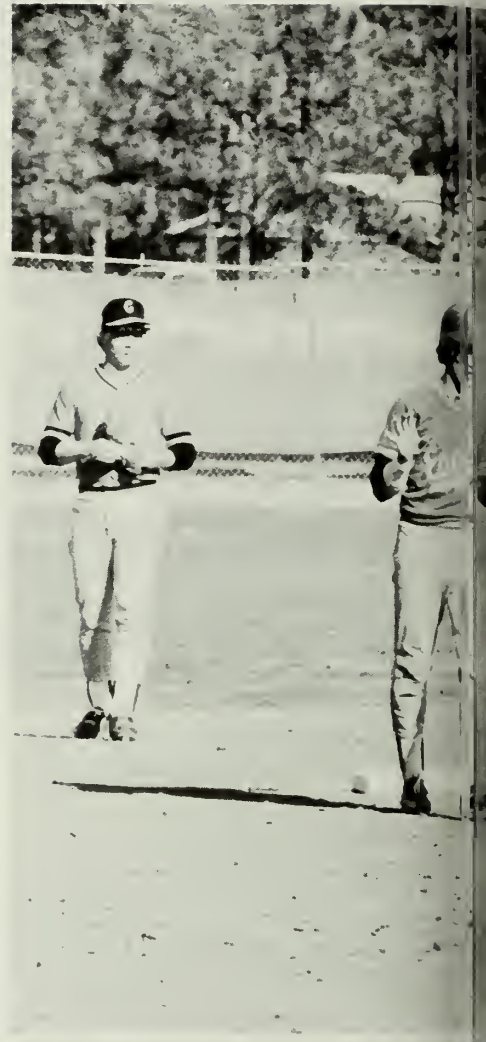

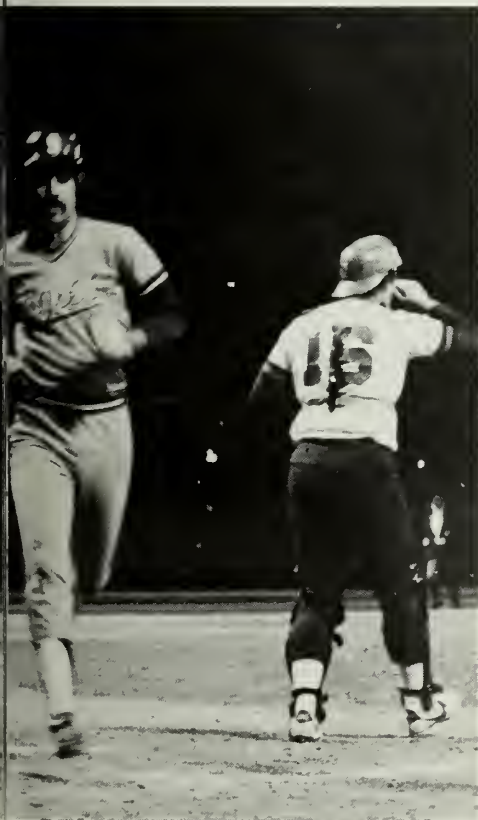

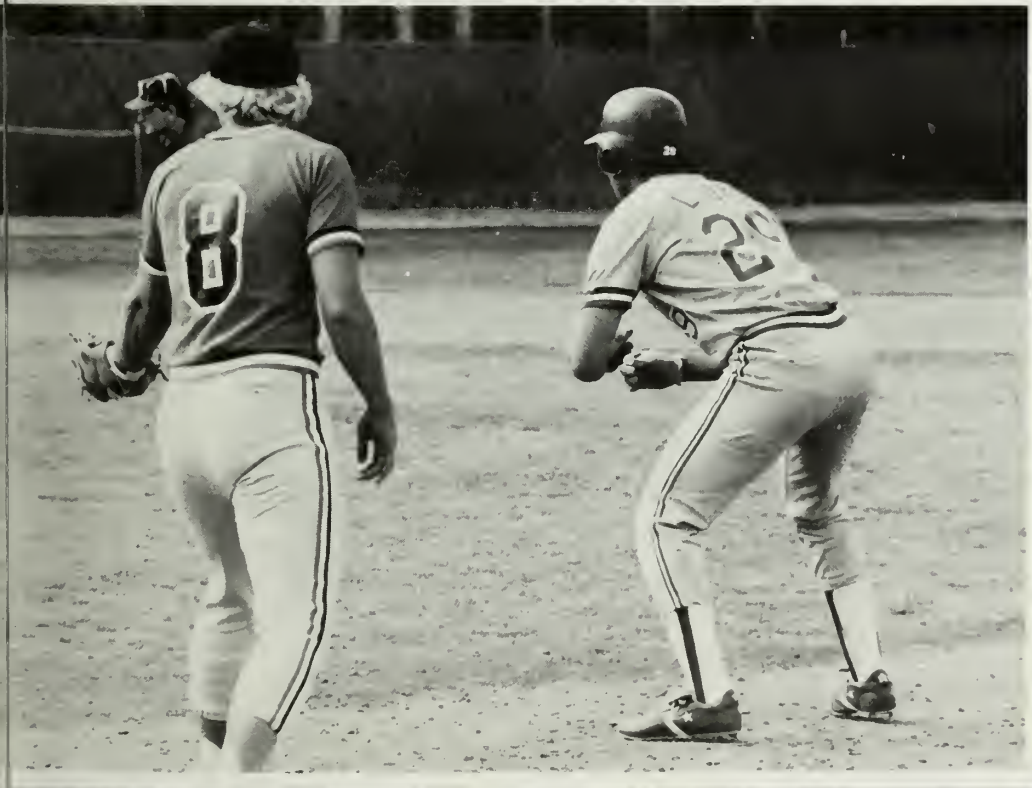

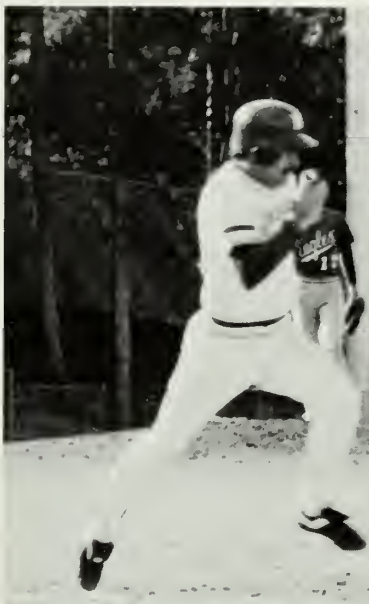

# Eagles Have Another Outstanding Year

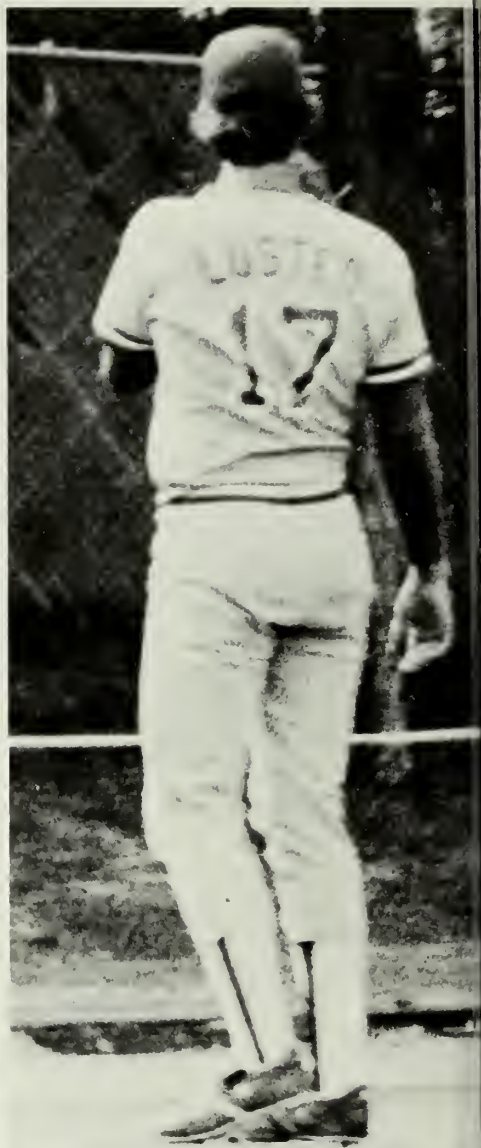

Georgia Southern had another outstanding year in baseball, but stumbled in the TAAC Championships and lost their chance for a third straight bid to the NCAA Championships. After going unbeaten in regular season conference play, including winning four and tying one with Mercer, the Eagles lost twice to the Bears in the TAAC Championships in Abilene, TX. Derrell Baker received several individual honors after breaking the Eagles single season batting average record with a .462 mark. He was named to the TAAC All-Conference and All-Tournament teams; was TAAC player of the year; NCAA All-Atlantic Region; Thirdbaseman and NCAA Second Team All-America. Other Eagles named to the All-Conference team were pitcher Chuck Lusted and outfielder Alan Balcomb. Catcher Marty Pevey and pitcher Roger Godwin were honorable mention All-Conference.

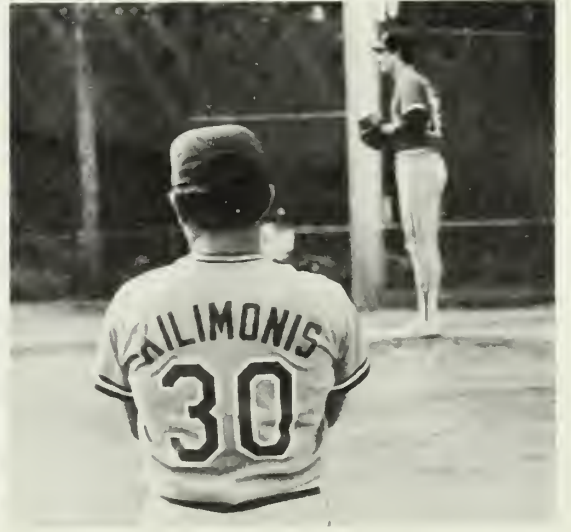

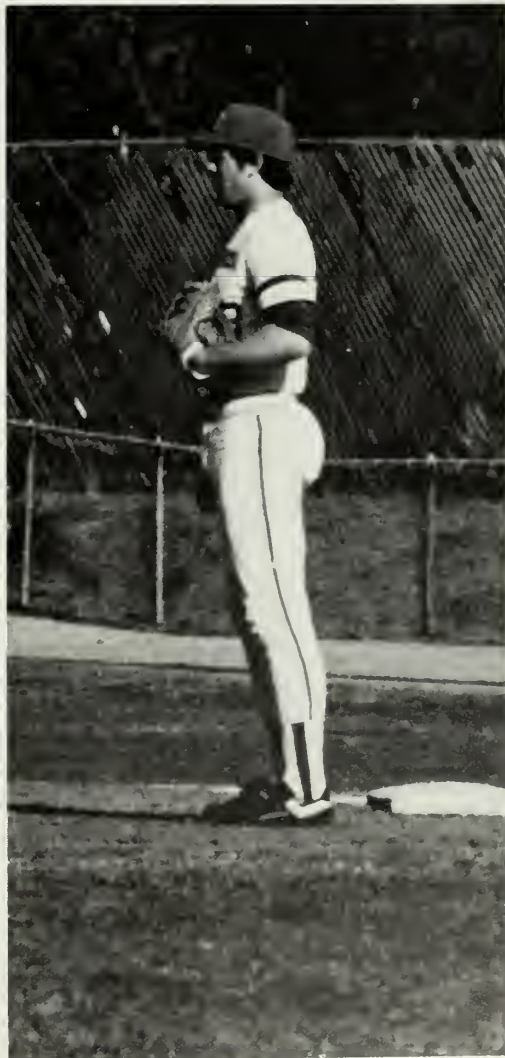

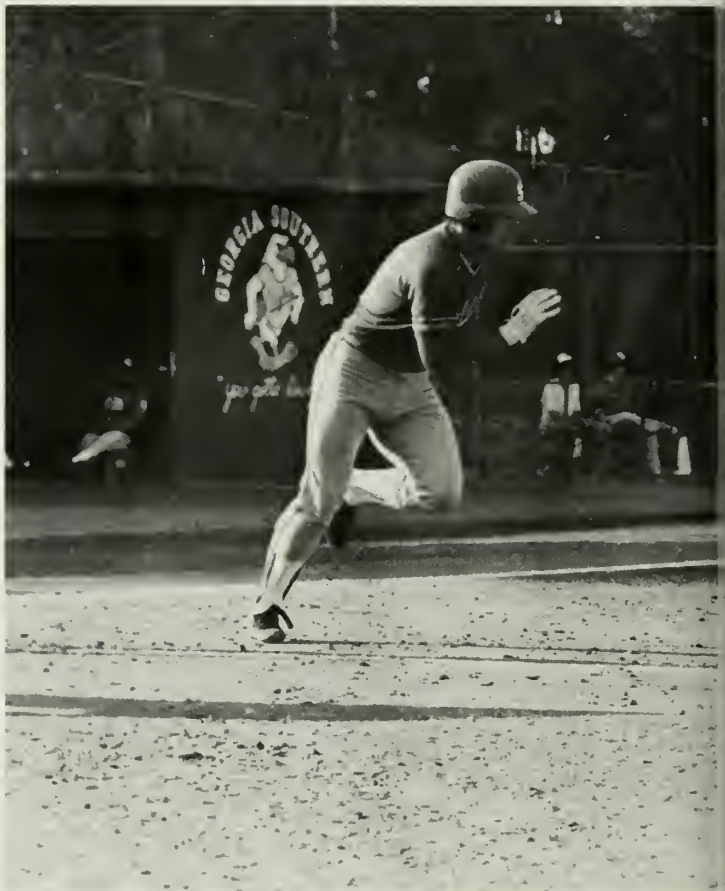

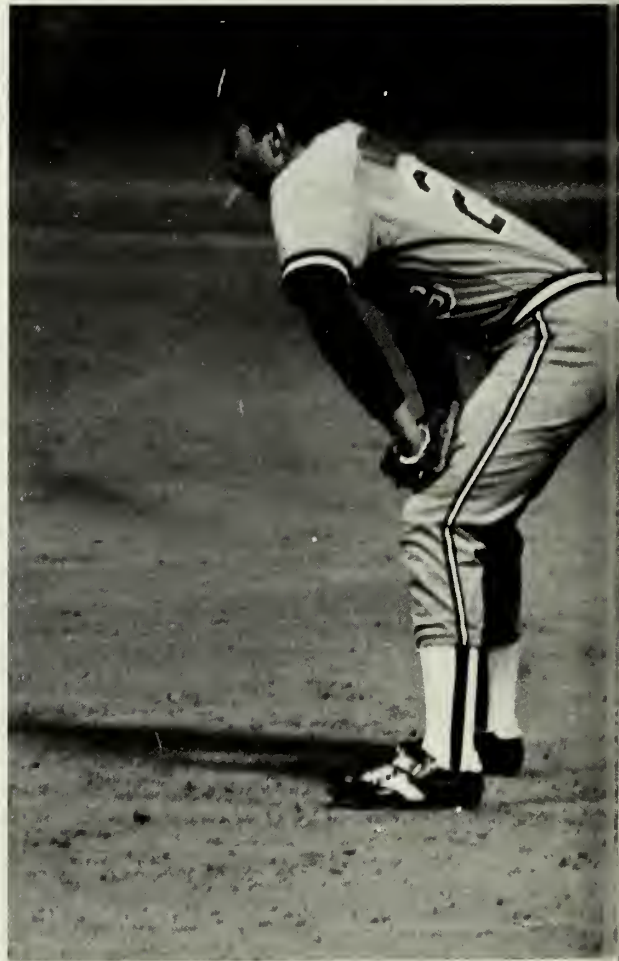

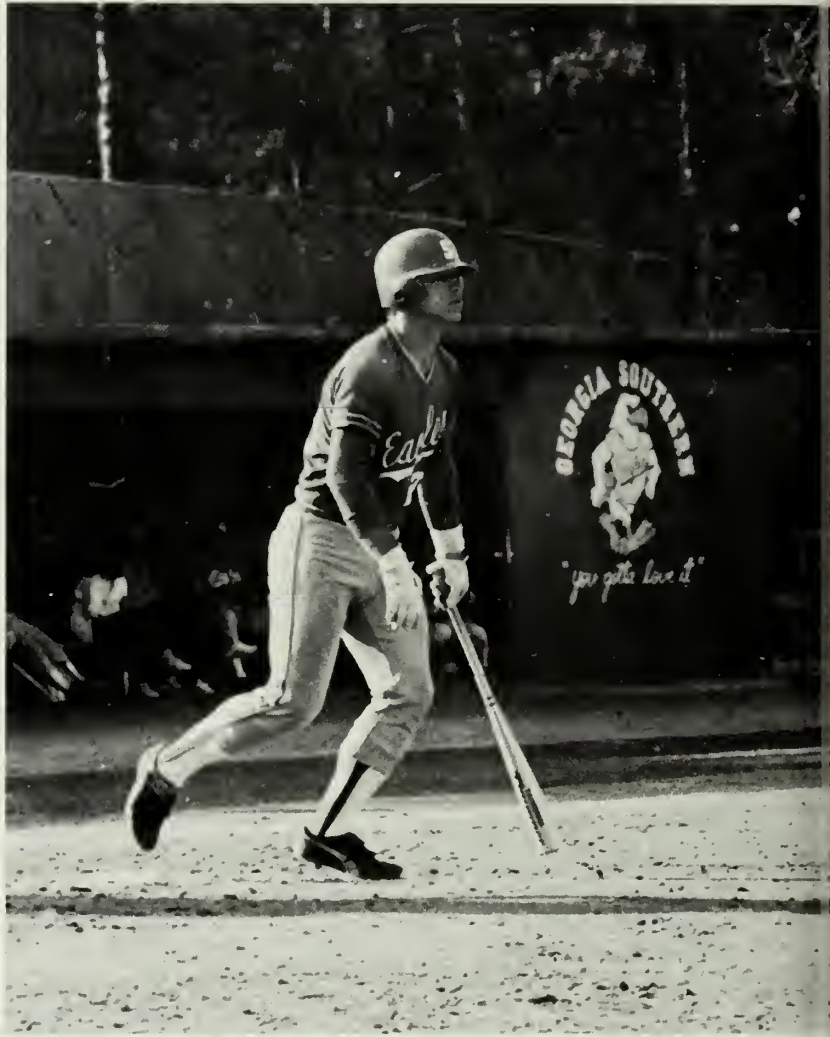

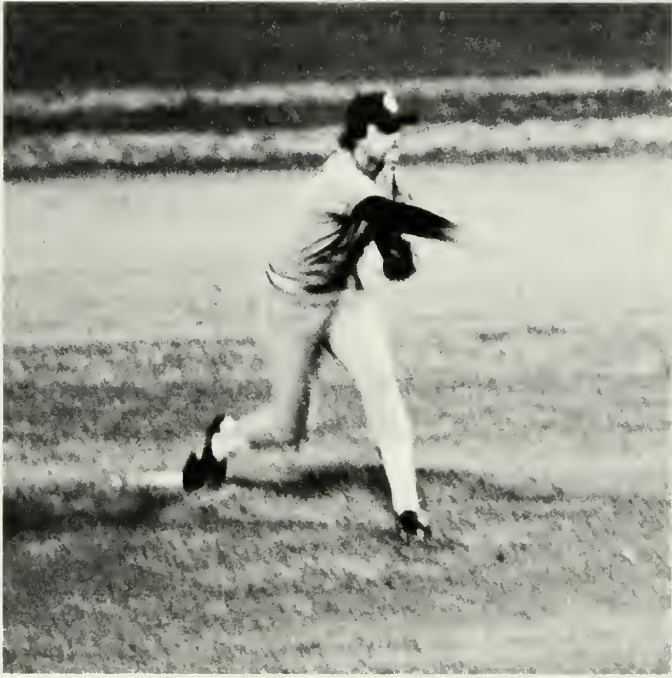

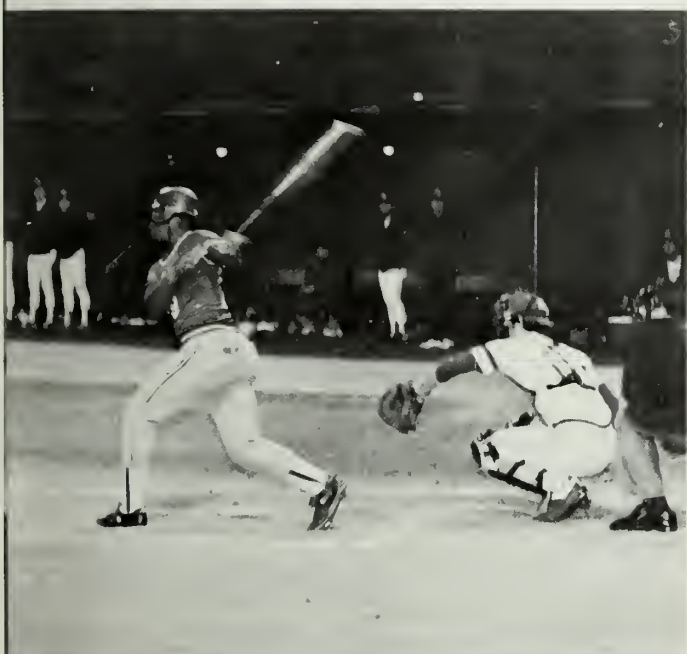

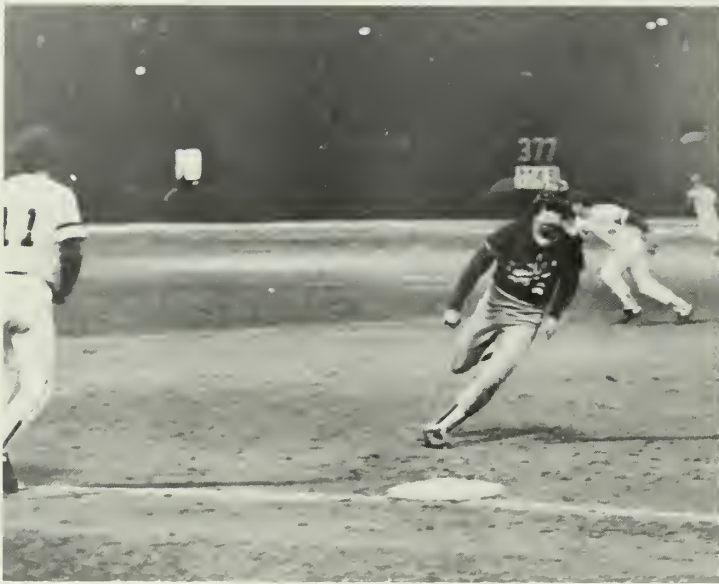

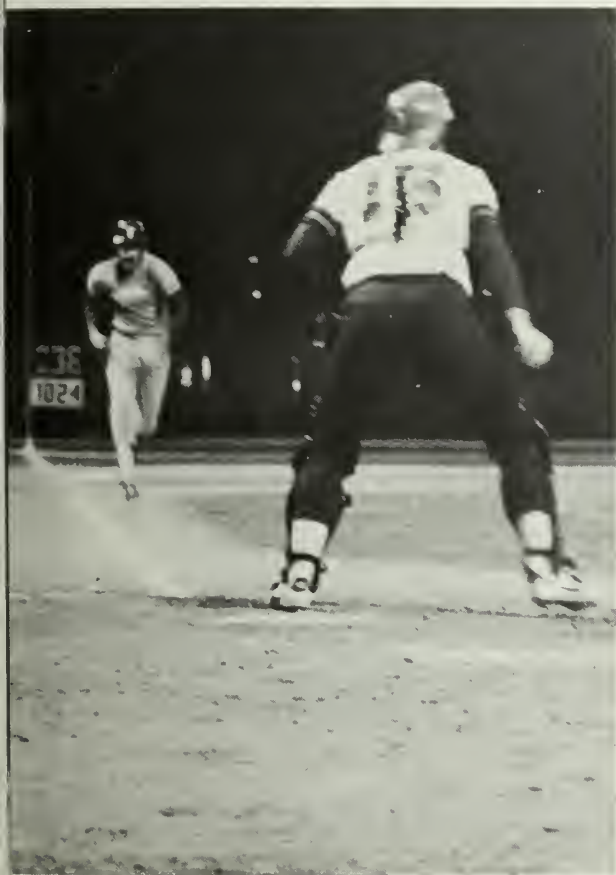

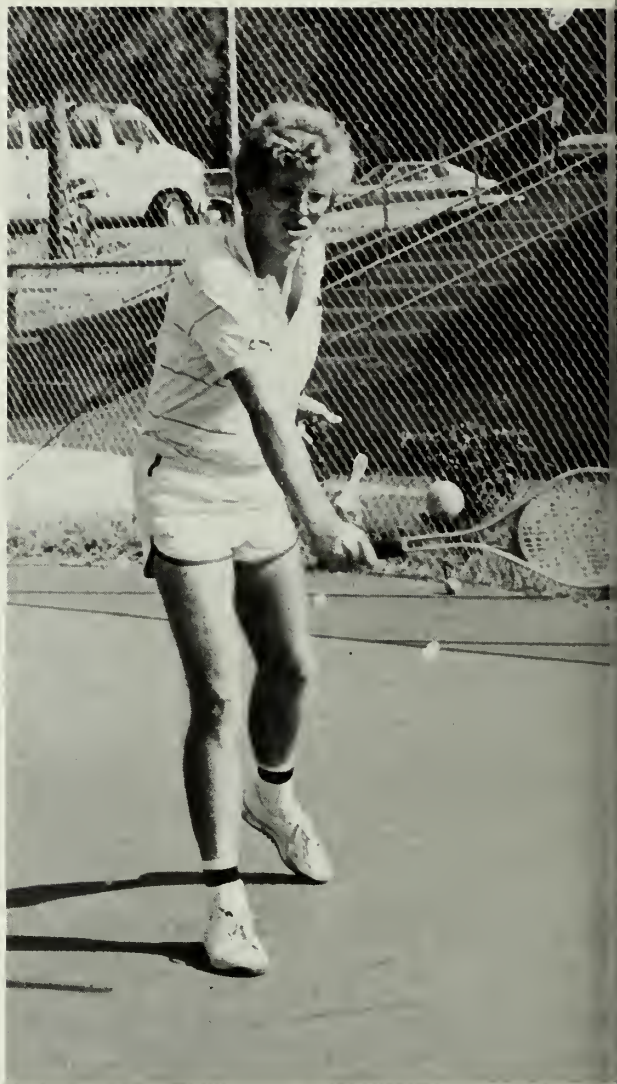

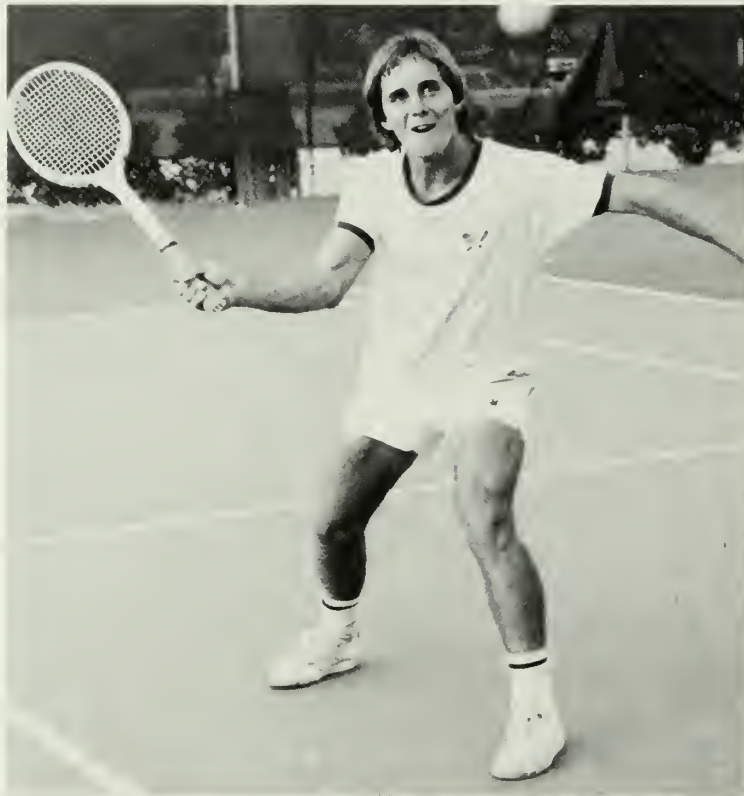

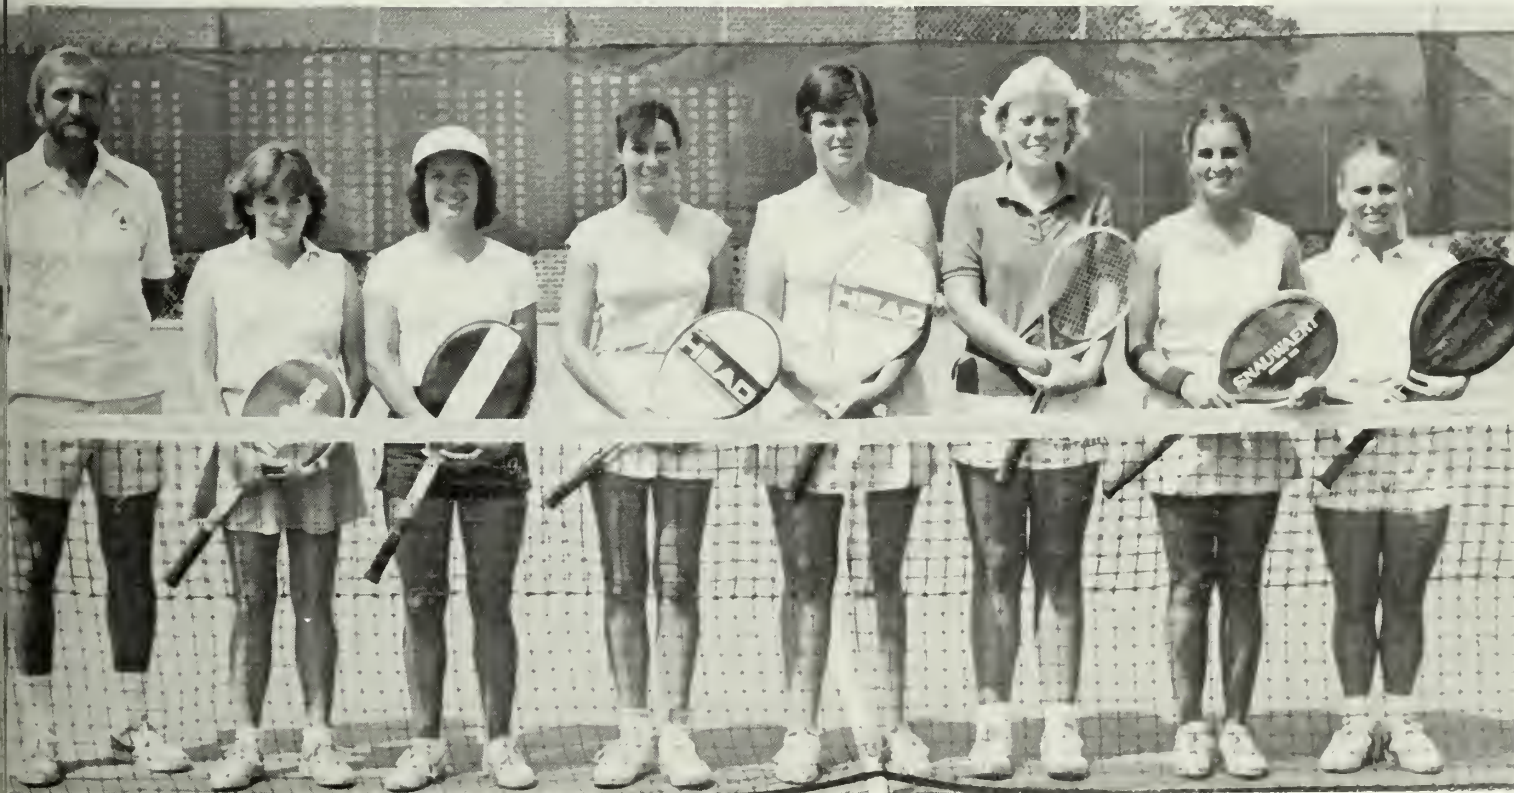

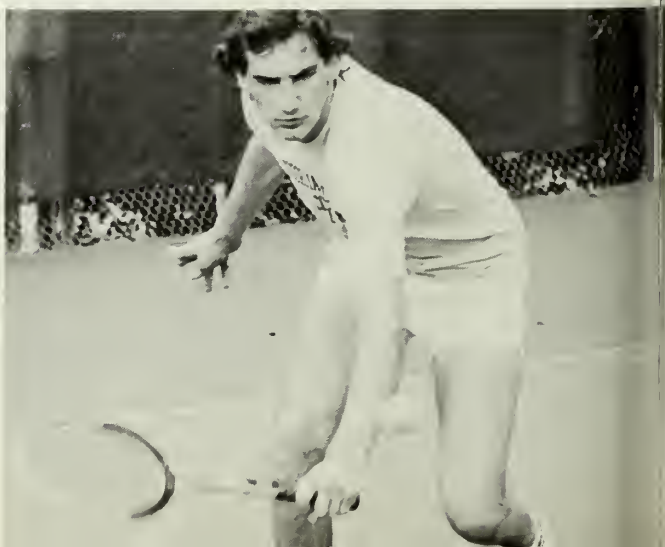

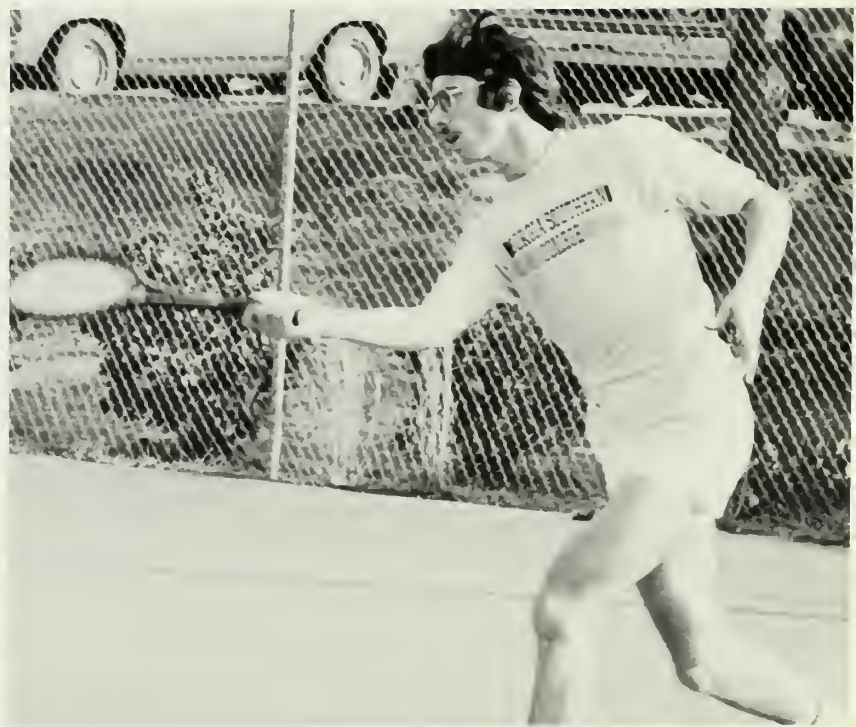

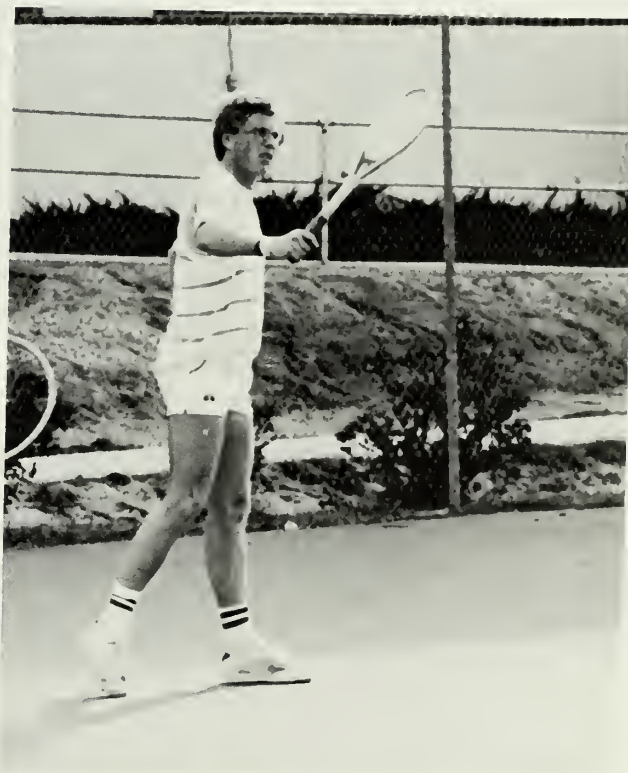

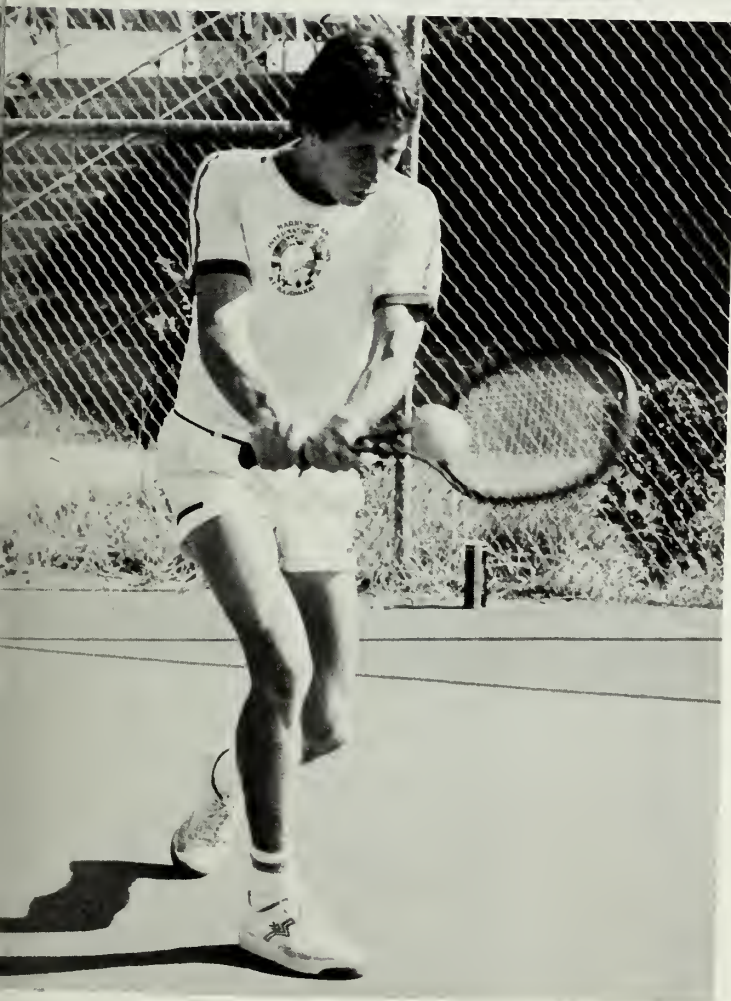

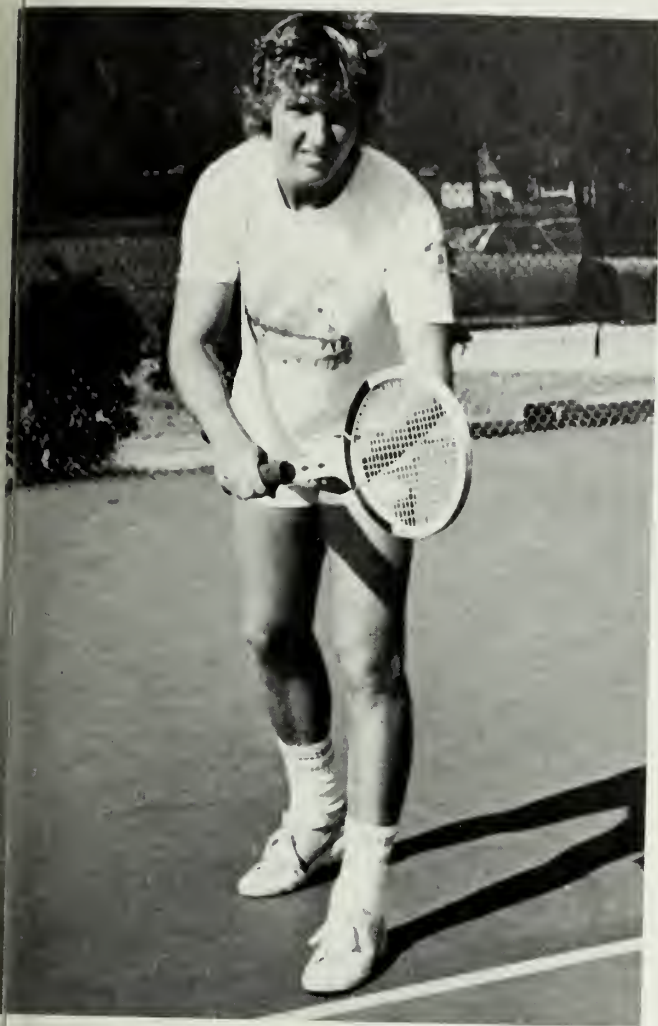

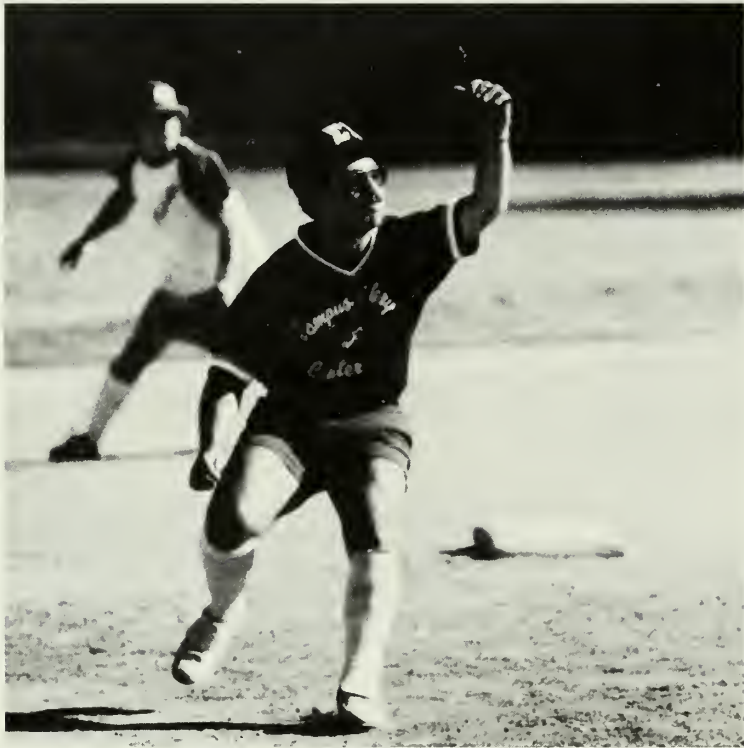

# Young Eagles Played Consistently

A young Eagle squad played consistent, if not spectacular golf. Under the direction of interim coach George Cool, the Eagles had a string of top ten finishes. However, it was not quite enough to earn a tenth straight trip to the NCAA Championships. The Eagles placed second in the Trans America Athletic Conference Championships. Jodie Mudd won De TAAC title, to go along with championships at the Dixie Intercollegiate (Fall, 1980), Furman and Palmetto Championships (Spring, 1981). In the latter two' Mudd shot course and tournament records enroute to the titles. He became the first GSC golfer since 1963 to earn First Team All-America rating. He was also named to the TAAC All-Conference team and the TAAC Player of the Year in Golf. Tripp Kuhlke also earned All-Conference honors.

# Lick Believes GSC Catalyst for Southeast

President Dale Lick says his responsibility is to analyze the needs of this part of the state and to bring these needs to the attention of the Board of Regents.

"Georgia Southern is to be a catalyst in helping what is happening to the southeast. There are five words to describe the flavor of the '80's: people, for reflecting their importance; service, created to serve; cooperation, there is a limited amount of dollars to be divided; and leadership, should be a leader in the community and state for development and services.

## Austin Has Progressive Year

Dr. Charles Austin, vice-president of Academic Affairs, looks at the 1981 year as being hectic, progressive and filled with academic changes. He was very anxious about the construction of a consulting committee. This committee increases student and faculty participation in any decisions or changes to be made.

Austin has been very busy revising the standards of GSC. He believes that with a rise in admission standards, Georgia Southern will attract better students and in effect the school will be more successful. This year there has

been an addition of two schools: the School of Technology and the School of Health, Physical Education, Recreation and Nursing. These two new schools have added five new departments to GSC.

Next year Austin is looking forward to having a Honors Program and more International studies. The future also holds plans for a doctoral program with the University of Georgia. Austin is busy trying to increase programs at GSC so that we will have something to interest of everyone.

## Cook Is Looking To The Future

Funds are Mr. Bill Cook's, the vice-president for business and finance, main worry. Energy is a high cost but GSC has been a leader in energy conservation. Cook believes that this is due to Southern being the first school to install computerized energy management. The money saved on energy costs has helped the football program to get underway.

Cook would like to see more work done to the buildings on campus but, auxiliary work is only done with auxiliary funds. This fact has not hindered Cook. The completion

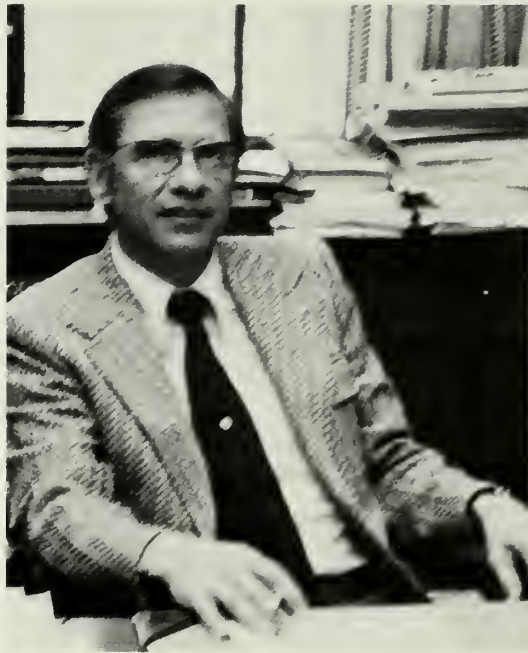

of the Continuing Education building, GSC's official conference center, was a fine accomplishment. The Student Auxiliary area has also been expanded with the addition of The Deck Shoppe. Plans are also being made for work to be done on Oxford and Deal Halls.

Pre-registration and keeping a clean campus are other accomplishments Cook has been able to make this year. Progress is slow, but Cook is looking forward to future fundings that will allow for more expansion.

We are free  
to be courageous.  
We are free  
to venture out.

We are free  
to be right,  
to make mistakes,  
As we learn  
what life is about.

We are free to collect our memories  
Before we go our separate ways -

When the time for hopes and  
dreams  
Will become our yesterdays.

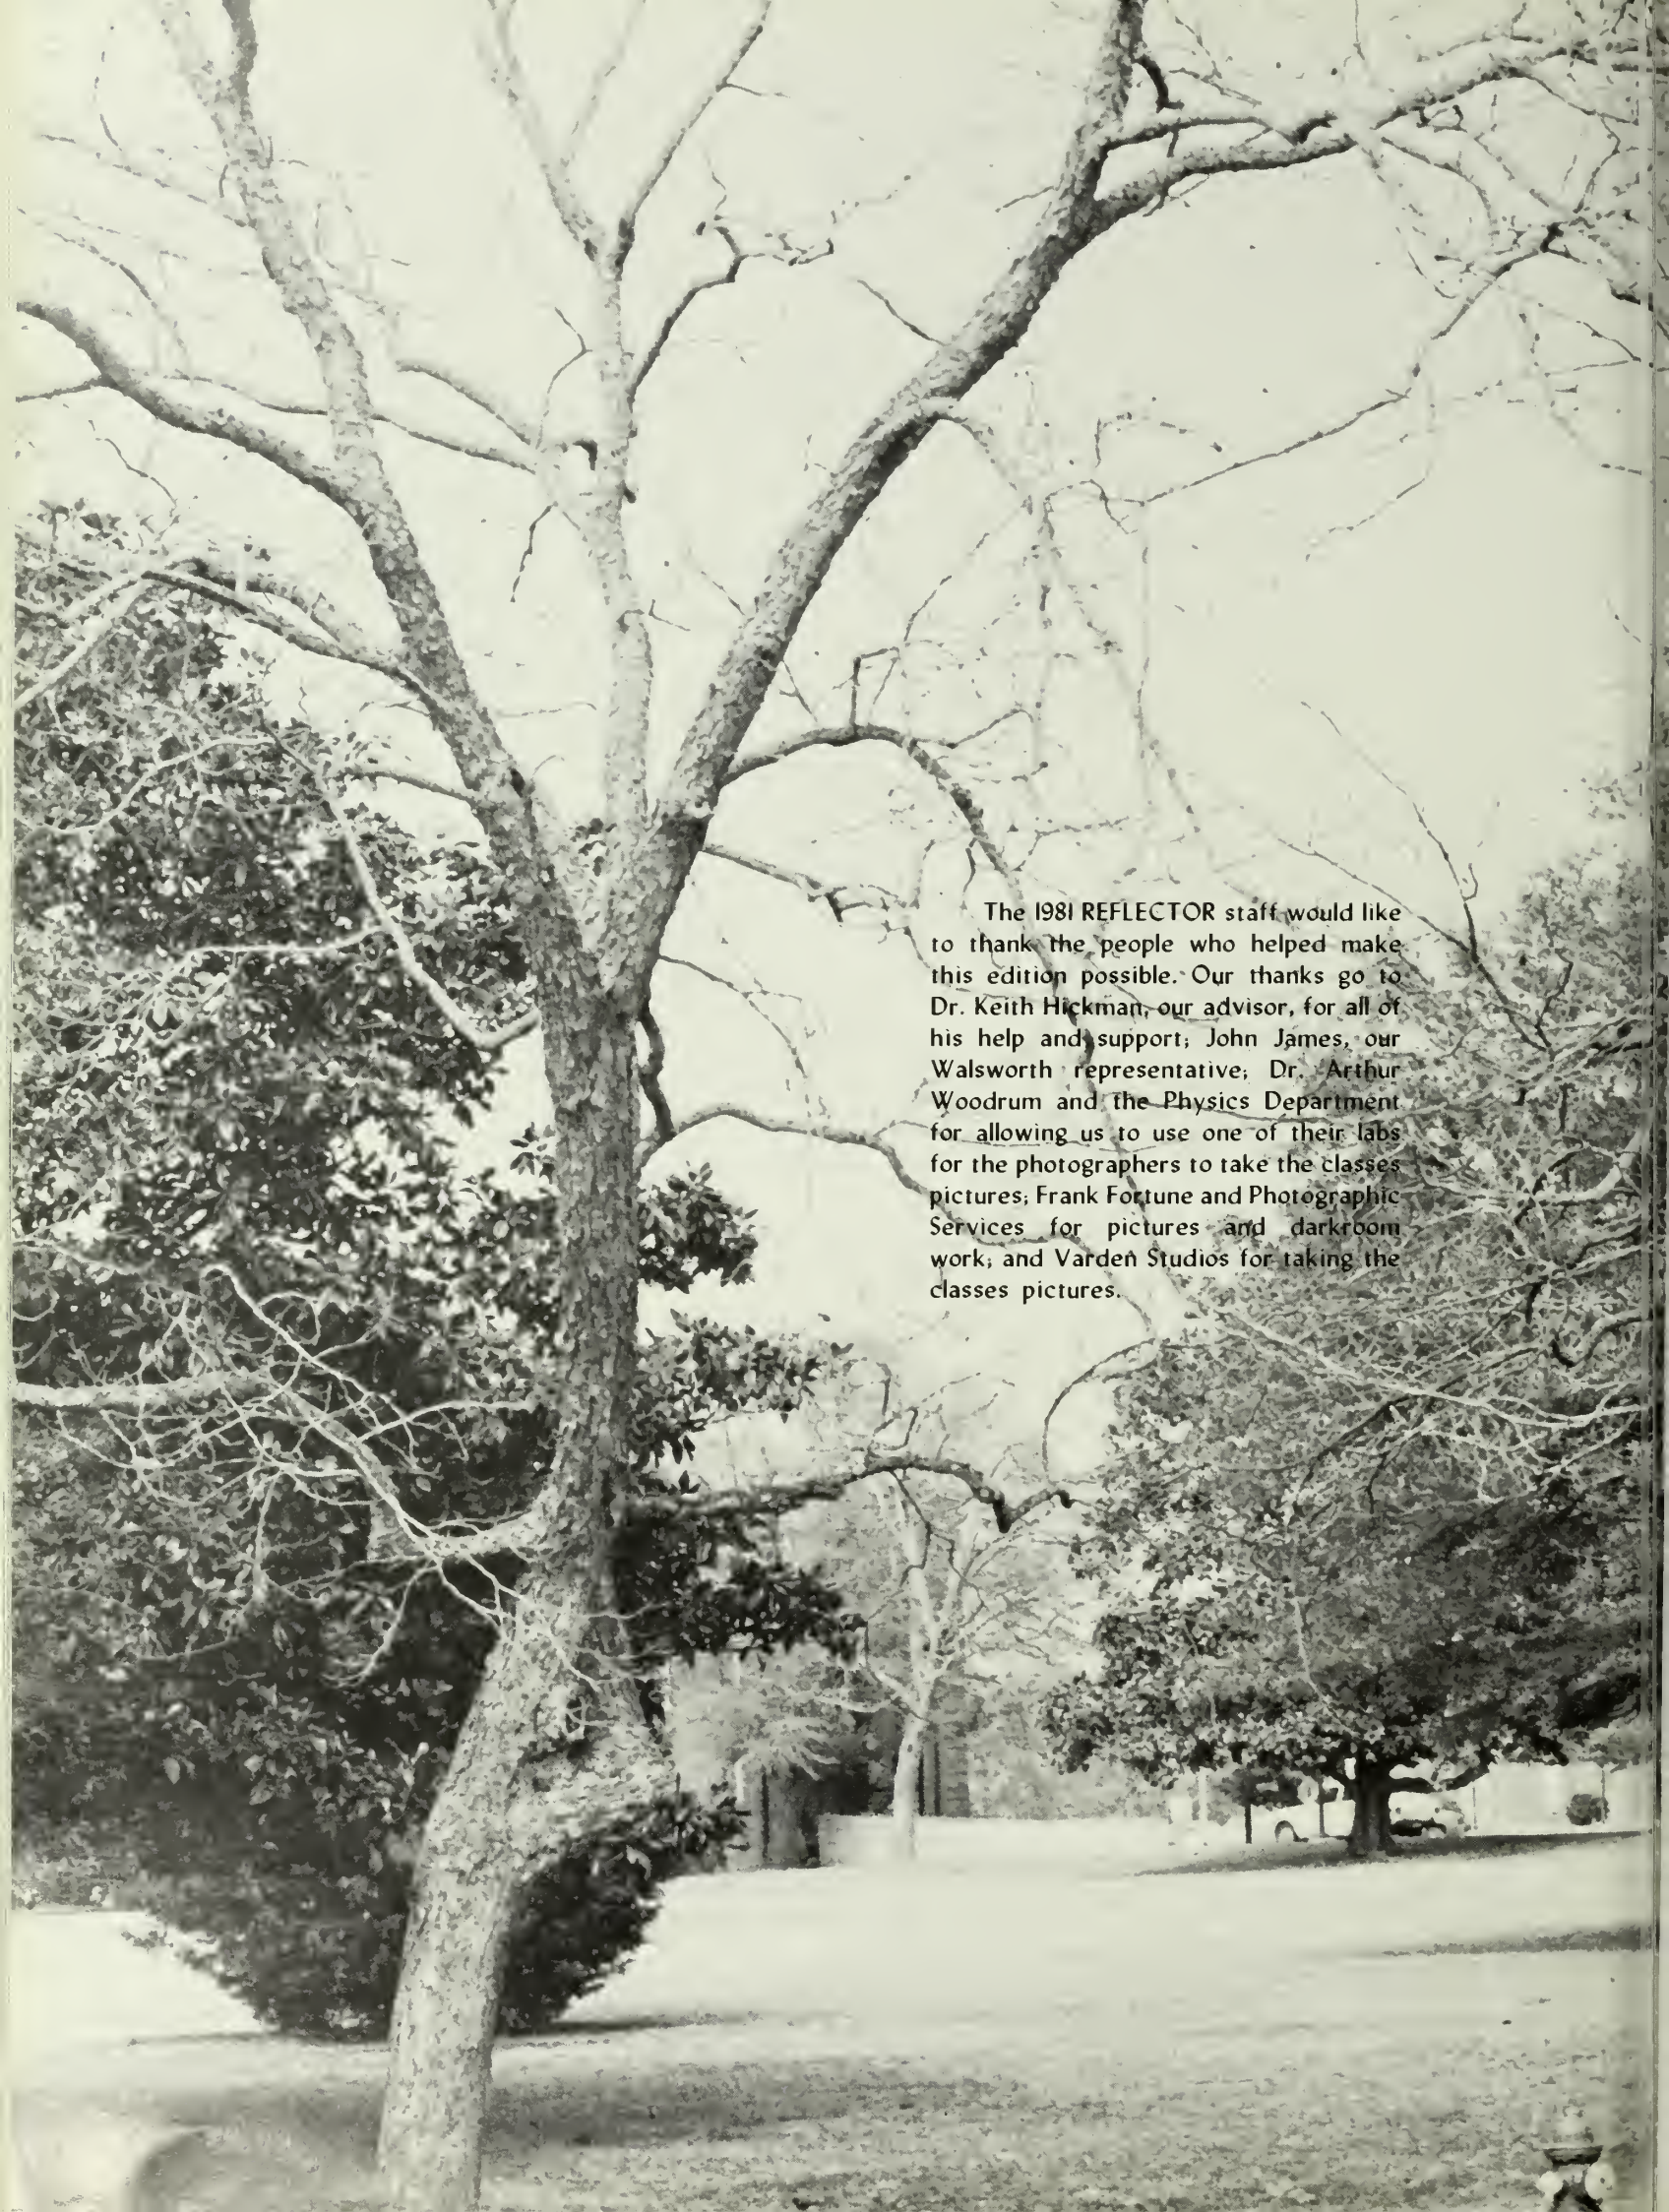

But they will gain  
everlasting importance -  
These good times  
of the past -

Because there is no  
going back  
And only memories  
last.

The 1981 REFLECTOR staff would like to thank the people who helped make this edition possible. Our thanks go to Dr. Keith Hickman, our advisor, for all of his help and support; John James, our Walsworth representative; Dr. Arthur Woodrum and the Physics Department for allowing us to use one of their labs for the photographers to take the classes pictures; Frank Fortune and Photographic Services for pictures and darkroom work; and Varden Studios for taking the classes pictures.
