CONTENTS

An apparatus for quantification of light and temperature cutting ability of curtains M S Parmar, Nidhi Sisodia & Maheshwar Singh	231
Estimating engineering constants of a selected model of textile composite Piotr Szablewski	236
Moisture and thermal management properties of woven and knitted tri-layer fabrics P Kandhavadi, R Rathinamoorthy & R Surjit	243
Usage of proportions method for predicting percentage reflectance of woven structures in fabric design Mine Akgun, Behcet Becerir & Halil Rifat Alpay	250
Optimization of spinning parameters influencing the tensile properties of polyester/cotton vortex yarn P Senthilkumar & E Sankara Kuthalam	256
Predicting the intermingled yarn number of nips and nips stability with neural network models İlkan Özkan, Yusuf Kuvvetli, Pinar Duru Baykal & Cenk Şahin	267
Pin-point effect determination using a rigorous approach Mehran Dadgar, S Mohammad Hosseini Varkiyani & Ali Akbar Merati	273
Properties of knitted fabric made from modified ring-spun yarn Xinjin Liu & Xuzhong Su	282
Theoretical calculation of the 'natural flock restoration' time of a cotton comb Li Xin-rong, Jiang Xiu-ming, Yang Jian-cheng & Wang Xiao-wei	288
Tribological performances of fabric self-lubricating liner with different weft densities under severe working conditions Jian Ma, Yulin Yang & Xiaowen Qi	293
Effect of finishing on performance characteristics of woven and warp-knitted terry fabrics M Akaydin, KYilmaz & N D Yilmaz	301
Dielectric drying effect on properties of fabrics Nazim Pasayev & Mumune Atalay	308

- Reddish brown pigments from *Alternaria alternata* for textile dyeing and printing 315
Sagarika Devi & Perumal Karuppan

Short Communications

- Weaving 'figured – face flip face – fabric' using orthogonal weft tapestry weave 320
R G Panneerselvam, L Rathakrishnan & H L Vijayakumar

- Design and development of an instrument for non- destructive fabric weight measurement 329
M Senthilkumar, L Ashok Kumar, A Keerthana, V Pavithra & S Poongodi

Conference/Seminar Reports

- Innovations in textiles 334
Sadhan Chandra Ray

- One day HRD seminar covering BIS standards for jute and textiles and HRD need for jute industry 337
Swapan Kumar Ghosh, Rajib Bhattacharyya, Tapobrata Sanyal & A K Bera
