### ***Public Sector Enforcement Activity***

During the period January through March 2001:

- Ninety-eight (98) public sector employers received citations and penalties for violations of occupational safety and health regulations. Most of the \$63,815.00 in penalties was used to correct the hazards.
- Lack of respiratory protection and firefighter training and training records were the most commonly cited violations.
- One willful penalty of \$10,000 was assessed for lack of eye and face protection.

### ***Changes to Maine Child Labor Laws***

Changes to Maine child labor laws may affect public sector organizations that employ teenagers. For more information, contact the Wage and Hour Division at 624-6400. TTY (for deaf and hard of hearing): 1-800-794-1110.

### ***Minors Prohibited from Working at Fire Scene***

New child labor rules will prohibit minors under 18 years old from working at the scene of a fire, explosion or other emergency situation except as follows:

**Paid and volunteer junior firefighters who are 16 or 17 years old may:**

1. Attend and take part in supervised training;
2. Participate in fire department functions within the rehabilitation area;
3. Pick up hose and clean up at the fire scene after the On-Scene Commander has declared the scene safe;
4. Enter a structure that has been on fire when deemed safe by the On-Scene Commander and accompanied by a firefighter;
5. With proper training, fight grass fires not involving standing timber; and
6. Perform search and rescue activities, other than structural firefighting.

**They may not:**

1. Perform fire suppression involving structures, vehicles, or wildland fires; except grass fires not involving standing timber;
2. Operate a fire department vehicle;
3. Respond with red lights;
4. Perform firefighting "overhaul" activities;
5. Respond to hazardous material events;
6. Perform any activity, except training, that involves the use of self-contained breathing apparatus;
7. Respond to any accident involving fire or extraction activities involving motorized vehicles (referred to as "1055's");
8. Respond to "ice rescue" activities, except within the rehabilitation area; or
9. Perform traffic control activities.
