Dear Mr. Linscott:

Recently we read of your new book, THE HISTORY OF SECONDARY EDUCATION IN WASHINGTON AND HANCOCK COUNTIES, and we want to add our congratulations to the many which you are justly receiving. Such a book is an important contribution to the history of our state.

We will, of course, wish to purchase a copy for the general lending section of the library, although we regret that as yet we are unaware of the publisher's name.

In addition to this copy, we feel that one should find its way to the Maine Author Collection. Perhaps you will wish to join the many other Maine writers, who inscribe and present copies of their works to this collection. We have several hundred volumes now, for exhibit purposes only, and our authors have been extremely kind and interested in such a collection. We maintain a biographical file, also, in which we have all available material on our authors, a great deal of which they contribute.

Should you care to inscribe a copy of your book for the Maine Author Collection, we assure you that we would be very happy to be able to include it.

Very truly yours

Dear Mr. Linscott:

Some time ago we wrote to you regarding a copy of THE HISTORY OF SECONDARY EDUCATION IN WASHINGTON AND HANCOCK COUNTIES IN MAINE. Of course by now we have a copy in the general lending section of the library, where it is proving a valuable addition.

We have a copy which we would like very much to send to you for an inscription, before placing it in the Maine Author Collection. We assume that you were born in Maine, but since we have no data of a biographical nature, would you be so kind as to send us some information of this sort, at your convenience?

And may we send the copy of THE HISTORY OF SECONDARY EDUCATION IN WASHINGTON AND HANCOCK COUNTIES IN MAINE to you for your inscription?

Very truly yours

Dear Mr. Linscott:

Thank you very much indeed for the splendid biographical sketch which you sent. It is exactly the sort of thing we wish all our authors would send for the files. We notice that you have not listed your birthplace or birthdate. If, sometime, you would be willing to send us this information to complete the record, we would be very appreciative.

Under separate cover, the copy of THE HISTORY OF SECONDARY EDUCATION IN WASHINGTON AND HANCOCK COUNTIES IN MAINE is being mailed to you, and sufficient postage is enclosed to cover its return mailing charges. The addition of an inscription by its author will add greatly to its interest and value.
