Dear Miss Mantor:

We have just acquired your booklet, OUR STATE OF MAINE, upon the publication of which we send you our congratulations.

Perhaps you know that we are collecting the works of Maine authors. This exhibit collection is constantly growing in importance and value. Your Maine booklet will of course be included, and as most of our authors have been kind enough to autograph and inscribe their works placed here, we are sending to you the copy of OUR STATE OF MAINE, hoping that you will also autograph your work.

We enclose return postage, and a label.

Very truly yours

My dear Miss McLeod:

I am indeed honored to be asked to autograph the booklet. I would say this in explanation of it — it was prepared to meet a class need, and is not complete. We hope before very long to make a much more adequate school history of it.

Very truly yours,

Agnes P. Mantor

Dear Miss Mantor:

We are indeed delighted to receive the autographed booklet, and it has been placed in the Maine Author Collection with pride.

Would you be so kind as to send us a biographical sketch of yourself for our Maine Author files. We appreciate any such information with which our authors care to favor us.

Please keep us in mind in case you publish more of your work; and again let us thank you for autographing
OUR STATE OF MAINE.

Very truly yours
