Mrs. F. W. Jacob.  
Maine State Library  
Augusta, Maine

Dear Mrs. Jacob:

I am sending you some more of the writings of my aunt, Dr. Anne E. Perkins, formerly of So. Berwick. She also wrote under the name of Elizabeth Allen.

For a number of the articles I cannot set a date but do know the approximate time; those in the "Every Other Sunday" were all in the '90s except the one on Colorado Gold mines. She was in practice in Durango, Colo. when the latter was written. "Every Other Sunday" was published in Boston by the Unitarian Church.

The Vermont articles were some time in the 20's, early part I think.

Sincerely yours,

Thomas T. Stevenson

P.S. The Portland Natural History Museum has a considerable collection of Dr. Perkins botanical & ornithological writings, T. T. S.

Thank you for today's gift fo Dr. Perkins' articles, which we are delighted to have for the Maine Author Collection.

These charming essays should have been collected into a book, don't you think? We are fortunate that they were saved, and grateful to you for sending them to us.
