A book is dedicated to a person because the life of that person is dedicated to a purpose beyond itself.

To us *DR*. *HAZEL BUTZ* exemplifies the unusual combination of simple Christian consecration, superior academic standards, and sincere warmth of personality. She is our example, our teacher, our friend.

We will remember her as the final campus authority on grammatical usage, as the finder of penalty errors in our themes, as the wearer of lilac, as the one whose class not to cut—as the epitome of our ideal professor.

Because she inspires us to greater self-discipline, because she makes us work hard, because she is dedicated to her profession, because she is dedicated to God—for this and much more that we cannot say, we dedicate to her our efforts and our book.

from the president . . . LUX ET FIDES

TO THE CLASS OF 1962:

There is something wonderfully positive and healing about light. With the dawning of each day new courage, hopes, and aspirations are born. The rising sun lifts the black gauze of gloom and fatigue from weary spirits. "Let there be light." This is at once the condition of all life and progress in both the physical and spiritual realms. Goethe once stated that the prime prerequisite needed in discussing debatable questions was "more light and less heat."

The Christian life is conceived in faith. It is lived through faith and ends gloriously in faith. Faith gives resolve and stability and extends one's spiritual horizon. It is faith that keeps one going when all else fails. Faith in a cause and in one's fellow men gives meaning and moral fiber to life.

Society at large expects, and rightly so, that Taylor University graduates be educated, poised individuals with a concern for true progress. And society is likewise surprised when such is not the case. Colleges are judged more by their products—graduates—than by their publicity. Yours is the privilege of being the "light of the world," reflecting the "Faith of our Fathers" adapted and applied to "this present age" your high calling to fulfill.

May you shine on and on and on until that eternal Day! "Lux et Fides" is the motto of Taylor University and may it be our motto individually and collectively!

A school must have control and direction from a stabilizing force, thus a Board of Trustees. Important decisions about moving and building and raising money must be made during these days. Attempting always to maintain *Lux et Fides*.

A school must be represented and publicized, thus a Public Relations department. Assistant to the President Harve Driver makes his office in Fort Wayne and directs plans from that angle. Will Cleveland edits *The Alumnus* and is chief layout man for all campus programs and brochures. Alumni Ed keeps in touch with past Taylorites and gives them a welcome to campus. A holiday for Fort Wayne and for Taylor.

First stop—the new campus site. Dedication ceremonies, a welcome from Fort Wayne officials, free ice-cold drinks in the icy cold outdoors, a parade gowntown with band and Taylorettes, a shopping spree with silver dollars, a sack lunch. Climaxing the activities, a victory over Defiance at Northrop Field. Taylor University, responding to a Fort Wayne welcome.

EDUCATION

PROFESSIONAL EDUCATION COMES FROM PROFESSIONAL EDUCATORS

FIRST SEMESTER STUDENT TEACHERS Joyce Martinson and Doris Bluhm display their bulletin board in the curriculum lab, designed to whet their students' appetite for reading.

Education becomes a professional matter in theory and in conduct. Dr. Robert Hayes plans for the NCATE visitors while striving to maintain high standards for student teachers. Miss Andrews visits and supervises student teachers, with special attention to elementary education majors. Professor Haines makes a 7:30 methods class interesting enough to keep prospective teachers awake. Professor Snyder is steeped with elementary education projects and with programs for increasing reading. Professor Bromley guides the human development of his students and directs the testing program. Files and free material and units and projects. Lesson plans and biographies, plus demonstration lessons, bulletin boards, and ten Kiddy Lit books a week. Just remember, you have more time now than you will when you begin teaching.

Student Education Association. First Tuesday of each month in Shreiner. "New Times, New Imperatives, New Vision." A fashion show, a visit by state co-ordinator Mrs. Beinita Walton, the first master-teacher awards, NCATE-all part of the new vision of SEA. FOOTBALL at the sidelines and on the field is directed by Bob Davenport.

Physical participation and exercise aid mental stimulation and make the student a better developed and thus a better educated person. Coach Odle rushes from responsibility for Venture for Victory to listen to plans for the County Fair to basketball practice. Coach Glass adds something to his head that is not mental, while leading the B team through a season with only three losses. Coach King directs the baseball team in a spring where practice is not so difficult as usual. In the girls' department, Miss Benning coaches Trojanes and directs classes where better-than-average grades are earned through better-than-average participation. Gym suits and equipment, good weather and auxiliary gym. Physical development emphasized.

Muses and masters reign in the music and art departments. With Professor Shepfer at the organ, Miss Carruth at the piano, Professor Dean singing tenor, and Mrs. Dean singing soprano, there is a music department quartet hard to beat. Professor Evans takes over the oratorio chorus and traditionally presents *The Messiah*. Mr. Burkhalter travels from Berne to add a musical supplement. And all this time Miss Steyer presides in her studio, supervising music majors in their recitals and watching over the musical education of the campus children. Meanwhile back in the art studio, Professor Patton directs a puppet show, runs a photography contest, and prepares for the Shilling Art contest. The Fine Arts contribute to the educational program.

Music Club. Second Wednesday in M-24. Programs show a wide range of musical interest, from seventeenth century program music to American musicals. Sponsor of an April recital by Miss Carruth and Professor Shepfer. Laura Pearson won the scholarship presented annually to a music major. Listening, participating, broadening music horizons.

ART DEYO is congratulated as Player of the Year by Band Director Dale Shepfer. Other students labor industriously to prepare for the art contest.

Language and literature are subjected to analysis, criticism, investigation. The masterpieces of the past and the proper use of the language today are brought into focus. Dr. Butz sets high standards and expects students of Romantic and American Literature to meet them. Professor Lee speaks on the value of tragedy and the purpose of realism. He does not talk about whether or not Shakespeare wrote his own plays. Victorian Literature from a Southern point of view via Miss Davis; Miss Miller becomes method-minded in her first year at Taylor as she teaches prospective English teachers. Miss Van Til presides in the Journalism class with her clever wit. She invites the creative ones on campus to her apartment for coffee and discussion. Themes, term papers, book reports, critiques. Language and literature become real.

GESTURES AND OUTLINE ARE TECHNIQUES OF COMMUNICATION

Man communicates through his speech and, in order to improve communication, he must learn how to speak. Dr. Young earns his Ph.D. while directing Ladies in Retirement. One may portray pure emotion or become a butterfly in Mrs. G's acting class. Professor Haas directs radio and television classes-the longest classes on campus. Scene shop and Attica provide unusual classrooms for unusual classes. Plans for a theater in a barn at Fort Wayne. Oral Persuasion speeches and Oral Interpretation notebook, scenes for Acting and Play Directing, crew work on plays and fifteen plays to read. Speech and drama are developed as means of expression.

LANGUAGES

FRENCH, SPANISH, GERMAN, RUSSIAN BECOME PART OF EDUCATION

LANGUAGE LAB experiences help the tongues of other men come alive for language students.

MIXTURE OF NATIONALITIES AND LANGUAGES is characteristic of this social gathering of International students at the home of Dr. Oliver.

OFFICERS OF INTERNATIONAL CLUB. Seated: Keiko Shimizu, Secretary-Treasurer; Dr. Oliver, Advisor; Standing: Daniel Dew, Vice President; Ray Eicher, President.

Learning the tongues of other men breaks down barriers and wins friends. Professor Jantzen teaches a heavy load of French classes, with perhaps a Belgian Congo accent. Dr. Oliver speaks his Spanish with a slight accent from Panama. He avidly watches the campus couples to keep up on the latest developments. Professor Heath crosses division lines to rise early to prepare for an early Greek class, with an off-the-record Hebrew class on the side. Vocabularies, verb conjugations, records in the language lab, devotions in Spanish or French. An attempt to broaden understanding and appreciation.

International Club brings students from many parts of the world into contact and association. Cultural exhibit and program for International Day. Special trips planned for vacation periods. Learning about the American way of life.

BIOLOGY AND CHEMISTRY

SCIENTIFIC METHOD IS APPLIED TO LIFE AND ELEMENTS

Science is the thing. Biology and Chemistry professors and students seek knowledge in life and in elements. Miss Vida Wood experiments with fruit flies to determine the effects of radiation. Examinations in Life Science have made Professor Terman famous, in one way or another. Birdology (still called ornithology by a few people), taught by Miss Poe, attracts elementary education majors in large numbers. Professor Krueger is qualitatively and quantitatively presiding over the Chemistry labs, and Dr. Lee is the teacher of the unique Saturday class on campus. Dissecting and weighing, microscopes and binoculars, labs and field trips, chemistry and biology.

Science Club. Second Wednesday in C-21. Embraces mathematics, physics, chemistry, biology in a harmony of scientific method. The big project of the year is the Science Lecture Series.

Alpha Pi Iota. First Wednesday in C-21. Pre-medical and pre-dental students win first prize for homecoming display. A tour of Marion General Hospital aids in learning more about the professions. Professional competence.

Mrs. Green exhibits a sincere sensitiveness to her students as she teaches. Formulas and tables and counters and oscilloscopes. Professor VanValkenburg prepares businessmen of the future and is famous for his quizzes. Miss Kessler and her stop watch reign over a 7:30 typing class. Mr. Marshall and Mr. Walradth both visit campus to supplement business education. Maps and typewriters and Congressional Digest and shares of stock. The future is more intelligently faced with a knowledge of the past and a concept of the present.

Man must live with himself and with the society around him, thus psychology and sociology. Dr. Barkman makes a record of being the most often quoted professor this year. Delayed chapel message will be remembered. Dr. Green teaches democratic leadership and techniques of a good discussion group leader as he directs an orientation program. Professor Roye gives guidance in family living in Marriage and Home Building. Professor Loewen is kept busy with combined duties of running a sociology class and running a bookstore. Sociograms and analysis used for investigation.

Soc-Psy-Ety, an inner-divisional club. Third Tuesday, 7:00 p.m., in C-21. Banquet this year given in honor of Dr. Mowrer, guest for Science Lecture Series. Taylor has the ball, but the Ravens are ready in this fumble-ridden game that kept the Trojans from an undefeated season.

Football, 1961. Proud Taylor fans watched a powerful Trojan squad fight its way to the best record in purple and gold gridiron history. Under the expert coaching of Bob Davenport, the Trojans scored eight victories and suffered only one loss. Bob Davenport's leadership ability earned him the title of Coach of the Year in the Hoosier College Conference.

Football, 1961. New honors and records were achieved by outstanding Taylor athletes. Dave Kastelein scored seventy-two points and gained the top position among Indiana scorers. Five Trojan men were named to the All-Conference team: Dave Kastelein, Ben Mosher, Stumpy Jackson, Everette Meyers, and Rudy Moberg.

Football, 1961. Memories of shouting fans in the rain, long hours spent on class floats, colorful half-time performances by the band and Taylorettes, temperamental Indiana weather at Homecoming, impromptu pep sessions in the court of the girls' dorm, the sweet taste of victory.

TAYLOR 21**INDIANA CENTRAL 13**

The Trojans' first game of the year set the pace for the season with a victory over last year's Hoosier Conference champions. Kermit Starkweather went over for the first TD after Taylor recovered a fumble in the first quarter. A pass by Ben Mosher to Dave Kastelein brought another purple and gold score in the second quarter. A Trojan punt return of seventy yards added spark to the second half, and Ben Mosher crossed the line for six more Taylor points.

TAYLOR. 73 ROSE POLY

All thirty-two members of the Trojan squad saw action in this slaughter over an inexperienced Rose Poly team. Three touchdown runs by Dave Kastelein and two long passes by Ben Mosher helped spell defeat for the hosts. The Trojan score more than doubled the previous record of thirty-four points scored by a Taylor team. The game was shortened six minutes because of the half-time score of 42-0.

TAYLOR EARLHAM

The Quaker eleven bowed to the Trojan power in the first home game of the season before an enthusiastic crowd of freshmen and returning students. All three Taylor TD's came in a fruitful second period. Dave Kastelein boosted his scoring record by six, and Kermit Starkweather added twelve more to the Taylor score. Kastelein's touchdown play was set up after Bob Seevers nabbed an Earlham fumble. Ken Flanigan booted all three extra points in spite of the efforts of a gale-like wind. The Quakers managed to grind out only sixty-three yards by rushing compared to one hundred forty-eight yards for the Trojans.

21 TAYLOR 32 7 FRANKLIN

Senior co-captain Ben Mosher hit pay-dirt twice on quarterback keeps in this clash with the Grizzlies on the Franklin field. Other Trojan scores were added by juniors Dave Kastelein, Kermit Starkweather, and Bob Larson. Kermit's TD was set up after Chuck Sadler recovered a Franklin fumble. The hard-hitting Trojans churned out three hundred sixty-eight yards on the ground before the final gun. The longest run of the day came when Stumpy Jackson picked up a Franklin fumble and covered fifty yards before the defenders brought him down.

TAYLOR MANCHESTER

The fifth straight Taylor victory of the year was won before a large crowd present for annual Parent's Day activities. Top-scorer Dave Kastelein crossed the line for six points, and Ben Mosher scored six more after Bob Jackson recovered a Manchester fumble. Kastelein's second trip into the end zone did not count because the Trojans were off-side. Three pass interceptions by Paul Warner and an extra point kicked by Ken Flanigan added to the woes of the visitors. Starting quarterback Ben Mosher received injuries which limited his playing for the remainder of the season.

TAYLOR 16 ANDERSON 34

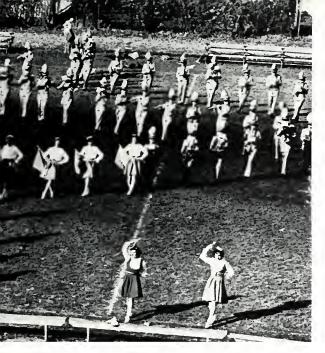

The Trojans' only loss of the season came in a fumble-ridden contest with the undefeated Ravens. Three of the Anderson TD's were set up by Taylor fumbles, and five other fumbles hampered offensive action by the Trojans. The first Taylor score came on a safety in the third quarter. In the fourth quarter Dave Kastelein dived through the middle for two Taylor scores and picked up enough yardage to make his total for the game ninety-four yards.

TAYLOR HANOVER

Alumni and friends returning to campus for Home-coming activities watched this battle through a wall of steady rain. Jim Evans, sophomore sub-quarterback for Ben Mosher, played through the mud for the first Trojan TD, and Kermit Starkweather added the other six points. Ken Flanigan connected for both the extra points. Queen Adrien and her court viewed the game through closed convertibles, and the pre-game parade as well as the half-time performance by the marching band were cancelled because of the downpour.

14 TAYLOR7 DEFIANCE

Climaxing the activities for Ft. Wayne day, the Trojans added another exciting victory before a large crowd of Taylor students and visitors at Northrop Field in Ft. Wayne. Taylor always led the scoring, but Defiance's persistent pass attack threatened the slim lead several times. Kastelein and Starkweather made the first two Trojan scores, with Ken Flanigan connecting for both PAT's. Walt Campbell recovered a Defiance fumble in the end zone for six more points, and Ken Carpenter ran 43 yards after nabbing a pass from Bill Jones for the final Trojan TD. Dave Kastelein assured himself of a first-place scoring position by crossing the goal line three times. Kermit Starkweather hit pay dirt once, and Freshnan Tim Reeves galloped 43 yards with a Wilmington fumble for the last TD of the season. Ken Flanigan finished a fine season by booting four of the PAT's.

An average of 84 points per game was poured in by the Taylor quintet, with Durham's 18 point average leading the scoring totals. Big "Moose" led rebounding, averaging 17 per game. MISSIONARY CONFERENCE

AMBASSADORS FOR CHRIST PRESENT 'WE DARE NOT WAIT'

 $DR.\ WOODBRIDGE$ and Ben Mosher discuss the proceedings of the conference after the evening service.

REVEREND WARD meets with students in Campbell Lounge for informal discussion.

"Lift up your eyes, and look . . ." And Taylor students responded to the call and the warning "We dare not wait" during annual Missionary Conference sponsored by Ambassadors for Christ. Dr. Charles Woodbridge; Bible teacher from Word of Life camps in New York, and the Reverend Donald Ward, missionary to Palestine, offered the challenge to renew missionary vision and personal dedication.

Vivid impressions of the three-day conference remain. The Reverend Ward in full Arabian dress telling of the culture and needs of the people that have become his. Dr. Woodbridge daring students to practically memorize the New Testament in three years. Informal discussion sessions in Campbell lounge. Decisions made for eternity.

The Bookstore in Kenya, Africa and radio station HLKX in Korea, special missionary projects for Ambassadors. Encouragement of the distribution of Christian literature under Send the Light Crusades. Meeting weekly, Ambassadors alternates a missionary program with prayer groups.

TRUMPET TRIO, Dave Powell, Dale Senseman, and Dave Geddes, and conference chorus present a musical challenge.

MISSIONARY CONFERENCE CHORUS, directed by Dale Senseman, leads the congregation in the singing of the conference chorus, "We Dare Not Wait."

Religious life on campus is stimulated and supplemented by revivals, by Holiness League, and by Personal Evangelism. The Reverend Robert Emsley from England and the Reverend Andrew Gallman from Mississippi revived spiritual emphasis and gave challenges toward Christian growth. Holiness League brings guests to campus to speak on the deeper Christian life. Friday night at 6:45. Personal Evangelism makes evangelism practical by giving opportunity for participation in street meetings, visits to homes and prisons, and house-to-house visitation. Reaching greater spiritual depths by reaching higher and higher.

Homecoming coronation, a night when dreams came true for junior Adrien Chandler as she received the coveted Homecoming crown from last year's choice, Joyce Worgul. Runners-up were senior Joan McIntosh and sophomore Jeanie Wills. Dave Mette and Jan Salisbury narrated the impressive evening ceremony. Men's Chorus added highlights with "Halls of Ivy" and Don McDongall sang the traditional "Sweetheart of Taylor U" to Queen Adrien.

Class float competition interpreting the Homecoming theme "Toward New Horizons" was taken by the senior class. Poster paint and paper napkins suffered under a steady rain. And the unpredictable Indiana weather forced cancellation of the pre-game parade and the half-time ceremonies.

SOPHOMORE JEANNIE WILLS, escorted by Wayne Weeks, is chosen as Homecoming Queen attendant, second runner-up.

SENIOR JOAN McINTOSH, escorted by Shel Bassett, is chosen as Homecoming Queen attendant, first runner-up.

 ${\it CAUGHT\ IN\ THE\ ACT},$ one coming through a snowdrift, the other under the mistletoe.

"... unto you a child is born ..." And the Oratorio Chorus echoed the glad tidings, setting the mood for annual Christmas activities. Carols, tinsel, popcorn, and mistletoe reflected the spirit of the season at the dorm decorating parties.

The Marion Male Chorus was featured at "Snowbound," the annual winter banquet. Blue and white snowflake decorations mellowed by candlelight provided atmosphere for the semi-formal occasion, with marimba and organ background music played by Mike Gilbert and Dave Fraser. Dave Cook was master of ceremonies for the banquet, planned by co-chairmen Bob Gardner and Louise Smith.

Winner of the Organization for the Year contest. Grace, devotion, and beauty emphasized in cultural programs. From hair-dos to floral arrangements to a lecture by Dr. Butz on "Sounds in Poetry." Christmas meeting highlighted by a reading of *Miracle on 34th Street* by Prof. Young and Mrs. G. Devotion exercised by time spent in the VA Hospital and in Urban League work. Homecoming decorations, initiation ceremonies, an evening in the Oriental Room of the Spencer Hotel, receptions for recitals, the Valentine banquet.

"Rainbow Realm" was the theme for the annual femme-invite Valentine banquet. A carefully printed invitation, anxious waiting, "It would be my pleasure," a new dress and a corsage—and finally the banquet itself. Purple and white decorations and a large multicolored rainbow transformed the dining hall into a romantic, candle-lit "pot of gold" for Taylor sweethearts. A delicious meal, organ music, a master of ceremonies, a look and a smile across a table, a musical program—and another banquet becomes a memory.

The class of 1962 become alumni and must now only remember the events and people of four years of college. Self-named the Mickey Mouse class, the members remained true to their mascot, building a tribute to him in the snow in the senior year. The class has been led by Pat Stillman, Carlton Snow, Mel Moeschberger, Bill Schneck to win three Homecoming float trophies and two (and hopefully three) class-of-the-year trophies. The class produced the leadership needed to give more than its share to the development of student participation in the affairs of the school. Carlton Snow leads the student council.
