Dear Mr. Stevens:

Thank you very much indeed for the book A BRIEF HISTORY OF BRIDGTON ACADEMY. It is a most attractive book, and one which gathers together all sorts of interesting information and history; and we are sure that anyone connected with the Academy, whether student, instructor or official, past and present, will welcome it enthusiastically.

For purposes of listing in the Bulletin, can you let us have more information? We should like to know the publisher, the date, the price, and from whom it may be purchased. We shall certainly be glad to see that it is noted in the Maine in Print list. The August issue will not be possible, because material for that was due a week or so ago, but the November issue will carry the information.

Sincerely yours

hmj
