# Taylor University's Irish Studies Program

INTEGRATING FAITH, LEARNING, AND LIVING

Ancient castles, steep cliffs, city street corners, ocean beaches, gothic cathedrals, an island mountain, and a constantly traveling bus—these were my classrooms for a semester. I embraced a culture I didn't want to let go of, touched history at every turn, and encountered Christ like I never expected. I even hung out with my professor on a regular basis! I learned to love education, and that will stick with me for life.
