SUMMIT RECORD

Summit Christian College

Vol. 4, Issue 1

Fall 1989

A DAY OF CELEBRATION...

ACTIVITIES CENTER DEDICATED -- CAMPAIGN COMPLETED

The words of "Great Is Thy Faithfulness" filled the auditorium as several hundred individuals came together to celebrate the dedication of Summit Christian College's new Activities Center and the completion of the College's "Bridge to the Future" capital campaign.

The celebration began Thursday evening, September 21, with a gala open house held in the new auditorium. The College community, neighbors, friends, community officials and local business leaders were invited to tour the 23,000-square-foot facility. Pizza Hut, Incorporated joined in the activities by providing pizza and soft drinks for all who attended.

The celebration continued on Saturday morning, September 23, when the official dedication ceremony took place with United States Senator

Dan Coats as guest speaker. Senator Coats commended the College on the construction of such a structure and applauded College officials on their successful completion of the \$3.2 million capital campaign.

The Activities Center includes offices, classrooms and a well-equipped weight room. The gymnasium can be converted to an auditorium to seat 1,700 for commencement and other special events.

"Bridge to the Future" campaign funds have been used to build the new auditorium and new WBCL facilities, aid in debt reduction and increase scholarship endowment. A \$500,000 matching grant awarded through the Lilly Endowment's Dream of Distinction Competition greatly helped the College in funding the final stage of the campaign.

WELCOME HOME

Annual Homecoming/Parents' Day Bring Many to Campus

Shellie Paladi cheers on the Falcons during the Homecoming soccer competition.

On the weekend of September 22 and 23 alumni and parents of present students descended on the campus of Summit Christian College for a very special time of reunion and praise to the Lord.

Festivities began on Friday evening with over 50 people gathering for a buffet supper in the new Activities Center in honor of the returning Alumni women's volleyball players and their families. The Alumni-Varsity match to follow was exciting with close to 300 people coming to watch. What a joy it was to have our own "home court," the first time since intercollegiate athletics began in 1953.

Saturday was a full day with the dedication of the new building at 10:00 a.m.; a lunch on the Witmer lawn; class reunions for the Classes of 1979, 1984, 1988; a soccer match with Michigan Christian (which we unfortunately lost 4-2); a delicious BBQ chicken supper on the lawn; and then a special praise concert in the new Activities Center with guest artists Robbie Hiner and Karla Worley.

Plan now to attend next year's Homecoming scheduled for Saturday, September 29, 1990. A 10th year reunion is planned for the Class of 1980, and a 5th year reunion for the Class of 1985.

SUMMIT DAYS Nov. 9 - 11

Whether you're a teenager, a parent, or a youth leader, don't miss **Summit Days** at Summit Christian College the weekend of November 9, 10, and 11. Spend a weekend in Fun and Fellowship as kids from all over the country come to Summit Christian College to take a look at college life.

Learn about what's available to you in the way of financial aid, enjoy our new facilities, and even experience the college classroom. But that's only part of the weekend. There is also going to be an **IMPERIALS CONCERT** on Friday, November 10th at 7:30 p.m.

Call 219-456-2111 ext. 274 for more information or to register for **Summit Days at Summit Christian College.**

The Summit Record is published three times a year by Summit Christian College, 1025 West Rudisill Boulevard, Fort Wayne, Indiana 46807. Telephone: (219) 456-2111. FOR ADMISSIONS, CONTACT: 1-800-292-3922. (Outside Indiana, contact 1-800-233-3922).

Director of Alumni & Church Relations: William Gerig

SUMMIT APPOINTS ACTING DEAN OF STUDENT LIFE

Carolyn L. Arthur has been appointed Acting Dean of Student Life at Summit Christian College. The appointment comes after the summer resignation of former dean, Sharon Mejeur.

Among her many responsibilities at the College, Carolyn will oversee the total operation of the Student Life Department, implement fall and summer orientation programs, and give direction to residence life and student activities.

Carolyn comes to Summit Christian College from East Lansing, Michigan where she is a Ph.D. candidate at Michigan State University. Her doctoral study is in College and University Administration with the focus on Student Affairs.

She has also earned the master's degree in Student Personnel Administration in Higher Education from Ball State University, Muncie, Indiana, and a bachelor's degree in psychology from Seattle Pacific College, Seattle, Washington.

Carolyn has held a number of positions with Michigan State University including Graduate Assistant in the Office of the President, Adult Services Staff Associate and Graduate Resident Adviser. She previously served as Assistant Dean of Student Affairs and Director of Career Development at Bluffton College, Bluffton, Ohio, and as Union Building Manager and Resident Director at Huntington College, Huntington, Indiana.

On September 22, 1989, by official action of the College's Board of Governors, the name of the Student Development Department was changed to Student Life. The name change was recommended following a audit of the department last spring. It was felt that "Student Life" more accurately reflects the department's function.

New and Renewed Facilities

During the last six months Summit Christian College has experienced a major upgrading of facilities. The above photo gives a glimpse of a refurbished resident hall lounge. Lounges in Schultz and Lexington dorms were given a much needed fresh new look. Other changes on campus have included new and

resurfaced parking lots, air conditioning installed in the library and redecorated dining facilities. The College community appreciates the generosity of friends who have made such changes possible. The upgrading of facilities have not only made some much needed improvements, but have also helped in boosting campus spirit!

ENROLLMENT CLIMBS 4%!

Statistics are in and College officials are pleased with the news that fall semester enrollment is up over 4% compared to last year!

The turn around in enrollment began in 1986-87 and since then the College has experienced a small, but very encouraging, increase in student enrollment. As stated by Dr. David Lalka, Vice President for Development, "Effective management, computer managed mailings, publications, advertising and significant personal contact made this growth possible."

The College's Enrollment office is currently implementing a new computer tele-marketing software program. According to Enrollment Director, Jan Paul Storey, "The new system will track prospective students from the point of inquiry to enrollment. This cost effective, time efficient method of follow-up and recruitment will greatly enhance the amount of personal attention given to qualified students."

(More dedication celebration photos)

(l to r) Athletic Director Deb Rupp, President Gerig, and Board Chairman Paul Steiner gratefully took part in the dedication.

Dr. Ira Gerig enjoyed playing accompaniment music on the recently purchased grand piano.

Jill Swanson (l) and Kurt Schlater were among many who appreciated Pizza Hut's donation of pizza and soft drinks at the open house.

Dr. Joan E. Mayers

September 18, 1939 - June 21, 1989

Dr. Joan E. Mayers, our dear friend and co-worker for many years, went to be with the Lord on June 21, 1989, following a long illness.

Joan served as professor at Summit Christian College for 22 years before moving three years ago to Cincinnati, Ohio where she was in private practice as a psychologist.

Remembered as a "teacher" by her many friends and family, Joan also loved to be taught. She earned her bachelor's degree from Toccoa Falls College in Georgia, her master's degree from St. Francis College in Fort Wayne, and her doctorate from Western Michigan University in Kalamazoo, Michigan.

Joan was a nationally known speaker and co-founder of Day-Away, a one-day women's retreat sponsored by WBCL radio. She was a member of both the American and the Indiana Association for Counseling and Development. She served on Western

Michigan University's master's admissions committee and the board of directors for Emmanus Walk of the Cincinnati, Ohio area.

There are hundreds of us who have our special memories of Joan and how she had an impact on our daily walk. God used Joan to teach us the principles found in God's Word and how to live them out in our everyday lives.

MEMORIAL GIFTS

Many individuals find a deep personal satisfaction in making a contribution to Summit Christian College in memory of someone special. These meaningful gifts express to the family that you care and, at the same time, make it possible for the College to carry on its redemptive ministries. Upon receipt of your memorial gift, and when appropriate, a card is sent to the family of the honored person. The amount of the gift is never indicated. You will also receive an acknowledgement of your tax-deductible gift.

ANNUAL REPORT

July 1, 1988 - June 30, 1989

SUMMIT

Christian College

Chairman of the Governing Board . . . Encouraged and Optimistic

Serving as Chairman of the Governing Board at Summit Christian College during the last year has been an exciting experience! Many changes have taken place for the betterment of the College.

A new name has been implemented . . . a name that better represents the mission of the College. Although we go by another title, we retain the same mission to serve and to provide a solid Biblical education.

It has been a treat to watch the progress of the construction of the College's new Activities Center. The building is in use and definitely is an addition to the College campus.

We again struggled with the budget during the 1988-89 fiscal year, but many positive aspects have taken place to make us very optimistic that the 1989-90 fiscal year will end in the black!

I must commend the College's administration, faculty and staff on their dedication and faithfulness in serving and performing their jobs with a touch of class resulting in high quality.

All the above mentioned items along with a growing student body encourages me. I look forward to the new fiscal year and know Summit Christian College will continue to offer quality educational programs and provide a very unique service to men and women preparing to serve our Lord.

"PRESIDENT'S PERSPECTIVE"

It has been a tremendous encouragement to see the many ways God has worked in the life of our institution over this past year. There have been times when, frankly, changes have been almost dizzying. I have watched events unfold that were sometimes planned and at other times simply took place in the sovereign goodness of our Lord. While our struggles are not over, especially financially, I am more confident than ever that this is a place God is choosing to bless and use in the work of His kingdom.

The most visible change throughout this year, of course, has been our new name. What a delight to hear from so many of you, our supporters, expressing your continued interest and excitement about Summit Christian College. We realized when we first started this project that not everyone would share enthusiasm about it. It has been heartwarming, however, to be pleasantly surprised at the high level of support and encouragement that has come our way during the process of the name change. We have also been gratified at the smooth way so many of the details surrounding that change have been cared for. Over and over again I have had the opportunity to re-state the mission of our College even as I have explained the name change decision.

This has also been a year when significant changes have taken place on campus. Along with the completion of the Activities Center there have been other improvements around campus to signal the beginning of something new. Parking lots have been expanded and re-surfaced; new lounge furniture has been gifted for our two main residence halls; new carpet and tile has been installed in the dining room; and air conditioning has been installed in the library.

This has also been a year when financial support has been stronger

than ever. As you will note elsewhere in this report, literally hundreds and hundreds of friends have made possible a record year of gift income. Virtually all of the necessary money for the construction of the Activities Center has been raised. We have received the challenge grant from the Merrillat Foundation to not only meet our budget needs but hopefully begin to chip away at our accumulated debt. And we have had a number of specific gifts relating to facilities and equipment here at the College. It is tremendously encouraging to all of us here on campus when we realize the willingness of so many of you to invest significantly in the ministry of the kingdom through Summit Christian College.

My burden continues to be the need both on and off campus to re-capture a vision of the excitement of ministry in God's kingdom. I have been praying that in our churches there will be a fresh surge of interest in Christian ministry among our young people and adults. On campus we face the challenge of seeing that every student recognizes how they fit into the important work God has put before us. Many of our students, of course, are preparing for vocational ministry.

Others, however, will be used in a variety of ways, directly and indirectly, to be a part of kingdom work even though they may be in vocations which are not traditionally thought to be ministry. My goal is to see every one of our students leave with an understanding of the importance of using their lives for matters that count for an eternity.

Thanks again to all of you who have made this year such a significant turning point in the life of our school. Please keep praying for spiritual vitality for our campus as well as academic excellence in our education. Be encouraged to continue giving so that the work of the College will not only be maintained but vigorously moved forward. And don't forget how important it is to encourage students to come to Summit Christian College where they can receive quality education in a spiritually dynamic atmosphere.

Dr. Donald D. Gerig
President

HEAD/HEART KNOWLEDGE

"**H**ead-knowledge is useful, but unless it is sanctified by the Holy Spirit it can be the most dangerous thing in the world," said sparkling evangelist Vance Havner. (*The Vance Havner Quote Book, Baker Book House, page 77*) Summit Christian College is becoming the summit of Christian higher education by uniting the revelation and the Spirit of God with curricular and cocurricular experiences creating academic excellence.

Undoubtedly every Christian college makes the same claim. How is this unique at Summit Christian College?

First, our College continues with the Bible college three-part curriculum. All students persist with a major of thirty credits in English, Bible and theology. Summit students will know the Bible when they are graduated! All students complete at least forty-two credits of general studies (liberal arts) under competent specialists. All students major in ministry and helping professions, including Christian Counseling, Christian Education, Management, Music, Pastoral Ministries, Teacher Education, and World Mission.

Second, our faculty are all committed Christians who present a Christian world view to their students. With this perspective, the "head-knowledge" of science, literature, education, language, or any other discipline is "sanctified" in the classroom.

Third, our faculty and administrators are growing practitioners of their faith and academic disciplines. For example, Professors Biberstein, Steele, and Wesley Gerig serve local churches in addition to their campus responsibilities. Professors Steele, Scharfe, and Wesley Gerig have traveled internationally to teach and minister. Professor Weddle will be

traveling to Africa in cooperation with a consortium of colleges to assist in the development of an international opportunity for practice teachers. Professor Joy Gerig spent her summer vacation at a spiritual retreat in Colorado. Dr. Jon Swanson was awarded a doctorate degree from The University of Texas at Austin.

Fourth, Summit Christian College students continue to apply class theory to practical situations through the Christian Service department. All students must complete programs in six out of eight semesters. During the past year, among a flurry of activity, nearly eleven hundred Sunday school classes were taught, more than eight hundred children and youth clubs were lead, eighty-two persons were brought to Christ, and ninety-one decisions of commitment were made. We worked with ninety-two churches and organizations and thirty-four denominations.

Fifth, the college curriculum has been strengthened through the completion of an academic audit. We are grateful to the Lilly Foundation for funds to carry out this project.

Sixth, we have been able to provide additional computers for student word processing and for computer assisted instruction.

Seventh, with the completion of the activities center and the hiring of additional athletic staff, we anticipate a strong athletic program. On a week night in early August before announcements had been made and students had returned to campus, thirty-five persons were using the machines in our weight training room!

Finally, the academic schedule is being revised into a unique format for two purposes. First, we will be encouraging persons in vocational or lay ministry to update their knowledge and skills. Second, we will be revising courses and teaching styles to be more efficient and effective in serving our traditional students.

Knowledge of God's Word and God's world, presented by a Spirit lead faculty, and applied by students hungry to serve the Master has become powerful, not dangerous. On that basis we are becoming the summit of Christian education for ministry.

*Richard P. Dugan, Ph.D.
Vice President for
Academic Affairs*

DEVELOPMENT LEADS TO ADVANCEMENT

The 1988-89 fiscal year has been one of growth, change and advancement at Summit Christian College. Not only has the College name changed, not only has our first capital campaign reached completion, and not only has a new Activities Center expanded our opportunities to serve students and friends, but also giving to the College has achieved new levels. We are thankful -- to you our many partners and to our Lord who blesses our work on behalf of this educational ministry.

FOUNDATIONS

In fiscal 1988-89, the College benefited from the Lilly Endowment "Dream of Distinction" grant. The distribution of that award facilitated the cash flow for the construction of the Activities Center. Other Lilly grants supported the audit of academic programs and the design and implementation of a computer managed tele-marketing system for our Admissions Office.

ENDOWMENT

Each College prospers as its endowments grow. The 1988-89 fiscal year saw a major advance in endowment through the receipt of a \$370,000 estate bequest. These funds became a keystone of the Eicher Chair in World Missions. Additional gifts and commitments have advanced this chair to within \$15,000 of its full funding: \$450,000. In addition, the College designated 30% of each undirected bequest to general fund endowment. In this way more than \$30,000 has been added to that endowment.

ANNUAL FUND

The life blood of any College is annual fund gifts. These gifts, large and small, from many friends, churches and businesses enable the College to continue operation, provide services, offer scholarships, support

programs, and pay salaries. Though these gifts range from \$5 to \$50,000, each gift, each partner is important.

For another year, the annual fund advanced at Summit Christian College. Unrestricted gifts totaled \$741,218. . . Combined with restricted gifts of \$1,445,687, total giving to the College exceeded \$2,186,900. . . a new record!

In small colleges, it costs between \$25 and \$40 of budget dollars to raise \$1 in gifts. At Summit this past year, our budget expenses of \$305,225 indicated a cost of \$.14 to raise \$1. We believe this demonstrates partnership, efficiency, and stewardship.

Direct mail is a significant source of gifts. Our mailing list consists of over 8,000 names. In fiscal 1988-89, \$156,049 was raised through timely mail contacts with donors. Our data suggests that for each \$1 the College invested in direct mail, it received in excess of \$14 in gifts. This record speaks strongly of the partnership with donors.

A CHALLENGE

Late in fiscal 1988-89, the Merillat Family Foundation made a \$250,000 challenge grant to annual fund. For each \$2 raised by the College, the grant would add an additional dollar. In May and June, gifts to the College exceeded \$132,000 and the first \$50,000 was released. Our goal is to complete this challenge with some \$400,000 in annual fund gifts by December 31, 1989.

ENROLLMENT

Summit Christian College exists to educate students for careers of ministry and service. The turn around in enrollment which began in 1986-87 strengthened further in 1988-89. Fall term head count was 371 vs. 356 a 4.2% increase. Spring term head

count was 356 vs 326 (1988). Effective management, computer managed mailings, publications, advertising, and significant personal contact made this growth possible.

Dr. Donald Gerig (l) and Dr. David Lalka

CAPITAL CAMPAIGN

Walking through the completed Activities Center fulfills a dream. It is an asset to serve our campus, community, and constituency. The WBCL facility, new landscaped parking areas, and improved campus image, show that Summit Christian College is strong to meet the challenge of education. Yet, as one campaign concludes, the ground work for a Centennial Campaign is underway. Partnership achieved success, and it bodes success for our next venture.

In conclusion, the partnership of foundations, businesses, churches, alumni, and friends make possible the fiscal success of Summit Christian College. 1988-89 has been a year of advance, a year of excitement. Our partnership with each constituent is valued.

*David G. Lalka, Ph.D.
Vice President for Development*

FINANCIAL OVERVIEW

Though the operating fund results for the fiscal year ended June 30, 1989 were not as good as we had hoped for, they did improve over previous years. Tuition income was very close to budget, but several expenditure areas were higher than projected.

With the support from a large matching gift to the operating fund and continued tight control over spending, we have a very realistic prospect of finishing the current fiscal year with a small surplus. This would be the first year concluded with an operating fund surplus in over five years. This anticipated surplus will allow us to make at least a small dent in our debt load.

The College has a much improved net worth due to receipt of the gifts toward construction costs of our new Activities Center. In spite of operating fund deficits, the combined fund balances show a \$918,000 improvement as compared to the balances at July 1, 1988.

This has been a very busy year for the Business Affairs Office due to a

number of major projects that were underway during the year. First and foremost was the oversight of construction of the new Activities Center -- the first new major facility built to serve campus needs in eighteen years. The Activities Center is an outstanding campus addition and will provide for athletic, spiritual, educational and recreational needs of students and other constituencies. Open house and dedication of this facility took place on Sept. 21st and 23rd. All but a few minor finishing touches were completed by June 30th.

At the January meeting of the Governing Board, approval was given to sell several pieces of residential real estate and to use the funds realized from the sales to finance a number of necessary projects. To date, half of these properties have been sold and numerous maintenance and redecorating projects started -- most of which have been put off much longer than they should have been. The largest single project completed was a resurfacing of nearly all the parking lots and drives on campus. Another was the redecorating of Schultz and Lexington lounges and the dining hall in Founders.

Thanks to the gifts of several contributors, (including a large, in-kind gift of labor from a local contractor) central air conditioning has been installed in the library. Air conditioning of this facility has been needed and planned for since the building was built in 1960 and will much improve the study environment and preservation of the book collection.

Much remains to be done to restore our College and campus to the debt free, first-class condition the Governing Board, administration, faculty, staff, students and other constituencies desire. But we believe some major "first-steps" were taken toward that end this past year. The completion of the Activities Center and initiation of other redecorating and renovation work have significantly improved the appearance of the campus and boosted morale considerably. And we all believe the Lord still has a most important job for us to do here - whether under the old Fort Wayne Bible College banner or under our new Summit Christian College banner.

Terry L. Emrick

Vice President for Business Affairs

COMMUNITY SPIRIT

Life together at Summit Christian College has been given emphasis throughout the school year. Resident assistants spent time discussing what community is all about and how community is maintained. Students living in the residence halls agreed upon goals for their hall and wing in order to establish community. Off campus students, married students and resident students met periodically in separate groups for chapel to share their unique but common group identity.

The Semester Abroad Team started spring semester chapels by sharing many exploits, lessons learned and witnessing opportunities while in Brazil.

The Contemporary Issues Series covered three topics this year. The series on the New Age movement

challenged and enlightened faculty, staff and students. The faces of AIDS, the facts of AIDS and the Christian response to AIDS was the second informative series presented to the College community. Concluding the series was the subject of divorce and remarriage.

Campus displays and flyers describing contributions black men and women have made was informative and appreciated during Black History Week. Our spiritual emphasis speaker during this week was a dynamic black pastor, Rev. Raleigh Washington. He is pastor of a Chicago church which is part of Circle Urban Ministries.

Throughout the school year over 190 self-assessment instruments were interpreted for students. Personal interpretations have helped students

understand how they manage stress, evaluate their initiative and energy level, gain interpersonal awareness, identify personal motivation and clarify personality insights.

Friendliness was freely demonstrated in our College community. One element that holds this community together is the desire on different levels to experience the acceptance, love, support, encouragement, honesty and involvement that a Christian community affords. Even though the end of a year of studying is a welcomed time, it also can be very difficult to leave supporting relationships that have been developed throughout the school year.

Sharon Mejeur

Former Dean of Students

WBCL... THERE'S ALWAYS SOMETHING NEW!

The major topic behind the closed door when the WBCL Management Team gets together is usually "improvement". How can the air quality, personal contact with listeners, and program content be improved?

A pictorial review will update you on some of those recent improvements.

NEW GENERATOR TO GUARANTEE LESS "DOWN" TIME. Our dream for many years has come true! WBCL now owns a generator which will keep us on the air when storms, downed electrical poles, or other problems disrupt the electrical service to the transmitter. WBCL's Operations Manager, Jeff Carlson deserves much praise for his hard work in researching, ordering and supervising the installation of this valuable piece of equipment.

NEW VOICE AT WBCL. A new voice at WBCL during P.M. PRAISE is that of Eric Foley. Pictured here, (l) Scott Tsuleff (Host of Travelin' Home) and Eric work on a studio project.

To win an official P.M. PRAISE cup, listen to Eric each weekday evening from 6 - 9 p.m. He has the questions, and to win, all you need are the answers!

NEW INVOLVEMENT WITH KIDS. In addition to greeting adult listeners at the WBCL booth during Berne Swiss Days, the entire WBCL Staff participated in the Kids' Parade. WBCL Staff members Jim Stanley, Scott Tsuleff, Marsha Sappenfield, and Marsha Bunker pass out "I Love WBCL" candies to the children along the parade route.

ADDITIONAL NEWS REPORT EACH WEEKDAY. Jim Stanley (l) and Phil Shaull are committed to bringing WBCL listeners the best possible local and national news coverage. But time is limited for research and update on issues that are important to the Christian community of today.

Therefore, on September 2, WBCL began airing each noon-hour, FAMILY NEWS IN FOCUS -- fifteen minutes daily of pertinent information on current issues.

We are pleased that FAMILY NEWS IN FOCUS and THE REST OF THE NEWS (five minutes aired three times daily) will bring a balance in perspective to the more secular reporting of AP news.

NEW COMPUTERIZATION OF MUSIC LIBRARY.

Office staff, Marsha Sappenfield (standing) and Doris Billiard, answer many calls per month from listeners who are requesting information on a song they've heard on the air. Currently, locating that song, or artist, or album can be a difficult chore.

But now, that task will be easier with the computerization of all songs in the library. Over 2,000 hours have gone into the almost completed project of listening to every song in the library, categorizing it and entering the information into the computer.

No more thumbing through the racks, album by album, ladies!

*An Overview by
Char Binkley, General Manager*

"Summit Christian College acknowledges our friends, who have graciously given of their time and resources during the fiscal year July 1, 1988 to June 30, 1989"

ALUMNI ALBUM

Delta Epsilon Chi Nominations

Each year the faculty elect two alumni as honorary members of Delta Epsilon Chi, the honor society of the American Association of Bible Colleges. Since 1955, 70 alumni have been inducted into this honor society. If you would like to suggest someone for this honor, we would be very happy to consider them. Such a person must be a graduate of the College, not a member of Delta Epsilon Chi as a student, and must "have proven themselves to be a good servant of the Lord, manifesting outstanding intellectual achievement, approved Christian character, and evident leadership ability in some area of Christian work." Send in your suggestions to the Alumni Office.

for you!*

PEARL WILLIAMS-JONES TRIO

If you like spirituals, gospel music, or have a flare for the classical idiom, you will be carried away with the enthusiasm, warmth, and superb performance of Black-American music by the **PEARL WILLIAMS-JONES TRIO**. MS. JONES, singer, songwriter, and pianist, is recognized internationally as a leading authority in Afro-American gospel music and has performed in places such as Carnegie Hall and Kennedy Center.

As director of Bible Way Radio Chior and host of a weekly radio program, MS. JONES will present a stirring program with piano, percussion, and bass accompaniment. What an evening of celebration! Join us on November 11th!

Nov. 11, Saturday - 7:30 p.m.
General Admission Ticket Price - \$6.00

THE CATHEDRALS

What is synonymous with Southern Gospel Music? **THE CATHEDRALS!** Returning to our campus for the second time, THE CATHEDRALS come with musical excellence and commitment to quality.

Their songs communicate hope and joy, and their humor contributes to a delightful evening.

Plan to unwind from the holidays, relax with us, and enjoy a great evening of fun and music on January 11th!

Jan. 11 - Thursday 7:30 p.m.
General Admission Ticket Price:
\$7.50 - Floor -- \$6.00 Stadium
