THE GARNET TRIUMPHS.

RACES IN THE MUD AT SYRACUSE

RAIN FELL IN TORRENTS AND THE TRACK WAS A SEA OF MUD.

But Union Distanced Syracuse, Winning the Pennant in a Walk, with Hamilton and Colgate Third and Hobart and Rochester Not in It.

Last Wednesday morning when the Union men at Syracuse arose from their downy couches at The Vanderbilt they discovered that it was still raining, but they took the situation cheerfully and hoped that it would clear up. They were confident, that rain or shine the Union team was going to win that pennant and cup, and their faith in the sturdy athletes from the college in Dorp was unshaken by the abundance of moisture. Nor did they lose courage at all when, on reaching Kirkwood park, they found the track a literal sea of mud.

Had the day been fair and the track good, several records would have been broken. The time of the several events is fast taking into consideration the weather and condition of the track. Scofield, of Union, broke the Inter-collegiate record for the running broad jump, going 20 ft. 6 1-2 inches, the former record being 19 ft. 11 1-4 inches.

The attendance was good. The Syracuse men were there in large numbers having in charge any quantity of co-eds. Union was represented by the largest visiting delegation and they were not afraid to let the co-eds and their escorts know that they were Union men.

The first event, the 100 yards dash was called at 2:30 sharp. The track was about three inches below a top dressing of saturated solution of dust. The entries were twelve in number, and the contestants were all there. They were taken in a hack to the scratch. In the first heat Fikes, Syracuse, won with Root, of Hamilton, second; Hoyt, of Syracuse, third. In the second heat Walker, of Union, first; Holleran, Union, second, and Van Duzer, Union, third.

The final was run off by the first three in the trial heats, and Fikes won in 11 seconds, Hoyt second and Root third. Score: Union, 0, Syracuse, 8.

The fifth event, the mile walk, in this case known as the mile wade, was called next. There were four entries, McEwan and Pollock, of Union, and Whiteside and Kraus, of Syracuse. Pollock, McEwan and Kraus kept well together till the stretch was reached when Kraus spurted by Pollock who followed him closely for second and McEwan third. Time: 10 minutes 2 seconds. Score: Union, 4, Syracuse, 13.

A shallow spot was now found in the mud for the shot put. A man was also found who consented to dive for the shot after each trial and another had the contract to wipe off the sphere with a blanket. Ford, Colgate, managed to make the winning cast with a distance of 36 ft. 9 inches; Barnes, Union, second; Monroe, Colgate, third. Score: Union, 7, Syracuse, 13. In this event Colgate won 8 points.

While the shot put was being contested the sprinters were taken in the boat (hack) to the 440 yard line. This was a very pretty and most interesting event of the day. Down the stretch they came, Kilpatrick leading, with Fikes about ten feet behind. As they neared the finish Fikes gained on Kilpatrick and won by about two feet with O'Neill, Union, third. Time: 54 seconds. Score: Union, 11, Syracuse, 18.

The hurdles were now placed along the fence and held down by weights and the men varied the usual monotony by jumping a hurdle and swimming to the next, perhaps after clearing three or four they were fortunate enough to find a shallow spot in which they might again run instead of swimming. Holleran, Union, finished first, with Twiford, Union, second, and Risley, Colgate, third. Time: 20 4-5 seconds. Score: Union, 19, Syracuse, 18. At this point Union took the lead and kept it.

The pole vault was held alongside the grand stand under the projecting roof. McClintock, Union, vaulted 9 ft. 2 inches, with Naylor, Hamilton, second, at 9 feet. Hoyt,

Syracuse and Davis, Hobart, tied at 8 feet 6 inches. They vaulted off the tie and Hoyt won. Score: Union, 24, Syracuse, 19.

Next came the 880 yards dash which Kilpatrick, Union, won easily in 2 minutes 18 1-5 seconds with Ostrander, Hamilton, second and Allen, Union, third. Score: Union, 30, Syracuse, 19.

The two mile bicycle race was the event of the day. Twelve men started to ride around the oval four times in three inches of slush. Three men finished, the rest wrecked their wheels or became tired of falling off every ten feet. Feek, of Syracuse, won in 15 minutes. He had ropes tied around his tires so that when they struck bottom the wheel did not slip. Brown, Syracuse, finished second and Burtis, Union, third. Score: Union, 31, Syracuse, 27.

In the broad jump under the roof of the grand stand Scofield, Union, won, breaking the record, with Myers, Union, second, and Briggs, Colgate, third. Score: Union, 39, Syracuse, 27.

In the 220 yards hurdle two heats were run. In the first heat Holleran, Union, won with Twiford, Union, second. In the second, Warren, Syracuse, was first and Van Wie, Hamilton, second. In the final Twiford came in first with Holleran second and Warren third. Time: 28 4-5 seconds. Score: Union, 47, Syracuse, 28.

The high jump was held on an island under a shed at the upper end of the grand stand and Burgin, of Union, jumped 5 feet 3 inches, defeating Shepard and Schafer, of Syracuse, who each jumped 5 feet 2 inches. Shepard won in the drawing for second. Score: Union, 52, Syracuse, 32.

In the mile run every man entered ran but few finished. Kilpatrick won easily in 5 minutes 39 1-5 seconds, Burke, Hamilton, second; Lewis, Syracuse, third. Score: Union, 57, Syracuse, 33.

The 220 yards dash was very close and exciting. Root, of Hamilton, and Fikes, of Syracuse, were the favorites and the rooters for both men went wild as they seemed to cross the line together, each however, claiming the race. The referee awarded it to Fikes with Root second and Van Duzer, Union, third. Time: 24 1-5 seconds. Score: Union, 58, Syracuse, 38.

It was now 7 o'clock and the hammer throw was the only remaining event. The

crowd left, it having become painfully evident, to Syracuse at least, that Union had won the pennant, and the hammer throwers repaired to the place marked for the event. Newell, of Colgate threw it 85 feet and Myers and Barnes, of Union, took second and third places respectively, and at 7:35 the meet was ended. Score: Union, 62, Syracuse, 38.

The following is a summary of the events: 100 yards dash—Fikes, Syracuse, first; Hoyt, Syracuse, second; Root, Hamilton, third. Time, 11 seconds.

In points the scores stands: Union 62, Syracuse 38, Hamilton 13, Colgate 13. In points firsts count 5, seconds 3 and thirds 1.

In the evening the men assembled at the Bastable theatre to hear the quartettes from the various colleges in the association, sing, and to witness the presentation of the prizes. The following programme was rendered:

1. Darkies Jubilee.....Syracuse Banjo Club
2. Peter, Peter, Pumpkin Eater,
Hobart Quartette
3. Medley.....Syracuse Glee Club
4. Courtship.....Colgate Quartette
5. Flying Yankee.Syracuse Banjo Club
6. Song.....Rochester Quartette
7. Champagne Song.....Union Quartette
8. "Hark the Merry Drum,"
Syracuse Quartette
9. We Meet Again To-Night Boys,
Chorus of all the Clubs

The numbers were excellently rendered by each of the quartettes and all were compelled to respond to an encore. The Union quartette was encored twice and they in every way sustained the record made by the athletes during the day. The Union quartette was composed of Gillespie, first tenor; Kelly, second tenor; Auchampaugh, first bass, and A. J. Braman, second bass. Too much cannot be said in praise of the excellence of the Syracuse Glee and Banjo Clubs. The Glee Club was obliged to respond to two encores.

The Syracuse men were present in a body and their college yell was numerous and loud. The Union men, however, were not at all bashful and made enough noise to make it evident that they were there.

After the concert was concluded President George H. Bond came forward and made a short speech about the attention paid to athletics by the Greeks and Romans and their importance at the present day. He presented the banner to Capt. Holleran of the Union team, and then called the names of the winners in each event and they came forward to receive the prizes. Syracuse made much noise, but Union also made much, and as Union received most of the prizes Union made noise oftenest. After the exercises were concluded the Union men repaired to the Vanderbilt where they had a short celebration, boarding the 11:20 train for home. Reaching Schenectady at 3:45 A. M., they

received a rousing welcome from a crowd of students who had been waiting all night.

AN HONORABLE DEFEAT.

With the Score a Tie—Williams Wins Six Points in the Final Event, Thus Defeating the Union Team.

A large delegation of Union under graduates and friends of the college men accompanied the athletic team to Albany Saturday, May 19, to witness the second annual contest between the athletic teams, representing the garnet and the royal purple. The day was an ideal one, the rain of Friday night having put the track in excellent condition. The team went directly to the Ridgefield grounds and were soon followed by a large crowd wearing on cane, umbrella, and in button-hole the color of the favorite team. Ladies were noticed with garnet dresses and carrying garnet parasols, and while the royal purple was displayed by many of the fair ones present, yet the wearers of the garnet and the friends of "Old Union," composed by far the larger part of the attendants. The grand stand was shortly filled with a pleasant, good natured throng, who patiently waited the appearance of the contesting teams. Shortly after 2 o'clock the Williams' team emerged from the club house, and immediately after them came the Union team. Both teams presented a fine, physical appearance and were vigorously applauded. The Union men looked especially neat in their new athletic suits, garnet caps and sweaters.

The judges and officers of the games took their positions, and the clerk of the course called up the opening event, the 100-yards dash. The following is a summary of the events and points won in each:

One hundred yard dash—Patterson, Williams, first; Deyo, Williams, second; Allen, Williams, third. Time 10½ seconds. Williams won eight points in this event.

Eight hundred and eighty yard run—Kilpatrick, Union, first; Buck, Williams, second; Williamston, Williams, third. Time, 2 minutes 7 seconds. Score: Williams 3, Union 5.

One hundred and twenty yard hurdle—Putney, Williams, first; Elder, Williams, second; Holleran, Union, third. Time, 19 seconds. Score: Williams 7, Union 1.

Two mile bicycle—Campbell, Union, first; Hoyne, Williams, second; Townsend, Wil-

liams, third. Time, 5 minutes 54 $\frac{1}{4}$ seconds. Score: Williams 3, Union 5.

One mile run—Kilpatrick, Union, first; Elder, Williams, second; Nulter, Williams, third. Time, 5 minutes 16 $\frac{1}{2}$ seconds. Score: Williams 3, Union 5.

Pole vault—Towne, Williams, first; L. McClintock, Union, second; Campbell, Union, third. Height, 9 feet 6 inches. Score: Williams 5, Union 3.

One mile walk—Bliss, Williams, first; Pollock, Union, second; McEwan, Union, third. Time, 7 minutes 56 seconds. Score: Williams 5, Union 3.

Eight hundred and eighty yard dash—Kilpatrick, Union, first; Rawle, Williams, second; O'Neill, Union, third. Time, 51 $\frac{1}{2}$ seconds. Score: Williams 2, Union 6.

Putting sixteen pound shot—Barnes, Union, first; Myers, Union, second; Beckwith, Union, third. Distance, 34 feet. Score: Williams 0, Union 8. The colleges were now tied, each having made 36 points.

Two hundred and twenty yard hurdle—Deyo, Williams, first; Putney, Williams, second; Holleran, Union, third. Time, 22 4-5 seconds. Score: Williams 7, Union 1.

Throwing sixteen pound hammer—Myers, first; Barnes, Union, second; Miller, Union, third. Distance, 84 feet 6 inches. Score: Williams 0, Union 8.

Running high jump—Burgin, Union, first; Towne, Williams, second; Myers, Union, third. Height, 5 feet 4 inches. Score: Williams 2, Union 6.

Running broad jump—Allen, Williams, first; Putney, Williams, second; Myers, Union, third. Distance, 19 feet 10 inches. Score: Williams 7, Union 1.

At this juncture, with but one more event on the programme, the colleges were again tied, each having a total of 52 points.

Two hundred and twenty yard dash—Patterson, Williams, first; Deyo, Williams, second; Kilpatrick, Union, third. Time, 23 $\frac{3}{4}$ seconds. Score: Williams 7, Union 1. Total score: Williams 59, Union 53.

The features of the games were the running of Kilpatrick, Union's famous long distance runner, who took first place in the mile, half mile, and 440 yard events, the vaulting of Towne of Williams and McClintock of Union, the high jumping done by Burgin of Union, who cleared 5 feet 4 $\frac{1}{2}$ inches, taking first place, and the bicycle race.

In the putting the shot and throwing the hammer Union showed her superiority by taking all the points in both events. The most exciting event was the two mile bicycle race, in which the entries were: B. Burtiss, U.; M. Hoyne, W.; W. A. Campbell, U.; S. B. Blagden, W.; G. Edwards, U.; F. de P. Townsend, W.; G. A. Ensign, U.; S. T. Braman, U. Campbell, Burtiss, Hoyne and Townsend were well bunched in the race up to the last lap of the last mile when Burtiss and Campbell drew rapidly away from the Williams men. In coming down toward the finish on the last lap Burtiss and Campbell were riding neck and neck. Campbell began to slowly forge ahead when Burtiss' wheel bounded from the track against the fence, throwing him stunned and bruised to the ground. Campbell crossed the line a winner. This deprived Union of three points, as Union would have taken both first and second places had the accident not occurred.

After the games the teams repaired to the Delevan where they enjoyed a well earned dinner. They were accompanied by the delegations from the two colleges, the Delevan being headquarters. The winners in all the events received prize ribbons, and the Williams' team carried away the trophy, presented by William P. Rudd and Gardner Leonard, of Albany.

The officers of the course were:

C. R. Smith, the Union member of the executive committee of the Inter-Collegiate Athletic Association, previous to the annual meet at Syracuse, distributed among the students some very neat copies of the constitution and rules of the association.

UNIVERSITY OF ROCHESTER, 2; UNION, 21.

Union played her second game of the series for the championship of the N. Y. S. I. C. league in Rochester, May 17, and like the first one, won with ease. The team has greatly improved since the fore part of the season both in batting and base running; as the score below testifies. Although considerable rain had fallen the night before and also on the morning of the 17th, the afternoon was perfect. Rochester having beaten Syracuse by the score of 11 to 1, Union men were looking for a close game. The attendance was small in the grand-stand, but at least a thousand watched the game from the outside of the high picket fence surrounding the Rochester University grounds. A. O. Masser, Lehigh, '90, called the game at 3:30 P. M. Daley was in the box for Union and did very effective work, holding Rochester down to six base hits and striking out six men. Rochester made one run in the first inning and one in the seventh. Union seemed to be able to make runs at will and felt of the ball for nineteen safe hits. Every man on Union's team played ball. For Rochester, the running one-handed catch of Menzie in right field and the double play of Wynne to Reynolds were features. The time of game was two hours and a quarter. Following is the score:

UNION, 6; HOBART, 1.

The third game of the season for the league championship was played by Union and Hobart at Geneva, May 18th. It had rained so as to prevent every game which Hobart had advertised so far this year and it looked as if rain would also prevent this one, but the good luck which Manager White has enjoyed this season did not fail him and the weather permitted six innings to be played which was all Union men desired to send six men across the plate. The Union men had their batting clothes on and touched Davis, who is conceded to be one of the strongest pitchers in the league, for nine clean base hits. Union played an errorless game. Hobart played a plucky game from the first, but it was of no avail, for Captain Howard's men were determined to win and only in one inning did they let more than four of their opponents go to bat. Murphy was in the box for Union and held Hobart down to four base hits. Klein played center field and accepted two very difficult flies. The rest of the Union men played their usual steady game. The coaching of Enders was a feature of the game that much amused the grand stand. For Hobart, Case played the best game, having two base hits and one of them was a nice two-bagger. The team and management were most favorably impressed with the treatment they received and speak very highly of the Hobart students. Following is the score:

Boyle, of the University of Vermont, umpired the game and gave good satisfaction.

WILLIAMS, 8; UNION, 7.

The Williams team came to Schenectady Wednesday, May 23, with the intention of repeating their victory of the Saturday before over Union. They did it; but they got a scare from our team which they will not get over for quite a while. It was not till the ninth inning, after two men were out that they scored their winning run, and then it was through an error.

The game was one of the prettiest that has been played on the campus in a long time. While there were a few errors on each side, both teams put up excellent ball and showed the result of constant coaching. Everybody seemed to bat well — that is what spectators like — and the game was mostly a fielding one. Klein and Murphy did the batting for Union, the former making a clean three-bagger over the terrace, the latter making a pretty two-base hit. For Williams Hammatt and Dewey excelled with the stick, Hammatt having four hits to his credit, while Dewey made a two-bagger and a single.

Williams has a strong infield, especially at short stop, and they put up a steady game. Anderson and J. Lynch both made some pretty stops. Union's infield was good except at short. Fisher had three errors credited to him, and most of them were costly ones.

Beattie did not play his usual game either. Capt. Howard, of course, did the star work of the game, taking every possible chance without making an error. Enders played an errorless game at first.

Daley pitched a steady game for Union, especially at critical points. It must be understood that Williams is a hard hitting team, and Daley did not allow them to pound him very hard.

While Union lost the game she is not at all discouraged by the showing she made. It is the closest score she has played Williams in many years; and when the next game is played she has hopes of adding another victory to her list. Following is the score:

A CLASS IN ELOCUTION.

At a recent joint meeting of the Adelpic and the Philomathean Literary Societies, there was introduced for discussion the subject of instruction in elocution. Opinions were fully expressed by members of both societies, and as there was a unanimous feeling in favor of the establishment at Union of such a course of instruction, a committee was appointed to take such steps as it saw fit in order to ascertain what move the Faculty would make to meet the demand. The Adelpic Society was represented by R. H. Potter, '95, R. Guernsey, '96, and the Philomathean by G. A. Johnson '95, W. H. Hall '96. The committee consulted Prof. Truax, and a summary of the report presented to the following society meeting is as follows:

In order to make this movement successful in any marked degree, the services of a professor of elocution and oratory would be necessary. This, the present financial stringency in affairs renders impossible, for the present at least. Prof. Truax suggested, however, that those who were interested in giving special time and attention to this line of work should form a class, when he would suggest a plan of action. This class could organize with officers, the head of which should be the critic. The work undertaken is not to conflict or to run parallel with the present literary societies, but is to be devoted exclusively to oratorical and elocutionary work. It may be stated here that students who desire the proposed study will do well to state the fact to any one of the committee named or to the president of either society. The work is open to all students, and only such men are wanted as purpose applying themselves here as in any other regular study.

A further discussion of the matter with Prof. Truax was arranged for, but owing to the unfortunate circumstances that have interfered, it is impossible that anything further than preparation for elocutionary work can be done this year. It is to be hoped that success will be met with in endeavoring to provide opportunity for such instruction. Colleges with whose orators Union men have to compete in the inter-collegiate contests

have such advantages, though they have neither more nor higher talent than is found here. Every man in college should be interested in working for the founding of this course.

Alumni Allusions.

'49. Gen. and Mrs. Daniel Butterfield have closed their town house, No. 616 Fifth avenue, and have opened Cragside, their beautiful country place at Cold-Spring-on-the-Hudson, where many distinguished foreigners have in times past been delightfully entertained.

Among the names mentioned for the Republican nomination for Governor of this state are several prominent Union men. Hon. Warner Miller, '60, Hon. John H. Starin, '59, and Senator Charles T. Saxton, a Union man by adoption, are included in the list. Senator Saxton is also mentioned as Republican candidate for the presidency in 1896. On the Democratic side Secretary Daniel S. Lamont may be mentioned.

44. We have just learned of the death of Judge Wm. F. Terhune, at Viroqua, Wis. The Judge died on the sixth of December last, aged 73 years. He was one of the pioneer lawyers of Wisconsin where he was associated with the late Gen. Rusk and others in advancing all material interests of western Wisconsin in its early days. The Judge was a brilliant and polished man and had held many high political offices, but for the past fifteen years he had lived a very retired life.

In addition to the list of Junior Chapel Orations published in our last issue, the following men have held the platform: W. A. Johnson, "Catholicism in America;" Lane, "The Genius of Hawthorne;" McEwan, "Road Improvement — By Whom? and Why?" Pemberton, "Political Corruption;" Potter, "The Murder of Robert Ross;" Sanderson, "The Importance of Self-Knowledge;" M. R. Skinner, "Poor Management of the Hawaiian Question."

62 to 38.

We won the pennant!

We also won the cup!

The pennant is a beauty and the cup a gem.

A cut of Kilpatrick will appear in our next issue.

We also won the championship of the New York State Inter-collegiate Association.

We are informed that the Juniors assumed the title of Seniors at a college meeting held recently. We respectfully remind the Juniors that they are not Seniors until they pass up their Junior examinations.

The base ball team returned victorious from the western trip, defeating Hobart and Rochester. The Syracuse game was not played on account of rain. The boys have been playing good ball this season and they are working hard for that pennant and championship. They will win it, is our prophecy.

At one of the college meetings held during the month the students received with great applause the very satisfactory report of the committee *a la burte*. Here's to the health of Old Union!

THE CONCORDIENSIS is delighted to recognize the fact that one of the best long distance runners of the world is a student of Union college. The way in which Kilpatrick ran last year at Chicago and his victory at Mott Haven recently have made him famous. He is acknowledged to be one of the strongest, speediest runners in the American colleges to-day. THE CONCORDIENSIS sincerely hopes that Kilpatrick may gain many more honors for himself and Old Union.

The result of the field meet at Syracuse May 30, is certainly gratifying to all who are interested in the welfare of Old Union. For the past four years the college has been rapidly advancing in all branches of athletics. Championship after championship, pennant after pennant has been won in foot ball and base ball, and the climax was reached on Wednesday last, when the athletic team from Union met and easily defeated all comers. The only contesting college which was "in it" to any extent with Union, was her old time rival Syracuse, and she was not in it very much as the score shows. Great credit is due to the athletes and their trainer, Zach Cooper, their instructor, Dr. Linhart, their manager, A. E. Barnes, their captain, F. E. Holleran, and to the students who loyally supported with funds and their presence and cheers at Syracuse.

INTERCOLLEGRATE GAMES AT BERKELEY OVAL.

Union sent her crack runner Kilpatrick down to New York last Saturday to compete with the other large colleges of the country in the intercollegiate games. Barnes and Burgin accompanied him but were unable to score in the events against the other athletes. Kilpatrick, however, was able to show the sprinters from Yale, Harvard, Columbia, Princeton, etc., how to run a half mile winning easily in 1 minute 59 1-5 seconds. Charley took matters coolly while one of his opponents fainted in the arms of his trainer at the finish. One of the New York papers said he won in a canter.

Local and Personal.

Senior vacation.

"We won in a walk."

Pemberton, '95, spent Decoration day at Albany.

The '95 *Garnet* arrived last Monday and sold very rapidly.

The Seniors passed up their final examinations on Monday and Tuesday.

The moving up of the classes in the chapel seats occurred last Tuesday morning.

H. P. Willis, '97, has gone to his home; he will not return to College until next year.

G. V. and C. R. Smith, '94, are spending part of the Senior vacation at their home in Tioga, Penn.

J. A. O'Neill, '97, photographed the Union Williams base ball game of the—but you know the date.

Waldo E. Bullard, '97, was away for a few days last week attending the marriage of his brother at Saratoga.

G. B. Lynes '94, took charge of the weekly college bible class on the 25th inst. in the absence of Prof. Ripton.

Somebody says that the orange looks best when covered with the garnet. It certainly seemed so on Wednesday.

President Raymond will deliver the commencement address before the students of Lowville academy, at Lowville, Lewis county.

In the severe thunder storm which interfered with the Union-Hobart game last Monday, a large number of the spectators got wet.

The regulation suits and garnet caps of the Union athletic team called forth many expressions of admiration from the fair co-eds of Syracuse.

The Glee and Mandolin clubs will give a concert in Canajoharie on Tuesday evening next. They leave at 3:30 in the afternoon, returning after the concert.

The game with Hobart which was started on the campus on Monday, May 28, and called on account of rain, will be played on the campus before the season closes.

The regular class work in the gymnasium closes this week. With the formation of his classes next fall, Dr. Linhart will, under the new rules, have both the Sophomore and Freshman classes under his instruction.

"What's the use? What's the use?"

Trying to beat Old Syracuse."

"There is no use! There is no use!"

For Union beat Old Syracuse."

Kelly, '96; A. J. Braman, '94; Wyckoff, '97, and S. T. Braman, '94, took part in a concert given Monday evening, May 28, in the Second Reformed church, this city. The Mandolin club gave one of the numbers of the programme.

H. M. Dann '97, who has been very ill for some time with pericarditis, is slowly improving. His brother, C. A. Dann, who was compelled on account of sickness to leave college during the winter, returned to fill the position of nurse.

The extemporaneous discussion preparatory to the Alexander contest was continued last Wednesday on the question of the annexation of Hawaii. Nine men were present with Prof. Burke; this work will be continued next Wednesday.

Those who were unable to attend the meet at Syracuse missed a good thing. The men who are in college next year will have a good opportunity to help Union to take the pennant another year, as the games will probably be held at the Ridgefield grounds in Albany.

The team won two games on Decoration day from the Athletics, a city team. In the morning the game was played in the rain and resulted in a score of 9 to 2. Only seven innings were played. In the afternoon the game was called at the end of the eighth inning: The score was 18 to 3. Murphy pitched in the morning and Daley in the afternoon.

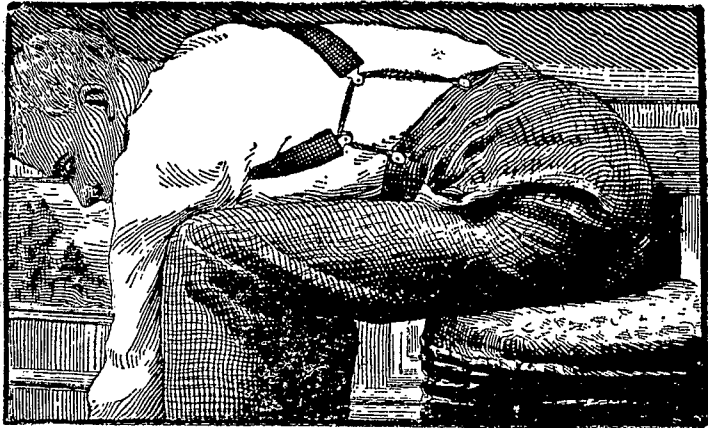

The following students attended the meet at Syracuse: Clarke Day, E. L. Auchampaugh, Miles Ayrault, E. A. Wilson, J. O. Reynolds, S. T. Braman, R. E. Wilder, G. V. Smith, A. J. Braman, W. W. Stewart, J. A. Clark, C. R. Smith, H. L. Baggerly, W. G. Brown, J. E. Kelly, A. S. Derby, A. M. Blodgett, R. E. Brizee, O. J. Dempster, D. M. Doherty, H. L. Cooke, C. E. Gregory, W. L. Lawton.

The following men constituted the Union Athletic team at Syracuse: H. B. Van Duzer, L. F. O'Neill, C. Kilpatrick, W. E. Allen, A. G. Sommer, M. A. Twiford, F. E. Holleran, M. J. Multer, W. Campbell, L. McClintock, B. O. Burgin, Z. L. Myers, G. M. Schofield, B. Burtis, W. S. McEwan, G. E. Pollock, G.

Ensign, A. E. Barnes, J. G. Beckwith, G. H. Muller, G. Edwards, H. C. Todd, A. D. Bissell, L. J. Lane, E. Walker.

Zach. Cooper who has so ably trained our athletic team, will shortly return to his home in Brooklyn. The boys have become very fond of Zach. and Zach. has really fallen in love with Old Union and the boys and should he return next fall he may be sure of a warm welcome. Long live Zach.

Prof. Howard T. Mosher, of the department of Modern Languages, has been elected superintendent of the Prospect Hill Chapel Sunday school. He will enter upon his duties the first Sunday in June. The selection is a good one, as the professor has a rare faculty for holding the attention and instructing the young.

LIFE.

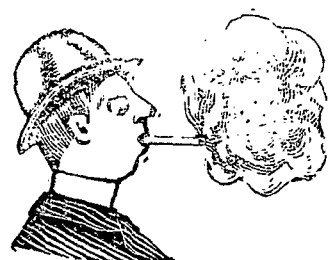

"What shall I do lest life in silence pass?"
 And if it do,
 And never prompt the bray of noisy brass,
 What need'st thou rue?
 Remember aye the ocean deeps are mute,
 The shallows roar;
 Worth is the ocean,—Fame is thy *bruit*
 Along the shore.

"What shall I do to be forever known?"
 Thy duty ever!
 "This did full many who yet sleep unknown?"
 Oh! never, never!
 Think'st thou perchance that they remain unknown
 Whom thou know'st not?
 By angel trumpets in Heaven their praise is blown,
 Divine their lot.

"What shall I do to gain eternal life?"
 Discharge aright
 The simple dues with which each day is rife?"
 Yea, with all my might.
 Ere perfect scheme of action thou devise,
 Will life be fled,
 While he who ever acts as conscience cries
 Shall live, though dead. —*Shiller.*
