Mission

The mission of the Library Outreach Committee is to engage the Xavier community and promote library resources resulting in lifelong learning and student success.

Over the next six months, we plan to move toward this mission by:

- Continuing to cultivate and deepen relationships around the campus by attempting to partner with other departments for events and reaching out specifically to departments when we have events of interest.
- Increasing the library's profile through the ordering and distribution of collateral materials.
- Beginning to create a calendar of events that we can replicate and build on year after year.

Committee structure

The Outreach Committee is currently made up of three members, though this number is subject to expansion. Currently, the team is made up of Ashaki Haroon, Irwin Lachoff and Melinda Williams as team lead. Team lead will be determined by volunteering or by appointment by the library director. The lead position will change hands every 18 months, unless other arrangements are agreed upon by the team.

At this time, the team meets weekly on Thursdays at 9:30 a.m., unless otherwise announced.
